Total	0	0	0	0

Explanation (Use Additional Sheets of Attachments, if required)

If enacted, the proposed legislation would require the appropriation of certain weighted funding to fund additional needs of certain pupils with low academic achievement in the English language. The Department is unable to determine if there would be a fiscal impact without additional clarification regarding the metric/assessment that will be used to determine English proficiency and if the 25% calculation is at the school, district, or state level.
