City/County: **City of Sparks**
Approved by: Jeff Cronk, Chief Financial Officer
Comment: This bill will eliminate the Subsequent Injury Account (SIA) which would eliminate assessments paid by the City to help fund the account but would also eliminate the City's ability to recoup costs associated from a claim that would otherwise be eligible for reimbursement from the SIA. Thus, there are expected to be somewhat offsetting fiscal impacts, yet the full extent cannot be determined as that would be driven by unknown future claims (if any).

In the last fifteen (15) years, Washoe County has recovered $461,293 in funds from the State. The estimated fiscal effect provided is based upon these prior recovery amounts.
