City/County: **Washoe County**
Approved by: Cadence Matijevich, Government Affairs Liaison
Comment: In accordance with the provisions of this bill, any teacher, instructor or professor who teaches, or any retired teacher, instructor or professor who previously taught, in a program of general education, vocational education or rehabilitation for offenders in an institution or facility of the Department of Corrections who wishes to have certain public entities make any records containing their personal information confidential would first have to obtain a court order from a district court requiring the agencies to do so. In Washoe County, each petition for such an order takes an average of 30 to 45 minutes of staff time of the Second District Judicial Court (SJDC) to review and process. Under existing Nevada law, certain persons are already authorized to obtain such an order. To date, requests for these orders have been able to be absorbed into the existing capacity of the staff of the SJDC as only a fraction of those persons entitled to seek an order for confidentiality actually pursue one. If enacted, this bill is not expected to significantly increase the number of requests received by the SJDC as the number of additional eligible persons would be minimal. As such, the provisions of this bill can be accommodated within existing procedures and resources and there is no financial impact to Washoe County.
