Explanation (Use Additional Sheets of Attachments, if required)

SB227 / BDR 15-17 is an act relating to crimes; providing that a person who etches, paints, draws or displays a symbol of hate… .is guilty of intimidation; requiring a juvenile court to take certain actions concerning a child…; authorizing a court to issue certain orders for protection…; requiring the prosecuting attorney and clerk of the court…; providing penalties and other matters.

Section 1 provides that a person who etches, paints, draws or otherwise places or displays a symbol of hate on public property or on private property in plain view of the public with the intent to cause a person to feel threatened or intimidated, deprive a person of any constitutional right or retaliate against a person for exercising any such right is guilty of the crime of intimidation; provides for escalating penalties. Sections 4, 6, 7, 9, 12, 13 and 16-21 of this bill make conforming changes related to the issuance of orders for protection against intimidation.

If this bill as introduced is enacted, it would require the Department of Public Safety, Records Communications and Compliance Division (RCCD), Nevada Offense Code Unit (NOC) staff to modify 7 NOCs, create 7 new NOCs and 7 new subtypes. However, the cumulative impact of the legislation from the 2023 session will increase the volume of NOC revisions. This bill would also require coding changes to the current Protection Order Program system to include a new order type. The IT estimate is $40,045. The RCCD may request to return to the Interim Finance Committee in the 2023-2025 biennium should workload increases necessitate additional staffing.
