Explanation (Use Additional Sheets of Attachments, if required)

A fiscal impact is not anticipated at this time by DHCFP. This bill requires training for individuals interacting with the CSEC population, establishes a multidisciplinary team to support CSEC or those that may be at risk of being CSEC, and defines placement of CSEC even when a crime has occurred. This bill does not direct Medicaid to reimburse for services that are not already available for this population and does not impose any new requirements that would impact Medicaid.
