Explanation (Use Additional Sheets of Attachments, if required)

BDR 34-386 SB65 is an act relating to education; requiring a candidate for the office of trustee of a school district to obtain and file certain certifications; revising provisions governing certain training for professional development required for the members of boards of trustees of school districts and candidates for the office of trustee of a school district; and providing other matters properly relating thereto.

Section 4 of this bill requires a candidate for the office of trustee of a school district to submit a complete set of the candidate's fingerprints and written permission authorizing the Superintendent of Public Instruction to: (1) forward the fingerprints to the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation for reports on the criminal history of the candidate.

If this bill as introduced is enacted, it would require the Department of Public Safety, Records Communications and Compliance Division (RCCD), Fingerprint Examiner Unit (FEU) and the Civil Fingerprint Support Unit (FSU) to process the fingerprints provided. FEU and FSU may experience a minimal increase in fingerprints to be processed. However, the cumulative impact of the legislation from the 2023 biennium session may increase overall fingerprint submissions. The RCCD may request to return to the Interim Finance Committee in the 2023-2025 biennium should workload increases necessitate additional staffing.
