MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 3.

Assemblywoman Cohen moved the adoption of the resolution.

Remarks by Assemblywoman Cohen.

ASSEMBLYWOMAN COHEN:

Senate Concurrent Resolution 3 memorializes Ben Graham.

The concurrent resolution details Ben Graham's amazing career in public service, particularly cofounding Lawyers Concerned for Lawyers and working to improve the judicial system in our state. I am not going to repeat the resolution, but I will briefly mention the Graham family and the way they have opened their home multiple times per year, year after year, whether it was hosting Southern Nevada Association of Women Attorneys or parties for the Clark County District Attorney's Office. Ben led a brigade—and I do mean a brigade—to make a full holiday meal multiple times per year for the community. The Grahams used those gatherings as an opportunity to host food drives for different organizations. They would have hundreds of people per night in their home—again, multiple times per year. They are a wonderful family. Ben was a wonderful person. I am so proud to know them and to have known Ben. I am so proud to know Elana and to have been her first extern when she was the chief of child support for the District Attorney's Office.

With that, I would like to introduce members to the Graham family: Ben's wife, Elana T. Graham; the Honorable Elana Lee Graham; Turner Graham; Luana Graham-Abrao; John McCormick; and Seth T. Floyd. I know the family is happy to be here, and we are very happy to have them here. Please make the family feel welcome.

Mr. Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I want to welcome the family here. Ben Graham was one of the first people I encountered as a lobbyist in this building back in 2013. I do not know anyone who knew more about the criminal code and the history of the criminal code than he did. I remember asking him questions—Why do we do it this way? He would put his arm around me and say, Come with me, young man. I will tell you about how we figured this out. He would tell me stories from 20 or 30 years ago, being in the Woodshed working on these things.

He has been such an inspiration to me. What I am really going to miss is being in the middle of a committee hearing and getting a text message that would invariably be from Ben Graham. He would say, Hey, just a suggestion, or, I do not know if you knew this—these little nuggets of wisdom that came from Ben Graham. I think he certainly made this body function better. He certainly made laws better in this state. I am certainly going to miss him.

I am really happy you all are here today and carrying on the tradition of Ben Graham's famous cookies. I am not going to disclose how many of those I have had so far today, but it is probably too many. Thank you so much for being here. I appreciate it.

Resolution adopted.
