GENERAL FILE AND THIRD READING

Senate Bill No. 14.

Bill read third time.

Remarks by Senator Ohrenschall.

Senate Bill No. 14 authorizes the Chair of the Nevada Gaming Control Board (NGCB) to approve persons associated with a deceased licensee or a licensee who has been judicially declared disabled to temporarily engage in gaming activities without procuring a gaming license for such time as the Chair deems necessary to settle the estate of the licensee. Persons granted such approval are required to comply with relevant statutory and administrative provisions.

The bill also authorizes the NGCB to designate as bad debt any amount of debt it assigned to the State Controller that the Board determines is impossible or impractical to collect. If the State Controller determines that it is impossible or impractical to collect a debt assigned by the NGCB, the Controller must request that the State Board of Examiners designates the debt as a bad debt.

Any person authorized to receive a share of revenue from any slot machine operated on the premises of a licensee is liable to the licensee for a proportionate share of the license fee and is required to remit or credit the proportionate share to the licensee by a certain date. Finally, the bill exempts a person appointed as a Gaming Commissioner by the Governor from certain provisions governing the employment of retired public employees.

Senate Bill No. 17.

Remarks by Senators Daly and SeEVERS Gansert.

SENATOR DALY:

Senate Bill No. 17 requires regional transportation commissions in counties with a population of 100,000 or more to establish an advisory committee regarding benches, shelters and transit stops. The bill also expands the authorization of a commission to grant money to conduct research and develop projects that promote emerging transportation and transit technologies. Finally, the bill authorizes certain regional transportation commissions to establish and administer the Nevada Yellow Dot Program.

SENATOR SEEVERS GANSERT:

I oppose Senate Bill No. 17. I have looked over this a few times, and it reduces the number of public members. It got rid of the terms, so there is no defined term for anyone who is appointed, and I could not find exactly how many members would be on this board as well. It may be up to the commission itself. So I am in opposition.

Senate Bill No. 104.

Bill read third time.

Remarks by Senator Nguyen.

Senate Bill No. 104 removes a court's authority to suspend a person's driver's license or prohibit a person from applying for a driver's license due to a delinquent fine, assessment or fee associated with a civil penalty imposed for a traffic violation. A person who is subject to such a suspension or delay when this bill takes effect must have his or her license, or ability to pay for such a license, reinstated by the Department of Motor Vehicles at no cost and be notified.

This does a lot of other things. This is a cleanup bill from several pieces of legislation that passed during the 81st Session. This cleans up some of those provisions to make this bill more effective.

Senate Bill No. 184.

Remarks by Senators Spearman and Goicoechea.

SENATOR SPEARMAN:

Senate Bill No. 184 makes various changes to the charter of the City of North Las Vegas, including increasing the number of wards in the city from four to six; requiring the city manager to reside in the city—that does not include the current city manager, that is going forward; requiring the city manager to prepare an annual diversity study and establish a supplier diversity program; providing that the city attorney or an attorney with whom the City Council enters into a contract to perform all or a portion of the duties of the city attorney may not opine or provide legal advice to the Mayor or a council member on any issue or matter that does not directly relate to the official duties of the Mayor or the city council member; and requiring the city manager to submit reports to certain legislative committees regarding vacant or leased space in the North Las Vegas City Hall and a report to the Joint Interim Standing Committee on Legislative Operations and Elections during the legislative interim regarding the redistricting of the wards.

Provisions requiring a report of vacant or leased space in the North Las Vegas City Hall are effective upon passage and approval. Provisions related to adding two additional wards and requiring the city manager to report certain information to the Joint Interim Standing Committee on Legislative Operations and Elections are effective upon passage and approval for the purposes of adopting ordinances, establishing the boundaries of the wards and performing any preparatory administrative tasks and on January 1, 2024, for all other purposes. All other provisions of the bill are effective on July 1, 2023.

I have a couple things to say about this. The first thing that I want to say is that this is a civil rights issue. There is a pervasive rumor that really is a lie from the pit of Hell. I am not carrying this bill to run for any of these offices. I do not want to do it. The second thing I want to say is it is not about me and, really, it is not about anybody in this chamber. It is about the people in North Las Vegas who do not have the same options that we do in terms of living arrangements and mobility.

This is a bill that was 53 years in the making. There will be some who will say, "Well, I disagree because it did not go through the Charter Committee." I will say this, "Well, it would have gone through the Charter Committee had the Charter Committee been called." Anyone who listened to the hearing on this bill heard several members of the Charter Committee say they would have done this if they had had an opportunity to meet, but they did not. I liken that to an excuse because my father said, "Anyone who wants to do something will find a way, anyone who does not will find an excuse." The excuse not to vote for this bill because it did not go through the City Charter is akin to going to a community swimming pool and someone is drowning and they are flailing their arms and crying for help, and everybody else around the swimming pool says, "Well, it is the lifeguard's duty. Somebody call the lifeguard." Are we going to let the person drown, or is somebody going to jump in and save them?

This is about civil rights. This is about civil rights. Why do we need to fight for civil rights? I am going to call some names of some people you may not know—Ruby Sales—the Selma to Montgomery March, registering voters in Lowndes County, Alabama, and her arrest in Haynesville, Alabama, she had post-traumatic stress syndrome from watching Jonathan Daniels, a seminary student who saved her life, and discusses her opinions on African-American history. Lateefah Simon won a MacArthur Genius award for helping impoverished and formerly incarcerated women. In March of 1955, 15-year-old Claudette Colvin, a student from a Black high school in Montgomery, refused to move from her seat on the bus even though the law said she must give up her seat to any white person who came and asked her for the seat. Rosa Parks, in December, nine months later, broke the Jim Crow law requiring colored people to sit on the back of the bus. Bayard Rustin, who is the author of the nonviolent strategy, went to Alabama as the bus boycott started and taught Dr. King and others how to use the nonviolent strategy to defeat racism and Jim Crow. Fannie Lou Hamer, who was refused a seat on the floor and finally said, "I am sick and tired of being sick and tired." The self-sacrifice and the commitment of Cesar Chavez and Dolores Huerta who fought to make sure that immigrants, people who worked in farms, were treated humanely and got a decent wage for a decent day's work. Mahatma Gandhi, an Indian lawyer, who fought and led a successful campaign for India's independence from British rule, inspired many movements around the world for civil rights. He said these words, "First they ignore you, then they laugh at you, then they fight you, then you win."

I do not know how many of you have heard this story, but let me take a couple of seconds to say this. I have often been asked, "Why do I fight so hard for civil rights?" I believe I was born into this fight because when I was born, I was born in a freight elevator in a hospital in Indianapolis, Indiana, because my father was refused admission through the front door and told to go around to the back door because "colored people could not come that way." By the time he rode all the way around the hospital to the back door and got my mother into the elevator—there was all kinds of trash on the floor, all kinds of medical trash, there were all kinds of food trash on the floor—my dad said as soon as the door closed, my mom passed out. When the door opened, the nurses were standing there, and they said, "Oh, the baby's head is already out." I was born amongst trash because of racism. I was born amongst trash for Jim Crowism. I was born amongst trash when we were still fighting for civil rights. I am fighting for civil rights today.

In 1969, myself and 15 other students integrated an Alabama High School. When we first got there, the very first day of school, the bus rolled up and guess who is standing there in full regalia: the Ku Klux Klan. Everyone else was afraid to get off the bus. As I started to get off the bus, they said, "Patty, do not do that. Do not do that. You are going to get killed." I said, "If they kill me, name a holiday after me." I got off the bus, went through the Klan, walked into the auditorium and sat down. I was suspended and almost expelled from school because I would not allow them to call me the "N" word. You know the "N" word. I would not allow that. I would not allow it because I am a human being designed by God, and my divine design refuses to give in to racism and Jim Crowism.

Why do I say this is a civil rights bill? It is a civil rights bill because it says that if you have more than 275,000 people who live in the City of North Las Vegas, you ought to have enough sense to know that more than four people are required on the City Council. I have often asked the question as I listen to people talk about why this was not a good bill. Everything from, "Well, it should have gone before the Charter Committee." I have already told you why it did not. Why would people fight against adequate representation? Why would people refuse 275,000 people—

when there are less than 10 people fighting against this—why would they refuse to allow them to have adequate representation? This is not new; this is not even revolutionary. If it is, it is only revolutionary because in the 21st Century, we are still fighting for equality and we are still fighting for adequate representation. I stand here today in the words of Fannie Lou Hamer, "I am sick and tired of being sick and tired."

Everybody will have a right to either vote "yes" or "no." You have your reasons to vote "yes" or "no," but I am asking you to understand that this bill, Senate Bill No. 184, is not about anybody in the North Las Vegas government. It is about the people who are asking for adequate representation, who could have had it in 2011 when we got Congressional District 4 because the folks in North Las Vegas knew that the city had grown, and who could have had it in 2021 when the census report said we have more than 262,000 people. If you want to do the right thing, you do not wait for a bill like this. You do the right thing. When you do not do the right thing, we have been sent here by the people that we represent to pick up the slack.

There have been several bills that have come before the Senate asking us to do things that local government would not do. To fall back on, "I am not going to do it because local government should have done it," is disingenuous. This is a civil rights bill. I hope and pray to God that everyone who has looked at this bill—and if you look at it again, you will understand there are 275,000 people. It has been 53 years since the City of North Las Vegas has opened the Charter and looked at adequate representation for the people.

One last thing, North Las Vegas is the most diverse city in the State. We are third in line in terms of population. We have four city council members. Reno, who is behind us, has 262,000 people, and they have six wards and a mayor. There are a couple things different. I said this to people who want me to stand down—anybody who knows me, knows I do not stand down, not when it comes to civil rights—I do not do that, and I do not back up. Reno has a mostly white population. The City of North Las Vegas is minority-majority. Why would anyone not want the majority-minority city in the State to have equal representation? Why would anyone vote against a civil rights bill? Dr. King said, "The best way to find yourself is to lose yourself." In the end, it is the silence of our friends that we will remember, not the anger of our enemies. Senate Bill No. 184, for all the lies and preposterous scenarios that have gone around this building and other places about what this may or may not be, we have a chance right now, and history will record our vote. History will record our vote. Will we stand up for civil rights, or will we cower in the face of power that says, "Do not do it." I am urging you to fight for civil rights. I have done it all my life. I ain't tired, and I ain't through yet.

SENATOR GOICOECHEA:

I oppose Senate Bill No. 184. It is clearly not about civil rights or right or wrong. I had hoped we would get there with this bill, the ability to leave the charter committee in place and put some guidelines on it. I hoped we could have some sideboards that said, "Hey, you have to meet. You set your own agenda." But to disregard the fact this is a charter city with a charter committee and bring it to this body to restructure what that city council looks like is wrong. I ask you to vote "no."

Remarks by Senator Doñate.

Senate Bill No. 192 changes the name of a "hospital advisory board" to a "hospital governing board" and requires such a board to adopt bylaws and related policies and procedures.

Additionally, the bill expands the topics that may be discussed in a closed meeting of a board of hospital trustees or a hospital governing board to include privileged or confidential matters in deliberating the character, alleged misconduct, professional competence or physical or mental health of a health care provider, and a report related to conditions of participation in Medicare or Medicaid programs. Lastly, the bill authorizes a board of hospital trustees or hospital governing board to employ dentists and fix their compensation.

Senate Bill No. 302.

Bill read third time.

Remarks by Senator Ohrenschall.

Senate Bill No. 302 addresses an issue that affects the lives and wellbeing of many of our constituents here in Nevada as well as across the country. Removing gender-affirming health care access for transgender and nonbinary Americans has been the focus of multiple lawmaking bodies across the United States in recent years, especially in the last 12 months.

This is in spite of the fact that removal of gender-affirming care for those vulnerable groups that seek this care causes long-term damage to mental health. According to research from Stanford University, which looked at data from a survey of more than 27,000 transgender adults in the United States, gender-affirming care is beneficial from a mental health perspective. In a 2018 position statement, the American Psychiatric Association noted that discrimination and lack of equal civil rights is damaging to the mental health of transgender and gender diverse individuals. Gender-affirming health care is imperative for mental health, especially because, as the Anti-Defamation League points out, gender-affirming hormone therapy has been shown to significantly decreased suicidality among transgender youth and gender-affirming care including social, medical and legal aspects, has been shown to improve the overall mental health of transgender and nonbinary people.

Senate Bill No. 302 will address the increasingly grave environment presented by state governments across the country who seek to remove access to gender-affirming health care. Senate Bill No. 302 will protect medical professionals in Nevada and those who come to our State who have provided vulnerable communities—the transgender, nonbinary communities—access to gender-affirming health care.

I believe Nevada has a chance to take a stand for what is right with Senate Bill No. 302. I ask everyone to imagine if they went to see their health care provider for them and for their family, and recommendations were given which are in line with these recommendations from the American Medical Association and the American Psychiatric Association, and a state legislature says that you are now committing a criminal offense, or you are now committing abuse and neglect.

I ask everyone to look in their hearts and please support Senate Bill No. 302. Nevada cannot stand with what is happening across the country.

In addition, the bill requires the Public Employees Benefits Program and plans of self-insurance for employees of local government to provide coverage for mammograms every two years or annually if ordered by a provider of health care for women 40 years of age or older. SENATOR OHRENSCHALL:

Senate Bill No. 411 authorizes the juvenile court and judicial districts across the State to establish a program for children who are diagnosed with or who are suspected to have autism spectrum disorders and who are alleged or adjudicated to have committed a juvenile delinquent act to participate in this therapeutic diversion court program. The bill sets forth eligibility criteria for such a program and provides for informal supervision on probation for such children as appropriate.

I have a personal comment I would like to make to the chamber. There is a program down in Clark County called Detention Alternatives for Autistic Youth. It was started by Judge Bailey down in Southern Nevada, and it has been successful in diverting children from being caught up in the delinquency system, spending time in juvenile detention or even going to a youth correctional facility. Recidivism rates have been low, and many children have connected with the services they needed for years, but either, somehow, it was not caught or the families did not realize. A lot of the kids get neuropsychiatry evaluations and end up getting the help they need. I urge everyone's support for this. Hopefully, we will see therapeutic diversion courts for kids on the spectrum across the State.

SENATOR SEEVERS GANSERT:

I support Senate Bill No. 411. I appreciate the work that the Senator from District 21 has done over the years for autistic children. This makes a lot of sense and will be helpful.

Existing law authorizes a legislative body to: (1) adopt by ordinance a redevelopment plan as the official redevelopment plan for a redevelopment area; and (2) amend the existing redevelopment plan, including the addition of one or more areas to the redevelopment area. (NRS 279.586, 279.608) Existing law prohibits the removal of an area from a redevelopment area by amendment. (NRS 279.608) Section 1 of this bill authorizes a legislative body of a city whose population is less than 25,000 to amend a redevelopment plan to remove an area from the redevelopment area if the legislative body determines following a public hearing that: (1) the removal will not impair adversely any outstanding bonds or securities; (2) the area that will be removed consists primarily of single-family residential dwellings or multi-family residential dwellings of three stories or less, or both; and (3) the removal is necessary or desirable because it is in the public interest for the property tax revenue collected from the area that will be removed to be distributed in the same manner as property tax revenue is distributed outside the redevelopment area. Under section 2 of this bill, a legislative body is prohibited from amending a redevelopment plan to remove such an area from a redevelopment area if the removal would impair adversely outstanding obligations of any political subdivision of this State or any other public entity.

(NRS 237.100)

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 457.

SUMMARY—Revises provisions related to public works. (BDR 28-535)

AN ACT relating to public works; revising provisions relating to the use of apprentices on public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires contractors or subcontractors engaged on public works to ~~employ~~ use one or more apprentices for a certain percentage of the total hours performed on a public work, depending on the number of ~~apprentices or~~ workers employed ~~to~~ on the public work, and to enter into an apprenticeship agreement for all apprentices so required. (NRS 338.01165) ~~[This] Section 1 of this bill: (1) [modifies the percentage of labor hours that are required to be worked for certain projects depending on how many hours the apprentices will be working; and (2)] eliminates the threshold number of workers for the applicability of the requirements for using apprentices; (2) applies those requirements based on all public works~~

performed by a contractor or subcontractor during a calendar year instead of based on each public work; and (3) limits the requirement to enter into an apprenticeship agreement to those contractors or subcontractors who are not signatories to a collective bargaining agreement with a sponsoring union.

Existing law: (1) sets forth a procedure that authorizes the Labor Commissioner, upon request by a public body, to ~~adjust this percentage and~~ grant a modification or waiver from ~~these~~ the requirements for using apprentices upon a finding of good cause; and (2) defines the circumstances that constitute "good cause." (NRS 338.01165) ~~[This bill amends the definition of good cause to include any other circumstance set forth by regulation of the Labor Commissioner. This bill further provides that only the public body that awards the contract for the public work may request that the Labor Commissioner modify or waive these requirements.]~~ Section 1: (1) eliminates that procedure; (2) requires a contractor or subcontractor to maintain and provide to the Labor Commissioner any supporting documentation to show that the contractor or subcontractor made a good faith effort to comply with the annual requirements to use one or more apprentices for a certain percentage of the total hours performed on public works; and (3) sets forth certain requirements for such supporting documentation.

Existing law provides that an apprentice who graduates from an apprenticeship program while employed on a public work is deemed to be an apprentice on the public work for purposes of the requirements for using apprentices and a journeyman for certain purposes, including the payment of wages. (NRS 338.01165) ~~[This bill]~~ Section 1 expands the circumstances ~~[that treat]~~ under which a person is treated as an apprentice ~~[as a journeyman to include when the apprentice is working for a contractor or subcontractor who is a signatory to a collective bargaining agreement with a sponsoring union.]~~ for those requirements.

Section 1 also requires, on or before February 15 of each year, a contractor or subcontractor to submit certain information to the Labor Commissioner regarding the hours that were worked in a calendar year on vertical or horizontal construction for each apprenticed craft or type of work performed. Section 2 of this bill requires that the first such annual report be submitted on or before February 15, 2025, and address calendar year 2024.

Finally, section 1 sets forth a penalty schedule for violations of certain provisions relating to the requirements for a contractor or subcontractor to use one or more apprentices for a certain percentage of the total hours performed on a public work.

an associate physician or associate osteopathic physician; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensing of physicians and physician assistants by the Board of Medical Examiners and for the licensing of osteopathic physicians by the State Board of Osteopathic Medicine. (NRS 630.160-630.1607, 630.258-630.2665, 630.271-630.2755, 633.305-633.469) Existing law also authorizes a graduate of a foreign medical school to obtain a restricted license to teach, research or practice medicine at a medical facility, medical research facility or medical school by completing certain requirements that are less stringent than the requirements to obtain an unrestricted license. (NRS 630.2645) If the holder of such a restricted license wishes to obtain an unrestricted license, existing law requires the holder to meet all of the qualifications ordinarily required to obtain an unrestricted license. (NRS 630.160, 630.2645)

Sections 3-13 and 23-30 of this bill create special license types that authorize certain medical school graduates to engage in the supervised practice of medicine in a medically underserved area of this State. Sections 2 and 22 of this bill define the term "medically underserved area" for those purposes. Sections 14 and 31 of this bill make conforming changes to indicate the appropriate placement of sections 2 and 22, respectively, in the Nevada Revised Statutes.

Section 3 authorizes the Board of Medical Examiners to issue a limited license to practice medicine to a graduate of a foreign medical school who agrees to practice in a medically underserved area and possesses certain other qualifications related to the practice of medicine. Section 4 of this bill requires the holder of a limited license to practice medicine only under the supervision of a physician who holds an unrestricted license and with whom the holder of the limited license has entered into a practice agreement. Section 5 of this bill: (1) provides for the expiration and renewal of a limited license; and (2) ~~authorizes a limited licensee to apply for an unrestricted license upon completion of certain requirements; and (3)~~ requires the Board of Medical Examiners to adopt regulations governing the limited license. Sections 16, 17, 19 and 20 of this bill update references to certification by the Educational Commission for Foreign Medical Graduates in existing law to reflect the current practices of the Commission. Sections 32 and 33 of this bill make revisions to reflect that internships for osteopathic physicians are currently approved by the Accreditation Council for Graduate Medical Education.

Sections 6 and 23 of this bill authorize the Board of Medical Examiners and State Board of Osteopathic Medicine, respectively, to issue a limited license as an associate physician or associate osteopathic physician to an applicant who: (1) has graduated from certain medical schools in the United States or Canada; (2) agrees to perform medical services in a medically underserved area in this State; and (3) possesses certain other

qualifications. Sections 7 and 24 of this bill limit the practice of an associate physician or associate osteopathic physician to: (1) certain primary care services that are within the skill, training and competence of the associate physician or associate osteopathic physician; and (2) practicing under the supervision and control of a supervising physician or supervising osteopathic physician and in a medically underserved area. Sections 7 and 24: (1) deem an associate physician or associate osteopathic physician working in a rural health clinic to be a physician assistant for certain purposes under federal law; and (2) exempt such an associate physician or associate osteopathic physician and his or her supervising physician or supervising osteopathic physician from state requirements governing supervision that are more stringent than federal law and regulations.

Sections 7 and 24 require an associate physician or associate osteopathic physician to enter into a collaborative practice agreement with his or her supervising physician or supervising osteopathic physician. Sections 7 and 24 require a supervising physician or supervising osteopathic physician to be on the same premises and available to assist an associate physician or associate osteopathic physician who is practicing in a medically underserved urban area for the first 30 days of supervision. Sections 7 and 24 require a supervising physician or supervising osteopathic physician, or a designee thereof, to be on the same premises and available to assist an associate physician or associate osteopathic physician, as applicable, who is practicing in a medically underserved rural area at all times. Sections 7 and 24 also require the employer of an associate physician or associate osteopathic physician to bill for services rendered by an associate physician or associate osteopathic physician in the same manner as a physician assistant. Sections 8 and 25 of this bill require a supervising physician and associate physician or supervising osteopathic physician and associate osteopathic physician to take certain measures to notify the public of their respective statuses and their relationship. Sections 9 and 26 of this bill prescribe the required qualifications of a supervising physician or supervising osteopathic physician. Sections 9 and 26 also: (1) provide that a supervising physician or supervising osteopathic physician is responsible for the practice of medicine or osteopathic medicine by the associate physician or associate osteopathic physician that he or she is supervising; and (2) require a supervising physician or supervising osteopathic physician to maintain liability insurance that covers malpractice by an associate physician or associate osteopathic physician. Sections 9 and 26 prohibit a supervising physician or supervising osteopathic physician from entering into a collaborative practice agreement with more than three associate physicians or associate osteopathic physicians. Sections 9 and 26 additionally prohibit the Board of Medical Examiners and the State Board of Osteopathic Medicine from disciplining a supervising physician or supervising osteopathic physician for legal activity of an associate physician or associate osteopathic physician that is within the scope of the relevant collaborative practice

agreement. Sections 10 and 27 of this bill prescribe the required provisions of a collaborative practice agreement. Sections 18 and 34 of this bill require a physician or osteopathic physician to biennially submit to the Board of Medical Examiners or the State Board of Osteopathic Medicine, as applicable, a list of the names of each associate physician or associate osteopathic physician supervised by the physician or osteopathic physician.

Sections 11 and 28 of this bill authorize an associate physician or associate osteopathic physician to prescribe or dispense certain controlled substances and establish the conditions under which an associate physician or associate osteopathic physician may prescribe or dispense such controlled substances. Existing law: (1) authorizes the State Board of Pharmacy to issue a registration certificate to authorize a physician assistant to possess, administer, prescribe or dispense controlled substances, poisons, dangerous drugs or devices in or out of the presence of his or her supervising physician; and (2) requires the Board to adopt regulations governing the storage, security, recordkeeping and transportation of controlled substances, poisons, dangerous drugs or devices by a physician assistant. (NRS 639.1373) Section 34.5 of this bill authorizes the State Board of Pharmacy to additionally issue such a registration certificate to associate physicians and associate osteopathic physicians and to regulate associate physicians and associate osteopathic physicians with such a certificate in the same manner as physician assistants. Sections 12 and 29 of this bill provide for the expiration and renewal of the licenses. Sections 13 and 30 of this bill require the Board of Medical Examiners and the State Board of Osteopathic Medicine to: (1) adopt regulations to carry out the provisions of law governing associate physicians and associate osteopathic physicians; and (2) work with medical schools in this State to develop and implement a program for associate physicians and associate osteopathic physicians to gain knowledge and experience that may count as credit towards a residency program in this State.

Sections 15 and 33 of this bill make conforming changes to ensure that the limited licenses created by this bill are treated the same as other special licenses for physicians or osteopathic physicians, as applicable. Section 35 of this bill makes a conforming change to clarify the meaning of the terms "associate physician" and "associate osteopathic physician."

Existing law requires public and private policies of insurance regulated under Nevada law to include certain coverage. (NRS 287.010, 287.04335, 422.2712-422.27241, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1655-689C.169, 689C.194-689C.195, 695A.184-689A.1875, 695B.1901-695B.1949, 695C.1691-695C.176, 695G.162-695G.177) Existing law also requires employers to provide certain benefits to employees, including the coverage required of health insurers, if the employer provides health benefits for its employees. (NRS 608.1555) Sections 37-40, 42, 43, 45-48 and 50 of this bill require public and private health plans, including Medicaid, to provide coverage for medical services

provided by an associate physician or associate osteopathic physician, if the health plan covers the same medical services when performed by a different provider of health care. Sections 36, 41 and 44 of this bill make conforming changes to indicate the proper placement of sections 39, 40 and 43 in the Nevada Revised Statutes. Section 49 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirement of section 47 of this bill to cover medical services provided by an associate physician or associate osteopathic physician. The Commissioner would also be authorized to take such actions against other health insurers who fail to comply with the requirements of sections 40, 42, 43, 45, 46 and 50.

Amendment No. 344.

SUMMARY—Revises provisions relating to pretrial release.
 (BDR 14-310)

AN ACT relating to criminal procedure; revising provisions relating to pretrial release hearings; authorizing a court to impose additional conditions of release on a person under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law requires a court to hold a pretrial release hearing to determine the custody status of a person within 48 hours after the person has been taken into custody. However, existing law authorizes a court to continue such a pretrial release hearing if good cause is shown by a party. (NRS 178.4849) Section 1 of this bill instead authorizes the court to continue a pretrial release hearing: (1) at the request of either party or the court and for good cause shown; or (2) upon stipulation of the parties. Section 1 also prescribes certain requirements relating to the scheduling of a pretrial release hearing continued by the court.

Existing law provides that a court may only impose bail or a condition of release, or both, on a person if the imposition is the least restrictive means necessary to protect the safety of the community or to ensure the appearance of the person in court. Under existing law, if a person fails to comply with a

condition of release imposed by the court, the court may, after providing the person with notice and an opportunity for a hearing: (1) deem such conduct contempt; (2) increase the amount of bail; or (3) revoke bail and remand the person into custody. (NRS 178.4851) Section 1.5 of this bill authorizes the court to impose on a person who fails to comply with a condition of release such additional conditions of release as the court deems necessary to protect the safety of the community or to ensure the person will appear at the times and places ordered by the court.

Except as otherwise provided in subsection 4, the court shall only impose bail or a condition of release, or both, on a person as it deems to be the least restrictive means necessary to protect the safety of the community or to ensure that the person will appear at all times and places ordered by the court, with regard to the factors set forth in NRS 178.4853 and 178.498. Such conditions of release may include, without limitation:

(a) Requiring the person to remain in this State or a certain county within this State;

If the request includes the imposition of bail, the prosecuting attorney must prove by clear and convincing evidence that the imposition of bail is necessary to protect the safety of the community or to ensure that the person will appear at all times and places ordered by the court, with regard to the factors set forth in NRS 178.4853 and 178.498.

3. If a court imposes bail or any condition of release, or both, other than release on recognizance with no other conditions of release, the court shall make findings of fact for such a determination and state its reasoning on the record, and, if the determination includes the imposition of a condition of release, the findings of fact must include why the condition of release constitutes the least restrictive means necessary to protect the safety of the community or to ensure that the person will appear at the times and places ordered by the court.

4. A person arrested for murder of the first degree may be admitted to bail unless the proof is evident or the presumption great by any competent court or magistrate authorized by law to do so in the exercise of discretion, giving due weight to the evidence and to the nature and circumstances of the offense.

5. The person must sign a document before the person's release stating that:

(a) The person will appear at all times and places as ordered by the court releasing the person and as ordered by any court before which the charge is subsequently heard;

(b) The person will comply with the other conditions which have been imposed by the court and are stated in the document;

(c) If the person fails to appear when so ordered and is taken into custody outside of this State, the person waives all rights relating to extradition proceedings; and

(d) The person understands that any court of competent jurisdiction may revoke the order of release without bail and may order the person into custody or require the person to furnish bail or otherwise ensure the protection of the safety of the community or the person's appearance, if applicable.

6. The document signed pursuant to subsection 5 must be filed with the clerk of the court of competent jurisdiction and becomes effective upon the signature of the person to be released.

7. If a person fails to comply with a condition of release imposed pursuant to this section, the court may, after providing the person with reasonable notice and an opportunity for a hearing:

(a) Deem such conduct a contempt pursuant to NRS 22.010;

(b) Impose such additional conditions of release as the court deems necessary to protect the safety of the community or to ensure the person will appear at the times and places ordered by the court;

(c) Increase the amount of bail pursuant to NRS 178.499, if applicable; or

~~[(e)]~~ (d) Revoke bail and remand the person into custody.

8. If a person fails to appear as ordered by the court and a jurisdiction incurs any costs in returning a person to the jurisdiction to stand trial, the person failing to appear is responsible for paying those costs as restitution.

9. An order issued pursuant to this section that imposes a condition on a person must include a provision ordering a law enforcement officer to arrest the person if the law enforcement officer has probable cause to believe that the person has violated a condition of release.

10. Nothing in this section shall be construed to require a court to receive the request of a prosecuting attorney before imposing a condition of release.

Sec. 2. This act becomes effective on July 1, 2023.

Amendment No. 168.

SUMMARY—Revises provisions relating to catalytic converters. (BDR 15-37)

AN ACT relating to catalytic converters; prohibiting certain acts relating to used catalytic converters under certain circumstances; establishing requirements relating to transactions involving used catalytic converters; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill provides that a person commits the offense of theft ~~for possession~~ of a catalytic converter if the person willfully takes or attempts to take possession of, carries away or exercises control over a catalytic converter with the intent to deprive the rightful owner of the catalytic converter. Section 2 also provides that ~~there is a rebuttable presumption that~~ a person ~~has~~ commits the offense of possession of a catalytic converter if the person possesses two or more used catalytic converters ~~committed the offense of theft or possession of a used catalytic converter~~ unless the person is licensed or authorized to possess a used catalytic converter.

Section 3 of this bill prohibits a person from purchasing a used catalytic converter from any person other than: (1) a licensed automobile wrecker; (2)

a licensed scrap metal processor; (3) a licensed motor vehicle manufacturer, distributor, dealer or rebuilder; (4) any other business that may reasonably generate, possess or sell used catalytic converters; or (5) a person who possesses certain documentation that proves the person is the lawful owner or possessor of the used catalytic converter.

Section 4 of this bill provides that a person who violates any provision of section 2 or 3 is guilty of: (1) a category E felony, if the violation involves one used catalytic converter; (2) a category D felony, if the violation involves ~~two, three or four~~ 2 or more, but less than 10, used catalytic converters; and (3) ~~a category B felony, punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years, if the violation involves five or more, but less than 10 used catalytic converters; and (4)~~ a category B felony, punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than ~~10~~ 6 years, if the violation involves 10 or more used catalytic converters.

Existing law provides certain restrictions on the sale and purchase of scrap metal in this State and includes a catalytic converter in the definition of the term "scrap metal." (NRS 647.017, 647.092-647.098) Section 12 of this bill excludes a used catalytic converter from the definition of scrap metal.

Section 8 of this bill prohibits a licensed scrap metal processor from purchasing or receiving a used catalytic converter from any person other than certain licensed businesses or a person possessing certain documentation that proves the person is the lawful owner or possessor of the used catalytic converter.

Existing law requires scrap metal processors to maintain certain records of purchases of scrap metal. (NRS 647.092-647.098) Section 9 of this bill requires scrap metal processors to maintain certain additional information if the scrap metal processor purchases a used catalytic converter from certain licensed businesses or a person who has documentation that proves the person is the ~~legal~~ lawful owner or possessor of the used catalytic converter. Section 9 also requires a scrap metal processor to: (1) maintain certain records of all used catalytic converters the scrap metal processor sells to another scrap metal processor; (2) maintain certain records related to used catalytic converters for a period of 2 years; and (3) make certain records related to used catalytic converters available to law enforcement upon demand.

Existing law authorizes a local law enforcement agency to establish an electronic reporting system, or to utilize an existing electronic reporting system, to receive information relating to the purchase of scrap metal by a scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency. If a law enforcement agency establishes or uses such a system, existing law requires each scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency to submit to the local law enforcement agency certain information relating to

each purchase of scrap metal from certain persons. (NRS 647.0945) Section 14 of this bill requires each scrap metal processor to submit electronically to the local law enforcement agency certain additional information if the scrap metal processor purchases a used catalytic converter.

Section 10 of this bill prohibits a scrap metal processor from providing payment for a used catalytic converter to a seller unless: (1) the payment is made by check ~~[and mailed to certain addresses;]~~ or through an electronic transfer of money cleared through an automated clearinghouse; (2) the seller is a person described in section 8; and (3) the scrap metal processor obtains certain information, including, without limitation, a statement written by the seller indicating from whom the seller obtained the used catalytic converter. Section 10 provides for an exception to these requirements for a scrap metal processor who holds a certain written agreement with the seller before purchasing a used catalytic converter.

~~[Under existing law, a person who violates certain provisions governing scrap metal is guilty of a misdemeanor. (NRS 647.143)]~~ Section 15 of this bill provides ~~[instead]~~ that a person who violates ~~[certain provisions governing scrap metal, including]~~ any provision of sections 8-10 [.] is guilty of a misdemeanor ~~[punishable by a fine of \$1,000 for the first offense, \$2,000 for the second offense or \$4,000 for any subsequent offense.]~~ Section 15 authorizes a court to also issue an injunction prohibiting the person from engaging in the business of a scrap metal processor. Section 15 also provides that a scrap metal processor who is a natural person and who knowingly violates section 8 or sells a used catalytic converter that the scrap metal processor knows or should know is stolen is guilty of a felony, punishable by a penalty that is similar to the penalties set forth in section 4.

Sections 6 and 7 of this bill define the terms "permanently marked" and "used catalytic converter," respectively, for the purpose of provisions governing scrap metal processors. Section 11 of this bill makes a conforming change to indicate the proper placement of sections 6 and 7 in the Nevada Revised Statutes.

Amendment No. 280.

SUMMARY—Revises provisions governing contraception. (BDR 40-40)

AN ACT relating to health care; requiring a hospital to provide for the insertion of certain ~~intrauterine contraceptive devices~~ long-acting reversible contraception if requested by a patient giving birth at a hospital; limiting the amount a hospital or provider of health care may require an insurer to pay for long-acting reversible contraception under such circumstances; prohibiting an insurer from refusing to cover the insertion of certain ~~intrauterine~~ contraceptive devices at a hospital immediately after an insured gives birth; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes certain requirements governing the operation of hospitals and other medical facilities. (NRS 449.029-449.2488) Section 1 of this bill requires a hospital, upon the request of a patient giving birth at the hospital, to provide for the insertion of ~~certain intrauterine contraceptive devices~~ long-acting reversible contraception unless: (1) the ~~device~~ contraception is contraindicated for the patient; (2) a physician, physician assistant or advanced practice registered nurse determines that inserting the ~~device~~ contraception would create an unreasonable risk of harm to the patient; or (3) the hospital is a religiously affiliated institution that objects to the insertion of such ~~a device~~ contraception on religious grounds. Section 1 requires a religiously affiliated hospital that objects to the insertion of such ~~a device~~ contraception on religious grounds to notify maternity patients of that objection. Section 1 also prohibits a hospital from requiring a provider of health care who objects to the insertion of such ~~a device~~ contraception on religious grounds to participate in the insertion of such ~~a device~~ contraception. Section 1 requires such a provider at a hospital to refer a patient who requests the insertion of such ~~a device~~ contraception to a provider who is willing to provide that service. Section 1 restricts the amount that a provider of health care or hospital is authorized to require a third party insurer to pay for such contraception, the insertion of such contraception or testing associated with such contraception. Sections 2-7 and 9 of this bill make conforming changes to provide for the administration and enforcement of the requirements of section 1 in the same manner as other requirements imposed by existing law on medical facilities.

Existing law requires certain public and private insurers, including, without limitation, Medicaid, to cover certain types of contraception, including certain implantable rods and intrauterine contraceptive devices. (NRS 287.010, 287.04335, 422.27172, 689A.0418, 689B.0378, 689C.1676, 695A.1865, 695B.1919, 695C.1696, 695G.1715) Sections 8 and 10-16 of this

bill prohibit such an insurer from refusing to cover the insertion of such a device at a hospital immediately after an insured gives birth.

If such a provider of health care at a hospital, other than a hospital described in subsection 2, receives a request for that service, the provider shall refer the patient to a provider of health care who is willing to provide the service.

4. A hospital or provider of health care may not require a third party to pay more for:

SUMMARY—Revises provisions governing the involuntary discharge of a resident from a residential facility for groups. (BDR 40-301)

AN ACT relating to residential facilities for groups; prescribing certain grounds for disciplinary action against a residential facility for groups; prohibiting certain persons from serving as the representative of a resident of a residential facility for groups for purposes relating to an involuntary discharge; imposing requirements governing certain contracts between a resident and a residential facility for groups; prohibiting the involuntary discharge of a resident of a residential facility for groups except for certain reasons; imposing requirements governing the procedure for such an involuntary discharge; ~~authorizing a resident or a representative of a resident to request a hearing concerning such an involuntary discharge;~~ requiring the State Long-Term Care Ombudsman to provide certain assistance concerning such a discharge; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal regulations require a state to ensure that providers of home and community-based services in a provider-owned or controlled residential setting, which includes a residential facility for groups, provide protections from eviction ~~[, including procedures and appeals,]~~ for residents that are comparable to protections provided under state landlord tenant law. (42 C.F.R. § 441.530(a)(1)(vi)(A)) Existing law defines a "residential facility for groups" as an establishment that furnishes food, overnight shelter, assistance and limited supervision to persons with an intellectual or physical disability or persons who are aged or infirm. (NRS 449.017) At least 30 days before involuntarily discharging a resident of a residential facility for groups, existing law requires the residential facility for groups to provide the resident and the State Long-Term Care Ombudsman with written notice of the intent to discharge the resident. Existing law also requires a residential facility for groups to allow the resident and any person authorized by the resident to meet in person with the administrator of the facility to discuss the proposed discharge within 10 days after providing written notice of the proposed discharge. (NRS 449A.114) Sections 2-7 of this bill define certain terms relating to residential facilities for groups. Section 8 of this bill prohibits the owner, agent or employee of a residential facility for groups or a provider of health care from acting as the representative of a resident in matters concerning the involuntary discharge of the resident, unless the person is related to the resident. Section 9 of this bill requires a contract between a resident and a residential facility for groups for the delivery of services to include certain information. Section 10 of this bill prohibits the transfer or involuntary discharge of a resident from a residential facility for groups except: (1) for certain reasons relating to the condition of the resident and the ability of the facility to meet his or her needs; (2) if the health or safety of the resident or another resident is endangered; (3) for a failure to pay contracted charges; or (4) if the facility ceases to operate. Section 10 requires a residential facility for groups to: (1) provide certain additional notice before involuntarily discharging a resident for failure to pay contracted charges; and (2) attempt to resolve any issues that might result in the involuntary discharge of a resident before discharging the resident. Section 11 of this bill prescribes the required contents of a written notice of intent to discharge a resident. Section 11 also requires a residential facility for groups to provide a resident or a representative of the resident with written notice of the location of a proposed discharge not later than 10 days after providing notice of the proposed discharge.

Section 12 of this bill requires a residential facility for groups to provide certain assistance concerning the discharge and relocation of a resident. Except in an emergency, section 12 also requires a residential facility for groups to involve a resident and his or her representative in planning for the discharge of the resident and allow the resident or his or her representative to choose among available alternative placements. Section 12 requires any

emergency placement to be temporary and prohibits a residential facility for groups from requiring a resident to remain in any placement.

~~[In an emergency, section 13 of this bill authorizes a residential facility for groups to request that the Department of Administration make a determination as to the need for an immediate transfer or discharge of a resident. Section 13 requires the Department to: (1) order such a transfer or discharge if the failure to immediately transfer or discharge the resident would endanger the health, safety or welfare of the resident or other residents; and (2) hold a hearing not later than 7 days after issuing such an order.~~

~~Section 16 of this bill provides that advance notice is not required before the discharge of a resident pursuant to such an order. Section 14 of this bill authorizes a resident or the representative of the resident to request a hearing before the Hearings Division of the Department of Administration before he or she is involuntarily discharged. Sections 14 and 17 of this bill provide for the confidentiality of such a hearing.]~~ Sections 1 and 19 of this bill authorize the imposition of disciplinary action against a residential facility for groups that violates the provisions of sections ~~[4-14]~~ 4-12 of this bill and certain provisions of existing law concerning the rights of residents or the administrator of such a facility who aids or abets in such a violation. Section 12 provides that a residential facility for groups is not subject to disciplinary action for an emergency transfer or discharge under certain circumstances.

Section 15 of this bill makes a conforming change to indicate the proper placement of section 3 of this bill in the Nevada Revised Statutes. Section 16 of this bill makes conforming changes to revise certain terminology.

Section 18 of this bill authorizes the State Long-Term Care Ombudsman to offer assistance to a residential facility for groups, a resident and his or her representative in planning for the discharge and relocation of the resident from the facility.

Amendment No. 361.

SUMMARY—Revises provisions governing elections. (BDR 24-542)

AN ACT relating to elections; revising the definition of "committee for political action"; revising the requirements for certain persons, committees for political action, political parties and committees sponsored by a political party to report contributions and expenditures; authorizing, under certain

circumstances, a candidate who is defeated or otherwise not elected to office at a general election or certain special elections to use unspent contributions in a future election; revising the requirement for reporting certain campaign expenses or expenditures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires a committee for political action to register with the Secretary of State and report certain contributions and expenditures; and (2) defines a committee for political action to mean certain entities that solicit or receive contributions and make or intend to make certain contributions or make or intend to make certain expenditures. (NRS 294A.0055, 294A.150, 294A.210, 294A.220, 294A.230, 294A.410) Section 1 of this bill revises the definition of a "committee for political action" to: (1) mean certain organizations rather than entities; and (2) exclude from the definition any business or social organization, corporation, partnership, association, trust, unincorporated organization or labor union that limits its political actions to making contributions to a candidate or other committee for political action and the candidate or committee for political action that receives the contribution is required to report the contribution pursuant to the provisions of the Nevada Revised Statutes relating to campaign finance.

Existing law requires certain persons who make independent expenditures and certain committees for political action, political parties and committees sponsored by a political party which receive certain contributions or make certain expenditures to submit reports of such contributions. (NRS 294A.140, 294A.150) Sections ~~1.1~~ 1.5 and 2 of this bill require such persons and committees to also report: (1) the total amount of all contributions of \$1,000 or less received during the reporting period; and (2) the balance in the campaign account, if such person or committee is required to maintain such an account.

Existing law requires every candidate for office at a primary election, general election or special election who is defeated for or otherwise not elected to that office and who received contributions that were not spent or committed for expenditure to dispose of the money not later than the 15th day of the second month after the election. (NRS 294A.160) Section 2.3 of this bill authorizes, under certain circumstances, such a candidate to use such money in a future election. Such a candidate is subject to reporting requirements for contributions and campaign expenses for as long as the person is a candidate. Section 2.3 further provides that if such a candidate does not file a declaration of candidacy or appear on an official ballot at any election within 4 years, the candidate must dispose of the unspent contributions. Sections 2.6 and 3.3 of this bill make conforming changes to amend existing internal references in existing law to account for the revisions made by section 2.3.

Existing law provides that when reporting contributions, a person who qualifies as a committee for political action is required to report only those

contributions received for the purpose of affecting the outcome of any election or question on the ballot. (NRS 294A.230) Section 3 of this bill provides similarly that such a person is required to report only those expenditures made for the purpose of affecting the outcome of any election or question on the ballot.

Existing law requires that each report of campaign expenses or expenditures state the category and amount of each campaign expense or expenditure. (NRS 294A.365) Section 3.5 of this bill requires that each such report also state the name and address of the recipient of the campaign expense or expenditure.

Section 3.8 of this bill specifies that the new requirements set forth in this bill: (1) do not apply to any report of contributions or expenditures that is required to be filed by a committee for political action on or before January 15, 2024; and (2) apply to every report of contributions or expenditures that is required to be filed by a committee for political action after January 15, 2024.

It excludes from the definition of "committee for political action" certain business or organizations that limit their political action to making contributions to a candidate or other committee for political action who is then required as a recipient to report the contribution. It amends NRS 294A.160 regarding the use of unspent contributions in a future election under certain circumstances where a candidate is defeated but subsequently receives one or more qualifying contributions in excess of \$100. Additionally, the amendment amends NRS 294A.365 to require the report to list the "name and address of the recipient of the campaign expense or expenditure."

Section 1 requires ~~that~~ a business ~~for~~ that will have at least 50 full-time employees on the payroll of

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 523.

SUMMARY—Revises provisions related to ~~[public]~~ retirement ~~__~~. ~~[systems.]~~ (BDR 23-16)

AN ACT relating to ~~[public]~~ retirement ~~;~~ ~~[systems.]~~ revising provisions governing eligibility for membership in the Public Employees' Retirement System; revising provisions governing the options for service retirement allowances under the System; revising provisions relating to the granting of a divorce; revising provisions governing the disposition of certain pension or retirement benefits upon dissolution of marriage; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Eligible retired public employees receive retirement allowances through membership in and contributions to the Public Employees' Retirement System. (Chapter 286 of NRS) Under existing law, certain persons are not eligible to be members of the System, including substitute teachers. (NRS 286.297) Section 1 of this bill makes ~~[long-term]~~ substitute teachers eligible for membership in the System.

Existing law provides several different alternative options to an unmodified retirement allowance under the Public Employees' Retirement System that members are authorized to elect upon retirement. (NRS 286.590) Section 2 of this bill provides the additional alternative option of a reduced service retirement allowance with a benefit paid for 6 months to a designated beneficiary or an alternate beneficiary.

Existing law specifies certain powers and duties of courts in granting a divorce. One such power is modifying an adjudication of property rights or an agreement settling property rights upon written stipulation by the parties to the action. (NRS 125.150) Section 2.5 of this bill requires a court, in granting a divorce, to provide an explanation, or ensure that an explanation has been provided, to the parties of any provision relating to the disposition of pension or retirement benefits that will be included in the decree of divorce or any related order. Section 2.5 also authorizes a court to modify the adjudication of or an agreement settling property rights as a result of the

filing of a motion to amend the adjudication or agreement relating to the disposition of pension or retirement benefits by the parties to the action.

Existing law provides for the disposition of pension or retirement benefits provided by the Public Employees' Retirement System or the Judicial Retirement Plan upon dissolution of marriage. Existing law codifies the "time rule," whereby the community interest in such retirement benefits is calculated by dividing an employee's length of service during marriage by his or her total length of service. (NRS 125.155) ~~{With an exception for homemakers, section}~~ Section 3 of this bill replaces the "time rule" with the "frozen benefit rule," whereby the community interest in such retirement benefits is "frozen" at the salary base and years of service of the party participating in the retirement system on the date on which the decree of legal separation or divorce is entered. The "frozen benefit rule" currently applies to military pensions under the Uniformed Services Former Spouses' Protection Act. (10 U.S.C. § 1408(a)(4)(B))

Sec. 2.5. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to either spouse, in a specified principal sum or as specified periodic payments, as appears just and equitable; ~~and~~

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, including, without limitation, any community property transferred into an irrevocable trust pursuant to NRS 123.125 over which the court acquires jurisdiction pursuant to NRS 164.010, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition ~~and~~; and

(c) Shall provide an explanation, or ensure that an explanation has been provided, to the parties of any provision relating to the disposition of pension or retirement benefits that will be included in the decree of divorce or any related order.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➡ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest

on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➔ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the separate property of either spouse for the other spouse's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court as a result of the filing of a motion to amend the adjudication or agreement relating to the disposition of pension or retirement benefits by the parties to the action or upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified

periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

- (a) The financial condition of each spouse;
- (b) The nature and value of the respective property of each spouse;
- (c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

- (k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

- (a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and
- (b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

- (a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

- (1) Testing of the recipient's skills relating to a job, career or profession;
- (2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

The following amendment was proposed by the Committee on Revenue and Economic Development:

Amendment No. 390.

SUMMARY—Revises provisions relating to the excise tax on admission to certain facilities where live entertainment is provided. (BDR 32-602)

AN ACT relating to taxation; imposing ~~and~~ the excise tax on certain resales of admission to live entertainment events; ~~repealing the exemption for certain athletic events involving a professional team based in this State from the excise tax on live entertainment;~~ requiring certain persons who facilitate resales of admission to live entertainment events to collect the excise tax on such resales which they facilitate; limiting the liability of such persons for failure to collect the tax under certain circumstances; authorizing the Department of Taxation to adopt regulations to require certain persons

who list or advertise resales of admissions to live entertainment events to collect and remit the tax under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the imposition of an excise tax at a rate of 9 percent of the admission charge on admission to certain facilities where live entertainment is provided. (NRS 368A.200) Existing law additionally provides that such a tax must be collected from the purchaser at the time of purchase, whether or not the admission is purchased for resale. ~~[Existing law exempts from this tax an athletic contest, event or exhibition conducted by a professional team based in this State if such a team is a participant in the contest, event or exhibition.]~~ (NRS 368A.200) ~~[Section 6 of this bill eliminates the exemption from the tax of such an athletic event.]~~ Section 6 of this bill requires the excise tax imposed on admission to live entertainment events to also be imposed on each resale of admission by a reseller, other than an occasional sale. Section 6 requires a reseller to retain certain records and to provide a credit to a purchaser on the amount of tax owed on the resale of an admission based on the amount of tax paid by the reseller at the time of the initial purchase of the admission.

Section 3.3 of this bill requires a person who directly or indirectly facilitates resales of admission to certain facilities where live entertainment is provided to collect and remit the tax if, in the immediately preceding calendar year or the current calendar year, the facilitator had more than \$100,000 of gross receipts from certain transactions or made or facilitated 200 or more sales transactions, on its own behalf or on behalf of a reseller, unless the facilitator enters into an agreement with a reseller whereby the reseller agrees to assume responsibility for the collection and imposition of the tax. Section 3.5 of this bill provides that such a facilitator is not liable for the payment of the tax under certain circumstances.

Section 3.7 of this bill authorizes the Department of Taxation to adopt regulations requiring certain persons who receive a fee in exchange for listing or advertising resales of admission to certain facilities where live entertainment is provided for a reseller but who do not collect money or other consideration from a customer to impose, collect and remit the tax if 200 or more sales transactions result from referrals made by the person or the cumulative gross receipts of sales resulting from such referrals exceed \$100,000.

Sections ~~[2, 3]~~ 1.3-3 and 5 of this bill define certain terms relevant to ~~[resellers,]~~ the tax on admission to live entertainment events. Section 4 of this bill makes a conforming change to ~~[indicate the proper placement of sections 2 and 3 in the Nevada Revised Statutes.]~~ make these definitions applicable to this tax.

SECOND READING AND AMENDMENT

Senate Bill No. 35.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 424.

SUMMARY—~~[Establishes the crimes of low-level trafficking in fentanyl, mid-level trafficking in fentanyl and high-level trafficking in fentanyl.]~~
Revises provisions relating to controlled substances. (BDR 40-423)

AN ACT relating to controlled substances; establishing the crimes of ~~[low-level trafficking in fentanyl,]~~ mid-level ~~[trafficking in fentanyl]~~ and high-level trafficking in illicitly manufactured fentanyl ~~[,]~~, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl; requiring, to the extent that money is available, the establishment of certain programs to provide certain offenders or prisoners who have a substance use disorder with medication-assisted treatment; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of a schedule I controlled substance, other than marijuana, a schedule II controlled substance or certain other controlled substances is guilty of: (1) low-level trafficking if the quantity of the controlled substance is 100 grams or more but less than 400 grams; and (2) high-level trafficking if the quantity of the controlled substance is 400 grams or more. A person who commits the crime of: (1) low-level trafficking is guilty of a category B felony and subject to certain

prescribed penalties; and (2) high-level trafficking is guilty of a category A felony and subject to certain prescribed penalties. (NRS 453.3385)

Existing regulations of the State Board of Pharmacy include fentanyl in the list of controlled substances in schedule II ~~and various derivatives of fentanyl in the list of controlled substances in schedule I.~~ (NAC 453.510, as amended by LCB File No. R023-21, NAC 453.520) Section 8 of this bill excludes illicitly manufactured fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl from the controlled substances ~~in schedule II~~ for which the provisions governing the crimes of low-level trafficking and high-level trafficking apply. Section 1 of this bill instead establishes the crimes of ~~low-level trafficking in fentanyl,~~ mid-level trafficking ~~in fentanyl~~ and high-level trafficking in illicitly manufactured fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl. Under section 1, a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl is guilty of: (1) ~~low-level trafficking in fentanyl if the quantity of fentanyl involved is 4 grams or more but less than 14 grams;~~ (2) mid-level trafficking ~~in fentanyl~~ if the quantity ~~of fentanyl~~ involved is 14 grams or more but less than 28 grams; and ~~((3))~~ (2) high-level trafficking ~~in fentanyl~~ if the quantity ~~of fentanyl~~ involved is 28 grams or more. Under section 1, a person who commits the crime of: (1) ~~low-level or~~ mid-level trafficking ~~in fentanyl~~ is guilty of a category B felony and subject to certain prescribed penalties; and (2) high-level trafficking ~~in fentanyl~~ is guilty of a category A felony and subject to certain prescribed penalties.

Sections 2, 5 and 6 of this bill provide that a person found guilty of ~~low-level,~~ mid-level or high-level trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl is subject to the greater penalty for that crime if the acts constituting the crime could subject the person to a lesser punishment under another statute.

Sections 3, 4, 7 ~~and 9-13~~, 9-12 and 13 of this bill add references to section 1 so that the crimes of ~~low-level,~~ mid-level and high-level trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl are treated the same as the crimes of low-level and high-level trafficking involving schedule I controlled substances, other than marijuana, and ~~other~~ schedule II controlled substances for certain purposes.

Existing law requires the Director of the Department of Corrections to establish one or more programs of treatment for offenders with substance use or co-occurring disorders who have been sentenced to imprisonment in the state prison. (NRS 209.4236, 209.425) Existing law additionally provides that the treatment of a prisoner in a local jail or detention facility who has a

substance use disorder may include medication-assisted treatment. (NRS 211.140) Section 12.3 of this bill requires the Director, to the extent that money is available, to establish a program to provide for the treatment of offenders with a substance use disorder using medication-assisted treatment. Section 12.3 requires: (1) the program to provide each eligible offender who participates in the program with appropriate medication-assisted treatment for the period in which the offender is incarcerated; and (2) each offender who the Director has determined has a substance use disorder for which a medication-assisted treatment exists and who meets any reasonable conditions imposed by the Director to be deemed eligible to participate in the program and offered the opportunity to participate. Section 12.3 prohibits the Director from denying an offender the ability to participate in the program or terminating his or her participation in the program for certain reasons. Finally, section 12.3 provides that an offender who participates in the program is not subject to discipline on the basis that the results of a screening test administered to the offender indicated the presence of a controlled substance. Section 12.7 of this bill requires, to the extent that money is available, a sheriff, chief of police or town marshal who is responsible for a county, city or town jail or detention facility to establish a program similar to that set forth in section 12.3 to provide for the treatment of prisoners with a substance use disorder using medication-assisted treatment.

Senator Scheible moved the adoption of the amendment.

Remarks by Senator Scheible.

Amendment No. 417 to Senate Bill No. 38 revises the definitions of "person in a position of authority" and "sexual conduct." It strikes language relating to avoiding the consent of a parent or guardian and inserts language indicating that the "person in a position of authority" instead acted for the purpose of engaging in or facilitating the commission of a felony or the commission of a "felony or gross misdemeanor" as appropriate. It clarifies that a person does not violate the bill's provisions if they receive an unsolicited sexual image or communication from a pupil and report such immediately.

Amendment No. 509.

SUMMARY—Excludes certain portions of entry fees for participation in ~~in a contest~~ certain contests or tournament ~~tournaments~~ from the gross revenue of gaming licensees for certain purposes. (BDR 41-943)

AN ACT relating to gaming; excluding certain portions of entry fees paid to participate in ~~in a contest~~ certain contests or tournament ~~tournaments~~ from the gross revenue of certain gaming licensees for the purpose of calculating gaming license fees and for certain other purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Nevada Gaming Commission to charge and collect from each licensee a monthly license fee in an amount equal to a certain percentage of the gross revenue of the licensee. (NRS 463.370) Under existing law, the gross revenue on which the monthly license fee is imposed includes entry fees for the right to participate in contests and tournaments, minus certain enumerated deductions. (NRS 463.0161) This bill excludes from the gross revenue on which the monthly license fee is imposed any portion of entry fees for the right to participate in contests and tournaments ~~that~~ conducted on the premises of a licensed gaming establishment with the participants physically present at those premises when participating if the portion of those fees is ~~is~~ designated as: (1) employee compensation and used to pay an employee of a licensee additional compensation for being involved in the organization or operation of the contest or tournament; (2) ~~designated as~~ a donation and remitted to certain tax-exempt organizations; (3) ~~added~~ an addition to a payoff schedule of the contest or tournament that is paid as a prize to a participant in a present or future contest or tournament; or (4) ~~added~~ an addition to an account to pay guaranteed payouts of future contests or tournaments. This bill also clarifies that cash from an entry fee excluded from gross revenue: (1) may not be deducted from gross revenue when paid out or distributed for a purpose other than the purpose for which an exclusion is authorized; and (2) must be included in the calculation of gross revenue for the month in which it is paid out or distributed for a purpose other than the purpose for which an exclusion is authorized.

For the purposes of the regulation of gaming in this State, a nonrestricted licensee is a licensee who is licensed to operate: (1) 16 or more slot machines; (2) any number of slot machines together with any other game, gaming device, race book or sports pool at one establishment; or (3) a slot machine route. (NRS 463.0177) Under existing law, the Commission is: (1) authorized to require nonrestricted licensees with an annual gross revenue of \$1,000,000 or more to report and keep records of all transactions involving cash; and (2) required to adopt regulations requiring audits of the financial statements of nonrestricted licensees whose annual gross revenue is \$5,000,000 or more, as adjusted annually based on the Consumer Price Index (All Items) for the preceding year. (NRS 463.125, 463.159) Because this bill excludes from gross revenue certain portions of the entry fee for the right to

participate in contests or tournaments, that revenue would be excluded for the purposes of these calculations.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 463.0161 is hereby amended to read as follows:

463.0161 1. "Gross revenue" means the total of all:

- (f) Cash provided by the licensee to a patron and subsequently won by the licensee, for which the licensee can demonstrate that it or its affiliate has not been reimbursed ~~for~~; or

(1) ~~Designated as~~ As employee compensation and paid as compensation to an employee of a licensee who is involved in the organization or operation of the contest or tournament, in addition to the regular compensation of the employee;

(2) ~~Designated as~~ As a donation to a nonprofit, charitable, fraternal or other organization that qualifies as a tax-exempt organization pursuant to 26 U.S.C. § 501(c) or a nonprofit corporation organized or existing pursuant

to chapter 82 of NRS and the amount is remitted to the designated organization;

(3) ~~Added~~ As an addition to a payoff schedule of the contest or tournament that is fixed, or increases automatically over time or as the contest or tournament is played, and that is paid as a prize to a patron participating in the present or a future contest or tournament; or

3. The amount of cash received as entry fees for the right to participate in a contest or tournament that is excluded from gross revenue pursuant to paragraph (g) of subsection 2:

(a) May not be deducted from the amount of the entry fees included in gross revenue pursuant to subsection 1 if the amount is paid or distributed for any purpose other than a purpose set forth in paragraph (g) of subsection 2;

(b) Must be included in gross revenue for the month in which the amount is paid out or distributed for a purpose other than a purpose set forth in paragraph (g) of subsection 2.

4. As used in this section, "baccarat commission" means:

(a) A fee assessed by a licensee on cash paid out as a loss to a patron at baccarat to modify the odds of the game; or

(b) A rate or fee charged by a licensee for the right to participate in a baccarat game.

Sec. 2. This act becomes effective on July 1, 2023.

Senator Scheible moved the adoption of the amendment.

Remarks by Senator Scheible.

Amendment No. 509 to Senate Bill No. 266 makes minor technical corrections and adds the following restrictions concerning funds that are excluded from gross revenue: Any amount excluded from gross revenue may not be deducted from contest or tournament entry fees when paid out or distributed and shall be included in gross revenue in the month paid out or distributed if paid out or distributed for a purpose other than its designated purpose. And it clarifies that these exclusions from gross revenue only apply to entry fees paid for the right to participate in an in-person contest or tournament conducted on the premises of a licensed establishment unless otherwise authorized in a regulation adopted by the Nevada Gaming Commission.

Legislative Counsel's Digest:

Existing law: (1) prohibits a person from aiding or knowingly permitting a child to handle, possess or control a firearm under certain circumstances; (2) provides that a person does not aid or knowingly permit a child to violate such existing law if the firearm was stored in a securely locked container or at a location which a reasonable person would have believed to be secure; and (3) makes it a misdemeanor to negligently store or leave a firearm at a location under his or her control, if a person knows or has reason to know that there is a substantial risk that a child, who is otherwise prohibited from handling, possessing or controlling a firearm, may obtain such a firearm. (NRS 202.300)

~~{Section 6 of this bill removes certain provisions of existing law relating to the storage of firearms, and sections 2-4 of this bill instead establish the Safe Firearm Storage Act. Section 5 of this bill makes a conforming change to indicate the proper placement of sections 2-4 in the Nevada Revised Statutes. Section 12 of this bill makes a conforming change to reflect the renumbering of subsections in section 6.~~

~~—Section 3 of this bill, which contains the provisions of the Safe Firearm Storage Act that apply to the storage of firearms by individuals, provides that a person commits the crime of unsafe storage of a firearm when the person: (1) knows or reasonably should know that a child under the age of 18 years, or a resident of the premises that is prohibited from possessing a firearm, can gain access to a firearm; and (2) fails to responsibly and securely store the firearm. Under section 3, a person who commits the crime of unsafe storage of a firearm is guilty of a misdemeanor. Section 3 also creates an affirmative defense to the crime of unsafe storage of a firearm if a child gained possession of and used a firearm for the purpose of exercising certain rights.~~

~~—Additionally, section 3 provides that a person responsibly and securely stores a firearm if: (1) the person carries the firearm on his or her person or within such proximity thereto that the person can readily retrieve and use the firearm as if the person carried the firearm on his or her person; (2) the firearm is kept in a locked gun safe or other secure container or in a manner that a reasonable person would believe to be secure, and a child or a resident of the premises who is prohibited from possessing a firearm does not have access to the key, combination or other unlocking mechanism necessary to open the safe or container; (3) the person properly installs a locking device on the firearm, and a child or resident of the premises who is prohibited from possessing a firearm does not have access to the key; or (4) the firearm is a personalized firearm, and the safety characteristics of the firearm are activated. transferred a locking device capable of securing the firearm; and (2) post in a conspicuous location on its premises a notice which informs a buyer that the ~~[unlawful]~~ negligent storage of a firearm may result in imprisonment or a fine. A licensed dealer who violates a requirement of section 4 is guilty of a misdemeanor punishable by a fine of not more than \$500. Section 5 of this bill makes a conforming change to indicate the proper placement of section 4 in the Nevada Revised Statutes.

Existing law requires the board of trustees of each school district and the governing body of each charter school ~~[, at least once a year,] to [provide certain training to each employee of the school]~~ establish a development committee to develop a plan to be used by the schools in the district or [of] the charter school [, including, without limitation, training concerning drills for evacuating and securing schools. (NRS 388.245)] in responding to a crisis, emergency or suicide. Such a committee, under existing law, is required to develop a plan which constitutes the minimum requirements of a plan for a school to use. (NRS 388.241, 388.243)

~~Section [8] 9.1 of this bill [includes in] requires such [training drills for active shooter preparedness.~~

~~Existing law requires the Department of Education to develop a model plan for the management of a suicide or a crisis or emergency that involves a public or private school and requires immediate action. Under existing law, the model plan must provide for drills to instruct pupils in the appropriate procedures to be followed in response to a crisis or an emergency. (NRS 388.253) Section 9 of this bill includes in the model plan drills concerning active shooter preparedness.]~~ a plan to include, if the school district has school police officers, a plan to coordinate with local law enforcement agencies to train school police officers in active assailant movement techniques. Existing law authorizes: (1) the board of trustees of a school district to employ, appoint or contract for the provision of school police officers; and (2) the governing body of a charter school to contract with the board of trustees of the school district in which the charter school is located to provide school police officers. (NRS 388A.384, 391.281) Sections 9.2 and 9.3 of this bill require school police officers to receive training in active assailant movement techniques before beginning their service as a school police

officer. Section 9.1 defines the terms "active assailant movement techniques" and "active assailant training" for the purpose of sections 9.1-9.3.

Existing law creates within the Department of Health and Human Services a Statewide Program for Suicide Prevention and requires the Coordinator of the Program to develop and maintain an Internet or network site with links to certain resources for suicide prevention. (NRS 439.511) Section 10 of this bill requires the Program, in consultation with the Department and to the extent that money is available, to develop and implement a safe firearm storage education campaign to inform and educate certain persons about certain information relating to the safe storage of firearms. Section 10 authorizes the Program to: (1) develop and provide to local law enforcement agencies and health care providers certain materials relating to the safe storage of firearms; (2) provide owners of firearms with information relating to the cost of purchasing locking devices, gun safes or other secure storage containers for firearms; and (3) use any advertising medium or form of messaging deemed appropriate by the Department in furtherance of the goals of the education campaign. Under section 10, the Department of Health and Human Services is required to post on the Internet or network site certain information about community programs that allow owners of firearms to voluntarily and temporarily store a firearm at certain secure locations outside of their homes.

Section 11 of this bill further requires the Coordinator to post on the Internet or network site information relating to: (1) the crime of ~~unsafe~~ negligent storage of a firearm; (2) the penalties for such an offense; and (3) the requirement that a licensed dealer provide a locking device with each firearm transferred. SUMMARY—Revises provisions relating to motor vehicles. (BDR 43-673)

AN ACT relating to motor vehicles; providing that it is an unfair act or practice for a manufacturer to not compensate a dealer fairly for warranty work or a recall service or repair or to violate certain provisions; setting forth a process for calculating the rate at which a manufacturer must compensate a dealer for warranty work or a recall service or repair; requiring the Director of the Department of Motor Vehicles to decide certain disputes between a dealer and a manufacturer relating to the payment of compensation to a

dealer for warranty work or a recall service or repair; making various other changes relating to motor vehicles; and other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that it is an unfair act or practice for any manufacturer of motor vehicles, trailers or semitrailers to fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the manufacturer's warranty agreements or any recall service or repair. (NRS 482.36385) Section 22 of this bill removes this provision. Sections 2-16 of this bill set forth new requirements for calculating the compensation that a manufacturer must pay a dealer for such purposes.

Section 8 of this bill provides that it is an unfair act or practice for a manufacturer to: (1) fail to compensate a dealer fairly for labor ~~and~~ and parts ~~and other expenses incurred by the dealer~~ for warranty work or a recall service or repair; or (2) violate any of the provisions of sections 9-15 of this bill. Section 8 further provides that it shall be deemed that a dealer has been fairly compensated by a manufacturer for warranty work if the manufacturer compensates the dealer for: (1) labor ~~relating to~~ for warranty work ~~in an amount that is equal to the~~ at the dealer's prevailing retail labor rate ; ~~multiplied by the applicable time allowances prescribed in the guide used by the dealer for labor furnished for repairs other than warranty work;~~ and (2) parts ~~relating to~~ used in warranty work in an amount that is equal to the dealer's cost for the parts, pursuant to section 12 of this bill, multiplied by the prevailing retail parts markup.

Section 9 of this bill sets forth the process for a dealer to establish or modify the prevailing retail labor rate and prevailing retail parts markup of the dealer. Specifically, section 9 requires the dealer to submit in writing to the manufacturer the prevailing retail labor rate and prevailing retail parts markup, which must be based on certain qualifying repair orders of the dealer. Section 9 further requires the dealer to submit certain qualifying repair orders to the manufacturer.

Section 10 of this bill authorizes a manufacturer to contest the material accuracy or reasonableness of the prevailing retail labor rate and prevailing retail parts markup of a dealer not later than 30 days after receiving the qualifying repair orders from the dealer. If a manufacturer contests the material accuracy or reasonableness of any such rate or markup, section 10 requires the manufacturer to provide the dealer with the manufacturer's calculation of the prevailing retail labor rate and prevailing retail parts markup of the dealer ~~and~~ and any additional applicable information. If a ~~dealer agrees with a manufacturer's contest of~~ manufacturer contests the material accuracy of the prevailing retail labor rate or prevailing retail parts markup based on a dealer's submission of inaccurate or nonqualifying repair orders, section 10 authorizes the dealer to ~~submit~~ correct any inaccuracy with an updated submission of replacement accurate or qualifying repair orders and update the prevailing retail labor rate or prevailing retail parts

markup calculation based on the replacement repair orders, as applicable. Such a submission by a dealer will not be considered a ~~new submission~~ modification for the purposes of section 9 and will be deemed submitted as of the date of the ~~original~~ updated submission.

Section 11 of this bill authorizes a dealer to file a protest with the Director of the Department of Motor Vehicles if the dealer does not agree with the manufacturer's calculations of the prevailing retail labor rate and prevailing retail parts markup. If the Director receives such a protest, the Director is required to hold a hearing to decide the prevailing retail labor rate or prevailing retail parts markup of the dealer, as applicable. Sections 18-21 of this bill make conforming changes to apply existing provisions of law relating to conducting discovery and hearings held by the Director relating to certain other actions between a dealer and a manufacturer to the protests provided for in section 11.

Section 12 provides that if a manufacturer furnishes or causes to be furnished parts to a dealer at no cost ~~for a reduced cost~~ for purposes of performing warranty work or a recall service or repair, the manufacturer ~~is required to~~ may compensate the dealer ~~for the~~ for a reasonable handling fee instead of the dealer's prevailing retail parts markup. Section 12 further provides that if a manufacturer furnishes parts to a dealer at a reduced cost for purposes of performing warranty work or a recall service or repair, the manufacturer is required to compensate the dealer for the dealer's costs for the parts ~~if any~~ plus an amount that is equal to the dealer's prevailing retail parts markup multiplied by the ~~fair market wholesale value~~ cost of the parts. ~~Section 12 further sets forth the calculation for the fair market wholesale value of the parts in the current or previously established price schedule of the manufacturer, whichever is greater.~~

Section 13 of this bill prohibits a manufacturer from ~~[(1) establishing or implementing a special part or component number for parts used in warranty work if doing so will result in lower compensation to the dealer; or (2)]~~ requiring, influencing or attempting to influence a dealer to implement or change the price for which the dealer sells parts or provides labor for any retail repair by taking certain action.

Section 14 of this bill prohibits a manufacturer from taking or threatening to take adverse action against a dealer ~~who requests~~ on the sole basis that the dealer has requested compensation for warranty work or a recall service or repair at the dealer's prevailing retail labor rate and prevailing retail parts markup by taking certain actions.

Section 15 of this bill prohibits, with certain exceptions, a manufacturer from recovering or attempting to recover any portion of its costs for compensating a dealer for warranty work or a recall service or repair.

Section 16 of this bill authorizes a dealer to file a protest with the Director of the Department if the manufacturer does not compensate a dealer for warranty work or a recall service or repair that is based on the dealer's prevailing retail labor rate and prevailing retail parts markup. Sections 18-21

make conforming changes to apply existing provisions of law relating to conducting discovery and holding hearings held by the Director relating to certain other actions between a dealer and a manufacturer to the protests provided for in section 16.

Sections 2-7 of this bill, respectively, define the terms "parts," "qualifying repair," "qualifying repair order," "repair order," "warranty agreement" and "warranty work."

Section 17 of this bill makes a conforming change to indicate the proper placement of sections 2-16 in the Nevada Revised Statutes.

2. Discriminate unfairly among its dealers, or fail without good cause to comply with franchise agreements, with respect to warranty reimbursement or authority granted to its dealers to make warranty adjustments with retail customers.

3. Fail to compensate a dealer fairly for the work and services which the dealer is required to perform in connection with the delivery and preparation obligations under any franchise . ~~[-, or fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the manufacturer's warranty agreements or any recall service or repairs.]~~ The manufacturer shall set forth in writing the respective obligations of a dealer and the manufacturer in the preparation of a vehicle for delivery, and as between them a dealer's liability for a defective product is limited to the obligation so set forth. If parts are supplied by the manufacturer, including exchanged parts and assembled components, the dealer is entitled with respect to each part to an amount not less than the dealer's normal retail markup for the part.]~~ This subsection does not apply to compensation for any part, system, fixture, appliance, furnishing, accessory

or feature of a motor home or recreational vehicle that is designed, used and maintained primarily for nonvehicular, residential purposes.

4. Fail to:

(a) Pay all claims made by dealers for compensation for delivery and preparation work ~~[,] and transportation claims [, special campaigns and work to satisfy warranties and recall service or repairs]~~ within 30 days after approval, or fail to approve or disapprove such claims within 30 days after receipt;

(b) Disapprove any claim without notice to the dealer in writing of the grounds for disapproval; or

(c) Accept an amended claim for labor and parts if the amended claim is submitted not later than 60 days after the date on which the manufacturer or distributor notifies the dealer that the claim has been disapproved and the disapproval was based on the dealer's failure to comply with a specific requirement for processing the claim, including, without limitation, a clerical error or other administrative technicality that does not relate to the legitimacy of the claim.

➡ Failure to approve or disapprove or to pay within the specified time limits in an individual case does not constitute a violation of this section if the failure is because of reasons beyond the control of the manufacturer, distributor or factory branch.

5. Sell a new vehicle to a person who is not licensed as a new vehicle dealer under the provisions of this chapter.

6. Use false, deceptive or misleading advertising or engage in deceptive acts in connection with the manufacturer's or distributor's business.

7. Perform an audit to confirm a claim for compensation pursuant to NRS 482.363574, warranty repair, sales incentive or rebate more than 9 months after the date on which the claim was made. An audit of a dealer's records pursuant to this subsection may be conducted by the manufacturer or distributor on a reasonable basis, and a dealer's claim for warranty or sales incentive compensation or compensation pursuant to NRS 482.363574 must not be denied except for good cause, including, without limitation, performance of nonwarranty repairs, lack of material documentation, fraud or misrepresentation. A dealer's failure to comply with the specific requirements of the manufacturer or distributor for processing the claim does not constitute grounds for the denial of the claim or the reduction of the amount of compensation to the dealer if reasonable documentation or other evidence has been presented to substantiate the claim. The manufacturer or distributor shall not deny a claim or reduce the amount of compensation to the dealer for warranty repairs to resolve a condition discovered by the dealer during the course of a separate repair.

8. Prohibit or prevent a dealer from appealing the results of an audit to confirm a warranty repair, sales incentive, claim for compensation made pursuant to NRS 482.363574 or rebate, or to require that such an appeal be conducted at a location other than the dealer's place of business.

Sec. 23. 1. This section becomes effective upon passage and approval.

2. Sections 1 to 22, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other administrative tasks that are necessary to carry out the provisions of this act; and

(b) On January 1, 2024, for all other purposes.

SUMMARY—Revises provisions relating to crimes. (BDR 14-550)

AN ACT relating to evidence; prohibiting a law enforcement agency or forensic laboratory from taking certain actions relating to the DNA profile and DNA record of a survivor of sexual assault; expanding certain prohibitions against the use of certain evidence secured in connection with an investigation or prosecution of a sexual assault; requiring certain entities to conduct an audit of certain biological specimens, DNA profiles and DNA records, to the extent money is available; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Sexual Assault Survivors' Bill of Rights, which grants a survivor certain rights relating to the investigation or prosecution of an alleged sexual assault perpetrated against the survivor. (Chapter 178A of NRS) Among other requirements, the Bill of Rights grants a survivor the right to not have forensic evidence from a sexual assault used: (1) to prosecute the survivor for any misdemeanor or offense related to a controlled substance; or (2) as a basis to search for further evidence of any unrelated misdemeanor or any offense related to a controlled substance that may have been committed by the survivor. (NRS 178A.260) Section 6 of this bill expands this right by prohibiting a law enforcement agency from using any biological evidence obtained from a survivor: (1) to prosecute the survivor for any crime; (2) as a basis to search for further evidence of any criminal offense that may have been committed by the survivor; or (3) for any other purpose that is not directly related to the investigation or prosecution of the alleged sexual assault of the survivor, unless such action is otherwise required by state or federal law.

Existing law prescribes requirements relating to certain biological evidence secured in connection with an investigation or prosecution of a criminal offense. (NRS 176.0912) With limited exception, section 3 of this bill prohibits a law enforcement agency from sharing with or disclosing to any person or entity any biological evidence of a survivor secured in connection with the investigation or prosecution of the alleged sexual assault of the survivor. Section 2 of this bill defines the term "biological evidence" for purposes of the Bill of Rights. Section 4 of this bill makes a conforming change to indicate the proper placement of section 2 in the Nevada Revised Statutes. Section 5 makes a conforming change related to the definition of "biological evidence" set forth in section 2.

Existing law prescribes certain requirements relating to sexual assault forensic medical kits. Among other requirements, existing law requires: (1) a law enforcement agency to submit a sexual assault forensic evidence kit to the appropriate forensic laboratory; and (2) a forensic laboratory to accept and analyze such evidence and upload a DNA profile obtained from such evidence to CODIS or the State DNA Database. (NRS 178A.220, 200.3786) With limited exception, section 3 prohibits a law enforcement agency or forensic laboratory from ~~including~~ including the DNA profile of a survivor obtained from the sexual assault forensic evidence kit of the survivor in any

database that allows for the storage and exchange of DNA records ~~;~~ ~~or (2) sharing with or disclosing to any person or entity, the DNA profile of a survivor, a DNA record of the survivor or any other information identifying or matching biological evidence with the survivor.]~~

Section 7 of this bill requires, to the extent money is available for this purpose, the Central Repository for Nevada Records of Criminal History, the State DNA Database and each forensic laboratory to: (1) conduct an audit of certain biological specimens, DNA profiles and DNA records; and (2) submit the results of the audit to the Joint Interim Standing Committee on Judiciary and the Director of the Legislative Counsel Bureau on or before January 1, 2024.

(NRS 704.187, 704.792, 704.796) Existing regulations establish such targets, with a target for the procurement of energy storage systems with a cumulative capacity of 1,000 megawatts by December 31, 2030. (LCB File No. R106-19) Under existing law, to qualify as an energy storage system for the purpose of meeting the biennial targets, an energy storage system is required to be commercially available technology that is capable of retaining, storing and delivering energy after storage by chemical, thermal or mechanical means. [produced in a manner that generates an environmental impact equivalent to that of not more than 2 kilograms of carbon dioxide for each kilogram of hydrogen produced, commonly known as "clean hydrogen."] Section [2] 2.4 of this bill ~~[makes a conforming change so that the amendatory provisions of section 1 do not impact the definition of "renewable energy" for the purposes of certain provisions governing renewable natural gas activities.]~~ defines the term "green hydrogen" as

hydrogen produced through a certain process that is completely powered by renewable energy. Section 2.6 of this bill makes a conforming change to make this definition applicable to existing law governing biennial energy storage targets.

SUMMARY—Revises provisions relating to fentanyl and derivatives of fentanyl. (BDR 40-501)

AN ACT relating to controlled substances; establishing the ~~[crimes]~~ crime of low-level ~~[, mid-level and high-level]~~ trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of a schedule I controlled substance, other than marijuana, a schedule II controlled substance or certain other controlled substances is guilty of: (1) low-level trafficking if the quantity of the controlled substance is 100 grams or more but less than 400 grams; and (2) high-level trafficking if the quantity of the controlled substance is 400 grams or more. A person who commits the crime of: (1) low-level trafficking is guilty of a category B felony and subject to certain prescribed penalties; and (2) high-level trafficking is guilty of a category A felony and subject to certain prescribed penalties. (NRS 453.3385) Additionally, under existing law, a person who knowingly or intentionally possesses a schedule I or schedule II controlled substance in which the quantity involved is less than 14 grams commits the crime of possession of a controlled substance and is guilty of: (1) a category E felony for a first or second offense; and (2) a category D felony for a third or subsequent offense. (NRS 453.336)

Existing regulations of the State Board of Pharmacy include fentanyl in the list of controlled substances in schedule II and various derivatives of fentanyl in the list of controlled substances in schedule I. (NAC 453.510, as amended by LCB File No. R023-21, NAC 453.520) ~~Section 18 of this bill excludes fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl from the controlled substances to which the provisions governing the crimes of low-level trafficking and high-level trafficking apply. Instead, section 1 of this bill establishes the [crimes]~~ crime of low-level ~~[trafficking, mid-level trafficking and high-level]~~ trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl. Under section 1, a

person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl is guilty of ~~[(1)]~~ low-level trafficking if the quantity involved is 4 grams or more but less than 14 grams ~~. [(2) mid-level trafficking if the quantity involved is 14 grams or more but less than 28 grams; and (3) high-level trafficking if the quantity involved is 28 grams or more.]~~ Under section 1, a person who commits the crime of ~~[(1)]~~ low-level ~~for mid-level~~ trafficking is guilty of a category B felony and subject to certain prescribed penalties ~~. [(1) and (2) high-level trafficking is guilty of a category A felony and subject to certain prescribed penalties.]~~

Sections ~~[(2)]~~ 5 and 6 of this bill provide that a person found guilty of low-level ~~[(1) mid-level or high-level]~~ trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl is subject to the greater penalty if the acts constituting the crime could subject the person to a lesser punishment under another statute.

Sections 3, 4, 7, ~~and 9 [(13)]~~ and 11-13 of this bill add references to section 1 so that the ~~[(crimes)]~~ crime of low-level ~~[(1) mid-level and high-level]~~ trafficking in illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl ~~[(are)]~~ is treated the same as the ~~[(crimes)]~~ crime of low-level ~~[(and high-level)]~~ trafficking involving other schedule I controlled substances, other than marijuana, and schedule II controlled substances for certain purposes.

SUMMARY—Revises provisions relating to motor vehicles. (BDR 43-458)

AN ACT relating to motor vehicles; authorizing certain acts and transactions to be conducted through an electronic branch office established by the Department of Motor Vehicles; revising requirements relating to certificates of registration and certificates of title of a vehicle; eliminating certain limitations on the persons authorized to participate in a program established by the Department for the electronic submission and storage of documents; requiring the Department to design, prepare and issue special license plates for all vehicles that are wholly powered by an electric motor and reducing the fees for those special license plates; authorizing the use of

electronic signatures and stamps for recording certain information for certain transactions; prohibiting a person from driving an autocycle upon a highway unless that person holds a driver's license; exempting the driver and passengers of an autocycle from the requirement to wear protective headgear; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to establish an electronic branch office consisting of an Internet website or software application through which documentation may be submitted and certain transactions may be conducted through electronic means. (NRS 481.055) Section 1 of this bill sets forth certain specific acts which may be conducted through such an electronic branch office.

Existing law requires that if the Department establishes a program for the electronic submission and storage of documents, the Department allow only certain institutions and persons to apply for and participate in the program. (NRS 482.293) Existing law also authorizes the Department to waive the requirement of any required signature of a natural person on a document submitted by electronic means for those institutions and persons who comply with all of the requirements of the program. (NRS 482.294) Section 3 of this bill eliminates the limitations on persons who may participate in the program, thereby authorizing applications and participation by all persons. Section 4 of this bill eliminates references to the limited institutions and persons whose signatures may be waived for documents submitted electronically, providing for such waiver for any participant who complies with all requirements of the program.

Existing law requires: (1) certain information to be contained on the face of a certificate of registration of a vehicle; and (2) certain information and forms to be contained on the face or reverse, as applicable, of a certificate of title of a vehicle. (NRS 482.245) Section 2 of this bill eliminates the requirements that such information and forms be contained specifically on the face or reverse of the applicable documents.

Existing law requires, upon a transfer of the title to, or interest of an owner in, a vehicle, the person whose title or interest is to be transferred and the transferee to write their signatures with pen and ink, along with other information, upon the reverse side of the certificate of title. Existing law also exempts a wholesale vehicle auctioneer from this requirement if he or she stamps certain information on the certificate of title and certain other documents relating to the sale and transfer of the vehicle. (NRS 482.400) Section 5 of this bill: (1) eliminates the requirement of the use of pen and ink and the specification to write on the reverse side of the certificate, thereby authorizing electronic signatures; and (2) authorizes a wholesale vehicle auctioneer to stamp electronically the information required by these provisions.

Sections 1.2 and 5.1 of this bill define the term "autocycle." Sections 1.6 and 5.5 of this bill amend the definition of the term "motorcycle" to exclude

autocycles. Sections 1.4 and 5.3 of this bill make conforming changes to indicate the proper placement of sections 1.2 and 5.1 in the Nevada Revised Statutes.

Section 5.7 of this bill prohibits, with certain exceptions, a person from driving an autocycle upon an highway unless that person holds a driver's license.

Existing law requires the driver and passengers of certain vehicles to wear protective headgear and certain other protective devices when those vehicles are being driven on a highway. (NRS 486.231) Section 5.9 of this bill provides that, when an autocycle is being driven on a highway, the driver and passengers are not required to wear protective headgear.

Existing law: (1) requires the Department to design, prepare and issue special license plates for passenger cars and light commercial vehicles that are wholly powered by an electric motor; and (2) establishes the fees for those special license plates and their renewal. (NRS 482.3797) Section 4.5 of this bill: (1) requires the Department to design, prepare and issue special license plates for all vehicles that are wholly powered by an electric motor; and (2) reduces the fees for those special license plates and their renewal.

Amendment No. 415.

SUMMARY—Revises provisions relating to public safety. (BDR 15-942)

AN ACT relating to public safety; ~~prohibiting a person from using, carrying or possessing a firearm under certain circumstances related to the commission of certain drug offenses;~~ prescribing the unit of prosecution for certain crimes involving ~~dangerous weapons;~~ the ownership or possession of a firearm by certain prohibited persons; authorizing a juvenile justice agency ~~and~~ the juvenile court ~~and an agency which provides child welfare services;~~ to release certain information and records for the purpose of conducting a background check relating to the sale or transfer of a firearm; requiring a court to transmit to the Central Repository for Nevada Records of Criminal History certain records relating to the court-ordered admission to certain mental health facilities of certain children with an emotional disturbance for certain purposes relating to the purchase or possession of a firearm; ~~providing a penalty;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~—[Federal law provides that using or carrying a firearm during and in relation to a drug trafficking crime or possessing a firearm in furtherance of the commission of a drug trafficking crime is a separate criminal offense from the underlying drug trafficking crime. (18 U.S.C. § 924(c)) Section 2 of this bill enacts provisions based on this federal law which prohibit a person from: (1) using or carrying a firearm during and in relation to the commission of certain drug offenses; and (2) possessing a firearm in furtherance of the commission of certain drug offenses. Section 2 provides that a person who violates this prohibition is guilty of a category B felony.]~~

Existing law prohibits ~~[a person who has been convicted of a felony]~~ certain persons from owning or ~~[possessing]~~ having in their possession or under their custody or control "any ~~[firearm,~~ unless the person has received a pardon, ~~] firearm.~~" (NRS 202.360) The Nevada Supreme Court has held that the State may only charge a defendant with one count of being a ~~[felon]~~ prohibited person in possession of a firearm for each such incident, regardless of the number of firearms that the defendant possessed at one time, in one place. (*State v. Fourth Jud. Dist. Court*, 137 Nev. 37 (2021)) Section 3 of this bill clarifies the Legislature's intent with regard to ~~[certain prohibitions against the ownership, possession, manufacture or sale of certain dangerous weapons or metal penetrating bullets by certain persons. Specifically, section 3 provides]~~ this prohibition by providing that, for purposes of prosecuting a violation of ~~[any such]~~ the prohibition, each ~~[dangerous weapon or bullet]~~ firearm owned, possessed ~~[, manufactured]~~ or ~~[sold by]~~ under the custody or control of a person constitutes a separate violation. Section 4 of this bill makes a conforming change to indicate the proper placement of section 3 in the Nevada Revised Statutes.

The Brady Handgun Violence Prevention Act requires that a background check be conducted on any person wishing to purchase or redeem a firearm to determine whether the person is prohibited from purchasing or possessing a firearm pursuant to federal or state law. (Pub. L. No. 103-159, 107 Stat. 1536) Among other requirements, the Bipartisan Safer Communities Act requires any background check conducted on a prospective buyer who is less than 21 years of age to include a review of certain information and records to determine whether the person is disqualified from purchasing or possessing a firearm under federal or state law. (Pub. L. No. 117-159, 136 Stat. 1313) Sections ~~[5-8]~~ 5-7 of this bill authorize a juvenile justice agency ~~[,]~~ and the juvenile court ~~[and an agency which provides child welfare services]~~ to release certain information and records for the purpose of performing a background check to determine whether a person is eligible to purchase or possess a firearm under federal or state law.

Existing law requires a court to transmit certain records of adjudication concerning a person's mental health to the Central Repository for Nevada Records of Criminal History, along with a statement that the record is being transmitted for inclusion in all appropriate databases of the National Instant

Criminal Background Check System. (NRS 159.0593, 174.035, 175.533, 175.539, 178.425, 433A.310, 433A.343) Section 8.5 of this bill requires a court to transmit to the Central Repository certain records relating to the court-ordered admission to certain mental health facilities of certain children with an emotional disturbance who are in the custody of an agency which provides child welfare services. Section 7.7 of this bill provides that no action for damages may be brought against the court or an employee of the court for transmitting a record pursuant to section 8.5.

Existing law requires the inclusion, correction and removal of certain records in each appropriate database of the National Instant Background Check System for certain purposes relating to the purchase or possession of a firearm. (NRS 179A.163, 179A.165, 179A.167, 433A.310) Section 7.5 of this bill requires the inclusion, correction and removal of certain records transmitted pursuant to section 8.5 in each appropriate database of the National Instant Criminal Background Check System for the same purpose. Section 7.5 also requires the Central Repository to take reasonable steps to ensure that the information contained in a record transmitted pursuant to section 8.5 is removed from the National Instant Criminal Background Check System when the person who is the subject of the record reaches 21 years of age.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 9. This act becomes effective on July 1, 2023.

Senator Scheible moved the adoption of the amendment.

Remarks by Senator Scheible.

Amendment No. 415 to Senate Bill No. 367 removes section 8 of the bill and instead sets forth the conditions under which a court must provide to the Nevada Central Repository for Criminal Records the records of certain children so that a background check may be performed relating to the purchase or possession of a firearm. The amendment requires that such a child must be at least 16 years of age and must have been ordered by a court to be admitted to a mental health facility. It requires the Central Repository to ensure that such information is included in the National Instant Criminal Background Check System and may take steps to ensure that the information is included in appropriate databases of the National Crime Information Center. These provisions do not apply if the child has sought mental health treatment voluntarily. Amendment No. 425.

SUMMARY—Revises provisions relating to personal financial administration. (BDR 12-959)

AN ACT relating to personal financial administration; revising provisions that govern estates of deceased persons; revising provisions governing the notice of sale of certain property; authorizing a petitioner to submit a notice through an electronic filing system pursuant to the Nevada Electronic Filing and Conversion Rules; making certain information concerning trusts confidential; revising provisions governing the classification of distribution of interests; revising the powers exercisable by the protector of a trust; revising provisions relating to the jurisdiction and venue of a trust; clarifying provisions relating to a notice provided by the trustee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the estate of a decedent may be settled by the district court of any county in which any part of the estate is located or where the decedent was a resident at the time of death. (NRS 136.010) Section 1 of this bill provides that the jurisdiction of the settlement of the estate of a decedent may be assumed in the district court of any county in this State if: (1) the decedent was a resident of this State at the time of death; or (2) any part of the estate is located in this State. Existing law further provides that, if a decedent was a resident of this State at his or her time of death, the district court of any county in this State may assume jurisdiction of the settlement of the estate only after considering the convenience of the forum to certain parties. (NRS 136.010) Section 1 removes such provisions of law and instead provides that: (1) the venue of the settlement of the estate of the decedent is proper in any district court in this State; and (2) if an interested ~~party~~ person objects to the venue on the basis of convenience, the court may determine the appropriate venue only after considering the convenience of the forum in relation to where the decedent died or owned property or the preferences of certain parties.

Existing law provides that if a homestead was selected by the spouses and recorded while both were living, the homestead, upon the death of either spouse, vests absolutely in the survivor. If no homestead was selected, existing law provides that the homestead may be set apart by the court to the surviving spouse, minor child or minor children of the decedent for a limited

period if the court deems it advisable after considering, among other things, the needs and resources of the family. (NRS 146.050) Section 2 of this bill clarifies that the court must consider the needs and resources of the surviving spouse, minor child or minor children of the decedent.

If the value of an estate does not exceed \$100,000, existing law authorizes the estate of the decedent to be set aside and assigned in a certain order without administration. (NRS 146.070) Section 3 of this bill authorizes the court to: (1) upon request, order any asset assigned and set apart to be distributed to a designated person who resides in this State; (2) order the designated person to distribute the assets to the persons entitled thereto; and (3) retain jurisdiction of the estate to enforce the orders of the court until the designated person can prove that all sums of money due and all property of the estate has been distributed properly.

Existing law requires a notice of the time and place of sale of real property to be published in a certain manner before the sale is made. Under existing law, the court may waive the requirement of publication if, among other things, the personal representative is the sole devisee or heir of the estate or if all devisees or heirs of the estate consent in writing. (NRS 148.220) Section 4 of this bill provides that the court may waive the requirement of publication if the following persons consent in writing: (1) the personal representative, if he or she is the sole devisee or heir of the estate; (2) all devisees to whom the property is devised if the property is specifically devised in the decedent's will; (3) all residuary devisees if the property is not specifically devised in the decedent's will; or (4) in the case of an intestate estate, all heirs of the estate.

Existing law requires that before the court can confirm a sale of real property at a private sale, the court must first, among other things, determine that the real property has been appraised within 1 year before the time of sale. Under existing law, the court can waive the requirement of an appraisal: (1) for good cause shown; or (2) if the personal representative is the sole devisee or heir of the estate, or if all devisees or heirs consent in writing to sale without an appraisal. (NRS 148.260) Section 5 of this bill authorizes the court to waive the requirement of an appraisal if the following people consent in writing to sale without an appraisal: (1) the personal representative, if he or she is the sole devisee or heir of the estate; (2) all devisees to whom the property is devised, if the property is specifically devised in the will of the decedent; (3) all residuary devisees, if the property is not specifically devised in the will of the decedent; and (4) in the case of an intestate estate, all heirs to the estate.

Existing law requires a petitioner to provide notice of the time and place of the hearing of a petition to certain interested persons by: (1) mailing a copy by registered or ordinary first-class mail addressed to the person being notified; and (2) publishing a copy of the notice in certain newspapers under certain circumstances. (NRS 155.010) If the court has established an electronic filing system pursuant to the Nevada Electronic Filing and

Conversion Rules, section 6 of this bill authorizes a petitioner to provide such notice to certain interested persons by submitting a copy of the notice through the electronic filing system of the court or through any other electronic means.

Existing law authorizes the maker or legal representative of a maker of a will, trust or testamentary instrument to obtain declaratory relief under the testamentary instrument or with respect to the administration of the trust or certain estates for certain purposes. (NRS 30.040) Section 7 of this bill additionally authorizes an interested person or the legal representative of an interested person to obtain declaratory relief under the same circumstances.

Section 9 of this bill provides that a settlor of a trust may use a method set forth in a trust instrument for determining whether the settlor or trustee is incapacitated. Section 16 of this bill authorizes a trustee presenting a certification of trust to include a declaration that the incapacity of the former trustee has been established pursuant to section 9 and that the current acting trustee has succeeded to the office of trustee. (NRS 164.410)

Section ~~140~~ 13 of this bill provides that certain information concerning trusts in pleadings and filings is confidential. Section 18 of this bill makes a conforming change to reflect that certain information concerning trusts in pleadings and filings is made confidential pursuant to section ~~140~~ 13.

Existing law classifies a distribution interest, among other classifications, as a support interest if the trustee is required to make distributions to the beneficiary pursuant to an ascertainable standard. (NRS 163.4185) Section 11 of this bill revises the circumstances under which a distribution interest is classified as a support interest.

Existing law prescribes the powers and duties of a protector of a trust. (NRS 163.5553) Section 12 of this bill provides that, unless otherwise provided in the trust instrument: (1) the powers of a protector of a trust are fiduciary in nature; and (2) the trust instrument may define the scope and extent of the fiduciary standard applicable to the exercise of any of the powers and duties of a protector of a trust.

Existing law provides that ~~if (1)~~ under certain circumstances, the district court is required to assume jurisdiction of a trust as a proceeding in rem. ~~if and (2) If the trustee does not reside or conduct business in this State, existing law provides that jurisdiction is proper in this State if, among other requirements, if~~ : (1) the trust expressly provides that the trust originated in this State or that a court in this State has jurisdiction; (2) under certain circumstances, a person has designated that the trust originated in this State or that this State has jurisdiction; or (3) one or more beneficiaries of the trust reside in this State. (NRS 164.010) Section 14 of this bill : (1) provides that jurisdiction of a trust is proper in this State if the trust or a certain person expressly provides or designates that the trust originated in a county located in this State; (2) removes ~~such requirements~~ the requirement that one or more beneficiaries of the trust reside in this State; and ~~instead~~ (3) provides

that jurisdiction is proper if ~~[, among other requirements,]~~ any trustee resides or conducts business in this State.

Existing law also provides that, for the purposes of determining venue, the court must consider the preference of counties in a certain order. (NRS164.010) Section 14 specifies that for the purposes of determining venue in this State, the following preferences apply: (1) a county in which venue was most recently declared; (2) a county in which venue is declared in the trust instrument; (3) a county in which the situs or domicile of the trust is declared in a certification of trust; (4) a county in which any trustee resides or conducts business at the time of the filing of the petition; ~~[(2)]~~ (5) a county in which any real property interest owned by the trust is located; and ~~[(3)]~~ (6) a county in which any beneficiary resides.

Existing law authorizes a trustee to provide notice to certain persons after a revocable trust becomes irrevocable and generally prohibits any person who is provided notice from bringing an action to contest the validity of the trust more than 120 days after notice is served. (NRS 164.021) Section 15 of this bill clarifies that the notice must contain the dispositive provisions of the trust instrument that pertain to the beneficiary or a complete copy of the trust instrument. Section 15 also authorizes a person to consent in writing to a period shorter than 120 days in which to bring an action to contest the validity of the trust.

Section 17 of this bill makes a technical correction to a provision relating to the liability of a trustee or disinterested person who, in good faith, fails to take certain actions. (NRS 164.796)

Sec. 2. NRS 146.050 is hereby amended to read as follows:

146.050 1. If the homestead was selected by the spouses, or either of them, during their marriage, and recorded while both were living, as provided in chapter 115 of NRS, it vests, on the death of either spouse, absolutely in the survivor, unless vesting is otherwise required pursuant to subsection 2 of NRS 115.060.

2. If no homestead was so selected, a homestead may be set apart by the court to the surviving spouse, minor child or minor children of the decedent for a limited period if deemed advisable considering the needs and resources of the ~~{{family}}~~ *surviving spouse, minor child or minor children of the decedent* and the nature, character and obligations of the estate. The duration of the homestead must be designated in the order setting it apart and may not extend beyond the lifetime of the surviving spouse or the minority of any child of the decedent, whichever is longer. A homestead so set apart then vests, subject to the setting apart:

(b) If set apart from community property, one-half in the surviving spouse and one-half in the devisees of the decedent, or if no disposition is made, then entirely in the surviving spouse.

3. In either case referred to in subsection 1 or 2, the homestead is not subject to the payment of any debt or liability existing against the spouses, or either of them, at the time of death of either, unless the debt or liability is secured by a mortgage or lien.

Sec. 3. NRS 146.070 is hereby amended to read as follows:

146.070 1. All or part of the estate of a decedent may be set aside without administration by the order of the court as follows:

(a) If the value of a decedent's estate does not exceed \$100,000, the estate may be set aside without administration by the order of the court; or

(b) If a decedent's will directs that all or part of the decedent's estate is to be distributed to the trustee of a nontestamentary trust established by the decedent and in existence at the decedent's death, the portion of the estate subject to such direction may be set aside without administration. Any portion of a decedent's estate set aside to the nontestamentary trust pursuant to this paragraph is subject to creditors of the estate unless the petitioner

provides proof to the court that the trustee has published or mailed the requisite notice to such creditors on behalf of the nontestamentary trust and settlor pursuant to NRS 164.025.

2. Except as otherwise provided in subsection 3, the whole estate set aside pursuant to paragraph (a) of subsection 1 must be assigned and set apart in the following order:

The court may allocate the entire estate to the surviving spouse, the entire amount to the minor child or minor children, or may divide the estate among the surviving spouse and minor child or minor children.

4. As to any amount set aside to or for the benefit of the surviving spouse or minor child or minor children of the decedent pursuant to subsection 3, the court must set aside the estate without the payment of creditors except as the court finds necessary to prevent a manifest injustice.

5. To prevent an injustice to creditors when there are nonprobate transfers that already benefit the surviving spouse or minor child or minor children of the decedent, the court has the discretion to reduce the amount set aside under subsection 3 to the extent that the value of the estate, when combined with the value of nonprobate transfers, as defined in NRS 111.721, from the decedent to or for the benefit of the surviving spouse or minor child or minor children of the decedent exceeds \$100,000.

6. In exercising the discretion granted in this section, the court shall consider the needs and resources of the surviving spouse and minor child or minor children, including any assets received by or for the benefit of the surviving spouse or minor child or minor children from the decedent by nonprobate transfers.

7. For the purpose of this section, a nonprobate transfer from the decedent to one or more trusts or custodial accounts for the benefit of the surviving spouse or minor child or minor children shall be considered a transfer for the benefit of such spouse or minor child or minor children.

8. Proceedings taken under this section must not begin until at least 30 days after the death of the decedent and must be originated by a petition containing:

- (f) If the decedent left a will, a statement concerning all evidence known to the petitioner that tends to prove that the will is valid.

9. If the petition seeks to have the estate set aside for the benefit of the decedent's surviving spouse or minor child or minor children without payment to creditors, the petition must also contain:

- (a) A specific description and estimated value of property passing by one or more nonprobate transfers from the decedent to the surviving spouse or minor child or minor children; or
- (b) An allegation that the estimated value of the property sought to be set aside, combined with the value of all nonprobate transfers from the decedent to the surviving spouse or minor child or minor children who are seeking to receive property pursuant to this section, is less than \$100,000.

10. When property is distributed pursuant to an order granted under this section, the court may allocate the property on a pro rata basis or a non-pro rata basis.

11. The clerk shall set the petition for hearing and the petitioner shall give notice of the petition and hearing in the manner provided in NRS 155.010 to the decedent's heirs and devisees and to the Director of the Department of Health and Human Services. If a complete copy of the petition is not enclosed with the notice, the notice must include a statement setting forth to whom the estate is being set aside.

12. No court or clerk's fees may be charged for the filing of any petition in, or order of court thereon, or for any certified copy of the petition or order in an estate not exceeding \$2,500 in value.

13. At the hearing on a petition under this section, the court may require such additional evidence as the court deems necessary to make the findings required under subsection 14.

14. The order granting the petition shall include:

(e) The name of each distributee and the property to be distributed to the distributee.

15. As to the distribution of the share of a minor child set aside pursuant to this section, the court may direct the manner in which the money may be used for the benefit of the minor child as is deemed in the court's discretion to be in the best interests of the minor child, and the distribution of the minor child's share shall be made as permitted for the minor child's share under the terms of the decedent's will or to one or more of the following:

(b) May order the designated person to distribute the assets to the person or persons entitled thereto; and

(c) Shall retain jurisdiction to enforce its orders until the designated person demonstrates to the court, by the production of satisfactory receipts, that all sums of money due and all the property of the estate has been distributed to the persons entitled thereto and all acts lawfully required have been performed.

17. For the purposes of this section, the value of property must be the fair market value of that property, reduced by the value of all enforceable liens and encumbrances. Property values and the values of liens and encumbrances must be determined as of the date of the decedent's death.

Sec. 17. NRS 164.796 is hereby amended to read as follows:

164.796 1. Unless expressly prohibited by the trust instrument, a trustee may convert a trust into a unitrust if:

- (a) The trustee determines conversion to a unitrust will better enable the trustee to carry out the intent of the settlor and the purpose of the trust;

(b) The trustee gives written notice of his or her intention to convert the trust to a unitrust, including how the unitrust will operate, the income distributions rate established pursuant to subsection 3 of NRS 164.797 and subsection 1 of NRS 164.799, and what initial decisions the trustee will make pursuant to this section, to all beneficiaries who:

- (1) Are presently eligible to receive income from the trust;
- (2) Would be eligible, if a power of appointment were not exercised, to receive income from the trust if the interest of any beneficiary eligible to receive income terminated immediately before the trustee gives notice; and
- (3) Would receive, if a power of appointment were not exercised, a distribution of principal if the trust terminated immediately before the trustee gives notice;

(c) There is at least one beneficiary who meets the requirements of subparagraph (1) of paragraph (b) and at least one beneficiary who meets the requirements of subparagraph (2) of paragraph (b); and

(d) No beneficiary objects, in writing and delivered to the trustee within 60 days of the mailing of the notice, to the conversion of the trust to a unitrust.

2. If a beneficiary timely objects to converting a trust into a unitrust, or if there are no beneficiaries under either subparagraph (1) or (3) of paragraph (b) of subsection 1, the trustee may petition the court to approve the conversion of the trust into a unitrust. The court shall approve the conversion if the court concludes that the conversion will enable the trustee to better carry out the intent of the settlor and the purpose of the trust.

3. A beneficiary may request that a trustee convert a trust into a unitrust. If the trustee does not convert the trust, the beneficiary may petition the court to order the conversion. The court shall direct the conversion if the court concludes that the conversion will enable the trustee to better carry out the intent of the settlor and the purpose of the trust.

4. A trustee, in determining whether and to what extent to convert a trust to a unitrust pursuant to subsection 1, shall consider all factors relevant to the trust and to the beneficiaries, including the factors set forth in subsection 2 of NRS 164.795, as applicable.

5. A conversion of a trust to a unitrust does not affect a term of the trust directing or authorizing the trustee to distribute principal or authorizing a beneficiary to withdraw all or a portion of the principal.

6. A trustee may not convert a trust into a unitrust in any circumstance set forth in subsection 3 of NRS 164.795.

7. If a trustee is prevented from converting a trust because a provision of paragraph (e), (f), (g) or (h) of subsection 3 of NRS 164.795 applies to the trustee and if there is a cotrustee to whom such provisions do not apply, the cotrustee may convert the trust unless the exercise of the power by the remaining trustee is not permitted by the terms of the trust. If all trustees are prevented from converting a trust because a provision of paragraph (e), (f),

(g) or (h) of subsection 3 of NRS 164.795 applies to all of the trustees, the trustees may petition the court to direct a conversion.

8. A trustee may permanently, or for a specified period, including a period measured by the life of a person, release the power to convert a trust pursuant to subsection 1 if:

(a) The trustee is uncertain about whether possessing or exercising the power of conversion will cause a result described in paragraphs (a) to (f), inclusive, or (h) of subsection 3 of NRS 164.795; or

(b) The trustee determines that possessing or exercising the power of conversion may or will deprive the trust of a tax benefit or impose a tax burden not described in subsection 3 of NRS 164.795.

9. A trustee or disinterested person who, in good faith, *takes or* fails to take any action under this section is not liable to any person affected by such action or inaction, regardless of whether the affected person received notice as provided in this section or was under a legal disability at the time of delivery of notice. An affected person's exclusive remedy is to petition the court for an order directing the trustee to convert the trust into a unitrust, to reconvert a unitrust into a trust or to change the percentage used to calculate the unitrust amount.

10. This section shall be construed to pertain to the administration of a trust, and the provisions of this section are available to any trust administered in this State or that is governed by the laws of this State, unless:

(a) The terms of the trust instrument show an intent that a beneficiary is to receive an amount other than a reasonable current return from the trust;

(b) The trust:

(1) Has a guaranteed annuity interest or fixed percentage interest as described in section 170(f)(2)(B) of the Internal Revenue Code;

(2) Is a charitable remainder trust within the meaning of section 664(d) of the Internal Revenue Code;

(3) Is a qualified subchapter S trust within the meaning of section 1361(c) of the Internal Revenue Code;

(4) Is a personal residence trust within the meaning of section 2702(a)(3)(A) of the Internal Revenue Code; or

(5) Is a trust in which one or more settlors retain a qualified interest within the meaning of section 2702(b) of the Internal Revenue Code;

(c) One or more persons to whom the trustee could distribute income have a power of withdrawal over the trust that is not subject to an ascertainable standard or that can be exercised to discharge a duty of support; or

(d) The terms of the trust instrument expressly prohibit the use of the provisions of this section through reference to this section or the trust instrument expressly states the settlor's intent that net income is not calculated as a unitrust amount.

11. As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue

Code and any regulations of the United States Treasury promulgated thereunder.

Amendment No. 499.

SUMMARY—Revises provisions governing common-interest communities. (BDR 10-970)

AN ACT relating to common-interest communities; revising provisions relating to the requirement that the executive board of a unit-owners' association make certain records available for review at a designated location; requiring a unit's owner to pay the actual costs incurred by the association in providing such records under certain circumstances; prohibiting certain persons from taking retaliatory action against a unit-owners' association or certain other persons associated with the association; prohibiting certain persons within a common-interest community from bullying another person within that same common-interest community; revising the definition of the term violation relating to violations of the laws governing common-interest communities; authorizing the Commission for Common-Interest Communities and Condominium Hotels to impose certain sanctions on a person who files certain affidavits with the Real Estate Division of the Department of Business and Industry; requiring the Division

to take certain actions before referring an affidavit relating to a violation to the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the executive board of a unit-owners' association of a common-interest community to make certain financial records available for review at the business office of the association or some other nearby location including, among other records, certain personnel records of the employees of the association relating to the number of hours worked and the salaries and benefits of those employees. (NRS 116.31175) Section 1 of this bill excludes from the records the executive board must make available any personnel records of the employees of the association, including, without limitation, employment contracts, information regarding the salaries and benefits of employees and any other information concerning the employees of the association.

Existing law requires the executive board to provide, upon request: (1) a copy of such records to the unit's owner or the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels; (2) a copy in electronic format at no charge to the unit's owner or the Ombudsman; or (3) if the board is unable to provide a copy in electronic format, a copy in paper format at a cost not to exceed a certain amount per page of the record. Existing law prohibits the executive board from requiring a unit's owner to pay an amount in excess of \$10 per hour to review any books, records, contracts or other papers of the association. (NRS 116.31175) Section 1 revises this prohibition and instead authorizes the executive board to require a unit's owner or Ombudsman to pay the actual costs incurred by the association for the unit's owner to review any such record.

Existing law provides that if a unit's owner is the subject of a retaliatory action based on certain complaints or requests, the unit's owner may bring an action to recover compensatory damages and attorney's fees and costs. (NRS 116.31183) Section 2 of this bill prohibits a unit's owner, tenant or guest or invitee of a unit's owner or tenant to take, or direct or encourage another person to take, any retaliatory action against the executive board, a member of the executive board, a community manager or an officer, employee or agent of the association based on certain actions taken by the executive board, member, community manager or officer, employee or agent. Section 2 also provides that the executive board, member, community manager or officer, employee or agent may bring an action to recover compensatory damages and attorney's fees and costs from the person who took such a retaliatory action.

Existing law prohibits certain persons within a common-interest community from threatening, harassing or otherwise engaging in certain courses of conduct against another person within that same common-interest community. (NRS 116.31184) Section 2.5 of this bill additionally prohibits

certain persons within a common-interest community from bullying another person within that same common-interest community.

Section 3 of this bill revises the definition of the term "violation" for the purposes of existing law relating to violations of the laws governing common-interest communities to include a violation of the provision of law that prohibits a person from threatening, harassing or otherwise engaging in bullying or a course of conduct against certain persons in a unit-owners' association which: (1) causes harm or serious emotional distress, or the reasonable apprehension thereof to that person; or (2) creates a hostile environment for that person. (NRS 116.31184, 116.745)

Existing law authorizes a person who is aggrieved by an alleged violation to file with the Real Estate Division of the Department of Business and Industry a written affidavit which includes certain information. Existing law authorizes the Commission for Common-Interest Communities and Condominium Hotels or a hearing panel to impose certain administrative fines against a person who knowingly files a false or fraudulent affidavit with the Division. (NRS 116.760) Section 4 of this bill additionally authorizes the Commission or hearing panel to impose sanctions that disqualify a person from serving as a member of the executive board for a period of not more than 10 years against any person who files a vexatious, misleading, retaliatory, frivolous, false or fraudulent affidavit with the Division.

Existing law provides that upon receipt of such an affidavit, the Division must refer the affidavit to the Ombudsman. (NRS 116.765) Section 5 of this bill requires the Division to determine whether the alleged violation, if assumed to be true, would constitute a violation before referring the affidavit to the Ombudsman.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31175 is hereby amended to read as follows:

SUMMARY—Revises provisions relating to public safety. (BDR 43-663)

AN ACT relating to public safety; establishing provisions governing the operation of a personal delivery device; imposing certain requirements on a personal delivery device operator; providing a civil penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides pedestrians on or near a highway with certain rights and imposes certain duties. (NRS 484B.280-484B.297) Existing law authorizes the operation of a mobile carrying device on sidewalks and in crosswalks and provides that such a device has, in general, the rights and duties of a pedestrian. (NRS 484B.790)

Section 3 of this bill defines the term "personal delivery device" to mean an electrically powered device that: (1) is intended primarily to transport cargo on sidewalks, crosswalks and other pedestrian areas; (2) is not intended to carry passengers; and (3) is equipped with technology that allows navigation with or without the active control or monitoring of a natural person. Section 1 of this bill provides that a personal delivery device is not a "vehicle" for purposes of existing law governing travel on public highways. (NRS 482.135) Section 5 of this bill: (1) authorizes a personal delivery device to operate on sidewalks, in crosswalks and on highways if crossing at an intersection; (2) prohibits such a device from transporting hazardous material, transporting a person or unreasonably interfering with pedestrians or vehicle traffic; and (3) provides that such a device has, in general, the rights and duties of a pedestrian. Section 5 also requires a personal delivery device to include a unique identifying number and a means of identifying and contacting the personal delivery device operator. Section 4 of this bill defines the term "personal delivery device operator" to mean a person or entity that exercises control or monitoring over the operation and navigation of a personal delivery device, not including a person who solely: (1) requests or receives a delivery; (2) arranges for or dispatches a delivery; or (3) stores, charges or maintains a personal delivery device. Section 6 of this bill requires a personal delivery device operator to maintain a policy of general liability insurance to cover any damages caused by the operation of personal delivery devices under the control of the operator. Section 8 of this bill provides that a

violation of the provisions of section 5 or 6 is a civil infraction. Section 7 of this bill makes a conforming change to indicate the proper placement of sections 3 and 4 in the Nevada Revised Statutes.

Existing law authorizes the governing body of a county or city, respectively, to enact ordinances which regulate the time, place and manner of operation of mobile carrying devices. (NRS 244.3565, 268.41015) Sections 9 and 10 of this bill create similar authority for personal delivery devices.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 239.

AN ACT relating to insurance; revising requirements relating to the submission of certain information to the Commissioner of Insurance by certain persons regulated by the Commissioner; revising provisions concerning the confidentiality of certain records and information; revising requirements for the delivery of certain notices and other documents by electronic means; revising requirements for the conduct of certain hearings before the Commissioner; revising provisions relating to the imposition of certain fees; revising requirements for the issuance and renewal of certain licenses and certificates; revising provisions relating to administrators; ~~revising requirements for the cancellation of certain policies of insurance;~~ prohibiting certain insurers from taking certain actions concerning prescription drugs; revising provisions relating to annuities; imposing certain requirements on persons involved in the sale of prepaid contracts for funeral or burial services; revising certain requirements relating to captive insurers; revising procedures for delinquency proceedings against an insurer; revising provisions relating to bail agents, bail enforcement agents, bail solicitors and general agents; making various other changes relating to insurance; and providing other matters properly relating thereto.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law requires a health carrier to submit to the Commissioner of Insurance copies of certain form letters used by the health carrier. (NRS 679B.124) Section 1 of this bill requires a health carrier to instead: (1) submit to the Commissioner a report summarizing such form letters; and (2) maintain a copy of each form letter and make each copy available to the Commissioner upon request.

~~Existing law makes confidential certain records and information in possession of the Division of Insurance of the Department of Business and Industry. (NRS 679B.190) Section 2 of this bill makes confidential certain information and documents relating to a case or matter which was investigated by the Commissioner but which resulted in no action or in a warning or other informal action being taken. Section 2 additionally authorizes the Commissioner to classify as confidential certain records and~~

~~information relating to certain deliberations of the Commissioner or any employees of the Division.]~~

Existing law sets forth circumstances under which the Commissioner is authorized or required to hold a hearing on certain matters and establishes procedures governing such hearings. (NRS 679B.310) Section 3 of this bill revises requirements concerning such hearings. Section 47 of this bill makes a conforming change that is necessary as the result of the changes in section 3.

Existing law requires the Attorney General to establish a Fraud Control Unit for Insurance for the purposes of investigating and prosecuting acts of insurance fraud. (NRS 228.412) Existing law authorizes a district attorney of a county to prosecute certain cases involving insurance fraud with the permission of or at the request of the Attorney General. (NRS 686A.283) Existing law makes confidential certain records and information relating to an investigation conducted by the Attorney General and the Fraud Control Unit for the prosecution of insurance fraud and sets forth the circumstances under which the Attorney General is authorized to disclose such information. (NRS 679B.690) Section 4 of this bill: (1) makes confidential certain additional records and information relating to an investigation for the prosecution of insurance fraud; (2) requires, with certain exceptions, such records and information to remain confidential for the duration of the investigation and after the conclusion of the investigation; and (3) sets forth circumstances in which a district attorney prosecuting a case of insurance fraud is also authorized to disclose such information.

Existing law sets forth certain requirements for an insurer to deliver certain notices or other documents by electronic means. Among other requirements, existing law requires the party to whom the notice or document will be delivered to have consented to delivery by electronic means. (NRS 680A.550) Sections 4.2 and 4.8 of this bill authorize the plan sponsor of a health plan to provide such consent on behalf of a party covered by the plan under certain circumstances. Section 4.2 requires a plan sponsor to take certain actions before providing such consent and an insurer to take certain actions before delivering any notice or other document to a party on whose behalf a plan sponsor has provided such consent. Finally, section 4.2 requires a notice of cancellation, nonrenewal or termination of a health plan to be sent to a party covered by the health plan by mail unless the notice is delivered by electronic means in a manner that provides for the verification of the receipt of the notice. Sections 4.4 and 4.6 of this bill make conforming changes to indicate the proper placement of section 4.2 in the Nevada Revised Statutes.

Existing law sets forth various fees applicable to persons regulated by the Commissioner. Among these fees is a fee for a licensee's association with or appointment or sponsorship by an organization. (NRS 680B.010) A fee for a licensee's "appointment" by an organization refers to the fee associated with the appointment by an insurer of a person to offer policies on behalf of the insurer. (NRS 697.185, 697.250) A fee for a licensee's "association with" or

"sponsorship by" an organization refers to the fee associated with the designation by an agent of an insurer of a natural person who is a licensee to represent the agent or to be responsible for the compliance of the agent with laws and regulations governing insurance. (NRS 683C.035, 684A.080, 684A.090, 684B.040, 697.184, 697.185, 697.250) Sections 16-18, 20 and 40-42 of this bill revise provisions concerning the licensure of certain persons regulated by the Commissioner to clarify and standardize the circumstances in which an agent of an insurer is required to designate a natural person to represent the agent or to be responsible for the agent's compliance with the laws and regulations governing insurance and is therefore required to pay the applicable fee. Section 5 of this bill revises the terminology used to describe such a fee to refer to that fee as one for a licensee's association with or designation or sponsorship by an organization. The amount of such fees remains unchanged. Section 5 removes certain duplicative fees, and sections 33-35 make conforming changes necessitated by the renumbering of section 5.

Section 14 of this bill revises the requirements for an application for the issuance of a license as a managing general agent. Section 7 of this bill ~~[requires]~~ authorizes the Commissioner to require an applicant for the issuance of a license as a managing general agent to file and maintain with the Commissioner a surety bond in ~~[the sum of \$50,000.]~~ an amount determined by the Commissioner.

Existing law prohibits a person from acting as an administrator unless the person holds a certificate of registration issued by the Commissioner. (NRS 683A.085) Existing law also imposes certain requirements and restrictions on a pharmacy benefit manager. (NRS 683A.171-683A.179) Section 9 of this bill revises the definition of "administrator" to include specifically any person who administers a program of pharmacy benefits for an employer, insurer, internal service fund or trust. Sections 11 and 12 of this bill revise requirements for the issuance and renewal of a certificate of registration as an administrator. ~~[Section 13 of this bill prohibits: (1) the rights and obligations of an administrator, as set forth in a written agreement between an insurer and an administrator, from being delegated to any third party; (2) any liability under such an agreement from being assumed by any third party; and (3) an insurer from allowing any duty of an administrator set forth in such an agreement to be performed by any person other than the administrator.]~~ Sections 10.5 and 13 of this bill authorize an administrator who has obtained a certificate of registration issued by the Commissioner to delegate any of the duties of the administrator to an administrator who has not obtained a certificate of registration only if the delegating administrator has first obtained the written approval of the Commissioner. Section 8 of this bill requires an administrator to notify the Commissioner of certain changes to the administrator. Section 10 of this bill makes a conforming change to indicate the proper placement of section 8 in the Nevada Revised Statutes.

Existing law authorizes the Commissioner to issue to a person a temporary license as a producer of insurance and independent adjuster and a temporary certificate as an exchange enrollment facilitator, which, in general, are valid for not more than 180 days. (NRS 683A.311, 684A.150, 695J.190) Sections 15, 19 and 36 of this bill authorize the Commissioner to renew such a license or certificate for one additional period of 180 days under certain circumstances.

~~[Existing law, in general, prohibits an insurer from cancelling an insurance policy before the expiration of the agreed term except for certain specified reasons, including, among other reasons, failure to pay a premium when due. If an insurer cancels an insurance policy for such a reason, the cancellation is prohibited from becoming effective until: (1) if the reason for the cancellation is the failure to pay a premium, at least 10 days after notice is provided to the policyholder; or (2) if the reason for the cancellation is due to another specified reason, at least 30 days after notice is provided to the policyholder. (NRS 687B.320) Existing law prohibits an insurer from cancelling, failing to renew or renew with altered terms certain life and health insurance policies, unless notice is provided to the policyholder at least 60 days before the proposed action becomes effective. (NRS 687B.420) Section 21 of this bill provides that a cancellation of certain life and health insurance policies for the failure to pay a premium or for certain other specified reasons is prohibited from becoming effective until at least 60 days after the policyholder is provided with notice of the cancellation.]~~

Existing law prohibits certain insurers from moving a prescription drug in a formulary from a lower cost tier to a higher cost tier under certain policies of health insurance issued to an individual or a small employer, except at certain times and under certain circumstances. However, existing law does not prohibit an insurer from, at any time, removing a prescription drug from a formulary and adding a prescription drug to a formulary. (NRS 687B.4095) Section 22 of this bill prohibits certain insurers who have removed a prescription drug from a formulary from adding that prescription drug back into the formulary in a higher cost tier in the same plan year in which it was removed, except at the times and under the circumstances provided for under existing law.

Sections 23 and 24 of this bill revise provisions relating to annuities for consistency with the Standard Nonforfeiture Law for Individual Deferred Annuities adopted by the National Association of Insurance Commissioners.

Existing law imposes certain requirements and restrictions on an applicant for a license as a producer of insurance or a licensee who wishes to use a name other than his or her true name to conduct business. (NRS 683A.301) Sections 25 and 27 of this bill make these requirements and restrictions applicable to an applicant for or a holder of a certificate of authority to sell prepaid contracts for funeral services or a permit to sell prepaid contracts for burial services. Section 26 of this bill requires a person to have a good

business and personal reputation to qualify for an agent's license to sell prepaid contracts for burial services on behalf of a seller.

Section 28 of this bill revises the definition of "health benefit plan" that is applicable to provisions of existing law governing health insurance for small employers to standardize the definition of the term with other provisions of existing law governing health benefit plans.

Existing law sets forth certain requirements relating to the confidentiality and disclosure of certain records and information relating to an insurer. (NRS 679B.285) Section 29 of this bill applies those requirements to certain records and information relating to a captive insurer. Sections 30-32 of this bill revise the dates by which certain captive insurers are required to submit certain information to the Commissioner.

Existing law sets forth procedures and requirements for delinquency proceedings against an insurer. (Chapter 696B of NRS) Existing law sets forth the manner in which a delinquency proceeding must be commenced. (NRS 696B.250) Section 37 of this bill provides that the Nevada Rules of Civil Procedure do not apply ~~for such~~ to the commencement of a delinquency proceeding. Section 38 of this bill eliminates certain duplicative statutory language with respect to the powers of the Commissioner as a receiver, rehabilitator or liquidator of an insurer.

Existing law sets forth certain requirements for a bail agent and bail enforcement agent with respect to the apprehension of a defendant and the surrender of a defendant to custody. (NRS 178.526, 697.325) Sections 43 and 46 of this bill establish that only a bail enforcement agent is authorized to take certain actions with respect to the apprehension and surrender of a defendant. Section 45 of this bill prohibits a bail agent, general agent, bail enforcement agent or bail solicitor from allowing any person other than a licensed bail enforcement agent to participate in the functions of a bail enforcement agent.

Existing law requires a bail agent or bail enforcement agent, before forcibly entering an inhabited dwelling, to notify the local law enforcement agency of the jurisdiction where the dwelling is located. Existing law defines "inhabited dwelling" to mean, in general, certain structures, buildings or vehicles in which the owner or other lawful occupant resides. (NRS 697.325) Section 43: (1) eliminates the term "inhabited dwelling"; (2) imposes certain requirements and restrictions on a bail enforcement agent with respect to the entry and forcible entry of any structure ~~as~~ as defined in section 43; and (3) imposes certain requirements and restrictions with respect to the use of physical force by a bail enforcement agent. Section 44 of this bill provides that a bail agent who improperly causes the surrender of a defendant to custody is not entitled to collect any fees related to the surrender.

Section 2 of Senate Bill No. 57 is hereby amended as follows:

Sec. 2. ~~NRS 679B.190 is hereby amended to read as follows:~~
~~679B.190 1. The Commissioner shall carefully preserve in the Division and in permanent form all papers and records relating to the business and~~

SUMMARY—Makes various changes relating to property. (BDR 10-623)

AN ACT relating to property; establishing and revising various definitions relating to property; establishing provisions relating to fees charged by landlords to prospective tenants; prohibiting landlords from transferring, selling, assigning or reporting to certain agencies information concerning amounts owed by tenants to landlords; establishing provisions relating to circumstances under which a landlord changes his or her agent, broker or property management company; making various changes relating to fees, fines, deposits and costs paid by tenants; requiring rental agreements to include a grace period for the late payment of rent; requiring a tenant to be served with advance notice of increases in certain fees, fines and costs; revising provisions relating to agents of attorneys who serve certain notices relating to evictions; revising provisions relating to representation in small claim actions; ~~increasing the length of notice before a person may be evicted from certain periodic tenancies under certain circumstances;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law ~~[provides that]~~ requires a landlord and a tenant to perform certain obligations with respect to a lease of real property. (NRS 118A.240-118A.300) As part of a lease of real property, a landlord may require a tenant to pay a security deposit, defined as a payment, deposit, fee or charge used by the landlord to: (1) remedy a default in the payment of rent by the tenant; (2) repair damage to the premises other than normal wear; and (3) clean the dwelling unit. (NRS 118A.240, 118A.242) ~~[Additionally, if reasonable modifications are made to the dwelling unit of a person with a disability, existing law provides that the landlord may require the person to deposit an additional security deposit in addition to the amount usually required by the landlord to cover the cost of restoring the modified unit to its original condition upon the termination of the tenancy. (NRS 118.101)]~~

~~Section 5 of this bill defines the term "security deposit" to mean a deposit made in cash or by any other acceptable manner to a landlord for any of the following purposes: (1) remedying any default of the tenant in the payment of periodic rent, including, without limitation, the cost of any fee for the late payment of rent; (2) repairing damage to the premises caused by the tenant other than normal wear; and (3) cleaning the unit. Section 28 of this bill repeals the existing definition of "security deposit." [deposit" and sections 3 and 5 of this bill establish the independent terms of "cleaning deposit" and "security deposit," respectively. Sections 1, 10, 16, 17 and 24 of this bill make various conforming changes relating to cleaning deposits and security deposits.]~~

Existing law requires a landlord to return a security deposit, or any remaining portion thereof, within 30 days after the termination of the tenancy and makes the landlord liable for certain amounts for failing to return the security deposit within this period. (NRS 118A.242) Section 15 of this bill ~~[reduces the period for the return of the security deposit from 30 days to 28 days. Section 15 also provides that if the landlord fails or refuses to return the security deposit within the statutory period, the landlord: (1) is liable to the tenant in the amount of the entire security deposit; and (2) waives all claims or causes of action relating to the security deposit. Additionally, section 15]~~ requires a landlord to deliver an itemized, written accounting of the disposition of the security deposit or surety bond, or a combination thereof in certain circumstances; (2) prescribes how delivery of the itemized, written accounting must be effectuated by the landlord; and (3) makes the landlord liable for certain amounts for failing to deliver the itemized, written accounting. Section 15 also provides that in any action relating to an amount claimed of a security deposit for repairing damage to the premises caused by the tenant, the landlord has the burden of proving: (1) that the damage to the premises occurred during the tenancy; and (2) the actual costs of repair.

Existing law defines "normal wear" as deterioration which occurs without negligence, carelessness or abuse of the premises, equipment or chattels by the tenant, a member of the household of the tenant or another person on the

premises with the consent of the tenant. (NRS 118A.110) Section 11 of this bill revises the definition of "normal wear" to mean expected deterioration which occurs during the course of a tenancy from the normal use of the premises by such persons.

Existing law requires written rental agreements to contain certain provisions, including , without limitation, provisions concerning the amount of rent and the manner and time of its payment. (NRS 118A.200) Existing law authorizes a landlord to charge a reasonable fee for the late payment of rent. (NRS 118A.210) Section 12 of this bill additionally requires such rental agreements to include a grace period for the late payment of rent. Section 13 of this bill prohibits a landlord from charging the fee for the late payment of rent until the expiration of the grace period set forth in the rental agreement. Section 4 of this bill defines the term "grace period" for such purposes. Section 12 also requires certain information relating to fees, fines and costs to be: (1) disclosed in writing to the tenant before he or she enters into a written rental agreement or otherwise begins the tenancy; and (2) printed clearly and conspicuously on the first page of the written rental agreement ~~, or clearly and conspicuously disclosed within the addenda to the written rental agreement, if applicable, that must be signed by the landlord or his or her agent and the tenant or his or her agent.~~

Existing law places certain prohibitions on rental agreements. (NRS 118A.220) Section 14 of this bill prohibits rental agreements from requiring tenants to pay any fee, fine or cost except those which are: (1) authorized by statute; or (2) actual and reasonable. Sections 12, 19-21 and 24 of this bill make conforming changes relating to the limitations on fees, fines and costs.

Section 7 of this bill authorizes a landlord to charge a fee for the eviction of a tenant ~~, under certain circumstances.~~ Additionally, section 6 of this bill : (1) authorizes a landlord to charge a single fee to every prospective tenant who intends to occupy one dwelling unit; and (2) prohibits a landlord from charging a [single] fee [for the submission of a rental application, and if multiple] to other prospective tenants who submit applications for occupancy of [a single] the same dwelling unit [, the landlord is limited to charging a single fee.] unless the initial application or applications, as applicable, for that dwelling unit have been denied.

Section 8 of this bill prohibits a landlord from transferring, selling, assigning or reporting to certain agencies any amount owed by the tenant, unless the landlord first ~~[obtains a judgment against the tenant for any such amount.]~~ delivers to the tenant an itemized, written accounting of all outstanding amounts owed by the tenant. Section ~~[8]~~ 8.5 of this bill requires any ~~[such]~~ action for the enforcement of any provision of a rental agreement to be brought: (1) ~~[within 8 months]~~ not later than 2 years after the termination of the tenancy; and (2) as a small claims action, if certain jurisdictional limits apply to the amount owed by the tenant.

Section 9 of this bill provides that if a landlord changes his or her agent, broker or property management company, the landlord or the new agent, broker or company is required to send certain information to the tenant within ~~77~~ 10 business days after the change.

Existing law prohibits a landlord from increasing the rent of a tenant unless the tenant is served with advance notice of the increase. (NRS 118A.300) Section 18 of this bill similarly prohibits a landlord from increasing certain fees, fines and costs charged to the tenant unless the tenant is served with advance notice of the increase.

Existing law provides that if a tenant's failure to perform basic obligations can be remedied by cleaning and the tenant fails to comply with a request to remedy such failure in a timely manner, the landlord may enter the dwelling unit, cause the work to be done and bill the tenant. (NRS 118A.440) Section 22 of this bill deletes this provision of existing law.

~~[Existing law: (1) prescribes certain criteria for unlawful detainer by a tenant of real property, a recreational vehicle or a mobile home; and (2) provides an increased length of possession before a person who is 60 years of age or older or who has a disability may be evicted from certain periodic tenancies under certain circumstances. (NRS 40.251) Section 23 of this bill increases the required period of notice before a person may be evicted from certain periodic tenancies from 30 days to 60 days.]~~

Existing law requires a tenant to be served with certain notices relating to evictions. Existing law also provides that certain notices may be served by an agent of an attorney who is licensed in this State if: (1) the attorney has been retained by the landlord in certain actions; and (2) the agent is acting at the direction and under the direct supervision of the attorney. (NRS 40.280) In addition to the existing requirements concerning such agents, section 25 of this bill prohibits the agent from being employed as a property manager in this State.

Existing law authorizes a nongovernmental legal or commercial entity to be represented by its director, officer or employee in an action in small claims court. (NRS 73.012) Similarly, section 26 of this bill authorizes a landlord to be represented by his or her agent in a small claims action.

Section 26.5 of this bill provides that the amendatory provisions of this bill do not apply to a tenant of a dwelling unit that is a manufactured home, or on the premises of a manufactured home lot or a manufactured home park.

Finally, section 27 of this bill provides that a rental agreement entered into before the effective date of this bill is binding upon the parties and may be enforced on or after that date, regardless of whether the provisions of the rental agreement conflict with the amendatory provisions of this bill.

Sec. 24. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➡ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter

stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant

to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

- (a) The tenant has vacated or been removed from the premises; and
 - (b) A copy of those charges has been requested by or provided to the tenant,
- ↪ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

- (a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and
- (b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form

provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than \$2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable ~~{charge}~~ fee for late ~~{payments}~~ payment of rent ~~{or dishonored checks,}~~ or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in ~~{NRS 118A.240,}~~ *section 5 of this act*.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

Legislative Counsel's Digest:

268.0035) Sections 1-11 and ~~[15-24]~~ 15-24.5 of this bill set forth various requirements for the licensing and regulation of ~~street food and merchandise~~ sidewalk vendors of food by the governing body of certain counties and cities.

Sections 2 and 16 of this bill provide that the provisions of sections 1-10 and 15-25 of this bill apply only to a county whose population is 100,000 or more (currently Clark and Washoe Counties) or to a city in a county whose population is 100,000 or more.

Sections 4-6 and 18-20 of this bill define the terms "roaming sidewalk vendor," "sidewalk vendor" and "stationary sidewalk vendor."

Sections 7 and 21 also prohibit a governing body of a county or city from ~~[1]~~, with certain exceptions: (1) enforcing or enacting a complete prohibition on sidewalk vending; (2) imposing criminal penalties for the act of sidewalk vending ~~[1]~~ in a residential area; or (3) regulating sidewalk vendors, except in compliance or substantial compliance with the provisions of this bill.

Sections 7.5 and 21.5 of this bill prohibit a person from selling food upon a public sidewalk or pedestrian path from a nonmotorized conveyance within 1,500 feet of: (1) a resort hotel; (2) certain event facilities; (3) certain convention facilities; and (4) state historical markers.

Sections 10 and 24 of this bill authorize a governing body of a county or city to impose by ordinance certain ~~administrative~~ penalties and fines for a violation of the provisions of the ordinance regulating sidewalk vendors ~~[1]~~ or for operating without any required license or permit for sidewalk vendors.

Sections 10.5 and 24.5 of this bill provide that the provisions of this bill governing the regulation of sidewalk vendors by a governing body of county or city shall not be construed to: (1) exempt a person from complying with any state or local law or regulation; or (2) provide a defense to any criminal act that is not related to the act of sidewalk vending.

Section 11 of this bill makes a conforming change to create an exception to the authority of a board of county commissioners to regulate all character of lawful trades, callings, industries, occupations, professions and business.

Existing law authorizes a local board of health to adopt regulations relating to food establishments. (NRS 446.940) Section 25 of this bill requires a local

board of health to adopt regulations to establish a process for a person to apply for a permit, license or other authorization from the local board of health to operate as a sidewalk vendor and that allow a person applying for ~~to~~ ~~permit~~ any such authorization to operate as a sidewalk vendor to: (1) pay any fees required by the local board of health using a payment plan; and (2) obtain any necessary certification as a food handler if the person does not have a driver's license or identification card.

This bill also prohibits such a collector from receiving any compensation from a customer to maintain the secure drug take-back bin. This bill ~~[indemnifies]~~ ; (1) provides that a collector who

complies with such requirements ~~[(from civil or criminal liability and professional)]~~ is not subject to discipline by the Board for any injury or harm that directly results from the collector maintaining a secure drug take-back bin, unless the injury or harm directly resulted from the gross negligence or willful and wanton misconduct of the collector ~~[(1)]~~; and (2) relieves such a collector from compliance with any restriction established by the governing body of a county, city or other local governmental entity that would affect the collection and destruction of the contents of a secure drug take-back bin.

Legislative Counsel's Digest:

Existing law requires the State Board of Pharmacy to adopt regulations governing the manipulation of a person for the collection of specimens by a pharmacist that: (1) require the pharmacist to use only a fingerstick or oral or nasal swab to collect the specimens; and (2) set forth the procedures and requirements the pharmacist is required to follow when manipulating a person for the collection of a specimen. (NRS 639.2808, 639.28085) Section 3 of this bill additionally authorizes a pharmacist to: (1) order laboratory tests that are necessary for any drug therapy or that otherwise facilitate the care of a patient ~~for~~ within the authorized scope of practice of the pharmacist; and (2) perform certain other laboratory tests determined by the Federal Government to be simple laboratory examinations and procedures that have an insignificant risk of an erroneous result. Section 1 of this bill provides that ordering and performing such laboratory tests constitutes the practice of pharmacy. Section 4 of this bill removes a duplicative provision from existing law.

Existing law requires the State Board of Health to adopt regulations for the certification and licensure of laboratory directors. (NRS 652.125) Existing regulations define an exempt laboratory to be a laboratory that: (1) conducts only certain microscopy tests and tests determined by the Federal Government to be simple laboratory examinations and procedures that have an insignificant risk of an erroneous result; and (2) does not perform only tests for human immunodeficiency virus. (NAC 652.072) Section 5 of this bill requires regulations of the Board to authorize a pharmacist to serve as the director of an exempt laboratory.

Existing law requires public and private policies of insurance regulated under Nevada law to include certain coverage. (NRS 287.010, 287.04335,

(NRS 608.1555) Sections 7-9, 15, 18, 20, 22, 23, 25, 27, 28 and 31 of this bill require public and private health plans, including Medicaid and health plans for state and local government employees, to: (1) provide coverage for services provided by a pharmacist within his or her scope of practice if such services are covered when performed by another provider of health care; and (2) reimburse such services at a rate equal to or greater than that provided to a physician, physician assistant or advanced practice registered nurse for similar services. Sections 7-9, 12, 15, 18, 20, 22, 23, 25, 27, 28 and 31 prohibit such a health plan requiring prior authorization for such services performed by a pharmacist if prior authorization is not required when the service is performed by another provider of health care. Sections 10, 16, 19, 21, 24, 26, 29 and 32 of this bill remove duplicative provisions from existing law. Sections 6 and 17 of this bill make conforming changes to indicate the proper placement of sections 9 and 15 in the Nevada Revised Statutes. Section 30 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of section 27. The Commissioner would also be authorized to take such action against other health insurers who fail to comply with the requirements of sections 15, 18, 20, 22, 23, 25 and 31. (NRS 680A.200)

Existing law requires a carrier that offers coverage in the small employer group or individual market to, before making any network plan available for sale in this State, demonstrate the capacity to deliver services adequately by applying to the Commissioner for the issuance of a network plan. (NRS 687B.490) Sections 7, 8 and 11 of this bill require a health carrier offering coverage in any market, including health plans for state and local government employees, to: (1) demonstrate the capacity to adequately deliver the services of pharmacists to covered persons; (2) accept the credentialing of a pharmacist who is employed by a health care facility to which the health carrier has delegated the authority to enter into credentialing agreements; and (3) negotiate in good faith with such a health care facility to include such pharmacists in the network plan of the health carrier. Existing law requires the Administrator of the Division of Industrial Relations of the Department of Business and Industry under certain circumstances to order an insurer, organization for managed care, health care

provider, third-party administrator, employer or professional employer organization to pay a claimant a benefit penalty in an amount not less than \$5,000 and not greater than \$50,000 for refusing to process a claim for compensation, refusing to pay or unreasonably delaying payment to a claimant of compensation or other relief found to be due or committing certain other violations of the Nevada Industrial Insurance Act or the Nevada Occupational Diseases Act. (NRS 616D.120) Section 2 of this bill increases the amount of that benefit penalty to not less than ~~[\$15,000]~~ \$17,000 and not greater than ~~[\$200,000]~~ \$120,000. Section 2 also extends from 10 days to 15 days the time in which a benefit penalty must be paid to a claimant after the Administrator determines the amount of the benefit penalty. Section 1.5 of this bill requires the Administrator to publish, maintain and make available to the public on the Internet website of the Division certain information relating to benefit penalties imposed by the Administrator.

Existing law sets forth procedures by which a person may contest a decision of the Administrator to impose or refuse to impose a benefit penalty. (NRS 616D.140) Section 4 of this bill extends the time in which a person may appeal from the failure of the Administrator to respond to a notice of appeal from 100 days after the date on which the notice of appeal was mailed to the Administrator to 120 days after that date. Section 4 also: (1) requires a party who unsuccessfully appeals the imposition of a benefit penalty to pay a claimant double the amount of the benefit penalty initially imposed; (2) establishes certain requirements for when a benefit penalty must be paid; and (3) authorizes the Commissioner of Insurance to suspend a certification issued to an insurer, organization for managed care, health care provider, third-party administrator, employer or professional employer organization under certain circumstances.

Existing law requires the Administrator, upon receipt of a complaint or if the Administrator has reason to believe that certain provisions of the Nevada Industrial Insurance Act have been violated, to cause an investigation to be conducted and render a determination concerning those violations. (NRS 616D.130) Section 3 of this bill broadens the circumstances under which the Administrator is required to cause an investigation to be conducted and requires the Administrator to: (1) provide the Commissioner and the suspected violator with a copy of the complaint or an explanation of the reason why the Administrator believes a violation has occurred and a copy of the determination rendered on the matter; and (2) include with the Administrator's determination any settlement agreement relating to the violation. Section 3 also revises the time in which the Administrator must complete certain actions pursuant to the investigation.

Legislative Counsel's Digest:

Existing law authorizes the board of trustees of a school district or the governing body of a charter school to employ teachers and instructors under teacher exchange programs authorized by federal law. (NRS 391.070) Under existing federal regulations, the participation of the teacher or instructor in the program is prohibited from exceeding 3 years but may be extended for 1 or 2 years under certain circumstances. (22 C.F.R. § 62.24 (j), (k))

Existing law ~~[requires certain public employers to pay their employees' portion of contributions to the Public Employees' Retirement System. (NRS 286.421) Section 1 of this bill creates an exception to this requirement by authorizing a person who, on or after July 1, 2023, is hired as a teacher or instructor under a teacher exchange program to elect to pay the employee's portion on his or her own behalf.~~

~~Section 2 of this bill similarly authorizes a teacher or instructor who was employed under a teacher exchange program by such an employer before July 1, 2023, and continues to be employed on or after that date without a break in service, to elect to pay the employee's portion of the contributions on his or her own behalf if such election is made on or before September 30, 2023.]~~ provides that a person who becomes a member of the Public Employees' Retirement System on or after July 1, 2015, other than a police officer or firefighter, is eligible to retire at 65 years of age if he or she has at least 5 years of service, at 62 years of age if he or she has at least 10 years of service, at 55 years of age if he or she has at least 30 years of service, and at any age if he or she has at least 33 1/3 years of service. (NRS 286.510) Section 1.3 of this bill provides that a person who becomes a member of the System on or after July 1, 2023, other than a police officer or firefighter, is eligible to retire at 65 years of age if he or she has at least 3 years of service, at 62 years of age if he or she has at least 10 years of service, at 55 years of age if he or she has at least 30 years of service and at any age if he or she has at least 33 1/3 years of service.

Section 1.6 of this bill prohibits a school district that employs, or intends to employ, a J-1 visa holder through a teacher exchange program from entering into a contract or partnering with a person or entity that is a sponsor of such a program or recruits candidates for such a program if the total amount of the fees and costs charged per person who participates in, or applies to be a candidate for, the program exceeds \$5,000. Section 2.5 of this bill provides that this prohibition does not apply to a contract or partnership existing on July 1, 2023, but does apply to any renewal or extension of such a contract or partnership after that date.

AN ACT relating to cannabis; eliminating the exemption of the Cannabis Compliance Board from the provisions of the Nevada Administrative Procedure Act ~~[with respect to the adoption, amendment or repeal of regulations,]~~ : revising procedures governing disciplinary proceedings conducted by the Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the Nevada Administrative Procedure Act, which establishes the procedures for state agencies to adopt, amend or repeal administrative regulations and adjudicate contested cases. (Chapter 233B of NRS) Existing law exempts the Cannabis Compliance Board from the provisions of the Act. (NRS 233B.039) Existing law instead sets forth specific procedures for the Board to : (1) adopt, amend or repeal regulations [; and (2) take disciplinary action against a person who holds a license or registration card issued by the Board. (NRS [678A.460] Sections 1 and 2] 678A.460, 678A.500-678A.640) Section 5 of this bill [repeal those procedures and eliminate] eliminates the exemption of the Board from the provisions of the Act, ~~[with respect to the adoption, amendment or repeal of regulations,]~~ thereby requiring the Board to adopt, amend and repeal regulations and adjudicate contested cases in the same manner as other state agencies subject to the provisions of the Act. Section ~~[1 retains the exemption of the Board from the provisions of the Act with respect to adjudication of contested cases.]~~ 6 of this bill repeals the specific procedures for the Board to adopt, amend or repeal regulations set forth under existing law. Sections 1-3 of this bill revise the procedures for the Board to take disciplinary action to conform with the procedures for the adjudication of contested cases set forth in the Act.

Existing law sets forth procedures by which a person aggrieved by a final decision of the Board in a disciplinary proceeding may obtain judicial review of the decision. (NRS 678A.610-678A.640) Section 6 eliminates those procedures. Section 4 of this bill instead authorizes a person aggrieved by a final decision of the Board in a disciplinary proceeding to obtain judicial review of the decision in the manner provided in the Act.

Remarks by Senator Ohrenschall.

I have a disclosure to make on this bill. Because we are considering Senate Bill No. 328 which directly affects the Cannabis Compliance Board, I would like to advise the body that my better half serves as an appointed member of the Nevada Cannabis Compliance Board. I have sought the advice of our Legislative Counsel, and based on that advice, I plan to abstain on this and any future votes on Senate Bill No. 328.

Amendment No. 246.

SUMMARY—Revises provisions relating to financial services.
(BDR 55-59)

AN ACT relating to financial services; prohibiting the Commissioner of Financial Institutions from requiring an applicant for a license to establish a new depository institution to identify the physical address of the proposed depository institution in the application for the license; authorizing certain persons employed by financial institutions to temporarily delay certain financial transactions involving the suspected exploitation of an older person or vulnerable person; exempting certain persons from liability for certain actions relating to the suspected exploitation of an older person or vulnerable person; authorizing the employee of a person licensed to engage in the business of lending in this State to perform certain work from a remote location under certain circumstances; setting forth various requirements concerning such work performed at a remote location; requiring a person licensed to engage in the business of lending in this State to provide notice to the Attorney General and certain other persons of certain breaches of security involving personal information; revising the circumstances under which a person is not required to accept an acknowledged power of attorney; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of various types of financial institutions, including, without limitation, depository institutions, by the Commissioner of Financial Institutions. (Title 55 of NRS) Existing law requires the Commissioner, during the process for the organization and licensing of a banking corporation or company, to examine all the facts connected with the formation of the proposed banking corporation or company, including its location. (NRS 659.045) Similarly, existing law requires a person who desires to organize a savings bank to submit to the Commissioner an application that contains, among other things, the location of the proposed main office of the savings bank. (NRS 673.080) Section 1 of this bill prohibits the Commissioner from requiring an applicant for a license

to establish a new depository institution to identify in the application for the license the physical address where the main office of the proposed depository institution will be located. Section 1 authorizes the Commissioner to require such an applicant to: (1) identify the location of the proposed main office, described in general terms, in the application; and (2) provide the physical address of the proposed main office before the depository institution commences business. Section 2 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes.

Existing law prohibits a person from engaging in the business of lending in this State without having first obtained a license from the Commissioner for each office or other place of business in which the person engages in the business of lending. (NRS 675.060) Section 5 of this bill authorizes an employee of a licensee to engage in the business of lending in this State at a remote location if authorized by the licensee. Section 5 requires a licensee: (1) to enter into a written agreement with an employee before authorizing the employee to work at a remote location; and (2) to ensure that the employee and the remote location meet certain requirements. Section 6 of this bill requires a licensee who authorizes an employee to engage in the business of lending in this State at a remote location to develop and adhere to a written data security policy meeting certain requirements. Section 7 of this bill sets forth certain prohibited acts with respect to an employee who engages in the business of lending in this State at a remote location. Section 8 of this bill requires a licensee who authorizes any employee to engage in the business of lending in this State at a remote location to conduct an annual review and evaluation of the operations of the licensee which are conducted by employees working at remote locations. Section 11 of this bill defines words and terms for the purposes of this bill. Sections 12-16 of this bill make certain changes to provisions governing the licensing of persons engaged in the business of lending to account for the provisions of sections 5-8 which authorize an employee of a licensee to engage in the business of lending in this State at a remote location.

Existing law requires a data collector that owns, licenses or maintains computerized data which includes personal information to, after discovery or notification of a breach of security in which personal information maintained by the data collector was, or is reasonably believed to have been, acquired by an unauthorized person, notify each affected resident of this State and certain other persons. (NRS 603A.220) Section 17 of this bill exempts a person licensed to engage in the business of lending in this State from those requirements. Section 9 of this bill instead sets forth similar provisions which require a licensee, after discovery or notification of a breach of security in which personal information maintained by the licensee was, or is reasonably believed to have been, acquired by an unauthorized person, to notify each affected resident if the breach is reasonably likely to subject the resident to a risk of harm and certain other conditions are met. Section 9 sets forth certain requirements for such a notification. Section 10 of this bill requires a licensee

who is required to notify more than 500 residents of this State pursuant to section 9 as the result of a single breach also to notify the Attorney General.

Existing law requires certain financial institutions to designate a person to whom an officer or employee of the financial institution must report known or suspected exploitation of an older person or vulnerable person. (NRS 657.290) Section 3 of this bill authorizes a designated reporter to delay a requested disbursement or transaction involving an older person or vulnerable person if the designated reporter knows or has reasonable cause to believe that the older person or vulnerable person has been exploited. Section 3 sets forth procedures and requirements for the imposition of such a delay. Additionally, section 3 provides that a financial institution and its officers, employees and designated reporters are immune from criminal, civil and administrative liability for: (1) making a report concerning the known or suspected exploitation of an older person or vulnerable person; (2) delaying or not delaying a requested disbursement or transaction involving such exploitation pursuant to section 3; and (3) taking certain other actions relating to known or suspected exploitation of an older person or vulnerable person.

Under existing law, a person who refuses to accept an acknowledged power of attorney, with certain exceptions, is subject to: (1) a court order mandating acceptance of the power of attorney; and (2) liability for reasonable attorney's fees and costs incurred in any action or proceeding that confirms the validity of the power of attorney or mandates acceptance of the power of attorney. (NRS 162A.370) Section 16.5 of this bill provides that a designated reporter who delays a requested disbursement or transaction pursuant to section 3 or certain other persons who make a report concerning the exploitation of an older person or vulnerable person are not required to accept an acknowledged power of attorney under certain circumstances.

(NRS 686B.125) Section 3 of this bill ~~[(1) eliminates the exemption of contracts providing coverage for dental care that are sold to small employers; and (2) revises the method for calculating the ratio of losses to premiums collected which is presumed to be excessive for contracts providing coverage for dental care in this State.]~~ requires an insurer, organization or person licensed to engage in the business of insurance in this State that provides coverage for dental care in this State to report certain information concerning the losses and premiums collected by the insurer, organization or person. Section 3 authorizes the Commissioner of Insurance to examine the records and transactions of those insurers, organizations and ~~[other]~~ persons to ascertain compliance with the prohibition on selling or offering for sale any contract providing coverage for dental care at an excessive rate ~~[. Section 2 of this bill requires the Commissioner to disapprove a rate filing that includes a proposed rate that is excessive pursuant to section 3.]~~ Sections 4 and 7 of this bill prohibit a health carrier which provides dental coverage, an administrator of a health benefit plan that provides dental coverage, an organization for dental care or an administrator for an organization for dental care from altering a billing code or other coding relating to diagnostics and procedures submitted by a dentist or dental hygienist for billing purposes: (1) in a manner that prevents a dentist or dental hygienist from collecting the contracted fee for actual services performed; or (2) with the intent to reduce or deny reimbursement otherwise due to the dentist or dental hygienist, with certain exceptions. Sections 4 and 7 also prohibit such a health carrier, organization for dental care or administrator from using code bundling in a manner such that a code is rendered unbillable to an insured unless the code is for a procedure that may be performed in conjunction with another procedure. Sections 4 and 7 require

~~such a health carrier, organization for dental care or administrator that alters a code to provide certain information concerning the alteration to the insured in an explanation of benefits. Sections 4 and 7 prohibit such a health carrier, organization for dental care or administrator from stating in an explanation of benefits that a code submitted by a dentist was inappropriate or a charge was excessive without clear evidence. Finally, sections 4 and 7 require such a health carrier, organization for dental care or administrator to disclose its policies concerning downcoding and code bundling to each dentist or dental hygienist with which the health carrier, organization for dental care or administrator has contract for the provision of services. Sections 8-10 of this bill make the provisions of section 4 applicable to coverage for dental benefits provided by employers, including the State and local governments. The following amendment was proposed by the Committee on Judiciary:

Amendment No. 277.

SUMMARY—Revises provisions relating to credits to reduce the sentence of an offender. (BDR 16-313)

AN ACT relating to sentencing; revising the method for determining credits to reduce the sentence of an offender; requiring the Director of the Department of Corrections to provide an offender with a list of certain programs; requiring the Director of the Department to submit a report to the Board of State Prison Commissioners which includes certain information concerning the institutional programming and placement of an offender under certain circumstances; requiring the Board of State Prison Commissioners to adopt regulations to carry out the revised method for determining credits to reduce the sentence of an offender; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows an offender to earn certain credits to reduce his or her sentence of imprisonment. (NRS 209.432-209.453) For example, under existing law, an offender who is sentenced to prison for a crime committed on or after July 17, 1997, may, under certain circumstances, be allowed: (1) a deduction of 20 days from his or her sentence for each month the offender serves; (2) up to 10 days of credit each month for diligence in labor and study; (3) certain credits for educational achievement; (4) up to 10 days of credit each month for participation in a center for the purpose of making restitution, program for reentry of offenders and parolees into the community, conservation camp, program of work release or another program conducted outside of the prison; (5) up to 90 days of credit each year for exceptional meritorious service; and (6) if the Governor determines, by executive order, that it is necessary, a deduction of up to 5 days from his or her sentence for each month the offender serves. Existing law provides that such credits must be deducted from the maximum term or the maximum aggregate term imposed by the sentence, as applicable, and apply to eligibility for parole unless the offender was sentenced pursuant to a statute which specifies a minimum sentence that must be served before a person becomes eligible for parole. Existing law also provides that, unless an offender has been convicted of certain crimes, such credits must also be deducted from the minimum term or the minimum aggregate term imposed by the sentence, as applicable, until the offender becomes eligible for parole. (NRS 209.4465) Existing law also allows certain offenders to earn credit for:

(1) being incarcerated during a state of emergency due to communicable or infectious disease; (2) completing a program of treatment for an alcohol or other substance use disorder; and (3) completing a vocational education and training or other program. (NRS 209.4477, 209.448, 209.449)

Existing law requires the Director of the Department of Corrections to administer a risk and needs assessment to each person in the custody of the Department to measure criminal risk factors and individual needs for the purpose of guiding institutional programming and placement. (NRS 209.341) Before a meeting to consider a prisoner for parole, existing law requires the Department to compile and provide to the State Board of Parole Commissioners data that will assist the Board in determining whether parole should be granted to the prisoner. (NRS 213.131)

This bill provides a revised method for determining credits to reduce the sentence of an offender that applies to an offender sentenced to prison for a crime committed: (1) on or after January 1, 2025; or (2) before January 1, 2025, if the offender elects to be subject to the revised method.

Section 1 of this bill provides that an offender who complies with the programming and placement identified in the risk and needs assessment administered to the offender, as determined by the Director ~~, [of the Department of Corrections,]~~ must be allowed credit against the minimum term or minimum aggregate term, as applicable, of his or her sentence for good behavior in an amount of days that is equivalent to ~~[25]~~ 35 percent of the minimum term or minimum aggregate term, as applicable, of the sentence of the offender. Section 1 does not apply to an offender who has been convicted of: (1) any crime that is punishable as a felony involving the use or threatened use of force or violence against the victim; (2) a sexual offense that is punishable as a felony; (3) certain offenses relating to driving under the influence of alcohol or a controlled substance that are punishable as a felony; or (4) a category A or B felony. Therefore, under section 1, an offender convicted of such an offense is not eligible for credit to reduce the minimum term or minimum aggregate term, as applicable, of his or her sentence.

Section 1 also provides for the allowance of credit against the maximum term or maximum aggregate term, as applicable, of the sentence of an offender. Under section 1, an offender who complies with the programming and placement identified in the risk and needs assessment administered to the offender, as determined by the Director, must be allowed credit against the maximum term or maximum aggregate term, as applicable, of his or her sentence for good behavior in an amount of days that is equivalent to ~~[25]~~ 35 percent of the maximum term or maximum aggregate term, as applicable, of his or her sentence.

Section 1 requires the Director to provide each offender in the custody of the Department with a list that includes: (1) the programs identified in the risk and needs assessment administered to the offender, as determined by the Director; (2) the programs available at the institution or facility to which the

offender has been assigned; and (3) which of the programs identified in the risk and needs assessment are available at the institution or facility to which the offender has been assigned. At the time the Department compiles and provides to the State Board of Parole Commissioners data that will assist the Board in determining whether parole should be granted to an offender, section 1 requires the Director to additionally submit to the Board a report that includes: (1) the list of programs provided to each offender in the custody of the Department; and (2) the programs the offender has successfully completed.

Section 2 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes. Sections 3-10 of this bill make conforming changes to include necessary references to section 1 and to reflect the changes in section 1.

Any credit allowed pursuant to this subsection may reduce the minimum term or the minimum aggregate term imposed by the sentence, as applicable, by not more than 58 percent. (b) The Board is not required to consider the prisoner for parole until the prisoner has served the minimum aggregate term of imprisonment.

2. Except as otherwise provided in subsection 3, for purposes of determining parole eligibility, a prisoner whose sentences have been aggregated may earn credit pursuant to NRS 209.433 to 209.449, inclusive, *and section 1 of this act*, which must be deducted from the minimum aggregate term of imprisonment or the maximum aggregate term of imprisonment, as applicable. 3. For purposes of determining parole eligibility, if the sentences of a prisoner are governed by different provisions of law concerning the earning of credits pursuant to NRS 209.433 to 209.446, inclusive, *and section 1 of this act*, the Department of Corrections shall determine the minimum term of each sentence to be aggregated for the purpose of establishing a minimum aggregate term of imprisonment as follows:

(a) If the parole eligibility of a prisoner is based on credits earned pursuant to NRS 209.433 or 209.443, the Department of Corrections shall establish a fixed minimum term for that sentence based on the assumption that the prisoner will earn all future credits to reduce that sentence as provided in NRS 209.433 or 209.443, as applicable, except for credits earned for donating blood or for educational achievements in accordance with any regulations adopted by the Board pursuant to subsection 2 of NRS 209.433 or subsection 3 of NRS 209.443. (b) If the parole eligibility of a prisoner is based on credits earned pursuant to NRS 209.446, the Department of Corrections shall establish a fixed minimum term for that sentence based on the assumption that the prisoner will earn all future credits to reduce that sentence as provided in NRS 209.446, except for credits earned for educational achievements pursuant to subsection 2 of NRS 209.446 or for meritorious service pursuant to subsection 4 of NRS 209.446. Any such credits earned for educational achievements or meritorious service that are awarded after a minimum aggregate term of imprisonment is established must be applied only to the maximum aggregate term of imprisonment.

(c) If a prisoner is eligible to earn a deduction from the minimum term of his or her sentence pursuant to subsection 8 of NRS 209.446 ~~or~~ *or section 1 of this act*, the minimum term of the sentence to be aggregated must be the minimum term set by the court, and the provisions of subsection 9 of NRS 209.446 *or section 1 of this act, as applicable*, must be applied to the aggregated sentence.

(d) If a prisoner is not eligible to earn a deduction from the minimum term of his or her sentence, the minimum term of the sentence to be aggregated

must be the term set by the court or, if the court does not set the minimum term, the minimum term required by law.

4. A prisoner whose sentences have been aggregated pursuant to subsection 3 may earn credits to reduce the maximum aggregate term of imprisonment, as already reduced by any presentence credits stipulated in the judgment of conviction or other applicable court order, pursuant to NRS 209.4465 or 209.4475 or *section 1 of this act* beginning on the date the prisoner elected to have the sentences aggregated or on the date of sentencing.

5. Except as otherwise provided in subsection 6 and subsection 3 of NRS 176.035, a prisoner who is serving consecutive sentences which have not been aggregated may, by submitting a written request to the Director of the Department of Corrections, make an irrevocable election to have the sentences aggregated. If the prisoner makes such an irrevocable election to have the sentences aggregated and:

(a) The prisoner has not been considered for parole on any of the sentences requested to be aggregated, the Department of Corrections shall aggregate the sentences in the manner set forth in this section and NRS 176.035 and the Board is not required to consider the prisoner for parole until the prisoner has served the minimum aggregate term of imprisonment.

(b) The prisoner has been considered for parole on one or more of the sentences requested to be aggregated, the Department of Corrections shall aggregate only the sentences for which parole has not been considered. The Board is not required to consider the prisoner for parole on the aggregated sentences until the prisoner has served the minimum aggregate term of imprisonment.

6. At the request of a prisoner, the Department of Corrections may disaggregate any aggregated sentences for which parole has not been considered for the purpose of aggregating such sentences with other sentences pursuant to this section or NRS 176.035.

7. Except as otherwise provided in subsection 3 of NRS 176.035, if the Department of Corrections aggregates sentences that are comprised of separate aggregated sentences, the Department of Corrections may aggregate all the consecutive sentences to create a single aggregated sentence.

8. The provisions of this section do not establish a basis for any cause of action by a prisoner against the State or its political subdivisions, agencies, boards, commissions, departments, officers or employees relating to any credits the prisoner might have earned if the sentences of the prisoner had not been aggregated.

Sec. 11. 1. This section becomes effective upon passage and approval.

2. Sections 1 to 10, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

SUMMARY—Revises provisions governing rent increases. (BDR 10-15)

AN ACT relating to property; requiring the Housing Division of the Department of Business and Industry to annually calculate and publish a cost-of-living increase; establishing certain requirements relating to increases in rent; authorizing a landlord to apply for an exemption to certain requirements relating to increases in rent; providing certain remedies for a violation of certain requirements relating to increases in rent; prohibiting a landlord from taking certain retaliatory actions against a tenant; revising provisions relating to notices of increases in rent; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Residential Landlord and Tenant Act, which governs rental agreements for dwelling units. The Act establishes certain obligations for landlords and tenants and provides certain remedies for landlords and tenants for violations of such obligations. (Chapter 118A of NRS) Section 4 of this bill prohibits, with certain exceptions, a landlord from increasing the rent payable by an existing tenant during: (1) the first year of a tenancy; and (2) any 12-month period by an amount that exceeds the cost-of-living increase published by the Housing Division of the Department of Business and Industry pursuant to section 3 of this bill. Section 4 also prohibits, with certain exceptions, a landlord from charging a prospective tenant: (1) if there was an existing tenant in the dwelling unit, a rent that exceeds the maximum amount the landlord was authorized to charge the existing tenant; and (2) if there was not an existing tenant, a rent that exceeds the amount for which the dwelling unit was advertised. Section 4 exempts certain dwelling units from these requirements.

Section 5 of this bill authorizes a landlord to apply to the Housing Division for an exemption from the cost-of-living increase in order for the landlord to obtain a fair and reasonable rate of return on his or her property if: (1) ~~the operating costs of the landlord exceed the amount the landlord would earn~~

~~with the cost of living increase;]~~ an additional occupant is residing in the dwelling unit; (2) the landlord makes capital improvements to a dwelling unit ~~[-] that primarily benefit the tenant; (3) the landlord changes the amount and quality of housing services [offered by] attributable to the [landlord;] dwelling unit and included in the rental agreement; (4) the amount of property taxes owed by the landlord decreases or increases; (5) a landlord or tenant makes uninsured repairs ; [damage to a dwelling unit that was not caused by ordinary wear and tear;]~~ or (6) any other [circumstance established by the Division by regulation.] increase necessary to provide the landlord with a just and reasonable return pursuant to the United States Constitution. Section 5 further : (1) requires the landlord to provide the tenant with a written notice if the landlord applies to the Division for an exemption from the cost-of-living increase; (2) authorizes the tenant to present evidence to support or oppose the application of the landlord; and (3) requires the Division to adopt regulations to [establish the application process.] carry out the provisions of section 5.

Section 6 of this bill provides that if a landlord violates the requirements of section 4, the tenant may: (1) apply to the court for relief; (2) withhold any rent that becomes due without incurring late fees, charges for notice or any other charge or authorized fee; and (3) recover actual damages and receive an amount equal to 3 months' rent in addition to such actual damages. Under existing law, the tenant is also entitled to certain other remedies if the landlord engages in retaliatory conduct against the tenant for a good faith complaint regarding a violation of section 4. (NRS 118A.510)

Existing law prohibits a landlord from taking certain retaliatory actions against a tenant. (NRS 118A.510) Section 6.5 of this bill prohibits a landlord from retaliating against a tenant by: (1) threatening to bring or bringing an action to recover possession of the dwelling unit; (2) causing the tenant to quit the dwelling unit involuntarily; (3) serving the tenant with notice to quit the dwelling unit; (4) serving the tenant with notice of a termination of the tenancy; (5) decreasing any housing services; or (6) increasing rent. Section 6.5 further: (1) provides a rebuttable presumption that a landlord acted in retaliation under certain circumstances; (2) authorizes a tenant to use evidence that a landlord acted in retaliation as a defense; and (3) authorizes a tenant to bring a claim against a landlord for retaliation.

Section 3 requires the Housing Division to annually determine and publish on the Internet website of the Division the maximum cost-of-living increase for that calendar year, which must be equal to the increase in the Consumer Price Index for the region where the dwelling unit is located and which must not exceed 5 percent. Section 3 also requires the Division to: (1) issue a press release containing the maximum cost-of-living increase for that calendar year; and (2) maintain on its Internet website information relating to each such cost-of-living increase for at least 2 years.

~~[Section 2 of this bill defines "cost of living increase" to mean the cost of living increase published by the Division. Section 7 of this bill makes~~

~~a conforming change to indicate the proper placement of section 2 in the Nevada Revised Statutes.~~ Sections 2 to 2.9 of this bill define terms related to increases in rent.

Existing law prohibits a landlord from increasing the rent payable by a tenant unless the landlord serves the tenant with written notice of the increase: (1) for a periodic tenancy of 1 month or more, 60 days in advance of the first rental payment to be increased; or (2) for a periodic tenancy of less than 1 month, 30 days in advance of the first rental payment to be increased. (NRS 118A.300) Section 8 of this bill instead requires such notice for a periodic tenancy of 1 month or more to be served 90 days in advance of the first rental payment to be increased. Section 8 further requires that such notice include: (1) the amount of the increase; (2) the total amount of the new rent; (3) if the increase exceeds the cost-of-living increase, the reason the landlord is exempt from the requirements of section 4; and (4) the date on which the increase becomes effective.

Amendment No. 520.

SUMMARY—Revises provisions governing accountants. (BDR 54-1079)

AN ACT relating to accountants; revising provisions governing the registration by the Nevada State Board of Accountancy of partnerships, corporations, limited-liability companies and sole proprietorships; revising requirements for a person to take an examination for and to obtain a certificate of certified public accountant; removing the requirement that the Board ~~[adopt regulations charging]~~ charge a fee for an examination for a certificate of certified public accountant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person seeking a certificate of certified public accountant to meet certain requirements relating to education and work experience, including the completion of 2 years of public accounting experience in a partnership, corporation, limited-liability company or sole proprietorship engaged in the practice of public accounting. Existing law authorizes the Nevada State Board of Accountancy to prescribe by regulation for the substitution of certain qualified programs of continued education to satisfy partially the requirements for work experience. (NRS 628.200) Section 2 of this bill replaces the requirement to obtain 2 years of work experience with a requirement to complete not less than 2,000 hours of work experience in a period of not less than 1 year. Section 2 also removes the authority of the Board to adopt regulations providing for substitute programs of continuing education to satisfy the requirements for work experience.

Existing law provides that a candidate for a certificate of certified public accountant who meets certain educational requirements is eligible to take the examination for the certificate before completing the requirements for work experience if the candidate is without any history of acts involving dishonesty or moral turpitude. (NRS 628.190, 628.240) Section 3 of this bill removes the requirement that the candidate must not have any history of acts involving dishonesty or moral turpitude. Existing law requires the Board to charge a candidate a fee for the examination. (NRS 628.280) Section 4 of this bill authorizes, rather than requires, the Board to charge an examination fee.

Existing law authorizes the Board to waive the requirement that an applicant for a certificate take an examination if the applicant satisfies certain requirements, including having experience in the practice of public accountancy either as a certified public accountant or as a staff accountant under certain circumstances. (NRS 628.310) Section 5 of this bill authorizes the Board to waive the examination for a person who has experience in the practice of public accountancy, ~~[the financial services]~~ private industry or ~~the~~ federal, state or local government, while holding a certificate as a certified public accountant for more than 4 of the immediately preceding 10 years.

Existing law grants practice privileges in this State to a natural person who holds a valid license as a certified public accountant in another state. Such a natural person is not required to obtain a certificate of certified public accountant or a permit to engage in the practice of public accounting from the Board but is required to consent to certain specified conditions, including

consent to the disciplinary authority of the Board. (NRS 628.315) Section 6 of this bill extends the authority of the Board to grant such practice privileges to a certified public accounting firm organized as a partnership, corporation or limited-liability company or a sole proprietorship which holds a valid registration in good standing from another state. Such a certified public accounting firm is not required to register with the Board but is required to consent to the same conditions as natural persons, such as consent to the disciplinary authority of the Board. Sections 1 and 8-20 of this bill make conforming changes to account for the Board's authority to grant practice privileges to those entities. Sections 8-10 of this bill also require those entities which are organized as a partnership, corporation or limited-liability company to maintain an office in this State.

Section 7 of this bill exempts certain entities whose sole business is preparing tax returns and related schedules from the requirement of registration.

Section 21 of this bill repeals the definition of "home office" which is rendered obsolete by the changes made by sections 6 and 7.
