Amendment No. 519.

SUMMARY—Revises provisions relating to voter registration. (BDR 24-842)

AN ACT relating to elections; revising provisions relating to provisional ballots; revising provisions relating to voter registration during certain periods preceding an election; requiring the Department of Motor Vehicles to have extended hours of operation in certain counties during certain periods preceding the deadline to register to vote by mail for certain elections and following the day of certain elections; prohibiting, in certain counties, the Department from requiring an appointment to obtain a driver's license or identification card during certain periods; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain deadlines for registering to vote by mail, computer or appearing in person at the office of the county or city clerk. (NRS 293.560, 293C.527) Existing law also authorizes an elector to register to vote after such deadlines: (1) through the Thursday preceding the election, by computer using the online registration system provided on the Internet website of the Office of the Secretary of State; and (2) after such online registration, by appearing in person during the period for early voting or on election day. To register to vote during such periods, an elector must provide his or her driver's license or identification card issued by the Department of Motor Vehicles and, if the license or identification card does not include his or her current residential address, certain documents establishing proof of residency. (NRS 293.5837-293.5847) Sections ~~1.4~~ 1.6 and 2 of this bill instead provide that to register to vote in person during the period for early voting or on election day, an elector must, with certain exceptions, provide ~~any current and valid photo~~ a driver's license or identification card issued by this State, another state, the District of Columbia or a territory of the United States as proof of identity and, if such proof of identity was not issued by the Department of Motor Vehicles or does not include his or her current residential address, the elector must also provide proof of residency. Sections 1.6 and 2 also provide that an elector may present an original, electronic or certified copy of a document as proof of residency and that, for certain documents, such document must be dated not more than 60 days before the date the elector is registering to vote.

Sections 1.6 and 2 further provide that if an elector does not have the required identification, the elector must sign an affirmation and must cast a provisional ballot in accordance with certain provisions of existing law. Section 1 of this bill makes a conforming change to authorize an elector who does not provide the required identification pursuant to section 1.6 to cast a provisional ballot. Section 1.3 of this bill makes a conforming change to require an elector who casts such a provisional ballot to provide the required identification to the county or city clerk not later than 5 p.m. on the Friday following election day.

Existing law authorizes the Director of the Department of Motor Vehicles to arrange for extended hours of operation for offices of the Department in a county whose population is 100,000 or more (currently Clark County and Washoe County). (NRS 481.057) Section 3 of this bill provides that, in a county whose population is 100,000 or more, the Director is required to arrange for the offices of the Department to remain open on Saturdays and Sundays and at hours other than 8 a.m. to 5 p.m. for a person to only apply for the issuance or renewal of any type of driver's license or identification card issued by the Department: (1) during the 2 weeks immediately preceding the last day to register to vote by mail for a primary election, presidential preference primary election or general election; and (2) during the 6 calendar days immediately following the day of a primary election,

presidential preference primary election or general election. Section 3 further prohibits the Department from requiring, in a county whose population is 100,000 or more, a person to have an appointment to apply for the issuance or renewal of any type of driver's license or identification card issued by the Department: (1) during the 2 weeks immediately preceding the last day to register to vote by mail for a primary election, presidential preference primary election or general election; and (2) during the 6 calendar days immediately following the day of a primary election, presidential preference primary election or general election.

(Chapter 479, Statutes of Nevada 2021, at page 3046) The Declaration of Emergency for COVID-19 was terminated on May 20, 2022. health services, on June 30, 2023. (Section 17 of chapter 479, Statutes of Nevada 2021, at page 3046) ~~[This] Sections 2 and 4 of this bill [repeals that expiration, thereby making permanent the provisions of existing law requiring]~~ retain the requirement that a third-party payer who is not an industrial insurer ~~[to]~~ cover services provided through telehealth, except for services provided through audio-only interaction, in the same amount as services provided in person or by other means ~~[,]~~ until July 1, 2023. On that date, sections 1-1.9 of this bill retain that requirement with respect to: (1) services delivered through means other than audio-only interaction to patients at certain originating sites located in rural areas or by certain facilities; and (2) counseling or treatment relating to a mental health condition or substance use disorder. Sections 1-1.9 additionally require an insurer to provide reimbursement for counseling or treatment relating to a mental health condition or substance use disorder provided through an audio-only telehealth interaction in the same amount as if the counseling or treatment was provided in person or through other means.

SUMMARY—Revises provisions governing education. (BDR 34-4)

AN ACT relating to education; prohibiting certain practices that impede public comment at meetings of boards of trustees of large school districts and local school precincts; requiring large school districts to undergo certain audits regardless of the availability of certain funds; ~~revising provisions governing the qualifications for the hiring of certain school officials;~~ prescribing certain requirements for obtaining a license to serve as a substitute teacher; requiring evaluations for certain school officials; prohibiting certain governing bodies from using certain methods to ~~support,~~ sponsor or operate a charter school; ~~requiring,~~ authorizing all employers to provide paid leave for certain employees to attend certain school meetings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides certain requirements governing the conduct of meetings held by the board of trustees of a school district. (NRS 386.330) Existing law also provides certain requirements governing open meetings, including requirements governing the access of all persons to such meetings that are held either in a physical location or through a remote technology system and providing notice of such meetings. (NRS 241.020) Section 1 of this bill prohibits the board of trustees of a large school district from impeding, interfering with or discouraging public comment during a meeting.

Existing law requires the principal of a local school precinct to present a plan of operation for the local school precinct at a public meeting held at the local school precinct to which the plan of operation applies. (NRS 388G.710) Existing law also provides certain requirements governing notice of meetings of an organizational team for a local school precinct. (NRS 388G.730) Sections 5 and 6 of this bill prohibit the principal and organizational team from discouraging public comment during such meetings.

Existing law requires, in general, that, to the extent that money is made available by the Legislature, each school district undergo an audit every 6 years to determine its adherence to certain financial management principles. (NRS 387.607, 387.613, 387.622) Section 2 of this bill requires that large school districts undergo such an audit regardless of the availability of money from the Legislature.

Existing law requires the superintendent of schools of a large school district to assign a school associate superintendent to oversee local school precincts. Existing law also requires the superintendent to interview candidates in the event of a vacancy in the position of school associate superintendent. (NRS 388G.620) Existing law prescribes the duties of a school associate superintendent and requires the school associate superintendent to be held accountable for all aspects of the performance of the local school precincts to which he or she is assigned to oversee. (NRS 388G.630) Existing law authorizes the board of trustees of a school

district to employ a superintendent of schools. (NRS 391.110) Section 3 of this bill requires a ~~[candidate for the position of]~~ school associate superintendent to ~~[possess at least 5 years of experience with academic achievement and pupil performance as an employee of a public school in this State.]~~, after being hired for such a position, research certain laws governing education in Nevada and programs and policies of the district in which the school associate superintendent is employed that have been enacted in the 5 years before the date of his or her hiring. Section 8 of this bill requires a ~~[candidate for the position of]~~ superintendent of schools to ~~[possess at least]~~ conduct similar research for the 10 years ~~[of such experience.]~~ before his or her hiring. Section 4 of this bill requires a school associate superintendent to undergo an annual evaluation based on an objective evaluation policy developed by the board of trustees of a school district in which the school associate superintendent is assigned to oversee, which includes, without limitation ~~[]~~ : (1) an evaluation of the effectiveness of the school associate superintendent at improving the academic achievement and performance of pupils ~~[]~~ ; and (2) a demonstration of mastery of the material required to be researched by section 3. Section ~~[7]~~ 7.1 of this bill establishes similar provisions for a superintendent of schools.

Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel. (NRS 391.019) Existing law sets forth the kinds of licenses for teachers and other educational personnel in this State. (NRS 391.031) Section 7.2 of this bill requires a person to, before obtaining a license to serve as a substitute teacher: (1) hold an associate's degree or a higher degree; (2) have completed at least 60 credit hours at an accredited college or university; or (3) hold a highly qualified substitute teacher certificate if an institution within the Nevada System of Higher Education offers such a certificate. Additionally, section 7.2 prohibits the Superintendent of Public Instruction from issuing an endorsement or license to serve as a substitute teacher to a person who does not meet such requirements.

Existing law requires an employer in private employment who has 50 or more employees in this State to provide a certain amount of paid leave to an employee. Existing law authorizes an employer to impose certain limitations on the accrual and use of paid leave and exempts certain employers from the requirements of existing law. (NRS 608.0197) In addition to this existing paid leave, section 12 of this bill ~~[requires]~~ authorizes such an employer to provide to an employee who is the parent or legal guardian of a child as much leave as required for the purpose of attending any meeting of the school or school district ~~[]~~ ~~[(1)]~~ in which the child of an employee is enrolled, ~~[]~~ and ~~[(2)]~~ at which the attendance of a parent or legal guardian is encouraged or required ~~[]~~ , including, without limitation: (1) parent-teacher conferences; (2) awards ceremonies; and (3) meetings related to the grades or academic performance of a child. Section 11 of this bill similarly ~~[requires]~~

authorizes an employee in the public service to be granted as much administrative leave as is required for the purpose of attending such meetings. Section 13 of this bill makes a conforming change to indicate the proper placement of section 12 in the Nevada Revised Statutes.

Sections 9 and 10 of this bill prohibit the governing bodies of counties and cities in this State from: (1) sponsoring or operating a charter school; (2) establishing a corporation for public benefit or a nonprofit organization to sponsor or operate a charter school; (3) expending money to provide direct or indirect support to a charter school; or (4) awarding a grant to a corporation for public benefit or a nonprofit organization for the purpose of ~~supporting or~~ operating a charter school. However, section 10 provides an exemption for any public educational activities and programs that are funded, either directly or indirectly, by a city council or other governing body of an incorporated city of the State.

Remarks by Senator Lange.

Amendment No. 411 to Senate Bill No. 344 establishes a minimum educational requirement of an associate's degree, 60 credit hours, or higher education certificate to serve as a substitute teacher; allows, rather than requires, certain employers to provide leave to an employee who is a parent or legal guardian of a child to attend certain school or school district meetings, such as parent-teacher conferences, award ceremonies and meetings related to the grades or academic performance of the child; requires a superintendent of a school district and an associate school superintendent to learn and be evaluated on Nevada education law and policies and programs for the district that he or she intends to lead; it allows, rather than prohibits, the boards of county commissioners and the city council or other governing body of an incorporated city to award a grant to any corporation for public benefit or nonprofit organization for the purpose of supporting a charter school but cannot expend funds for operating a charter school, with certain exceptions.

Senate Bill No. 394.

Bill read second time.

The following amendment was proposed by the Committee on Revenue and Economic Development:

Amendment No. 451.

SUMMARY—Revises provisions governing ~~property taxes levied for the support of public schools;~~ abatements and partial abatements of certain taxes. (BDR ~~[34-603]~~ 32-603)

AN ACT relating to taxation; ~~requiring the board of county commissioners of a county to levy an additional ad valorem tax on property for the support of the public schools; requiring the inclusion of certain information on the property tax bill issued to a taxpayer;~~ limiting the total amount of certain abatements and partial abatements of taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires each board of county commissioners to levy a tax of 75 cents on each \$100 of assessed valuation of taxable property within the county for the support of the public schools and requires the proceeds of that tax to be remitted in the State Education Fund. (NRS 387.1214, 387.195)]~~

~~Section 2 of this bill requires each board of county commissioners to levy an additional tax of 10 cents on each \$100 of assessed valuation of taxable property within the county for the support of the public schools. Section 2 exempts this tax from certain partial tax abatements during the first year in which the tax is levied. Section 4 of this bill makes a conforming change to include this tax in the sources of revenue for the State Education Fund.~~

~~Existing law, in general, limits the total amount of property taxes which may be imposed to \$3.64 on each \$100 of assessed valuation. (NRS 361.453) Sections 2 and 7 of this bill exempt the property tax authorized by section 2 from this limitation and, thus, allow that tax to cause the total property tax rate in a jurisdiction to exceed that amount.~~

~~Section 3 of this bill requires certain information relating to the taxes levied for the support of the public schools to be included in the tax bill of a taxpayer.~~

~~Sections 5 and 6 of this bill make conforming changes to provide for the disposition of the new property tax authorized by section 2 in the same manner as the existing property tax levy for the support of the public schools in certain circumstances.] Existing law authorizes the Office of Economic Development to approve an abatement or partial abatement of certain property taxes, business taxes and sales and use taxes in certain circumstances. (NRS 274.310, 274.320, 274.330, 360.750, 360.753, 360.754) Sections 1-6 of this bill provide that the total amount of such an abatement or partial abatement must not exceed \$500,000.~~

Amendment No. 196.

SUMMARY—Revises provisions related to manufactured housing. (BDR 43-270)

AN ACT relating to manufactured housing; changing the name of the document issued by the Housing Division of the Department of Business and Industry indicating the ownership of a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing from a "certificate of ownership" to a "certificate of title"; authorizing the

Administrator of the Division to issue certain documents in electronic form; revising requirements for certain transactions involving the ownership of a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing; ~~clarifying certain requirements related to the collection of certain data by the Administrator;~~ revising eligibility requirements for persons seeking assistance from the Account for Affordable Housing; revising provisions governing local ordinances concerning the placement of certain manufactured homes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth various requirements and restrictions relating to a certificate of ownership that is issued by the Housing Division of the Department of Business and Industry for a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing. (NRS 489.501-489.585) Sections 1-4, 6-16 and 18-23 of this bill change the name of such a certificate from a "certificate of ownership" to a "certificate of title." Section 24 of this bill provides that any valid certificate of ownership issued by the Division before July 1, 2023, is deemed to be a certificate of title issued by the Division.

Section 2 of this bill authorizes the Administrator of the Division to issue certain documents, including, among others, a certificate of title, in electronic form.

Existing law sets forth certain requirements concerning the sale of a new, used or rebuilt manufactured home, mobile home, manufactured building or commercial coach or new, used or rebuilt factory-built housing. (NRS 489.501, 489.511, 489.521) If such a sale is conducted by a dealer, existing law requires the dealer to: (1) complete a dealer's report of sale on a form prescribed by the Division which contains certain required information; and (2) require the buyer to sign an acknowledgement of taxes on a form prescribed by the Division which includes certain information. (NRS 489.501, 489.511) Sections 5 and 6 of this bill eliminate certain requirements concerning the dealer's report of sale and the information that is required to be included on the dealer's report of sale and the acknowledgement of taxes.

If the sale of a used or rebuilt manufactured home, mobile home, manufactured building or commercial coach or used or rebuilt factory-built housing is conducted by a person who is not a dealer, existing law requires the seller or buyer, or both, to submit certain documents to the Division and the county assessor of the county in which the manufactured home, mobile home, manufactured building, commercial coach or factory-built housing is located. (NRS 489.521) Section 7 of this bill eliminates that requirement and instead requires the seller or buyer, or both, to submit to the Division and the county assessor any information that the Administrator requires by regulation.

Existing law prohibits the Division from issuing a certificate of ownership of a used manufactured home or used mobile home unless the county

assessor of the county in which the manufactured home or mobile home was situated at the time of sale has endorsed on the certificate that certain taxes have been paid. (NRS 489.531) Section 8 of this bill revises that prohibition to authorize the Division to issue a certificate of title of a used manufactured home or used mobile home if the county assessor verifies to the Division, on a form prescribed by the Division, that certain taxes have been paid.

With certain exceptions, existing law prohibits any money concerning the sale or exchange of an interest in a manufactured home, mobile home, manufactured building or commercial coach or factory-built housing which is held by a dealer from being distributed until, among other things, an application for a certificate of ownership or certificate of title has been submitted to the Division and certain documents have been executed. (NRS 489.723) Section 15 of this bill requires that application to be submitted and those documents to be executed in a form prescribed by the Division.

Section 26 of this bill eliminates certain requirements concerning the transfer of the title to or the interest of an owner in a manufactured home, mobile home or commercial coach.

~~[Existing law requires the Administrator to collect economic and demographic data annually from each manufactured home park, including the amount of rent and rate of vacancy for each type of lot in the park. (NRS 118B.025) Section 17 of this bill clarifies that the economic and demographic data that is required to be collected by the Administrator is not limited to the amount of rent and rate of vacancy.]~~

Existing law creates the Account for Low-Income Housing, which is administered by the Division, and establishes the purposes for which the Account is required to be used. (NRS 118B.215, 319.500, 319.510) One such required use is to assist eligible persons by supplementing their monthly rent for the manufactured home lot on which their manufactured home is located. Under existing law, to be eligible for assistance from the Account, a person is required to have, among other things, a monthly household income that is at or below certain specified amounts. (NRS 118B.215) Section 18 of this bill revises those eligibility requirements to instead require that, to be eligible for assistance from the Account, a person must have a monthly household income that is at or below: (1) the federally designated level signifying poverty or thirty percent of the median family income, as prescribed by the HOME Investment Partnerships Act, adjusted for household size, which the United States Department of Housing and Urban Development has established for the area of the State in which the manufactured home is located ~~[+]~~, whichever is greater; or (2) a maximum monthly household income that the Administrator has established by regulation. (42 U.S.C. §§ 12701 et seq.)

Existing law requires a governing body of a city or county to adopt standards for the placement of a manufactured home that will not be affixed to a lot within a mobile home park and prescribes certain criteria for such a

manufactured home that must be incorporated into such standards. (NRS 278.02095) Section 19 of this bill revises these criteria to provide that such a manufactured home must consist of one or more sections and consist of at least 400 square feet of living area, except under certain circumstances.

AN ACT relating to vessels; revising certain crimes relating to the operation of a vessel while under the influence of alcohol or a prohibited substance; ~~prescribing procedures to obtain a certificate of ownership to a power-driven vessel under certain circumstances;~~ revising certain terminology; clarifying that mechanically propelled personal hydrofoils, motorized surfboards and vessels equipped with both a sail and a motor are subject to certain requirements governing power-driven vessels; making certain provisions governing vessels applicable to governmental entities; requiring a sailing vessel ~~for a human-powered vessel~~ to be numbered; ~~increasing certain fees;~~ revising certain class categories for vessels; revising provisions governing the removal of an abandoned vessel; revising the prohibition on operating a power-driven vessel under certain circumstances; authorizing a court to prohibit a person from operating any vessel on the interstate waters of this State under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "motorboat" to mean any vessel propelled by machinery. (NRS 488.035) Existing law: (1) requires, with certain exceptions, a motorboat to be numbered and titled; (2) establishes requirements for obtaining such a number or a certificate of ownership, transferring of the title of or any interest in a motorboat and perfecting security interest in a motorboat; and (3) establishes certain other requirements governing the equipment and operation of a motorboat. (NRS 488.065-488.1827, 488.187, 488.193, 488.195, 488.580, 488.585) Sections 8-10, 16-19, 22, 23, 37, 38 and 48 of this bill replace the term "motorboat" with the term "power-driven vessel." Sections 8 and 22 also standardize terminology used to refer to sailing vessels and human-powered vessels. Section 8 specifically includes a mechanically propelled personal hydrofoil, a motorized surfboard and a vessel equipped with both a sail and a

motor within the definition of "power-driven vessel," thereby clarifying that such vessels are subject to requirements governing power-driven vessels. However, section 23 exempts a mechanically propelled personal hydrofoil or a motorized surfboard from the requirement that a power-driven vessel must be equipped with certain fire extinguishers. Section 8 also: (1) includes a governmental entity within the definition of "person," thereby requiring a governmental entity to comply with certain provisions governing watercraft that currently apply to persons; and (2) defines certain other terms relating to watercraft.

~~{Sections 6, 7 and 19 of this bill authorize a person to apply to obtain a certificate of ownership to a power-driven vessel if the certificate of ownership is unavailable and: (1) the person files a bond with the Department of Wildlife and allows the Department to inspect the vessel and conduct a search of the history of the vessel; or (2) the vessel was previously registered and the Department investigates the situation and is satisfied that the person is entitled to a new certificate of ownership. Section 17 of this bill requires an applicant for the transfer of title to or any interest in a power-driven vessel to provide to the Department a declaration of the amount paid for the vessel or the value of the vessel, as determined by the National Automobile Dealers Association. Section 18 of this bill increases the fee to apply for the new certificate of ownership for a power-driven vessel and authorizes an applicant to expedite his or her application for an increased fee.}~~ Sections 25 and 26 of this bill remove duplicative terminology.

Sections 9, 11-16 and 20 of this bill require ~~{a human-powered vessel and}~~ a sailing vessel to be numbered under similar conditions as currently apply to the numbering of power-driven vessels. ~~{Section 45 of this bill requires the Department to treat the money collected as fees for issuing numbers for sailing vessels and human-powered vessels in the same manner as fees for issuing numbers to power-driven vessels.}~~

Section 8 includes within the definition of the term "owner" a person, other than secured party, who has a property right with regard to a human-powered vessel. Section 8 thus makes such a person responsible for the vessel for purposes including abandonment, operation and, in combination with sections 9, 11-16 and 20, numbering. (NRS 488.291, 488.293, 488.600) Section 21 of this bill expands the class categories prescribed by existing law for power-driven vessels to apply to all vessels.

Existing law: (1) prohibits a person, other than a peace officer engaged in law enforcement activities, from displaying a flashing blue light or a flashing red light on a vessel operating on the waters of this State; and (2) requires a peace officer to seize, or cause to be seized, such a light installed or operated on such a vessel. (NRS 488.187) Section 22 removes that requirement and instead authorizes a peace officer to seize, or cause to be seized, such a light. Section 22 also authorizes a peace officer engaged in public safety activities that do not also constitute law enforcement activities to display a flashing blue light.

Existing federal law requires each vessel to be equipped with a certain number of life jackets and ring life buoys. (46 C.F.R. §§ 180.70, 180.71) Sections 23, 36 and 37 of this bill revise terminology used in existing law to conform more closely to terminology used in those federal regulations.

Existing law authorizes a game warden, sheriff or other peace officer to remove a vessel from a public waterway under certain conditions. (NRS 488.293) Section 24 of this bill additionally authorizes the game warden, sheriff or other peace officer to order the removal of such a vessel, thereby clarifying that such a peace officer is not required to personally remove the vessel. Section 24 also authorizes such a peace officer to remove or order the removal of a vessel that has been left unattended and adrift, moored, docked, beached, run aground, trailered or made fast to land in such a position as to interfere with navigation ~~{for more than 48 hours if the peace officer has made a reasonable attempt to contact or has contacted the owner,}~~ , in such a condition as to create a hazard or in a location owned or administered by a public entity.

Existing law prohibits a person from operating or being in actual physical control of a vessel under power or sail while the person meets certain criteria for being under the influence of alcohol or a prohibited substance. (NRS 488.410, 488.420) Existing law also provides that a person is guilty of homicide by vessel if the person: (1) meets certain criteria for being under the influence of alcohol or a prohibited substance; (2) operates or is in actual physical control of a vessel under power or sail; (3) proximately causes the death of another person; and (4) has previously been convicted of at least three offenses relating to the operation of a vessel under power or sail while under the influence of alcohol or a prohibited substance. (NRS 488.425) For the purposes of these crimes, sections 27-29 of this bill prohibit a person from operating or being in actual physical control of a power-driven vessel or sailing vessel under way when the person is under the influence of alcohol or a prohibited substance, regardless of the manner in which the vessel is actually propelled. Sections 1-4, 30-35 and 40-47 of this bill make conforming changes to provisions that refer to those offenses.

Existing federal law requires a person operating certain recreational vessels to use an engine cut-off switch, which stops the engine of the vessel if activated, under certain circumstances. (46 U.S.C. § 4312) Existing law prohibits a person who owns or controls a power-driven vessel that is equipped with an engine cut-off switch from operating or authorizing another person to operate the power-driven vessel above certain speeds if: (1) the engine cut-off switch is missing, disconnected or not operating properly; or (2) the engine-cut off switch link is not attached to his or her body, clothing or personal flotation device. (NRS 488.585) Section 38: (1) ~~{narrows the applicability of this provision to only apply to}~~ requires a person who operates a recreational power-driven ~~{vessels}~~ vessel covered by federal law ~~{(2) revises the maximum speed under which a person is authorized to operate such a vessel if the engine cut off switch is missing, disconnected or~~

~~not operating properly; and (3) removes any prohibitions applicable where the] to use the engine-cut off switch link [is not] when the vessel is on plane or above displacement speed; and (2) prohibits the operation of such a vessel that is equipped with an engine cut-off switch unless the engine cut-off switch link is attached to the body, clothing or properly worn personal flotation device of the operator.~~

Existing law provides that any violation of a provision of state law governing the use of a watercraft is a misdemeanor unless otherwise stated. (NRS 488.950) Section 39 of this bill revises this penalty to instead provide that, except where otherwise stated, a person commits a misdemeanor if the person: (1) performs an act or attempts to perform an act prohibited by state law relating to the use of a watercraft; (2) willfully fails to perform an act required by state law relating to the use of a watercraft; or (3) ~~[hinders, obstructs, delays or interferes with an officer, employee or agent of the Department who is enforcing or attempting to enforce a provision of state law relating to the use of a watercraft or a related regulation; or (4)]~~ violates an order issued or regulation adopted by the Board of Wildlife Commissioners pursuant to state law relating to the use of a watercraft.

If a person violates any provision of state law governing the use of a watercraft, existing law authorizes a court to prohibit the person from operating a power-driven vessel on the interstate waters of this State until the person successfully completes a course in safe boating. Section 39 also expands the authority of a court by authorizing the court to prohibit a person who commits such a violation from operating any vessel on the interstate waters of this State until the person completes such a course.

Legislative Counsel's Digest:

Existing law requires various courts in this State to follow certain policies and procedures. (Chapters 1-5 of NRS) Section 1 of this bill replaces a requirement that the telephone number for the office of each judge be published in a telephone directory with a requirement that the contact information for the office of each judge be made available to the public. (NRS 1.055)

Existing law authorizes a judge to issue an order directing that court be held at a location other than the location at which the judge regularly holds court under certain specific emergency circumstances. (NRS 1.070) Section 2 of this bill authorizes a judge to issue an order directing, instead, that court be held: (1) at any other place or location other than the place or location at which the judge regularly holds court under more generalized emergency circumstances; and (2) by means of remote communication when necessary to promote the interest of justice. Section 3 of this bill makes a conforming change relating to the appearance of parties by means of remote

communication if a judge issues an order directing that court be held remotely.

Section 4 of this bill removes an obsolete prohibition against excluding a minor who is a law student from a criminal trial.

Existing law authorizes: (1) the Nevada Supreme Court to adopt rules relating to the electronic filing, storage and reproduction of documents filed with the court of justice in this State; and (2) each court of justice to provide for such filing, storage and documentation in accordance with the rules adopted by the Supreme Court. (NRS 1.117) Section 5 of this bill instead requires the Supreme Court to adopt such rules and removes the explicit statutory authorization for other courts of justice in this State to provide for such filing, storage and documentation in accordance with such rules.

Existing law authorizes certain courts to conduct business on nonjudicial days for the purpose of receiving telephone calls relating to the issuance of certain orders for protection. (NRS 1.130) Section 6 of this bill expands the purposes for which such courts are authorized to transact business on nonjudicial days by authorizing the courts to conduct business on nonjudicial days for the purposes of receiving any electronic communication relating to the issuance of a temporary or emergency order for protection. Section 31 of this bill makes conforming changes related to the granting of such an order.

Existing law requires each court of justice to have a seal and prescribes requirements relating to the custody and use of such seals. (NRS 1.140-1.190) Section 37 of this bill repeals various provisions which prescribe requirements relating to seals. Section 7 of this bill instead requires: (1) each court of justice in this State to have a seal; and (2) the Nevada Supreme Court to adopt rules relating to the format, use and storage of such seals.

Existing law prescribes a procedure for disqualifying certain judges for actual or implied bias or prejudice ~~and requires any party to an action or proceeding pending in certain courts who seeks to disqualify a judge for actual or implied bias or prejudice to: (1) file an affidavit specifying the facts upon which the disqualification is sought; and (2) if the party is represented by an attorney, have the attorney of record file a certificate which states that the affidavit is filed in good faith and not interposed for delay.~~ (NRS 1.235) Section 8 of this bill ~~replaces that procedure with a requirement that the Nevada Supreme Court adopt rules prescribing the procedure for the disqualification of certain judges for actual or implied bias or prejudice.~~ ;(1) removes the requirement that an attorney must file such a certificate and instead requires any party, regardless of whether the party is represented by an attorney, to file an affidavit that includes certain statements supporting the assertion that the affidavit is filed in good faith.

Existing law prohibits a judge or justice of the peace from having a partner acting as an attorney or counsel in any court in this State. (NRS 1.270) Section 8.5 of this bill additionally prohibits a judge or justice of the peace from having an associate acting as an attorney under the same circumstances.

Section 8.5 creates an exception to these prohibitions for part-time judges under certain circumstances.

Existing law requires the Nevada Supreme Court to appoint a Court Administrator and prescribes the duties of the Court Administrator. (NRS 1.330, 1.360) Section 9 of this bill removes from the duties of the Court Administrator the duty to: (1) examine the condition of the dockets of the courts; and (2) make certain recommendations relating to the assignment of district judges.

Existing law provides for the adoption of regulations by the Commission on Judicial Selection, the Court Administrator, the Nevada Supreme Court and certain chief judges or justices relating to the Judicial Department of State Government. (NRS 1.400, 1.510, 1.520, 2.410, 3.025, 4.155, 4.157, 5.021) In general, existing law requires regulations adopted by agencies of the Executive Department of the State Government to be adopted through a rulemaking process. (Chapter 233B of NRS) Sections 10, 12-15, 25, 26, 28-30 and 32-34 of this bill replace the term "regulation" with the term "rule" and make conforming changes related to this change.

Section 11 of this bill revises provisions governing the compensation of court interpreters and translators.

Existing law requires the Chief Justice of the Nevada Supreme Court to appoint a committee to provide certain advice relating to the certification or registration of court interpreters. Existing law also prescribes the membership and duties of the committee. (NRS 1.530) Section 14 of this bill removes requirements relating to the appointment of certain members of the committee. Section 14 also: (1) authorizes the chair of the committee to designate a vice chair of the committee; and (2) revises the contents of the annual report the committee is required to submit to the Legislature.

Section 16 of this bill replaces certain requirements prescribed by existing law relating to the process by which a person may petition the Court Administrator to determine whether his or her criminal history will disqualify him or her from obtaining a certificate or registration as a court interpreter with a requirement that the Court Administrator adopt rules for this process.

Existing law codifies in statute certain provisions relating to the process set forth in the Nevada Constitution regarding the filling of vacancies in the office of justice of the Nevada Supreme Court. (Nev. Const. Art. 6, § 20; NRS 2.040) Section 17 of this bill additionally codifies in statute the date on which the term of office for a justice appointed to fill a vacancy on the Court expires. Section 18 of this bill removes a requirement that certain rules adopted by the Court be published and take effect within a prescribed period. (NRS 2.120)

Sections 19 and 27 of this bill revise and modernize statutory language relating to: (1) the circumstances under which certain courts may direct the sheriff of a county to provide a place to conduct court; and (2) the resources a county is required to provide upon receiving such a directive.

Section 20 of this bill removes provisions relating to the use of a facsimile signature by a justice of the Nevada Supreme Court and replaces those provisions with a requirement that the Court provide by rule for the use of a digital or electronic signature by each justice of the Court.

Existing law authorizes or requires the Nevada Supreme Court to employ certain officers and employees. (NRS 2.200-2.310) Section 24 of this bill revises provisions relating to the employment by the Court of certain employees by: (1) removing language authorizing a majority of justices of the Court to employ certain persons; and (2) authorizing the Court to employ personnel necessary for the operation, maintenance and improvement of the Court and the State Court System. Section 21 of this bill removes outdated language relating to the expiration of the term of a person elected to the office of Clerk of the Nevada Supreme Court. Sections 22 and 23 of this bill remove language authorizing a majority of justices to appoint and employ persons for the safety and security of the justices and employees of the Nevada Supreme Court.

Existing law authorizes a court to issue certain orders for protection against high-risk behavior. (NRS 33.500-33.670) Existing law additionally provides, under certain circumstances, that an order for protection against domestic violence which is issued by the court of another state, territory or Indian tribe within the United States is valid and must be accorded full faith and credit and enforced by the courts and law enforcement officers of this State as if it were issued by a court in this State. (NRS 33.085) Section 30.5 of this bill similarly requires an order for protection against high-risk behavior which is issued by the court of another state, territory or Indian tribe within the United States to be accorded full faith and credit and enforced by the courts and law enforcement officers of this State.

Existing law requires five justices of the Nevada Supreme Court and each judge of the Court of Appeals, other than the initial three judges, to be elected. (NRS 281.010) Section 35 of this bill removes the references to: (1) the specific number of justices on the Nevada Supreme Court; and (2) the initial judges appointed to the Court of Appeals.

Section 37 repeals various provisions of law relating to the Judicial Department, including provisions relating to ~~recycling,~~ the seals of certain courts, the qualifications of certain employees and the submission of certain reports.

Existing law imposes a tax on certain transfers of real property. The tax ~~is based on the value of the transferred property in increments of \$500 or a fraction thereof. (NRS 375.020) Existing law requires the State Controller to deposit a portion of that transfer tax into the Account for Affordable Housing, which is administered by the Housing Division of the Department of Business and Industry in order to assist certain persons in obtaining or keeping affordable housing. (NRS 319.500, 319.510, 375.070)~~ includes, without limitation, a tax, at the rate of \$1.30 on each \$500 of value or fraction thereof of the transferred property. After a portion of this tax is withheld by the county recorder of each county as reimbursement for the cost of collecting the tax, the proceeds of the tax are transmitted to the State Controller for deposit in the State General Fund. (NRS 375.023) Section 21.5 of this bill requires a portion of this tax equal to 15 cents on each \$500 of value of the transferrer property to be transmitted to the Critical Needs Fund created by section 14 of this bill. (NRS 433.428, 433.429) Existing law requires each policy board to advise certain agencies, including the Department of Health and Human Services, concerning priorities for allocating money to support and develop behavioral health services in each region. (NRS 433.4295) Section 15 of this bill requires the Division to annually allocate money in the Fund to be used in each behavioral health region and prescribes the manner in which the Division is required to calculate such allocations. From the money allocated for use in a behavioral health region, sections 15 and 23 of this bill require the policy board created for the region , or the Division if the policy board fails to act, to determine an amount to be used for: (1) rental or other assistance or home repair assistance ~~{for}~~ to assist eligible individuals to obtain or retain very low income housing; and (2) supportive housing and supportive services.

Section 16 of this bill requires the Division to distribute the money allocated by each policy board to rental and other assistance and home repair assistance for very low income housing to the housing authorities whose area of operation includes any part of the behavioral health region. Section 16 requires each housing authority to distribute that money to provide rental and other assistance and home repair assistance for very low income housing in the applicable behavioral health region, prioritizing households with the lowest income ~~{,}~~ and households which are in supportive housing.

Amendment No. 131.

SUMMARY—Establishes a credit against certain taxes for a taxpayer who donates money to a career and technical program tax credit organization that makes grants to programs of career and technical education. (BDR 34-866)

AN ACT relating to education; providing for the ~~(appointment)~~ selection of a career and technical program tax credit organization to distribute donations to eligible programs of career and technical education at the direction of the State Board of Education; establishing a credit against the modified business tax and the general tax on insurance premiums for a taxpayer who donates money to a career and technical program tax credit organization; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires employers to pay an excise tax, commonly referred to as the modified business tax, on the wages paid to their employees during each calendar quarter. (NRS 363A.130, 363B.110) Existing law also requires each insurer to pay to the Department of Taxation a tax upon net direct premiums and net direct considerations written at the rate of 3.5 percent (the general tax on insurance premiums). (NRS 680B.027) Sections 3, 5 and 9 of this bill authorize a taxpayer to receive a credit against the modified business tax or general tax on insurance premiums equal to an amount which is approved by the Department of Taxation and which must not exceed the amount of any donation of money made by a taxpayer to a career and technical program tax credit organization selected by the Executive Director of the Department. To claim the tax credit, sections 3, 5 and 9 require the career and technical program credit organization to apply to the Department for approval of the credit for a taxpayer who intends to make a donation to the career and technical program tax credit organization. If the Department approves the application, the career and technical program tax credit organization must provide notice to the taxpayer, who must make the donation within 30 days after receiving the notice. If the taxpayer does not make the donation within the requisite period, the taxpayer forfeits eligibility for the credit. The Department: (1) must approve or deny applications for the

tax credit in the order in which the applications are received by the Department; (2) is authorized to approve applications for each fiscal year until the total amount of the tax credits approved for the fiscal year is \$10,000,000.

Sections 4 and 6 of this bill provide specifically for the application of the credit against the modified business tax. Section 10 of this bill provides specifically for the application of the credit against the general tax on insurance premiums.

Section 1 of this bill requires the Executive Director of the Department to select a career and technical program tax credit organization to oversee and administer the donations received pursuant to the provisions of this bill. Section 1 requires the career and technical program tax credit organization to accept applications each year from programs of career and technical education who wish to receive a grant of money donated pursuant to the provisions of this bill and to make recommendations to the State Board of Education regarding the eligible programs that should receive a grant of money and the amount of any such grant. Section 1 requires the career and technical program tax credit organization to distribute donations once each fiscal year as directed by the State Board, which has the sole discretion to determine which eligible programs receive a grant and the amount of any grant. Finally, section 1: (1) authorizes the Executive Director of the Department of Taxation to terminate the selection of a career and technical education tax credit organization and select another such organization if the selected organization violates a provision of section 1 or engages in improper practices of financial administration; (2) provides that the termination of the selection of a career and technical education tax credit organization or the selection of another such organization is not a contested case requiring certain notice and administrative procedures but, instead, is a decision to terminate a contract; and (3) prohibits section 1 from being construed to require the Department of Taxation to audit a selected career and technical education tax credit organization.

Section 2 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes. Sections 7 and 11-14 of this bill make conforming changes to indicate the proper placement of sections 9 and 10 in the Nevada Revised Statutes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto a new section to read as follows:

1. *The Executive Director of the Department of Taxation shall solicit applications for and select a career and technical program tax credit organization to oversee and administer donations made pursuant to sections 3, 5 and 9 of this act. The career and technical program tax credit organization selected by the Executive Director must:*

(a) Be exempt from taxation pursuant to section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. § 501(c)(3);

(b) Be incorporated in this State;

(c) Have sufficient experience raising funds to carry out the duties of the career and technical program tax credit organization;

(d) Have experience overseeing and administering education grants; and

(c) Not own or operate any school in this State which receives any grant money pursuant to this section.

2. The career and technical program tax credit organization selected pursuant to subsection 1 shall open and maintain a separate account in a financial institution located in the United States for the deposit of any donations received pursuant to sections 3, 5 and 9 of this act.

3. The career and technical program tax credit organization may expend not more than 3 percent of the total amount of any donations received pursuant to sections 3, 5 and 9 of this act in a fiscal year to pay its administrative expenses.

4. The career and technical program tax credit organization shall establish a 60-day period each fiscal year in which the career and technical program tax credit organization will accept applications from programs of career and technical education in this State that wish to receive a grant of money from the account created pursuant to subsection 2. Each year, the career and technical program tax credit organization shall notify the Department of Education of the start date and end date of the application period for that year not later than 30 days before the start date. The career and technical program tax credit organization shall not charge an application fee.

5. The career and technical program tax credit organization shall review the applications submitted pursuant to subsection 4 and from those applications create a list of eligible programs for that fiscal year. A program of career and technical education in this State is an eligible program if the program:

(a) Is a program of career and technical education organized by the board of trustees of a school district or the governing body of a charter school in accordance with the regulations adopted by the State Board and approved by the Superintendent of Public Instruction;

(b) Complies with all applicable state laws and regulations governing programs of career and technical education;

(c) Consists of not less than two courses which are taught in a sequence and have been approved by the State Board; and

(d) Receives money pursuant to the Every Student Succeeds Act of 2015, 20 U.S.C. §§ 6301 et seq., and is obligated to comply with the provisions of that federal law.

6. The career and technical program tax credit organization shall review applications from eligible programs and make recommendations to the State Board regarding which eligible programs should receive a grant of money

pursuant to this section and the amount of any such grant. The career and technical program tax credit organization shall take into consideration any preference expressed by a taxpayer pursuant to sections 3, 5 and 9 of this act identifying a particular eligible program to receive the donation made by the taxpayer.

7. After reviewing the recommendations of the career and technical program tax credit organization, the State Board shall allocate the available money in the account created pursuant to subsection 2 among the eligible programs for the fiscal year. The determination of which eligible programs are to receive a grant of money from the account and the amount of any such grant is solely within the discretion of the State Board, subject to such standards as the State Board may adopt by regulation. The State Board shall notify the career and technical program tax credit organization and each eligible program which is selected to receive a grant pursuant to this section of the amount of money the eligible program will receive.

8. Each fiscal year the career and technical program tax credit organization shall distribute the money in the account created pursuant to subsection 2, as directed by the State Board pursuant to subsection 7.

9. A program of career and technical education which receives a grant of money pursuant to this section may use such money to:

(a) Support operational expenses related to the program of career and technical education, including, without limitation, supplies, technology, curriculum and professional development;

(b) Finance or lease school facilities that directly support the program of career and technical education; or

(c) Pay other expenses related to the program of career and technical education which have been approved by the Department of Education.

10. The career and technical program tax credit organization shall preserve for inspection and audit by the Department of Taxation and its agents, for a period of 4 years, the books of account and all financial records of the career and technical program tax credit organization relevant to the donations received pursuant to sections 3, 5 and 9 of this act and any distributions made pursuant to this section. The career and technical program tax credit organization shall make the records available for inspection by the Department of Taxation upon demand at reasonable times during regular business hours.

11. If the entity selected pursuant to subsection 1 violates any provision of this section or commits improper practices of financial administration, the Executive Director of the Department of Taxation may terminate the selection of the entity and select another entity as the career and technical program tax credit organization. ~~Any provision of an agreement between an entity and the Department of Taxation which conflicts with this section is void.~~ A decision of the Executive Director of the Department of Taxation to terminate the selection of an entity or to select another entity as the career and technical program tax credit organization pursuant to this subsection is

not a contested case as defined in NRS 233B.032, but is a decision to terminate a contract.

12. Nothing in this section shall be construed to require the Department of Taxation to audit an entity selected pursuant to subsection 1 as a career and technical education tax credit organization.

13. Money in the account created pursuant to subsection 2 and any money distributed from that account may not be used to satisfy funding level or matching requirements related to federal career and technical education grants.

Sec. 2. NRS 388.400 is hereby amended to read as follows:

388.400 1. The money for career and technical education must be provided for and raised in the manner specified in NRS 387.050 and 388.340 to 388.400, inclusive ~~[-]~~, and section 1 of this act.

2. To receive the credit authorized by subsection 1, a taxpayer who intends to make a donation of money to the career and technical program tax credit organization must, before making such a donation, notify the career and technical program tax credit organization of the taxpayer's intent to make the donation and to seek the credit authorized by subsection 1. The taxpayer may indicate a preference identifying a particular eligible program to receive the donation. The career and technical program tax credit organization shall, before accepting any such donation, apply to the Department for approval of the credit authorized by subsection 1. The Department shall, within 20 days after receiving the application, approve or deny the application and provide to the career and technical program tax credit organization notice of the decision and, if the application is approved, the amount of the credit authorized. Upon receipt of notice that the application has been approved, the career and technical program tax credit organization shall provide notice of the approval to the taxpayer who must, not later than 30 days after receiving the notice, make the donation of money to the career and technical program tax credit organization. If the taxpayer does not make the donation of money to the career and technical program tax credit organization within 30 days after receiving the notice, the career and technical program tax credit organization shall provide notice of the failure to the Department and the taxpayer forfeits any claim to the credit authorized by subsection 1.

3. *The Department shall approve or deny applications for the credit authorized by subsection 1 in the order in which the applications are received.*

4. *The Department may, for each fiscal year, approve applications for the credit authorized by subsection 1 until the total amount of the credits authorized by subsection 1 and approved by the Department pursuant to this section and sections 5 and 9 of this act is \$10,000,000. The amount of any credit which is forfeited pursuant to subsection 2 must not be considered in calculating the amount of credits authorized for any fiscal year.*

5. *If a taxpayer applies to and is approved by the Department for the credit authorized by subsection 1, the amount of the credit provided by this section is equal to the amount approved by the Department pursuant to subsection 2, which must not exceed the amount of the donation made by the taxpayer to the career and technical program tax credit organization. The total amount of the credit applied against the taxes described in subsection 1 and otherwise due from a taxpayer must not exceed the amount of the donation.*

6. *If the amount of the tax described in subsection 1 and otherwise due from a taxpayer is less than the credit to which the taxpayer is entitled pursuant to this section, the taxpayer may, after applying the credit to the extent of the tax otherwise due, carry the balance of the credit forward for not more than 5 years after the end of the calendar year in which the donation is made or until the balance of the credit is applied, whichever is earlier.*

7. *As used in this section:*

Remarks by Senator Lange.

Amendment No. 408 to Senate Bill No. 148 establishes provisions pertaining to staffing ratios that local school precincts must follow when hiring school support staff with specific requirements for custodial employees and campus security monitors. It requires the principal of a local school precinct to select employees for that precinct in accordance with the applicable collective bargaining agreements. It requires a superintendent making any decision regarding the assignment or reassignment of certain staff to first consult with the principal of the local school precinct and school associate superintendent. It removes certain provisions regarding the transfer of certain funds. It makes the new custodian and campus security required ratios contingent upon appropriate personnel being available to the school. It authorizes the use of the carry-over money to be used if the personnel necessary to meet the relevant ratios are not available from the county school district.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 105.

SUMMARY—Revises provisions related to cannabis. (BDR 56-452)

AN ACT relating to cannabis; revising provisions relating to disciplinary action taken by the Cannabis Compliance Board against the holder of a license or registration card issued by the Board; requiring the Board to adopt regulations governing the transfer of an ownership interest in a cannabis establishment; revising provisions governing the fees the Board is authorized to charge; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedures by which the Cannabis Compliance Board may take disciplinary action against a licensee or registrant who violates a provision of existing law governing the cannabis industry in this State or any regulation adopted by the Board. (NRS 678A.500-678A.600) Sections 2 and 4 of this bill authorize the Board to resolve any matter concerning a licensee or registrant who has allegedly committed such a violation by entering into a consent or settlement agreement with the licensee or registrant so long as the Board discusses and approves the terms of the agreement, and any modification of those terms, at a meeting of the Board. Section 3 of this bill sets forth certain mitigating circumstances concerning a violation. Section 2 requires the Board to consider whether any of those mitigating circumstances exist in determining whether to approve or modify the terms of a consent or settlement agreement.

If the Board elects to proceed with disciplinary action against a licensee or registrant, existing law requires the Board or the Executive Director of the Board to serve upon the licensee or registrant a complaint setting forth the acts or omissions for which the licensee or registrant is charged and certain other information. (NRS 678A.520) Section 5 of this bill requires the complaint to charge multiple alleged violations as a single alleged violation under certain circumstances. Section 5 also requires the complaint to include the penalties being sought against the licensee or registrant.

If the Board determines that a licensee or registrant has violated a provision of existing law governing the cannabis industry in this State or any regulation adopted by the Board, existing law authorizes the Board to: (1) limit, condition, suspend or revoke the license or registration card of the licensee or registrant; (2) impose a civil penalty in an amount established by the Board by regulation; or (3) take both of those actions. (NRS 678A.600) Section 7 of this bill: (1) requires the Board, in determining the appropriate action to be taken against such a licensee or registrant, to consider whether

any of the mitigating circumstances set forth in section 3 exist; (2) limits the amount of a civil penalty the Board is authorized to impose for a single violation to \$20,000; and (3) authorizes the Board to take certain additional actions. Section 6 of this bill requires that certain information concerning the mitigating factors considered by the Board pursuant to section 7 be included in the written decision of the Board following a disciplinary hearing in certain circumstances.

~~{Sections 8 and 9 of this bill make conforming changes to indicate the proper placement of section 3 in the Nevada Revised Statutes.}~~

Existing law requires an applicant for a license to pay to the Board the actual costs incurred by the Board in processing the application, including, without limitation, conducting background checks. (NRS 678B.390) Section 11 of this bill eliminates the requirement that an applicant for a license pay such costs. Section 11 instead requires an applicant to pay the actual costs paid by the Board to a law enforcement agency or other person who is not an employee of the Board to conduct any background checks in connection with the application.

Existing regulations of the Board require the Board to charge each cannabis establishment, at an hourly rate established by the Board, an assessment for the costs of various ongoing activities of the Board relating to the oversight of the cannabis establishment, including, without limitation routine inspections and audits, the investigation of certain complaints and investigations based on any type of requested transfer of interest. (Nev. Cannabis Compliance Bd. Regs. § 6.025) Section 11 prohibits the Board from charging a licensee, registrant or applicant for a license or registration card any fee, cost, fine or other charge that is not expressly authorized by the provisions of existing law governing the cannabis industry in this State, including, with certain exceptions, any charge for the costs of ongoing activities of the Board relating to the oversight of a cannabis establishment.

Existing regulations of the Board set forth various requirements for the transfer of an ownership interest in a cannabis establishment. (Nev. Cannabis Compliance Bd. Regs. § 5.110) Section 10 of this bill specifically requires the Board to adopt regulations by which the holder of an ownership interest in a cannabis establishment may transfer all or any portion of the ownership interest to another qualified person. Section 11 authorizes the Board to charge a cannabis establishment for the actual costs paid by the Board to a law enforcement agency or other person who is not an employee of the Board to conduct any background checks in connection with a transfer of ownership interest in the cannabis establishment. Section 12 of this bill makes a conforming change to refer to provisions that have been renumbered in section 11.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 678A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. The Board may, at any time, resolve a matter involving a licensee or registrant who has allegedly violated a provision of this title or any regulation adopted pursuant thereto by entering into a consent or settlement agreement with the licensee or registrant so long as the terms of the agreement, and any modification of those terms, are discussed and approved at a meeting of the Board.

(d) The licensee or registrant has cooperated in the investigation of the violation in such a manner as to demonstrate that the licensee or registrant accepts responsibility for the violation.

(e) Any other mitigating circumstance established by the Board by regulation exists.

2. For the purposes of subparagraph (1) of paragraph (b) of subsection 1, if a licensee has submitted a plan to correct a violation and the Board does not take action to approve or reject the plan within 30 days after the date on which the plan was submitted, the plan shall be deemed to be approved by the appropriate agent of the Board.

Sec. 4. NRS 678A.510 is hereby amended to read as follows:

678A.510 1. If the Executive Director transmits the details of a suspected violation to the Attorney General pursuant to NRS 678A.500, the Attorney General shall conduct an investigation of the suspected violation to determine whether it warrants proceedings for disciplinary action of the licensee or registrant. If the Attorney General determines that further proceedings are warranted, he or she shall report the results of the investigation together with a recommendation to the Executive Director in a manner which does not violate the right of the person charged in the complaint to due process in any later hearing on the complaint. The Executive Director shall transmit the recommendation and other information received from the Attorney General to the Board.

2. The Board shall promptly make a determination with respect to each complaint resulting in an investigation by the Attorney General. The Board shall:

In determining the disciplinary action to impose the Board shall consider mitigating factors pursuant to section 3 of this act.

Sec. 5. NRS 678A.520 is hereby amended to read as follows:

678A.520 1. If the Board proceeds with disciplinary action pursuant to NRS 678A.510, the Board or the Executive Director shall serve a complaint upon the respondent either personally, or by registered or certified mail at the address of the respondent that is on file with the Board. Such complaint must ~~be~~ :

- (a) Be a written statement of charges ~~and must set~~ ;

- (2) *Were all discovered in the course of a single audit, inspection or investigation;*
- (f) *Specify the penalty being sought against the respondent; and*
- (g) *Provide notice of the right of the respondent to request a hearing. ~~[The Chair of the Board may grant an extension to respond to the complaint for good cause.]~~*

2. *The Chair of the Board may grant an extension to respond to the complaint for good cause.* Unless granted *such* an extension, the respondent must answer within 20 days after the service of the complaint. In the answer the respondent:

3. Failure to answer or to appear at the hearing constitutes an admission by the respondent of all facts alleged in the complaint. The Board may take action based on such an admission and on other evidence without further notice to the respondent. If the Board takes action based on such an admission, the Board shall include in the record which evidence was the basis for the action.

4. The Board shall determine the time and place of the hearing as soon as is reasonably practical after receiving the respondent's answer. The Board shall deliver or send by registered or certified mail a notice of hearing to all parties at least 10 days before the hearing. The hearing must be held within 45 days after receiving the respondent's answer unless an expedited hearing is determined to be appropriate by the Board, in which event the hearing must be held as soon as practicable. The Chair of the Board may grant one or more extensions to the 45-day requirement pursuant to a request of a party or an agreement by both parties.

Sec. 6. NRS 678A.590 is hereby amended to read as follows:

678A.590 1. The affirmative votes of a majority of the whole Board are required to impose any penalty. Copies of the decision and order must be served on the parties personally or sent to them by registered or certified mail. The decision is effective upon such service, unless the Board orders otherwise.

2. The Board may, upon motion made within 10 days after service of a decision and order, order a rehearing before the Board upon such terms and conditions as it may deem just and proper if a petition for judicial review of the decision and order has not been filed. The motion must not be granted except upon a showing that there is additional evidence which is material and necessary and reasonably calculated to change the decision of the Board, and that sufficient reason existed for failure to present the evidence at the hearing of the Board. The motion must be supported by an affidavit of the moving party or his or her counsel showing with particularity the materiality and necessity of the additional evidence and the reason why it was not introduced at the hearing. Upon rehearing, rebuttal evidence to the additional evidence must be permitted. After rehearing, the Board may modify its decision and order as the additional evidence may warrant.

Sec. 7. NRS 678A.600 is hereby amended to read as follows:

Amendment No. 106.

SUMMARY—Revises provisions relating to the registration of off-highway vehicles. (BDR 43-546)

AN ACT relating to off-highway vehicles; revising provisions governing the registration of certain off-highway vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law : (1) requires the annual registration of certain off-highway vehicles, including large all-terrain vehicles, with the Department of Motor Vehicles ~~;~~ ; and (2) exempts from such requirements an off-highway vehicle which is registered or certified in another state and is located in this State for not more than 15 days. (NRS 490.082, 490.0825) Section ~~1.1~~ 1.5 of this bill ~~[replaces the requirement]~~ authorizes the owners of such vehicles to register such vehicles ~~[annually with a requirement to register such vehicles every 3 years.]~~ for a 1-year or 3-year period. Section 1.5 also provides that the existing exemption from registration for off-highway vehicles which are registered or certified in another state applies only if the off-highway vehicle is registered or certified in a state which provides a similar exemption from registration for off-highway vehicles registered in this State.

Existing law requires the Commission on Off-Highway Vehicles within the State Department of Conservation and Natural Resources to determine the fee for the annual registration of an off-highway vehicle. (NRS 490.084) Section 2 of this bill [makes a conforming change to replace a reference to annual registration with a reference] additionally requires the Commission to determine the fee for the triennial registration ~~;~~ of an off-highway vehicle. Section 1 of this bill makes a conforming change to reflect the new fee structure.

SUMMARY—Revises provisions governing child care. (BDR 32-290)

AN ACT relating to child care; authorizing an employer to receive a credit against the payroll taxes imposed on the employer if the employer provides certain financial assistance to employees for child care; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to make available to businesses in this State information related to worksite wellness and family-friendly policies; ~~exempting certain persons who provide care for the children of friends and neighbors from regulation as child care facilities;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes a tax, commonly known as the modified business tax, on financial institutions and other businesses based on the amount of wages paid to employees each calendar quarter. (NRS 363A.130, 363B.110) Sections 1-4 of this bill entitle an employer to receive a credit against the modified business tax if the employer pays money to ~~the Division of Welfare and Supportive Services of the Department of Health and Human Services~~, a licensed child care facility or a registered small child care establishment for the purpose of providing child care assistance to an employee. To qualify for the credit, the employee for whom the assistance is provided must: (1) have a household income that does not exceed ~~85~~ 150 percent of the median household income in this State; (2) ~~be determined eligible by the Division for the Program for Child Care and Development;~~ (2) use the assistance for the purpose of providing child care to a dependent child who is less than 13 years of age ~~is (4)~~ or a dependent child with special needs who is less than 19 years of age; (3) select a provider of child care who

participates in or is eligible for the ~~[Quality Rating and Improvement System]~~ Program for Child Care and Development administered by the ~~[Office of Early Learning and Development of the Department of Education];~~ Division of Welfare and Support Services of the Department of Health and Human Services; and ~~[(5)]~~ (4) pay directly to the provider of child care any portion of the cost of the child care that is not covered by the employer. Sections 1 and 3 of this bill require the Division to, either quarterly or as requested, submit to the Department of Taxation a list of providers of child care who participate in or are eligible for the Program for Child Care and Development. Under sections 1 and 3 : ~~[of this bill]~~ (1) the amount of the credit is equal to 50 percent of the amount paid by the employer to the Division for the cost of child care, but the amount of the credit must not exceed \$5,000 per employee per year; and (2) any unused credits may be carried forward for 5 years. To claim the tax credit, sections 1 and 3 require the employer to apply to the ~~[Division and, upon receipt of the application and determining that the employer is qualified for the credit, the Division is required to apply to the Department of Taxation for approval of the credit. If the Department of Taxation approves the application, the Division is required to notify: (1) the taxpayer of the approval of the credit; and (2) the Department of Taxation of payments made to the Division by the taxpayer within 30 days after receipt of the payment.]~~ Department of Taxation. Finally, sections 1 and 3 limit the total amount of credit which may be awarded to taxpayers to: (1) for Fiscal Years 2023-2024 and 2024-2025, \$5,000,000 and \$5,500,000, respectively; and (2) for subsequent fiscal years, an amount equal to 110 percent of the amount authorized for the immediately preceding fiscal year.

Section 5 of this bill requires the Division of Public and Behavioral Health of the Department of Health and Human Services to make available to businesses in this State information concerning worksite wellness and family-friendly policies, including, without limitation, information concerning the tax credits established by sections 1 and 3.

~~[Existing law provides for the licensure of child care facilities, which are defined as: (1) an establishment operated and maintained for the purpose of furnishing care to five or more children for compensation; (2) certain facilities operated by a place of business to provide care for the children of its employees; (3) a child care institution; or (4) an outdoor youth program. (NRS 432A.024, 432A.0275, 432A.131 432A.220) Section 6 of this bill revises that definition to provide that a home in which a person provides care for six or fewer children of a friend or neighbor, or a combination thereof, is not deemed a child care facility and, thus, is not subject to 2151 inclusive requirements under existing law.]~~

Amendment No. 291.

SUMMARY—Revises provisions governing education. (BDR 34-532)

AN ACT relating to education; clarifying that the hiring of staff by a principal of a local school precinct must conform to applicable collective bargaining agreements; requiring certain uses of money carried forward at the end of a school year by a local school precinct; requiring certain approval from an organizational team of a local school precinct to approve a plan of operation for the local school precinct; making the principal of a local school precinct a voting member of the organizational team; revising the procedure for the selection of a candidate to fill a vacancy in the position of principal of a local school precinct; and providing other matters properly relating thereto. Legislative Counsel's Digest:

Existing law provides that each public school within a school district in this State which has more than 100,000 pupils enrolled in its public schools (currently the Clark County School District) is deemed to be a local school precinct. (NRS 388G.530, 388G.600) Under existing law, a local school precinct is required to operate using site-based decision-making in which certain responsibilities are transferred from the large school district to the local school precinct. (NRS 388G.600) One function that the superintendent of the large school district is required to transfer from the large school district to the local school precinct is the selection for the local school precinct of teachers, administrators other than the principal and other staff who work under the direction of the principal. (NRS 388G.610) Section 1 of this bill clarifies that the principal of the local school district is required to select such staff in accordance with the applicable collective bargaining agreement.

Existing law requires the principal of a local school precinct to establish an organizational team for the local school precinct on or before October 1 of each school year. (NRS 388G.700) Under existing law, the organizational team for a local school precinct is required to consist of the principal as a nonvoting member, teachers or other educational personnel at the local school precinct, persons employed at the local school precinct, other than teachers or other educational personnel, and parents or legal guardians of pupils who are enrolled at the local school precinct. (NRS 388G.720) Section 4 of this bill makes the principal of a local school precinct a voting member, rather than a nonvoting member, of the organizational team of the local school precinct.

Existing law requires the principal of a local school precinct to develop a plan of operation for the local school precinct with the assistance and advice of the organizational team. The plan of operation is required to include, without limitation, a plan to improve the achievement of pupils enrolled in the local school precinct and a budget for the use of money allocated to the local school precinct. (NRS 388G.700) Under existing law, the principal is responsible for finalizing the plan of operation and, when the principal finalizes the plan of operation, the principal is required to submit the plan for approval by the school associate superintendent for that local school precinct. (NRS 388G.710) Existing law authorizes the school organizational team to submit to the school associate superintendent objections to any part of the

plan of operation and establishes a procedure for the school associate superintendent to consider and respond to those objections. (NRS 388G.750) Section 6 of this bill removes the procedure for the school organizational team to submit to the school associate superintendent objections to the plan of operation and, instead, sections 2, 3 and 6 of this bill establish procedures requiring a plan of operation to be approved by a vote of at least 75 percent of the members of the organizational team who are present at the time of the vote before the plan is submitted to the school associate superintendent for approval. Sections 2 and 3 require the principal of a local school precinct to make every effort to notify the members of an organizational team of the date, time and location of a vote on a plan of operation. Under section 6, if a plan of operation is not approved by a vote of at least 75 percent of the members of the organizational team ~~{+}~~ who are present at the time of the vote: (1) the principal of the local school precinct is required to submit a notice to the school associate superintendent that includes a copy of the proposed plan of operation and a statement of the reasons that the plan of operation was not approved by the required vote of the organizational team; and (2) the superintendent is required to develop and approve a plan of operation for the local school precinct based on that information.

Existing law provides that when a vacancy occurs in the position of principal for a local school precinct, the organizational team for the local school precinct is required to establish a list of qualifications that the organizational team determines are desirable for the next principal and provide that list to the superintendent. The superintendent is required to interview qualified candidates and establish a list of at least three but not more than five candidates to submit to the organizational team and the organizational team is required to recommend one candidate to the superintendent for the position of principal. (NRS 388G.740) Section 5 of this bill establishes qualifications for the position of principal that the organizational team is required to include in the list of qualifications submitted to the superintendent. Section 5 also revises the procedure for filling a vacancy in the position of principal for the local school precinct by requiring that, rather than recommending one candidate to the superintendent, the organizational team is required to submit to the superintendent a ranking of candidates for the position of principal. Finally, section 5: (1) requires the school associate superintendent responsible for a local school precinct to make every effort to notify the members of an organizational team of the date, time and location of a vote on a selected candidate; (2) authorizes the organizational team to reject the selection by the superintendent of a candidate for the position of principal if at least 75 percent of the members of the organizational team who are present at the time of the vote to reject the selection; and ~~{(2)}~~ (3) provides that if the organizational team rejects the selection of the superintendent, the superintendent is required to select a candidate for the position of principal

from the remaining candidates on the list submitted by the organizational team.

Existing law: (1) deems each public school within a large school district (currently Clark County School District) to be a local school precinct which is empowered to carry forward its year-end balance to the next school year for use by the local school precinct; and (2) requires a large school district to account for any amount carried forward by a local school precinct as a restricted fund balance. (NRS 388G.600, 388G.650) Section 1.5 of this bill requires a local school precinct that carries forward a balance of more than 5 percent of its actual expenditures to use the money for certain purposes. If a local school precinct fails to spend the money within 18 months after the end of the school year, section 1.5 requires a large school district to transfer the balance in excess of 5 percent of the expenditures of the local school precinct to the Education Stabilization Account.

Amendment No. 303.

SUMMARY—Revises provisions relating to ~~[renewable energy and energy conservation]~~ distributed generation systems. (BDR ~~{58-459}~~ 52-459)

AN ACT relating to energy; revising ~~[provisions governing the conservation of energy in certain buildings; requiring an electric utility to file a plan to increase access to renewable energy systems by residential electric customers; repealing limitations on the use of electric resistance for heating spaces;]~~ certain contractual requirements for an agreement for the purchase or lease of a distributed generation system and a power purchase agreement; imposing various requirements on solar installation companies; revising the definition of "distributed generation system"; prohibiting a person from engaging in certain activities relating to residential photovoltaic systems unless the person is licensed by the State Contractors' Board or is an employee of such a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law ~~[requires the Director of the Office of Energy within the Office of the Governor to adopt regulations for the conservation of energy in buildings, including regulations adopting the most recent version of the International Energy Conservation Code, issued by the International Code Council, and certain amendments to the Code. (NRS 701.220) The governing body of a local government that is authorized by law to adopt and enforce a building code is required to incorporate the standards adopted by the Director in its building code. (NRS 701.220) Section 1 of this bill requires the Director and the governing body of a local government that is authorized by law to adopt and enforce a building code to adopt one or more alternative options to comply with the regulations for the conservation of energy in buildings, in addition to the compliance options provided in the International Energy Conservation Code. Section 1 provides requirements for the~~

~~alternative options for compliance which the Director and the governing body of a local government are required to adopt.~~

~~Existing law requires each electric utility to submit to the Public Utilities Commission of Nevada every 3 years an integrated resource plan to increase the utility's supply of electricity or decrease the demands made on its system by its customers. Existing law provides that the integrated resource plan must include certain components, including, without limitation, a distributed resources plan. (NRS 704.741) Sections 2 and 5 of this bill require the distributed resources plan submitted by an electric utility to include a plan to increase access to renewable energy systems by residential electric customers in this State. Section 2 establishes requirements for the plan and requires the Commission to adopt regulations, including, without limitation, regulations establishing criteria for determining the adequacy of the plan. Section 6 of this bill requires an electric utility to file an amendment to its most recent distributed resources plan on or before September 1, 2024 to add a plan to increase access to renewable energy systems by residential electric customers. Sections 3 and 4 of this bill make conforming changes to indicate the proper placement of section 2 in the Nevada Revised Statutes.~~

~~Existing law places limitations upon the use of electric resistance as a heating source in certain buildings in a county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 701.230) Section 7 of this bill repeals these limitations.} imposes certain requirements on solar installation companies that sell and install distributed generation systems in this State. Existing law prescribes certain contractual requirements for an agreement for the purchase or lease of a distributed generation system and a power purchase agreement. (NRS 598.9801-598.9822) Section 3 of this bill authorizes a purchaser or lessee who enters into or signs an agreement for the purchase or lease of a distributed generation system or a power purchase agreement to rescind the agreement by providing certain notice to the solar installation company within 3 business days after the agreement was entered into or signed.~~

Existing law requires an agreement for the purchase or lease of a distributed generation system or a power purchase agreement to include a cover page containing certain information. (NRS 598.9809, 598.9813, 598.9816) Sections 6-8 of this bill require such a cover page to include certain additional information. Section 2 of this bill requires a solar installation company to: (1) verbally communicate the information that is required to be included in the cover page to a purchaser or lessee, as applicable, via a telephone call that is recorded; and (2) maintain each recording of such a telephone call for not less than 10 years after the date on which the telephone call is made. Section 9 of this bill requires a solar installation company, before the execution of an agreement for the purchase or lease of a distributed generation system or a power purchase agreement, to provide a copy of the cover page to the purchaser or lessee, as applicable, in the language that the majority of the solicitation, offer or transaction for the

agreement occurred, if the majority of the language that was used was a language other than English. Section 4 of this bill makes a conforming change to indicate the proper placement of sections 2 and 3 in the Nevada Revised Statutes.

Existing law defines "distributed generation system" as a system or facility for the generation of electricity: (1) that uses solar energy to generate electricity; (2) that is located on the property of a customer of an electric utility; (3) that is connected on the customer's side of the electricity meter; (4) that provides electricity primarily to offset customer load on that property; and (5) the excess generation from which is periodically exported to the grid in accordance with the provisions governing net metering systems. (NRS 598.9804) Section 5 of this bill revises the definition of "distributed generation system" to mean a system or facility for the generation of electricity that uses solar energy to generate electricity.

Section 9 of this bill provides that if a solar installation company executes an agreement for the purchase or lease of a distributed generation system or a power purchase agreement and fails to comply with requirements set forth under existing law governing such agreements and sections 2-9 of this bill, the agreement is voidable by the purchaser or lessee, as applicable.

Existing law prohibits a person from performing any work on residential photovoltaic systems used to produce electricity without the proper license or other authorization under state law. (NRS 624.860) Section 10 of this bill revises that prohibition to: (1) prohibit a person from performing such work unless the person holds a license issued by the State Contractors' Board or is an employee of such a person; and (2) additionally prohibit a person from advertising, soliciting or offering to enter into an agreement for the purchase or lease of a distributed generation system or a power purchase agreement unless the person holds such a license or is an employee of such a person. Section 10 provides that a person who does not hold such a license and is not an employee of a person who holds such a license is authorized to generate leads or referrals for a residential photovoltaic system used to produce electricity if the person does not provide a quote or offer for the sale or installation of such a system.

Amendment No. 418.

SUMMARY—Revises provisions regarding real property. (BDR 3-883)

AN ACT relating to property; ~~revising provisions relating to summary evictions;~~ authorizing tenants subject to certain eviction proceedings to assert certain affirmative defenses relating to rental assistance and establishing procedures relating thereto; authorizing a justice court to establish a diversion program for certain tenants subject to an action for summary eviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~—[In general, existing law authorizes a landlord who seeks to recover possession of a premises from a tenant to do so by filing an unlawful detainer action or an action for summary eviction. (NRS 40.253, 40.254, 40.2542, 40.290-40.420) Existing law prescribes separate summary eviction procedures for the summary eviction of: (1) certain tenants who are not tenants of a commercial premises and who default in the payment of rent; (2) certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent; and (3) certain tenants of a commercial premises who default in the payment of rent. (NRS 40.253, 40.254, 40.2542)]~~

~~—In general, the summary eviction procedures prescribed by existing law require a landlord to provide certain written notice to a tenant: (1) informing the tenant that he or she must take certain action or surrender the premises on or before a date specified in the notice; and (2) advising the tenant of his or her right to contest the matter by filing an affidavit with the court that has jurisdiction over the matter. In so doing, the summary eviction procedures prescribed by existing law require a tenant who contests a summary eviction to file an affidavit in court concerning an action for summary eviction before a landlord is required to make any filing concerning the matter. If such an affidavit is filed, a hearing is held. If no such affidavit is filed, upon~~

~~noncompliance of a tenant with the written notice, existing law authorizes: (1) the landlord to apply by affidavit of complaint for the summary eviction of the tenant; and (2) the court, without holding a hearing, to order the removal of the tenant within a prescribed period. (NRS 40.253, 40.254, 40.2542)~~

~~—Section 23 of this bill repeals the summary eviction procedures prescribed by existing law. Sections 2-8 of this bill reenact, reorganize and revise these procedures. Section 2 of this bill establishes a new procedure for the summary eviction of certain tenants who are not tenants of a commercial premises and who default in the payment of rent. Section 7 of this bill establishes a new procedure for the summary eviction of certain tenants who are guilty of unlawful detainer for reasons other than a default in the payment of rent. Section 8 of this bill establishes a new procedure for the summary eviction of certain tenants of a commercial premises who default in the payment of rent.~~

~~—The new procedures for summary eviction set forth in sections 2, 7 and 8 are similar to the procedures repealed by section 22 except with regard to: (1) the required contents of a written notice; (2) certain requirements relating to filings made with the court; and (3) the period of time before the removal of a tenant. Instead of requiring a tenant who contests a summary eviction to file an affidavit in court before the landlord files a complaint, sections 2, 7 and 8 require the landlord, upon the expiration of certain notice provided to the tenant, to: (1) apply by affidavit of complaint for the summary eviction of the tenant; and (2) serve the tenant with a file-stamped copy of the affidavit of complaint and certain notice. Sections 2, 7 and 8 require the tenant to file an answer to the affidavit of complaint within 10 days after the date of service. If a tenant files an answer within the prescribed period, a hearing is held. If no such answer is filed, sections 2, 7 and 8 authorize the court, without holding a hearing, to order the removal of the tenant within a prescribed period. Sections 10-21 of this bill make conforming changes relating to the repeal, revision and reorganization of the procedures for summary eviction.~~

Existing law provides for a summary eviction procedure when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises defaults in the payment of rent. (NRS 40.253) Section 9 of this bill defines the term "designated eviction proceeding" to include certain proceedings relating to the eviction of certain tenants who have defaulted in the payment of rent. Section 9 authorizes a tenant to claim as an affirmative defense to a designated eviction proceeding that: (1) the tenant has a pending application ~~[process]~~ for rental assistance; or (2) the landlord of the tenant refused to participate in the application process for rental assistance or accept rental assistance provided on behalf of the tenant. Section 9 requires the court to stay the proceedings upon the assertion of such an affirmative defense for a period not to exceed 60 days unless the landlord receives an exemption. Section 9 also authorizes the landlord to file a motion to rebut the affirmative defense. If such a motion is filed by a landlord, section 9 authorizes the court

to: (1) ~~refer the designated eviction proceedings to mediation; (2)~~ hold a hearing; or ~~[(2)]~~ (2) maintain the stay of the proceedings. ~~¶~~

~~— If the claim relates to a pending application for rental assistance, section 9 requires the court to stay the proceedings until such time as a determination is made on the application for rental assistance. Moreover, if the court stays such proceedings, section 9~~ for a period not to exceed 60 days. Section 9 also requires the court to : (1) dismiss the proceedings for eviction upon the granting of the application for rental assistance and receipt of the rental assistance by the landlord. ~~¶~~

~~— If a)~~ under certain circumstances; or (2) deny the eviction if the tenant proves the claim that the landlord refused to participate in the application for rental assistance or accept rental assistance on behalf of the tenant . ~~¶~~ The court is authorized to award damages if an eviction is denied for such refusal. In determining the amount of damages, if any, to award to the tenant, section 9 requires the court to consider the degree of harm caused to the tenant by the refusal of the landlord to participate in the application process for rental assistance or accept the rental assistance on behalf of the tenant.

Section 9.5 of this bill authorizes a justice court to establish a diversion program to which it may assign an eligible tenant subject to an action for summary eviction. Section 9.5 sets forth factors the court may consider in determining whether a tenant is eligible for assignment to such a diversion program. If the court assigns a tenant to such a diversion program, section 9.5 requires the court to: (1) stay the pending action for summary eviction for not more than 60 days; and (2) if the tenant pays the landlord the rent that is in default or surrenders the premises before the expiration of the stay, dismiss the action.

~~1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:~~

~~—(a) Before the close of business on the seventh judicial day following the day of service; or~~

~~—(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.~~

~~As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.~~

~~2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:~~

~~—(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and~~

~~—(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.~~

~~3. A notice served pursuant to subsection 1 or 2 must:~~

~~—(a) Identify the court that has jurisdiction over the matter; and~~

~~—(b) Advise the tenant:~~

~~—(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;~~

~~—(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and~~

~~— (3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.~~

~~— 4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.~~

~~— 5. Upon noncompliance with the notice:~~

~~— (a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:~~

~~— (1) The date the tenancy commenced.~~

~~— (2) The amount of periodic rent reserved.~~

~~— (3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.~~

~~— (5) The length of time the tenant has remained in possession without paying rent.~~

~~— (6) The amount of rent claimed due and delinquent.~~

~~— (8) A copy of the written notice served on the tenant.~~

~~— (b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.~~

~~— 6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no~~

legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

~~7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. ~~—(a) The tenant has vacated or been removed from the premises; and~~

~~—(b) A copy of those charges has been requested by or provided to the tenant,~~

~~whichever is later.~~

~~8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:~~

~~—(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and~~

~~—(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.~~

The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:~~

~~— (a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and~~

~~— (b) Award damages in an amount not greater than \$2,500.~~

~~— 11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.~~

~~— (b) Advise the tenant of the court that has jurisdiction over the matter; and~~

~~— (c) Advise the tenant of the tenant's right to:~~

~~— (1) Contest the notice by filing before the court's close of business on the fifth judicial day after the day of service of the notice an affidavit with the court that has jurisdiction over the matter stating the reasons why the tenant is not guilty of an unlawful detainer; or~~

~~—(2) Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.~~

~~—2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:~~

If the tenant is found guilty of unlawful detainer as a result of the tenant's violation of any of the provisions of NRS 453.011 to 453.552, inclusive, except NRS 453.336, the landlord is entitled to be awarded any reasonable attorney's fees incurred by the landlord or the landlord's agent as a result of a hearing, if any, held pursuant to subsection 6 of NRS 40.253 wherein the tenant contested the eviction.~~

Amendment No. 404.

SUMMARY—Revises provisions relating to the regulation of certain healing arts. (BDR 54-886)

AN ACT relating to health care; exempting certain conduct of certain practitioners of healing arts practicing within their authorized scope of authority from provisions governing certain practitioners of other healing arts; enacting provisions governing the certification and regulation of certified registered nurse anesthetists; authorizing a certified registered nurse anesthetist to order, prescribe, possess and administer controlled substances,

poisons, dangerous drugs and devices under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a physician, physician assistant, dentist, advanced practice registered nurse, podiatric physician or optometrist to prescribe and dispense controlled substances and dangerous drugs under certain circumstances. (NRS 453.226, 454.215, 639.235) Existing law provides that provisions of existing law governing the practice of physicians, physician assistants, perfusionists and practitioners of respiratory care do not apply to any person permitted to practice any other healing art under title 54 of NRS who does so within the scope of that authority. (NRS 630.047) Sections ~~1-5~~ 1, 2.2 and 3-5 of this bill provide similar exemptions from provisions governing dentists, nurses, osteopathic physicians and physician assistants, podiatrists and optometrists for practitioners of healing arts who are acting within the scope of their authority. Section 6 of this bill provides that the provisions of sections ~~1-5~~ 1, 2.2 and 3-5 apply to any conduct by a practitioner of a healing art before, on or after the effective date of this bill which has not been the subject of a final order from the Board of Dental Examiners of Nevada, the State Board of Nursing, the State Board of Osteopathic Medicine, the State Board of Podiatry or the Nevada State Board of Optometry. Section 6 also requires those boards to terminate any investigation or disciplinary proceedings for conduct that is outside the scope of those boards.

Existing law: (1) provides for the certification of certified registered nurse anesthetists by the State Board of Nursing; and (2) authorizes a certified registered nurse anesthetist to administer anesthetic agents to a person under the care of a licensed physician, dentist or podiatric physician. (NRS 632.014) Section 2.4 of this bill requires the State Board of Nursing to issue a certificate of registration to practice as a certified registered nurse anesthetist to a registered nurse who meets the requirements prescribed by existing law for such certification and any additional requirements prescribed by the Board. Section 2.4 also requires the Board to adopt regulations governing certified registered nurse anesthetists.

Existing law authorizes a registered nurse to possess and administer controlled substances and dangerous drugs under certain circumstances. (NRS 453.375, 454.213) Sections 2.6, 5.1, 5.5 and 5.9 of this bill additionally authorize a certified registered nurse anesthetist to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices to treat a person under the care of a licensed physician in a critical access hospital before, during and after surgery or childbirth. Sections 5.2-5.4 and 5.6-5.85 of this bill make additional changes necessary to authorize a certified registered nurse anesthetist to order, prescribe, possess and administer controlled substances, poisons, dangerous drugs and devices in such circumstances. A certified registered nurse anesthetist who unlawfully possesses, prescribes or administers a controlled substance, dangerous drug

or poison would be subject to discipline and criminal and civil penalties to the same extent as other practitioners who unlawfully possess, prescribe or administer such drugs. (NRS 453.236, 453.305, 453.326, 453.3363, 453.553, 454.170, 454.356)

Section 2.8 of this bill makes a conforming change to remove a provision now duplicated in section 2.4.

Legislative Counsel's Digest:

In general, existing law authorizes a juvenile court to order a child who is subject to the jurisdiction of the juvenile court or the parent or guardian of such a child, or both, to perform community service. (NRS 62E.180) Existing law ~~[(1)]~~ defines "community service" for the purposes of any such order to include certain public service, work on public projects, supervised work for the benefit of the community or any other work required by the juvenile court ~~[(1) and (2) requires]~~ (NRS 62A.060, 62A.180) Section 1 of this bill revises the definition of community service to mean a community-based activity that: (1) facilitates civic engagement, facilitates or enhances connections between a child and his or her community, provides training in life skills or increases the employability of a child; and (2) is designed to achieve certain goals. Under existing law, if a juvenile court orders a child, parent or guardian to perform community service, the community service must be performed for and under the supervising authority of certain public entities or a private nonprofit corporation. (NRS ~~62A.060, 62E.180,~~ 62E.190) ~~Section 1 of this bill expands the definition of "community service" to include other activities which may be required by the juvenile court, such as participating in tutoring or extracurricular activities.]~~ Section 4 of this bill ~~[(makes)]~~ adds a [conforming change by authorizing a child's school of attendance or the school at which a child participates in tutoring or extracurricular activities] program for which the primary purpose is to build job skills and increase employability to [supervise] the [performance of] list of entities under whose supervisory authority a child, parent or guardian is authorized to perform community service.

~~[Under existing law, a child placed under the informal supervision of a probation officer may be required to perform community service or engage in certain other activities. (NRS 62C.210) Section 2 of this bill additionally provides that a child placed under informal supervision may be required to attend or participate in counseling or psychological treatment.]~~

~~[Existing law requires a child who commits certain alcohol or marijuana offenses to perform community service. (NRS 62E.173) Section 3 of this bill instead authorizes a juvenile court to order such a child to perform community service or attend or participate in counseling or psychological treatment for a certain number of hours.]~~

Existing law authorizes or requires the juvenile court to suspend or delay the issuance of the driver's license of a child who is adjudicated delinquent or in need of supervision under certain circumstances. Under existing law, if a child is already the subject of such an order, the juvenile court must order the additional suspension or delay to apply consecutively with the previous order. (NRS 62E.440, 62E.630, 62E.650, 62E.690) Sections 6, 8, 9 and 11 of this bill remove this requirement.

Among other penalties, existing law requires a juvenile court to order a child who is adjudicated to be in need of supervision because the child is a habitual truant to pay a fine or perform community service, or both.

(NRS 62E.430) Section 5 of this bill: (1) removes the requirement that the court order the child to ~~perform community service under certain circumstances;~~ pay a fine the first time the child is adjudicated to be in need of supervision; and (2) authorizes the juvenile court to order the child to perform an additional 10 hours of community service ~~for attend or participate in counseling or psychological treatment~~ for a combined total not to exceed 20 hours in lieu of all or part of the fine ordered by the court.

~~Existing law authorizes a juvenile court to order a child who is adjudicated delinquent for an unlawful act involving the killing or possession of certain animals to order the child to: (1) pay a fine; or (2) perform community service, if the child is unable to pay the fine because of financial hardship. (NRS 62E.685) Section 10 of this bill authorizes a juvenile court to alternatively order the child to attend or participate in counseling or psychological treatment, if the child is unable to pay the fine because of financial hardship.~~

~~Existing law requires a juvenile court to order a delinquent child or the parent or guardian of such a child to provide restitution to: (1) certain victims who incur medical expenses as a result of certain unlawful acts; and (2) persons who own or possess property damaged or destroyed as a result of such acts. If, because of financial hardship, a child, parent or guardian is unable to provide such restitution, existing law requires the juvenile court to order the child, parent or guardian, or both, to perform community service. (NRS 62E.560) Section 7 of this bill authorizes a juvenile court to alternatively order a delinquent child to attend or participate in counseling or psychological treatment if the child, parent or guardian is unable to provide restitution because of financial hardship. Section 7 also prohibits the juvenile court from ordering a child, parent or guardian to: (1) perform community service if an opportunity to perform community service is not reasonably available; or (2) participate in counseling or psychological treatment if the child, parent or guardian is required to pay the costs associated with attending or participating in the counseling or treatment.~~

~~Among other penalties, existing law requires a juvenile court to order a child who is adjudicated delinquent because the child unlawfully handled or possessed a firearm or had a firearm under his or her control to perform a certain number of hours of community service. (NRS 62E.650) Section 9 of this bill: (1) removes the requirement for the juvenile court to order the child to perform community service; and (2) authorizes the juvenile court to order the child to perform community service or to attend or participate in counseling or psychological treatment. Section 9 also prescribes certain limitations on the combined total number of hours a juvenile court may order a child to perform community service or attend or participate in counseling or psychological treatment.~~

~~Section 11 authorizes a juvenile court to order a child who is adjudicated delinquent for the unlawful act of placing graffiti on or otherwise defacing certain property to perform community service or participate in counseling or~~

psychological treatment. Section 11 also prescribes certain limitations on the combined total number of hours a juvenile court may order a child to perform community service or attend or participate in counseling or psychological treatment.

~~If a child is found to have committed a minor traffic offense, existing law authorizes a juvenile court to order the child to pay a fine, among other penalties. If, due to financial hardship, the child is unable to pay the fine, existing law authorizes the court to order the child to perform community service. (NRS 62E.700) Section 12 of this bill additionally authorizes the juvenile court to order such a child to attend or participate in counseling or psychological treatment.~~

Amendment No. 471.

SUMMARY—Revises provisions ~~[governing taxation related to the funding of metropolitan police departments and programs]~~ relating to ~~[address]~~ homelessness. (BDR 38-1027)

AN ACT relating to public welfare; revising provisions governing the duties of a reinvestment advisory committee; revising provisions governing contracts entered into by the Department of Health and Human Services for the operation of a Medicaid managed care program; requiring ~~[the board of county commissioners, city council or other governing body of certain taxing districts to levy a property tax for the purpose of employing police officers and addressing homelessness; establishing requirements for the approval of any expenditure of money allocated to a metropolitan police department from the proceeds of the tax;]~~ Continuums of Care to establish a fiscal working group; requiring the transmission of a portion of the proceeds of the license fee for certain gaming licensees to the Continuums of Care in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Health and Human Services, to the extent that money is available, to: (1) establish a Medicaid managed care program to provide health care services to recipients of Medicaid in all geographic areas of this State; and (2) conduct a statewide procurement process to select health maintenance organizations to provide the health care services. (NRS 422.273) Sections 2 and 3 of this bill require each contract entered into by the Department with a health maintenance organization to provide such services to include a requirement for the health maintenance organization to reinvest a percentage of the annual profits of the health maintenance organization in programs and initiatives to address homelessness and to provide sustainable medication and prescription services, alcohol or drug intervention or rehabilitation services and emergency and supportive housing issues] in the local communities in which the health maintenance organization operates.

Existing law establishes a reinvestment advisory committee in each county of this State whose population is 700,000 or more (currently only Clark County) and prescribes the duties of a reinvestment advisory committee, which includes reviewing, making recommendations and reporting to the Legislature and Director of the Department concerning the reinvestment of funds by a health maintenance organization that provides health care services through managed care to recipients of Medicaid in the communities served by those organizations. (NRS 422.185, 422.205) Section 1 of this bill revises the duties of the reinvestment advisory committee such that the recommendations and reports of the advisory committee are required to concern the reinvestment of funds by managed care organizations to address homelessness and to provide sustainable medication and prescription services, alcohol or drug intervention or rehabilitation services, and emergency and supportive housing issues], in conformance with the amendatory provisions of sections 2 and 3.

~~[The Metropolitan Police Departments Act of 1995 was enacted by the Nevada Legislature in 1995 and required the board of county commissioners, city council or other governing body of a taxing district in unincorporated Clark County and the City of Las Vegas to propose to the registered voters of the taxing district at the 1996 General Election the question of whether to levy an additional property tax on all taxable property within the district for the support of the metropolitan police department for the purpose of employing additional police officers. The rate of tax levied pursuant to the Metropolitan Police Departments Act of 1995 is prohibited from exceeding 20 cents per \$100 of assessed value. (Chapter 658, Statutes of Nevada 1995, at page 2535, as amended by chapter 585, Statutes of Nevada 1997, at page 2882) At the general election held on November 5, 1996, voters of unincorporated Clark County and the City of Las Vegas voted to levy the additional ad valorem tax for the hiring of additional police officers for the Las Vegas Metropolitan Police Department. These additional property taxes are set to expire at the end of the 2026-2027 Fiscal Year. (NRS 354.5982)~~

~~—Sections 4-7 and 10 of this bill remove the sunset of the additional property taxes imposed under the Metropolitan Police Departments Act of 1995 and revise the purposes for which these taxes are required to be used after the original sunset date. Beginning on July 1, 2027, sections 4, 5 and 10 of this bill require the levy of a property tax in unincorporated Clark County and the City of Las Vegas in an amount equal to the property tax levied under the Metropolitan Police Departments Act of 1995, and require that the amount of such tax be equal to: (1) a rate of 3 cents per \$100 of assessed valuation on all taxable property in each taxing district in unincorporated Clark County and the City be used to address homelessness in the County and City; and (2) a rate of 17 cents per \$100 of assessed valuation on all taxable property in each taxing district in unincorporated Clark County and the City be used to defray the cost of hiring additional police officers for the Las Vegas Metropolitan Police Department and certain outreach programs of the Department to address homelessness. Under sections 4 and 5, the money allocated for programs to address homelessness and to a metropolitan police department from the proceeds of the tax levied pursuant to sections 4 and 5 must not supplant, replace, offset or otherwise reduce police funding allocations from other sources. Section 4 provides for the approval of any expenditure of the allocations from the proceeds of the tax allocated to a metropolitan police department and requires the metropolitan police committee on fiscal affairs to make certain findings before giving such approval.~~

~~—Sections 6 and 7 of this bill make conforming changes to reflect that the Metropolitan Police Departments Act of 1995, as revised by this bill, contains multiple taxes used for different purposes.]~~

Existing federal law establishes a Continuum of Care Program to provide funding for efforts by nonprofit providers, states, and local governments to quickly rehouse homeless individuals and families. (42 U.S.C. 11381 et seq.;

24 C.F.R. Part 578) Federal law requires representatives from relevant organizations to establish a Continuum of Care for a geographic area to carry out certain responsibilities and to establish a board to act on behalf of the Continuum. (24 C.F.R. 578.5) Existing law of this State establishes a monthly licensee fee for certain gaming licensees which is based upon the gross revenue of the licensee. (NRS 463.370) Sections 3.3 and 3.7 of this bill require a portion of the proceeds of the gaming licensee fee which is imposed on gross revenue which exceeds \$134,000 per calendar month to be transmitted to the Continuums of Care in this State, in proportion to the population served by each Continuum of Care, to direct the use of such money. Section 3.3: (1) establishes requirements for the membership of such a fiscal working group; (2) sets forth the purposes for which the fiscal working group is required to direct the use of the money from the proceeds of the gaming license fee; and (3) requires the fiscal working group to prepare an annual report. Section 3.3 requires a city whose population is 150,000 or more but less than 500,000 which is in the service area of a Continuum of Care, which includes a city whose population is 500,000 or more to transmit \$2,000,000 to the Continuum of Care each fiscal year to be used for programs to address homelessness. Section 3.3 authorizes a Continuum of Care to enter into service agreements with federally-qualified health centers.

~~Existing law authorizes: (1) a candidate defeated at any election to demand and receive a recount of the vote for the office for which he or she is a candidate if he or she deposits in advance the estimated costs of the recount; and (2) any voter of an election to demand and receive a recount of the vote for a ballot question if the candidate or voter deposits in advance the estimated costs of the recount. (NRS 293.403) Section 14 of this bill requires instead that a recount must be conducted if, as applicable: (1) the difference between the highest number of votes cast for a candidate for the office and the next highest number of votes cast for a candidate for the office is 0.25 percent or less; or (2) the difference between the results of the ballot question being approved or disapproved is 0.25 percent or less. Sections 15 and 25 of this bill make conforming changes to account for the circumstances when a recount is required rather than demanded. Section 14 eliminates the requirement for any candidate or voter to deposit the estimated cost of the recount. Section 14 further requires a recount to commence within 5 days after the canvass of the vote and the certification of the abstract of the votes and be completed not more than 5 days after it is begun. Section 70 of this bill makes a conforming change to repeal the provisions requiring a person who does not prevail in a recount to pay the deficiency or a person who prevails in a recount to receive a refund.~~

Legislative Counsel's Digest:

Existing law requires, with certain exceptions, the county clerk and city clerk to prepare and distribute a mail ballot for every election to each active registered voter in the county or city and each person who registers to vote or updates his or her voter registration information not later than 14 days before the election. (NRS 293.269911, 293C.263) Sections 1.5 and 7.6 of this bill authorize a registered voter to request a replacement mail ballot if the registered voter: (1) does not have access to his or her original mail ballot; and (2) is unable to go to the polls because of an illness or disability resulting in confinement, hospitalization, serious illness or is suddenly called away from home. Sections 1.5 and 7.6 authorize a registered voter to designate in such a request a person to mark and sign a replacement mail ballot on his or her behalf. Sections 6.15, 6.2, 9.6 and 9.8 of this bill make conforming

changes to provide that this provision is an exception to the prohibitions on a person marking or signing a mail ballot on behalf of another person. Sections 6.55 and 10.5 of this bill require the county and city clerks to notify the public of the provisions of sections 1.5 and 7.6.

Existing federal law requires a certificate of ascertainment of appointment of presidential electors to be issued and transmitted to the Archivist of the United States not later than 6 days before the time fixed for the meeting of the electors, which is the first Tuesday after the second Wednesday in December. (3 U.S.C. §§ 5, 7) Existing state law authorizes a candidate defeated at any election to demand and receive a recount within 3 working days after the canvass of the vote. For purposes of demanding a recount in a general election, "canvass" means: (1) the canvass by the Supreme Court of the returns for a candidate for a statewide office; or (2) the canvass of the board of county commissioners of the returns for any other candidate. (NRS 293.403) The canvass by: (1) a board of county commissioners must be completed on or before the 10th day following the election; and (2) the Supreme Court is the fourth Tuesday of November after each general election. (NRS 293.387, 293.395) Each recount must be commenced within 5 days after demand, and completed within 5 days after it begins. (NRS 293.405) Existing state law further authorizes, with certain exceptions, a candidate or registered voter to contest an election by filing a statement of contest no later than 5 days after a recount is completed, and no later than 14 days after the election if no recount is demanded. (NRS 293.407, 293.413) If an election contest is filed, the court is required to set the matter for hearing not less than 5 days nor more than 10 days after the filing of the statement of contest. (NRS 293.413)

Section 1.7 of this bill establishes a different timeline for filing a recount or an election contest that applies only to the election of presidential electors. Specifically, section 1.7 provides that a candidate for the office of presidential elector may demand and receive a recount if, on or before the 13th day following the election, the candidate files the written demand to and deposits the estimated costs of the recount with the Secretary of State. Any such recount must be: (1) commenced within 1 day after the demand is filed; and (2) completed within 5 days after the recount begins. Section 1.7 further authorizes a candidate or any registered voter to contest the election of a candidate to the office of presidential elector not more than 2 working days after the canvass of the returns by the Supreme Court. Such an election contest must be: (1) scheduled for a judicial hearing not more than 5 days after the filing of the statement of contest; and (2) decided before the deadline to issue and submit the certificate of ascertainment pursuant to federal law.

Pursuant to section 1.7, for purposes of the 2024 General Election, which will be held on November 5, 2024, the deadline: (1) to demand a recount for the office of presidential elector is November 18, 2024; (2) to begin a recount for the office of presidential elector is November 19, 2024; (3) to complete a

recount for the office of presidential elector is November 24, 2024, (4) to contest the election for the office of presidential elector is December 2, 2024; and (5) for the court to set any such contest for hearing is December 7, 2024. Further, the deadline under federal law to issue and transmit the certificate of ascertainment is December 11, 2024, so pursuant to section 1.7, the court must determine the result of any election contest of the office of presidential elector before December 11, 2024.

Sections 6.35-6.5 and 7.3 of this bill make conforming changes to reflect the changes in section 1.7 to the schedule for filing a demand for a recount or an election contest for the office of presidential elector.

Section 11.7 of this bill requires the Secretary of State to transmit the certificate of ascertainment to the Archivist.

Section 6.5 requires a court to set a contest of an election for hearing not more than 5 days after the filing of the statement of contest for any election.

Existing law requires an independent candidate for partisan office to file a declaration of candidacy. (NRS 293.200) Existing law further sets forth the form for a declaration of candidacy for all candidates for partisan office. (NRS 293.177) Section ~~1.1~~ 1.8 of this bill sets forth the form for the declaration of candidacy for an independent candidate for partisan office. Section 3 of this bill makes conforming changes to clarify that the declaration of candidacy for an independent candidate must be in the form set forth in section ~~1.1~~ 1.8.

Existing law sets forth certain fees for filing a declaration of candidacy and provides that the fee for filing a declaration of candidacy may be paid by cash, cashier's check or certified check. (NRS 293.193) Section 2 of this bill : (1) provides that such a fee may also be paid by credit card ~~fee~~ ; (2) revises the description of certain offices; and (3) reorganizes existing fees set forth in other provisions of existing law in to this schedule of fees.

Existing law provides that members of election boards continue to serve as such from the day before the day of the election until the time for filing contests of the election has expired. (NRS 293.225) Section 3.5 of this bill provides instead that members continue to serve as such from the day of appointment.

Existing law provides that, in certain circumstances, if one candidate receives a majority of the votes cast in a primary election for certain nonpartisan offices, the candidate must be declared elected and the candidate's name must not be placed on the ballot. (NRS 293.260, 293C.175; Carson City Charter § 5.010; Henderson City Charter § 5.010; Las Vegas City Charter § 5.010; North Las Vegas City Charter § 5.020; Sparks City Charter § 5.020) Sections 4, 8 and 12-17 of this bill provide that for the purposes of determining the majority of the votes cast in a primary election for an office for which voters may select more than one candidate, each ballot upon which a voter marked a valid choice for one or more candidates for that office shall be deemed to be one vote cast in the primary election for that office.

Existing law provides that every ballot upon which appears the names of candidates for any statewide office or for President or Vice President of the United States must contain an additional line with a square in which the voter may select "None of these candidates." (NRS 293.269) Section 5 of this bill provides instead that the additional line on such a ballot must contain a space in which the voter may select "None of these candidates."

~~[Existing law provides that the mail ballot central counting board must complete the count of all mail ballots on or before the seventh day following the election. (NRS 293.269931, 293C.26331) Sections 6 and 10 of this bill provide instead that the mail ballot central counting board must complete the count on or before the ninth day following the election.]~~

Existing law provides that certain election materials, including the voted, rejected and spoiled ballots, must be sealed and deposited in the vaults of the county clerk. (NRS 293.391) Section 6.25 of this bill provides that such election materials are subject to inspection for the purposes of a risk-limiting audit.

Existing law requires each county clerk to conduct a risk-limiting audit of the results of an election prior to the certification of the results of an election. (NRS 293.394) Section 6.3 of this bill removes the requirement to conduct such an audit prior to the certification of the results.

Existing law provides that the deadline to register to vote at a voter registration agency, the Department of Motor Vehicles or an automatic voter registration agency is the last day to register to vote by mail. Existing law requires a county clerk to accept any application which is completed by the last day to register to vote by mail if the county clerk receives the application not later than 5 days after that date. (NRS 293.504, 293.5727, 293.5737) Sections 6.6, 6.75 and 17.7 of this bill require a voter registration agency, the Department of Motor Vehicles and an automatic voter registration agency to notify a voter who registers to vote after this deadline that in order to vote in the upcoming election, the voter must register to vote by computer or at a polling place or polling place for early voting.

Existing law requires the Secretary of State to prescribe the form for applications to preregister or register to vote. (NRS 293.5235) Section 6.65 of this bill requires an application to preregister or register to vote to include an option for a voter to elect not to receive a mail ballot. Sections 6.1 and 9.2 of this bill make conforming changes to provide that a county clerk and city clerk shall not distribute a mail ballot to a person who has elected not to receive a mail ballot.

Existing federal law sets forth certain requirements for the removal of a voter from the official list of eligible voters which prohibit a state from removing the name of a registered voter unless the voter: (1) confirms a change of residence outside of the registrar's jurisdiction in writing; or (2) fails to respond to a notice sent to his or her residence and has not voted or appeared to vote for a period of time after a notice has been mailed to his or her residence. (52 U.S.C. § 20507) Sections 6.7 and 6.9 of this bill require a

county clerk to mail a notice and conduct any correction or removal of a registered voter in accordance with existing federal law.

Existing law provides a penalty for a person who tampers or interferes or attempts to tamper or interfere with any computer program used to count ballots. (NRS 293.755) Section 6.8 of this bill instead prohibits a person from tampering or interfering or attempting to tamper or interfere with any computer program used to conduct an election.

Existing law prohibits a person from being preregistered or registered to vote in more than one county at a time. (NRS 293.810) Section 6.9 instead prohibits a person from being preregistered or registered to vote in more than one state at a time.

Existing law requires a county or city clerk or other election official to immediately notify the Secretary of State if the clerk or official identifies or is informed of a confirmed attack or attempted attack on the security of an information system used by the clerk or official. (NRS 293.875) Section 7 of this bill requires the Secretary of State to adopt by regulation a cyber-incident response plan for elections. Section 7 also requires a county or city clerk or other election official to notify the Secretary of State of any cyber-incident or attempted cyber-incident on the security of an information system used by the county or city clerk or other election official in accordance with the cyber-incident response plan.

Existing law provides that a withdrawal of candidacy must be presented: (1) for a candidate for city office, to the city clerk within 2 days after the last day for filing for candidacy; and (2) for all other candidates, to the county clerk within 7 days after the last day for filing. (NRS 293.202, 293C.195) Section 9 of this bill requires a withdrawal of candidacy by a candidate for a city office to be presented within 7 days, consistent with the requirement for all other candidates.

Existing law authorizes uniformed-service voters and certain other voters to vote in an election using a system of approved electronic transmission, a federal postcard application or the federal write-in absentee ballot. (Chapter 293D of NRS) Section 11 of this bill revises the definition of "uniformed-service voter" to include a member of the active or reserve components of the Space Force of the United States who is on active duty.

Existing law sets forth certain limits on making or committing to make any contributions to a candidate for office, except for a federal office, and provides that no contribution made, committed or accepted for a primary election or general election affects the limitation on contributions for a special election to recall a public officer. (NRS 294A.100) Section 11.3 of this bill also provides that no contribution made, committed or accepted for a special election other than a special election to recall a public officer affects the limitation on contributions for a special election to recall a public officer.

Beginning on January 1, 2024, existing law expands the agencies which provide automatic voter registration services and establishes certain requirements for an automatic voter registration agency to transmit certain

voter registration information to the Secretary of State and county clerks. (Chapter 555, Statutes of Nevada 2021, at page 3849) Section 17.5 of this bill delays the effective date of these provisions until January 1, 2025.

Section 19 of this bill repeals certain provisions that: (1) prohibit a counting board from commencing to count the votes until all ballots are accounted for; (2) provide for a recount at a hearing of any contest; and (3) require the county clerk to transmit the number of registered voters in the county and their political affiliation to the Secretary of State before certain elections.

3. The address of a candidate which must be included in the declaration of candidacy pursuant to subsection 2 must be the street address of the residence where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050, if one has been assigned. The declaration of candidacy must not be accepted for filing if the candidate fails to comply with the following provisions of this subsection or, if applicable, the provisions of subsection 4:

(a) The candidate shall not list the candidate's address as a post office box unless a street address has not been assigned to his or her residence; and

(b) Except as otherwise provided in subsection 4, the candidate shall present to the filing officer:

(2) A current utility bill, bank statement, paycheck, or document issued by a governmental entity, including a check which indicates the candidate's name and residential address, but not including a voter registration card.

4. If the candidate executes an oath or affirmation under penalty of perjury stating that the candidate is unable to present to the filing officer the proof of residency required by subsection 3 because a street address has not been assigned to the candidate's residence or because the rural or remote location of the candidate's residence makes it impracticable to present the proof of residency required by subsection 3, the candidate shall present to the filing officer:

(a) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate; and

(b) Alternative proof of the candidate's residential address that the filing officer determines is sufficient to verify where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050. The Secretary of State may adopt regulations establishing the forms of alternative proof of the candidate's residential address that the filing officer may accept to verify where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050.

5. The filing officer shall retain a copy of the proof of identity and residency provided by the candidate pursuant to subsection 3 or 4. Such a copy:

Service of such process must first be attempted at the appropriate address as specified by the candidate in the declaration of candidacy. If the candidate cannot be served at that address, service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

7. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer:

- (a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored; and
- (b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

8. The receipt of information by the Attorney General or district attorney pursuant to subsection 7 must be treated as a challenge of a candidate pursuant to subsections 4 and 5 of NRS 293.182 to which the provisions of NRS 293.2045 apply.

9. Any person who knowingly and willfully files a declaration of candidacy which contains a false statement in violation of this section is guilty of a gross misdemeanor.

Sec. 2. NRS 293.193 is hereby amended to read as follows:

293.193 1. Fees as listed in this section for filing declarations of candidacy must be paid to the filing officer by cash, *credit card*, cashier's check or certified check.

Amendment No. 302.

SUMMARY—Revises provisions governing ~~natural gas~~ public utilities. (BDR 58-693)

AN ACT relating to ~~natural gas~~ public utilities; requiring certain ~~natural gas~~ public utilities to file with the Public Utilities Commission of Nevada a triennial plan designed to meet the current and future demand for natural gas at the lowest reasonable cost to the ~~natural gas~~ public utility and its customers; prohibiting ~~a natural gas utility~~ certain public utilities from filing a general rate application under certain circumstances; revising provisions governing certain regulations the Commission is required to adopt with respect to ~~natural gas~~ certain public utilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a utility which supplies natural gas in this State to file annually with the Public Utilities Commission of Nevada an informational report describing certain information regarding the demand for natural gas, certain costs related to the provision of gas service and sources of planned acquisitions of natural gas. (NRS 704.991) ~~{Sections 8, and 10, of this bill replace}~~ replaces the requirement to file an annual informational report with a requirement for a ~~natural gas~~ public utility which ~~serves~~ purchases natural gas for resale to 10 or more customers in a calendar year ~~this State~~ to file with the Commission, on or before October 1, 2025, and on or before October 1 of every third year thereafter, a plan designed to meet the current and future ~~demand~~ needs for natural gas at the lowest reasonable cost to the ~~natural gas~~ public utility and its customers. Section 14 requires the plan to include certain information related to the

provision of gas service by the utility, ~~[during the 3 years covered by the plan]~~ including certain expenses of the utility and certain activities and programs that the utility plans to engage in. Section 14 requires the Commission to require each ~~[natural gas]~~ public utility to meet with personnel from the Commission and the Bureau of Consumer Protection in the Office of the Attorney General and any other interested persons at least 4 months before filing the plan or within a reasonable period before filing an amendment to an existing plan to provide an overview of the plan or amendment.

Sections 2-10 of this bill define terms related to the plan required to be filed by a ~~[natural gas]~~ public utility.

Section 11 of this bill requires the Commission to convene a public hearing on the adequacy of the plan and establishes certain determinations regarding the plan that the Commission is required to make following such a hearing.

Section 12 of this bill requires the Commission to issue an order accepting or modifying the plan, and any amendment to the plan, within a certain period of time and authorizes the ~~[natural gas]~~ public utility to respond to any modifications to the plan made by the Commission. Section 12 provides that a plan or an amendment to a plan that is accepted by the Commission shall be deemed prudent and a ~~[natural gas]~~ public utility is authorized to recover all prudently ~~[and reasonably]~~ incurred costs for the reasonable implementation of such a plan or amendment.

Section 13 of this bill prohibits a ~~[natural gas]~~ public utility which purchases natural gas for resale to 10 or more customers in this State from filing a general rate application within 180 days before or after the filing of a plan.

Existing law requires the Commission to adopt regulations authorizing a public utility which purchases natural gas for resale to expand the infrastructure of the public utility in a manner consistent with a program of economic development. (NRS 704.9925) Section 16 of this bill instead requires the Commission to adopt regulations authorizing a ~~[natural gas]~~ public utility which purchases natural gas for resale to 10 or more customers in this State to include in the plan required to be filed by ~~[a natural gas]~~ the public utility a proposal to expand its infrastructure in a manner consistent with a program of economic development. ~~[Section 17 of this bill makes a conforming change to reflect that the regulations adopted by the Commission apply to a natural gas utility that is required to file a plan.]~~

Section 15 of this bill removes the existing requirement for the Commission to adopt certain regulations establishing methods and programs that remove financial disincentives which discourage a public utility which purchases natural gas for resale from supporting energy conservation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

Amendment No. 305.

SUMMARY—Revises provisions relating to energy storage systems. (BDR 58-60)

AN ACT relating to energy; revising a definition relating to certain renewable energy facilities; revising provisions governing the establishment by the Public Utilities Commission of Nevada of biennial targets for the procurement of energy storage systems by certain electric utilities; requiring the Commission to reevaluate the existing biennial targets; eliminating an obsolete provision relating to the establishment of such targets; establishing requirements for the installation of electrochemical energy storage systems; authorizing a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Public Utilities Commission of Nevada to: (1) determine, on or before October 1, 2018, whether it is in the public interest to establish by regulation biennial targets for the procurement of energy storage systems by certain electric utilities; and (2) if the Commission determines that it is in the public interest to establish such targets, adopt regulations establishing biennial targets for the procurement of energy storage systems by certain electric utilities. (NRS 704.795, 704.796) Existing regulations, with certain exceptions, establish progressively larger targets for the procurement of energy storage systems by certain electric utilities, culminating in a requirement that certain electric utilities procure energy storage systems capable of storing not less than 1,000 megawatts of electric power by December 31, 2030. Existing regulations also require the Commission to review the existing biennial energy storage targets when it

reviews the resource plan submitted by an electric utility and determine whether the targets should be altered. (Section 10 of LCB File No. R106-19) Section ~~11~~ 1.5 of this bill requires that the Commission establish biennial targets that deliver the greatest benefits to the customers of the electric utility in relation to the costs of the procurement of energy storage systems. Section 6 of this bill repeals the obsolete provision that requires the Commission to determine whether to adopt regulations to establish the biennial targets by October 1, 2018, given that those regulations have been adopted. Section 2 of this bill makes a conforming change relating to the repeal of this obsolete provision.

Section 3 of this bill prohibits a person from installing an electrochemical energy storage system unless the person holds a valid license in the classification required to perform such work and, except under certain limited circumstances, for installations occurring on property other than a residential property after July 1, ~~2024,~~ 2025, ensures that the installation: (1) is performed by or under the direct supervision of a person who holds a certificate demonstrating the successful completion of the Energy Storage and Microgrid Training and Certification program; and (2) conforms to certain standards regarding the installation of signage in connection with such systems. Section 3 authorizes a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program. Section 3 requires the Committee to include in its interim report a recommendation to authorize persons certified under such a program to perform or supervise the installation of an electrochemical energy storage system under certain circumstances if the Committee makes certain findings regarding the program. Section 4 of this bill provides that a violation of the provisions of section 3 is grounds for disciplinary action by the State Contractors' Board.

Section 1 of this bill revises the definition of "facility for the storage of energy from renewable generation."

AN ACT relating to document preparation services; authorizing a document preparation service to use the name of the Department of Motor Vehicles in an advertisement under certain circumstances; requiring, under certain circumstances, a document preparation service to request an amended registration from the Secretary of State; making it unlawful for a person to represent himself or herself as a document preparation service if the person is not registered as a document preparation service; setting forth the form for statements that must be included in any advertisement for services of a document preparation service; authorizing, under certain circumstances, the Secretary of State to suspend or revoke the registration of a document preparation service or to assess a civil penalty; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from using the name, service marks, trademarks or logo of the Department of Motor Vehicles in an advertisement unless the person is an appointed agent of the Department and has obtained the written permission of the Department for such use. (NRS 482.160) ~~{This}~~ Section 1 of this bill provides a limited exception from that general prohibition by authorizing a document preparation service to use the term "Department of Motor Vehicles" or "DMV" in an advertisement if: (1) the term is followed by the term "services," "registration services" or other

similar language; and (2) the advertisement includes a clear and conspicuous statement that the document preparation service is a third-party business not affiliated with the Department.

Existing law requires a person who wishes to engage in the business of a document preparation service to register with the Secretary of State. (NRS 240A.100) Section 4 of this bill provides that it is unlawful for a person to: (1) represent himself or herself as a document preparation service if the person has not registered as a document preparation service, or if his or her registration is expired, revoked or suspended or is otherwise not in good standing; or (2) submit an application for registration as a document preparation service that contains a substantial and material misstatement or omission of fact.

Section 3 of this bill requires a registrant to submit to the Secretary of State a request for an amended registration, along with a fee of \$10, if the registrant changes his or her: (1) mailing address, county or residence or place of business or employment; or (2) name and the registrant intends to use the new name in the performance of document preparation services.

Existing law sets forth certain requirements for any advertisement for the service of a registrant, including that the advertisement include a statement that the registrant is not an attorney authorized to practice in this State and is prohibited from providing legal advice or legal representation to any person. (NRS 240A.150) Section 5 of this bill sets forth: (1) the specific words that must be included in such statement; and (2) certain penalties if the Secretary of State finds a person guilty of a violation of such provisions.

Existing law prohibits a registrant from: (1) retaining any fees or costs for services not performed or costs not incurred after the date of last service performed for a client; (2) making certain promises, or statements; (3) using certain terms in an advertisement or written description of the registrant or services provided by the registrant; (4) representing himself or herself as a paralegal or legal assistant; (5) with certain exceptions, negotiating concerning the rights or responsibilities of a client; (6) with certain exceptions, appearing on behalf of a client in a court proceeding or other formal adjudicative proceeding; (7) with certain exceptions, providing certain advice, explanations, opinions or recommendations to a client; or (8) seeking or obtaining from a client a waiver of any provision of law relating to document preparation services. (NRS 240A.240) Section 6 of this bill sets forth certain penalties if the Secretary of State finds a person guilty of a violation of such provisions.

Existing law authorizes the Secretary of State to conduct or cause to be conducted an investigation if the Secretary of State obtains information that a provision of law, regulation or order relating to document preparation services has been violated. (NRS 240A.260) Section 7 provides that if, within a reasonable period of time, a registrant fails to provide the Secretary of State with any information requested by the Secretary of State during an

investigation of an alleged violation by the registrant, the Secretary of State may suspend, revoke or refuse to renew the registration of the registration.

Existing law authorizes the Secretary of State to deny, suspend, revoke or refuse to renew the registration of any person who violates a provision of law relating to document preparation services. (NRS 240A.270) Section 8 of this bill authorizes the Secretary of State to suspend or revoke the registration of a registrant pending a hearing if the Secretary of State believes it is in the public interest or is necessary to protect the public.

SECOND READING AND AMENDMENT

Senate Bill No. 66.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 531.

SUMMARY—Revises provisions relating to public safety. (BDR 43-256)

AN ACT relating to public safety; establishing certain circumstances under which a person is disqualified from operating a commercial motor vehicle; requiring a court to notify the Department of Motor Vehicles if a person is convicted of certain offenses; prohibiting an employer from allowing a person to operate a commercial motor vehicle under certain circumstances; requiring the Department to adopt certain regulations to comply with certain federal regulations; requiring the Department to furnish full information regarding a driving record to certain persons upon request; revising provisions relating to railroad grade crossings; revising provisions concerning the ~~crimes~~ crime of involuntary servitude ~~; and coercion~~; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from driving a commercial motor vehicle at any time when the driving privilege of the person is subject to disqualification. (NRS 483.924) Existing federal regulations require a person convicted of certain offenses to be disqualified from operating a commercial motor vehicle for a certain period. The length of the period in which the person is required to be disqualified varies based on the offense for which the person was convicted. For certain offenses, existing federal regulations require the person to be disqualified for life. Such offenses include, among others, using a commercial motor vehicle in the commission of a felony involving an act or practice of "severe forms of trafficking in persons," as

defined by federal law. (22 U.S.C. § 7102(11); 49 C.F.R. § 383.51) To conform with these federal requirements, section 2 of this bill expressly provides that a person is disqualified from operating a commercial motor vehicle for a certain period if the person is convicted of certain offenses. Under section 2, if a person is convicted of certain specified offenses relating to human trafficking while using a commercial motor vehicle, or certain other offenses, the person is disqualified for life without the possibility of reinstatement. Section 2 prohibits a person who is disqualified from operating a motor vehicle for life from being issued or holding a commercial driver's license or commercial learner's permit. Section 3 of this bill requires a court to provide notice to the Department of Motor Vehicles within 5 days after a person is convicted of certain offenses relating to human trafficking while using a commercial motor vehicle.

Existing federal law defines "severe forms of trafficking in persons" to include, without limitation, the recruitment, harboring, transportation, provision or obtaining of a person for labor or services, through the use of force, fraud or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage or slavery. (22 U.S.C. § 7102(11)) Section 10 of this bill revises the list of acts that constitute the crime of holding a person in involuntary servitude to conform more closely with the federal definition of "severe forms of trafficking in persons." (NRS 200.463) Under section 10, a person who knowingly subjects, or attempts to subject, another person to forced labor or services by debt bondage, ~~for~~ peonage, ~~or~~ using a scheme, plan or pattern intended to cause the person to believe that the failure to perform an act would result in serious harm or physical restraint against any person is guilty of holding a person in involuntary servitude.

Similarly, section 10.5 of this bill revises the list of acts that constitute the crime of holding a minor in involuntary servitude to conform more closely with the federal definition of "severe forms of trafficking in persons." (NRS 200.4631) Under section 10.5, a person who has physical custody of a minor, allows a minor to reside in his or her residence, is in a position of authority over a minor or provides care to the minor and who knowingly uses a scheme, plan or pattern intended to cause the minor to believe that the failure to perform an act would result in serious harm or physical restraint against any person is guilty of holding a minor in involuntary servitude.

~~[Existing federal law defines "coercion" to include, among other things, any scheme, plan or pattern intended to cause a person to believe that failure to perform an act would result in serious harm to or physical restraint against any person. (22 U.S.C. § 7102(3)) Section 11 of this bill revises the list of acts that constitute the crime of coercion to conform more closely to this federal definition. Section 11 makes it unlawful for a person, with the intent to compel another to do or abstain from doing an act which the other person has a right to do or abstain from doing, to use any scheme, plan or pattern to cause the person to believe that failure to perform an act would result in serious harm to or physical restraint against any person.]~~

Existing federal regulations prohibit an employer from allowing, requiring, permitting or authorizing a driver to operate a commercial motor vehicle if the employer knows or should reasonably know of the existence of certain circumstances. (49 C.F.R. § 383.37) Existing law requires the Department to impose a civil penalty against an employer who has been convicted of violating those federal regulations. (NRS 483.939) Section 4 of this bill enacts prohibitions on employers which are similar to the prohibitions set forth in those federal regulations. Section 8 of this bill requires the Department to impose a civil penalty in a certain specified amount against an employer who has been convicted of certain violations of such prohibitions.

Existing law requires the Department to adopt certain regulations relating to commercial drivers' licenses. (NRS 483.908) Section 6.5 of this bill additionally requires the Department to adopt regulations necessary to comply with certain federal regulations related to commercial driver's licenses and learner's permits and the operation of commercial motor vehicles. (49 C.F.R. § 383.73(q))

Existing law requires the Department, with certain exceptions, to furnish full information regarding the driving record of any person to certain persons or entities under certain circumstances. (NRS 483.916) Section 7 of this bill requires the Department also to furnish that information to the person who is the subject of that driving record or the Secretary of Transportation of the United States, upon his or her request.

Existing law requires certain vehicles to stop at all railroad grade crossings. (NRS 484B.560) Section 9 of this bill requires the driver of a commercial motor vehicle who is not otherwise required to stop, before crossing at grade any track or tracks of a railroad, to decrease the speed of the vehicle and confirm that the tracks are clear. Section 9 also requires the driver of any vehicle to: (1) stop the vehicle within a certain distance of a railroad grade crossing if the track or tracks of the railroad are not clear; and (2) obey any official traffic control device or the directions of a police officer at a railroad grade crossing.

Sections 5 and 6 of this bill make conforming changes to indicate the proper placement of sections 2-4 in the Nevada Revised Statutes.

Existing federal law and regulations contain various protections for health information maintained or used: (1) by a person or entity that provides health care, an insurer or a business associate of a person or entity that provides health care or an insurer; or (2) for scientific research. (42 U.S.C. §§ 11101 et seq.; Pub. L. No. 104-191, 100 Stat. 2548; 21 C.F.R. Parts 46, 50 and 56, 42 C.F.R. Parts 2 and 3, 45 C.F.R. Parts 160 and 164) ~~(This)~~ Sections 2-34 of ~~this bill~~ ~~[prescribes]~~ prescribe various protections for consumer health data that is maintained and used by other persons and nongovernmental entities and for other purposes. Section 7 of this bill defines the term "consumer" to mean a natural person who has requested a product or service from a regulated entity and who resides in this State or whose consumer health data is collected in this State, except for a natural person acting in an employment context ~~or as an agent of a governmental entity~~. Section 8 of this bill defines the term "consumer health data" to mean personally identifiable information that is linked or reasonably capable of being linked to a consumer and is ~~related~~ used by a regulated entity to identify the health status of the consumer. Section 15 of this bill defines the term "regulated entity" to refer to a person who: (1) conducts business in this State or produces or provides products or services that are targeted to consumers in this State; and (2) determines the purpose and means of processing, sharing or selling consumer health data. Sections 3-6, ~~9-14~~ 9-11, 13, 14 and 16-19 of this bill define certain other terms. Section 20 of this bill provides that the provisions of ~~this bill~~ sections 2-34 do not apply to certain persons and entities whose collection and disclosure of data is specifically regulated by federal law and certain data that is collected or disclosed under certain provisions of federal law or regulations or state law.

Section 21 of this bill requires a regulated entity to develop, maintain and make available ~~on the Internet~~ a policy concerning the privacy of consumer health data. Section 21 also prohibits a regulated entity from: (1) taking certain actions with regard to consumer health data that are inconsistent with the policy without the affirmative, voluntary consent of the consumer; or (2) entering into a contract for the processing of consumer health data that is inconsistent with the policy. Section 22 of this bill generally prohibits a regulated entity from collecting or sharing consumer health data without the affirmative, voluntary consent of the consumer to whom the data relates, except to the extent necessary to provide a product or service that the consumer has requested from the regulated entity. ~~(Sections)~~ Section 22 ~~and~~

Section 24 also requires a regulated entity to establish a secure and reliable means of making such a request. Section 25 of this bill prescribes requirements governing the response to such a request, including a requirement that a regulated entity provide information in response to such a request free of charge in most circumstances. However, if a consumer submits more than two requests in a year and those requests are manifestly unfounded, excessive or repetitive, section 25 authorizes the regulated entity to charge a reasonable fee to provide such information. Section 26 of this bill prescribes requirements governing the time within which a regulated entity or an affiliate, processor or other third party with which a regulated entity has shared data must delete consumer health data in response to a request for such deletion. Section 27 of this bill requires a regulated entity to establish a process to appeal the refusal of the regulated entity to act on a request made pursuant to section 24. ~~[Section 32 of this bill: (1) requires a regulated entity, contractor of a regulated entity, processor or other third party to disclose consumer health data where required by law, court order, subpoena or search warrant; (2) authorizes certain other disclosures of consumer health data; and (3) provides that a regulated entity, contractor, processor or third party who discloses consumer health data under such circumstances is not required to comply with sections 22-27.]~~

Section 28 of this bill requires a regulated entity to limit access to and establish, implement and maintain policies and procedures to protect the security of consumer health data. Section 29 of this bill requires a processor who processes consumer health data on behalf of a regulated entity to only process such data in accordance with a written contract between the processor and the regulated entity. purchaser. Section 30 also requires both a seller and a purchaser of consumer health data to maintain such written authorization for at least 6 years after the expiration of the written authorization. Section 17 of this bill exempts certain activity from the definition of the term "sell," thereby exempting such activity from the requirements of section 30.

Section 31 of this bill prohibits a person from implementing a geofence ~~around~~ within 1,750 feet of any person or entity that provides in-person health care services or products for certain purposes. Section 33 of this bill prohibits a regulated entity from discriminating against a consumer for taking any action authorized by ~~this bill~~ sections 2-34 or to enforce ~~the~~ those provisions. ~~of this bill.~~

Sections 34.1-34.9 of this bill establish provisions for the protection of biometric identifiers. Section 34.1 of this bill sets forth certain legislative findings concerning biometric identifiers. (NRS 118A.275, 205.377, 228.620, 370.695, 597.997, 603.170, 604B.910, 676A.770; chapter 598 of NRS) Existing law authorizes a court to impose a civil penalty of not more than \$12,500 for each violation upon a person whom the court finds has engaged in a deceptive trade practice directed toward an elderly person or a person with a disability. (NRS 598.0973) Additionally, existing law authorizes a court to make such additional orders or judgments as may be necessary to restore to any person in interest any money or property which may have been acquired by means of any deceptive trade practice. (NRS 598.0993) In addition to these enforcement mechanisms, existing law provides that when the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry has cause to believe that a person has engaged or is engaging in any

deceptive trade practice, the Commissioner or Director may request that the Attorney General represent him or her in instituting an appropriate legal proceeding, including an application for an injunction or temporary restraining order. (NRS 598.0979) Existing law provides that if a person violates a court order or injunction resulting from a complaint brought by the Commissioner, the Director, the district attorney of any county of this State or the Attorney General, the person is required to pay a civil penalty of not more than \$10,000 for each violation. (NRS 598.0999) ~~Existing law: (1) provides that certain deceptive trade practices constitute consumer fraud; and (2) authorizes a person injured by consumer fraud to bring a civil action. (NRS 41.600).~~ With certain exceptions, ~~section~~ sections 34 and 34.9 of this bill ~~[(1) provides]~~ provide that a person who violates any provision of sections 2-34.9 of this bill is guilty of a deceptive trade practice. ~~[(1) and (2) authorizes]~~ Sections 1, 34 and 34.9 of this bill provide that a person injured by such a violation ~~[to bring a civil]~~ does not have a private right of action. Section 35 of this bill exempts consumer health data and biometric identifiers from provisions of existing law governing information collected on the Internet from consumers because those provisions are less stringent than the provisions of sections ~~[2-34 of this bill]~~ 2-34.9.

Senator Spearman moved the adoption of the amendment.

Remarks by Senator Spearman.

Amendment No. 403 to Senate Bill No. 370 revises various sections concerning protections of consumer health data maintained and used by certain persons and entities; adds new sections to provide for the protection of biometric identifiers such as facial, fingerprint or iris data; and establishes requirements for the collection, possession, sharing and sale of such data. authorization to establish a statewide health information exchange; clarifying that certain persons are immune from certain criminal and civil liability for transmitting, accessing, utilizing or disclosing electronic health records in accordance with existing law; establishing and prescribing the duties of the Chief Data Officer of the Nevada Innovation Hub, the Nevada Innovation Hub and the Medicaid Outreach Advisory Committee; authorizing a business to receive a partial abatement of certain taxes under certain conditions; ~~authorizing certain persons to enroll in Medicaid;~~ requiring the establishment of certain programs to make health coverage more accessible to certain persons; requiring the Joint Interim Standing Committee on Health and Human Services to ~~study the feasibility of providing certain coverage under Medicaid;~~ conduct certain studies; requiring the Department of Health and Human Services to evaluate certain issues and take certain actions relating to its workforce; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Health and Human Services to adopt regulations governing health information exchanges and the transmittal, ownership, management, use and confidentiality of electronic health records. (NRS 439.587, 439.589) Section 6 of this bill requires the Director to prescribe by regulation a framework for the electronic maintenance, transmittal and exchange of electronic health records, prescriptions and health-related information. Section 6 requires that framework to establish standards for networks and technologies to be used to maintain, transmit and exchange health information, including standards that require: (1) the ability for patients to access and forward their records; and (2) the interoperability of such networks and technologies. Section 60 of this bill requires the Director to convene an advisory group to advise the Director in the adoption of those standards. With certain exceptions, sections 6, 28, 29, 45 and 63 of this bill require all governmental entities, health care providers, insurers, pharmacy benefit managers and other insurance administrators to maintain, transmit and exchange health information electronically in accordance with those standards and other provisions governing electronic health records, beginning on: (1) July 1, 2024, for hospitals and physician group practices; and (2) July 1, 2025, for governmental entities, other health care providers, insurers, pharmacy benefit managers and other insurance administrators. Section 57 of this bill appropriates money to award grants to certain providers of health care and health care facilities for the purposes of complying with that requirement. Sections 2 and 6 of this bill provide that a health care provider, insurer, pharmacy benefit manager or other insurance administrator that fails to comply with that requirement is not guilty of a misdemeanor. Instead, section 1 of this bill requires the Department ~~to, after notice and the opportunity for a hearing,~~ to notify any regulatory body that has issued a license, certificate, registration, permit or similar credential to a health care

provider, insurer, pharmacy benefit manager or other insurance administrator if the holder of the credential fails to comply with that requirement. ~~[Sections] After receiving such notice, sections 9, 17, 45, 47, 50 and 53 of this bill [require] authorize a regulatory body to [immediately suspend a credential issued to such a provider, insurer, pharmacy benefit manager or other insurance administrator upon receiving such notice. Sections 15, 49 and 54 of this bill provide that such a suspension is not subject to certain procedure that ordinarily applies to the suspension of the license of a health care facility or the suspension of the certificate of authority of an insurer. Section 1 requires the Department to notify the relevant regulatory body if a health care provider, insurer, pharmacy benefit manager or other insurance administrator that was previously out of compliance with the requirement to maintain, transmit and exchange health information electronically comes into compliance with that requirement. Section 4 of this bill removes ~~[(1)]~~ duplicative requirements concerning the adoption of regulations governing electronic health records ~~[(1) and (2)]~~ Section 4.5 of this bill removes authorization for the Director to establish a statewide health information exchange ~~[(1)]~~, beginning on July 1, 2025. Sections ~~[(2-5)]~~ 2-4, 5, 8, 10-14, 16, 44, 46, 48, 51, 52, 55 and 56 of this bill make conforming changes to indicate the proper placement of sections 1, 9, 47 and 50 in the Nevada Revised Statutes.~~

Existing law provides that a health care provider who with reasonable care relies upon an apparently genuine electronic health record accessed from a health information exchange to make a decision concerning the provision of health care to a patient is immune from civil or criminal liability for the decision if: (1) the electronic health record is inaccurate; (2) the inaccuracy was not caused by the health care provider; (3) the inaccuracy resulted in an inappropriate health care decision; and (4) the health care decision was appropriate based upon the information contained in the inaccurate electronic health record. (NRS 439.593) Section 7 of this bill expands this immunity from liability to also apply to any health care provider who transmits, accesses, utilizes or discloses an apparently genuine electronic health record or provides such an electronic health record to a patient.

Existing law provides that providing information to an electronic health record in accordance with existing law is not an unfair trade practice. (NRS 439.595) Section 8 of this bill additionally provides that transmitting, accessing, utilizing or disclosing an electronic health record in accordance with existing law is not an unfair trade practice.

Sections 22-24 of this bill establish the Nevada Innovation Hub within the Department of Health and Human Services. Section 23 of this bill creates the

position of Chief Data Officer to: (1) serve as the executive head of the Hub; (2) advise public health agencies regarding best practices for creating and maintaining data; and (3) coordinate planning concerning data analytics and transparency for the Department. Section 24 of this bill requires the Hub to: (1) obtain information relating to public health from public health agencies and other persons and entities; and (2) establish and maintain a program to collect, analyze, exchange and make available such information. Sections 24 and 27 of this bill provide for the confidentiality of personally identifiable information maintained by the Hub and information maintained by the Hub for which disclosure is prohibited by state or federal law. Section 25 of this bill makes a conforming change to indicate the proper placement of sections 22-24 in the Nevada Revised Statutes. ~~[Section 61 of this bill requires the Chief Data Officer to submit a report to the Joint Interim Standing Committee on Health and Human Services concerning the policies and procedures of the Hub.]~~

Existing law authorizes the Office of Economic Development to approve an abatement or partial abatement of certain property taxes, business taxes and sales and use taxes in certain circumstances. (NRS 274.310-274.330, 360.750-360.754) Section 31 of this bill authorizes a person who intends to locate or expand a business ~~[in an academic medical district]~~ in the health care industry in this State to apply to the Office for a partial abatement of: (1) local sales and use taxes imposed on the purchase of tangible personal property used to provide health care or conduct scientific research; (2) certain property taxes imposed on the business; and (3) the excise tax on wages paid to employees performing services directly related to addressing critical medical and scientific needs, as defined by regulations adopted by the Office. Section 31 requires the Office to grant such an application if: (1) the applicant enters into an agreement authorizing the Office to conduct audits of the applicant and to remain in business in this State for a certain period of time; and (2) the Office finds that the business meets certain requirements relating to wages and benefits for employees and economic activity in this State. Additionally, if the applicant is requesting a partial abatement of certain taxes imposed for the benefit of public schools, section 31 requires the applicant to obtain the approval of a supermajority of the Board of Economic Development. Section 31 requires the Office, when authorizing abatements, to prioritize businesses that will serve certain underserved populations. Sections ~~[35, 36 and 37]~~ 35-37 of this bill establish the duration and amount of the abatements. Sections 18-20, 30 and 32-34 of this bill make various changes so that a partial abatement granted pursuant to section 31 is treated in the same manner as other similar abatements authorized by law.

Existing law authorizes a person who maintains or intends to locate a business in this State to apply to the Office for an abatement on certain taxes imposed on eligible machinery or equipment used by the business. (NRS 374.357) Section 38 of this bill provides that equipment used for medical treatment is not eligible machinery or equipment for that purpose,

thereby authorizing a business to obtain an abatement for certain taxes imposed on such equipment pursuant to sections 31 and 35-37.

With certain exceptions, existing federal and state law prohibits a person or governmental entity from providing a public benefit to an alien who is not legally present in the United States, except where a state law affirmatively provides for such eligibility. (8 U.S.C. § 1621; NRS 422.065, 422A.085) Section 39 of this bill ~~[affirmatively]~~ requires the Director to ~~[include in the State Plan for Medicaid authorization for any person who otherwise qualifies for Medicaid to enroll in Medicaid, regardless of his or her immigration or citizenship status.]~~ provide coverage under Medicaid for persons who qualify for the federal Deferred Action for Childhood Arrivals Program and meet all requirements to be eligible for Medicaid, except for the requirements governing immigration status. Section 39 also requires the Director to establish programs to provide coverage for: (1) persons under 27 years of age who are not eligible for Medicaid because of their immigration status; and (2) prenatal, labor and delivery and postpartum care for mothers who are not eligible for Medicaid because of their immigration status. Section 43 of this bill removes the requirement that a person who is not a citizen or national of the United States must be a qualified alien under federal law to receive Medicaid. Section 26 of this bill makes a conforming change to indicate the proper placement of section 39 in the Nevada Revised Statutes.

Under existing law, the Division of Welfare and Supportive Services of the Department administers provisions concerning applications for Medicaid and the Children's Health Insurance Program. (NRS 422A.3351, 422A.336) Section 41 of this bill creates the Medicaid Outreach Advisory Committee within the Division. Section 42 of this bill requires the Advisory Committee to: (1) advise the Department, the Division of Health Care Financing and Policy of the Department and the Division of Welfare and Supportive Services concerning outreach to, and maximizing enrollment in Medicaid and the Children's Health Insurance Program of, members of marginalized or underserved communities; and (2) annually post a report of the activities of the Advisory Committee on the Internet.

Existing law establishes the Silver State Health Insurance Exchange to facilitate the purchase of subsidized health plans by certain small employers and natural persons who are citizens of the United States or otherwise lawfully present in the United States. (Chapter 695I of NRS) Section 54.3 of this bill requires Executive Director of the Exchange, in collaboration with the Director of the Department of Health and Human Services, to apply for a federal waiver to authorize any natural person to purchase a qualified health plan on the Exchange, regardless of his or her immigration status, if the natural person otherwise qualifies to purchase such a plan on the Exchange. Section 54.6 of this bill makes a conforming change to indicate that the waiver authorizes natural persons who are not lawfully present in the United States to purchase such qualified health plans.

Section 58 of this bill requires the Joint Interim Standing Committee on Health and Human Services to study, during the 2023-2024 interim, the feasibility of including in the State Plan for Medicaid coverage of digital health products and the procedures for and costs of providing such coverage. Section 58.5 of this bill requires the Joint Interim Standing Committee to study, during the 2023-2024 interim: (1) the feasibility of and necessary steps for creating a natural persons index for this State; and (2) procedures governing data registries and ways to streamline the collection of data and reduce the burden of reporting requirements applicable to providers of health care. Section 59 of this bill requires the Department of Health and Human Services, during the 2023-2024 interim, to: (1) evaluate the workforce of the Department to determine whether adding, eliminating or revising the salary for any position within the Department would increase the effectiveness or efficiency of the operations of the Department; and (2) take any action recommended by the evaluation which does not require legislation unless the Director determines that the action is not feasible or advisable. Section 59 also requires the Department to submit to the Legislature a report concerning the evaluation and actions resulting from the evaluation.

Legislative Counsel's Digest:

Existing law requires the Division of Public and Behavioral Health of the

Department of Health and Human Services and district, county and city health departments to perform certain functions relating to public health in this State, including certain duties relating to the control of communicable diseases. (NRS 439.150-439.265, 439.340, 439.350, 439.360, 439.366, 439.367, 439.3675, 439.405, 439.410, 439.460, 439.470) Existing law also requires a district health officer or the Chief Medical Officer to perform certain duties relating to the control of communicable diseases. (Chapter 441A of NRS) Existing law prescribes certain responsibilities of the Division of Health Care Financing and Policy of the Department concerning the administration of the Medicaid program. (NRS 422.061, 422.063) Section 1 of this bill requires the Department and all district, county and city boards of health to develop policies to provide uninterrupted services during a public health emergency to persons who have been diagnosed with the human immunodeficiency virus or persons who are at a high risk of acquiring the human immunodeficiency virus. Section 2 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes.

~~[Senate Bill No. 275 of the 2021 Legislative Session repealed certain criminal offenses for which an element of the offense was having the human immunodeficiency virus. (Section 24, chapter 491, Statutes of Nevada 2021, at page 3199) Section 77 of this bill provides that the repeal of those offenses applies retroactively to violations that occurred before the effective date of Senate Bill No. 275. Section 3 of this bill authorizes a person who was convicted of such an offense before the effective date of Senate Bill No. 275 to petition the court in which he or she was convicted for an order vacating the judgment and sealing certain records relating to the conviction. Section 3: (1) requires the court to grant the petition if the petition meets the relevant statutory requirements; and (2) authorizes the court to issue an order to vacate the judgment and dismiss the accusatory pleading if the petition is deficient with respect to the sealing of the records but the petitioner otherwise satisfies the requirements for vacating the judgment. Section 4 of this bill makes a conforming change to indicate the proper placement of section 3 in the Nevada Revised Statutes. Sections 5-7 of this bill exempt a petition filed pursuant to section 3 from certain requirements, and sections 8-10 of this bill make various changes to ensure that an order issued pursuant to section 3 is treated in the same manner as other similar orders for certain purposes.]~~

Existing law requires the Director of the Department of Corrections to establish standards for the medical and dental services of each institution or facility under the control of the Department. (NRS 209.381) Existing law also requires a sheriff, chief of police or town marshal to arrange for the administration of medical care required by prisoners while in his or her custody. (NRS 211.140) Sections 11 and 12 of this bill impose certain requirements on the operators of public and private prisons, jails and detention facilities to ensure the access of prisoners to treatment for human

immunodeficiency virus and methods of preventing the acquisition of human immunodeficiency virus.

Existing law prohibits a prisoner from using, propelling, discharging, spreading or concealing human excrement or bodily fluid with intent or under circumstances where it is reasonably likely that the excrement or fluid will come in contact with another person. Under most circumstances, a violation is a gross misdemeanor, ~~for~~ a category D felony, ~~or~~ a category B felony, depending on the circumstances of the prisoner's confinement. However, if the prisoner knew at the time of the offense that any portion of the excrement or bodily fluid contained a communicable disease that causes or is reasonably likely to cause substantial bodily harm, the violation is a category A felony, regardless of whether the communicable disease was transmitted. (NRS 212.189) Section 13 of this bill instead provides that such a violation is only a category A felony where: (1) ~~the prisoner knew~~ the communicable disease was likely to be transmitted by his or her conduct; and (2) the communicable disease was actually transmitted as a result of the conduct. Section 78 of this bill provides that the provisions of section 13 apply retroactively to violations that occurred before the effective date of that section, if the person who committed the violation has not been convicted before that date.

Existing law requires public and private health plans, including Medicaid and health plans for state ~~and local~~ government employees, to cover an examination and testing of a pregnant woman for *Chlamydia trachomatis*, gonorrhea, hepatitis B, hepatitis C and syphilis. (NRS ~~287.010,~~ 287.04335, 422.27173, 689A.0412, 689B.0315, 689C.1675, 695A.1856, 695B.1913, 695C.1737, 695G.1714) Sections ~~15,~~ 16, 22, 34, 42, 47, 52, 55, 60, 65, 67 and 72 of this bill additionally require such insurance plans to cover: (1) testing for, treatment of and prevention of sexually transmitted diseases; and (2) condoms for certain covered persons. ~~who are 13 years of age or older. Sections 15, 16, 22, 35, 43, 48, 52, 56, 61, 66, 67 and 73 of this bill require an insurer to count any amount paid by a covered person or another person or entity on behalf of a covered person toward any cost-sharing requirement applicable to certain prescription drugs, including drugs to prevent human immunodeficiency virus, treat human immunodeficiency virus or hepatitis C or provide certain treatment for substance use disorder. Section 21 of this bill defines the term "pharmacy benefit manager" for the purpose of provisions of law governing Medicaid coverage of prescription drugs.~~

Existing law requires public and private health plans, including Medicaid and health plans for state ~~and local~~ government employees, to cover drugs that prevent the acquisition of human immunodeficiency virus and any related laboratory or diagnostic procedures. (NRS 287.010, 287.04335, 422.27235, 422.4025, 689A.0437, 689B.0312, 689C.1671, 695A.1843, 695B.1924, 695C.1743, 695G.1705) Sections 25, 31, 37, 44, 51, 57, 62, 68 and 74 of this bill require such insurance plans to cover all such drugs approved by the United States Food and Drug Administration and all drugs

approved by the Food and Drug Administration for treating human immunodeficiency virus or hepatitis C without restrictions, other than step therapy. Sections 23, 37, 44, 51, 57, 62, 68 and 74 of this bill require such insurance plans to: (1) cover any service to test for, prevent or treat those diseases provided by a provider of primary care if the service is covered when provided by a specialist and certain other requirements are met; and (2) reimburse an advanced practice registered nurse or a physician assistant for such services at a rate equal to that provided to a physician. Sections ~~15,~~ 16, 20, 25, 31, 33, 41, 46, 52, 54, 59, 64, 67 and 71 impose similar requirements regarding: (1) coverage of certain drugs approved by the Food and Drug Administration to treat substance use disorder; (2) coverage of services for the treatment of substance use disorder provided by a provider of primary care; and (3) reimbursement for such services provided by an advanced practice registered nurse. Sections 14.5-15.5 of this bill make conforming changes to exempt local governmental agencies that provide health insurance to employees through a plan of self-insurance from the amendatory provisions of section 44 while maintaining existing requirements that apply to such insurance. Sections 36, 38, 49 and 50 of this bill make conforming changes to indicate that the coverage required by sections 33 and 46 is in addition to certain coverage of services for the treatment of substance use disorder that certain insurers are required by existing law to provide. Sections 14, ~~15,~~ 25 and 39 of this bill make conforming changes to indicate the proper placement of sections ~~20-22,~~ 20, 22, 33 and ~~33-35,~~ 34 in the Nevada Revised Statutes. Section 69 of this bill authorizes the Commissioner of Insurance to suspend or revoke the certificate of a health maintenance organization that fails to comply with the requirements of ~~sections 64-66,~~ section 64 or 65. The Commissioner would also be authorized to take such action against any health insurer who fails to comply with the requirements of sections ~~33-35,~~ 33, 34, 37, 41-44, ~~46-48,~~ 46, 47, 50, 54-57, 59-62, 67, 68 or 71-74 of this bill. (NRS 680A.200, 695C.330)

Existing law requires the board of trustees of each school district to establish a course or unit of a course of instruction concerning acquired immune deficiency syndrome, the human reproductive system, related communicable diseases and sexual responsibility which must be taught by a teacher or school nurse whose qualifications have been approved by the board of trustees. (NRS 389.036) Section 17 of this bill instead requires the board of trustees of a school district to establish a course or unit of a course of evidence-based, factual instruction in sexuality education. Section 17 additionally authorizes a provider of health care or other qualified person approved by the board of trustees to teach such a course. Section 18 of this bill requires the standards adopted by the Council to Establish Academic Standards for Public Schools for instruction in health to include standards for sexuality education. Section 18 also authorizes the Council to include topics related to sexuality education in the standards for other courses where appropriate.

Existing law requires physicians, osteopathic physicians, physician assistants and nurses to complete certain continuing education in order to renew their licenses. (NRS 630.253, 632.343, 633.471) Sections 28-30 and 75 of this bill require such a provider of health care who provides or supervises the provision of emergency medical care or primary care in a hospital to complete before the first renewal of their license or, for currently practicing providers, the next renewal of their license, at least 2 hours of training in stigma, discrimination and unrecognized bias toward persons who have acquired or are at a high risk of acquiring human immunodeficiency virus. Section 27 of this bill authorizes any provider of health care to use training in that subject in place of not more than 2 hours of any other training that the provider is required to complete, other than continuing education relating to ethics.

Senate Bill No. 275 of the 2021 Legislative Session repealed certain criminal offenses for which an element of the offense was having the human immunodeficiency virus. (Section 24, chapter 491, Statutes of Nevada 2021, at page 3199) Section 77 of this bill provides that the repeal of those offenses applies retroactively to violations that occurred before the effective date of Senate Bill No. 275.

Legislative Counsel's Digest:

Existing law provides for the regulation of providers of service contracts by the Commissioner of Insurance. (Chapter 690C of NRS) Existing law defines a service contract as a contract pursuant to which a provider, in exchange for separately stated consideration, is obligated for a specified period to a holder to repair, replace or perform maintenance on, or indemnify or reimburse the holder for the costs of repairing, replacing or performing maintenance on, goods that are described in the service contract and which have an operational or structural failure as a result of a defect in materials, workmanship or normal wear and tear. Types of service contracts include contracts that: (1) pay reimbursement for towing, rental and emergency road service; and (2) provide for the repair, replacement or maintenance of goods for damages that result from power surges or accidental damage from handling. (NRS 690C.080) Existing law authorizes the Commissioner to assess a civil penalty against a provider who fails to comply with existing law or who violates an order or regulation of the Commissioner. ~~[Section 1 of this bill requires a provider to ensure that the provider maintains or contracts for an adequate network or workforce of employees or contractors to carry out its obligations to the holder of a service contract in a timely and reasonable manner, including, without limitation, the duty to repair, replace or perform maintenance on goods that are described in the service contract. Section 1 also provides that if the provider fails to comply with the requirement to maintain or contract for such an adequate network or workforce of employees or contractors, then, in addition to any other remedies available to the holder, a holder is entitled to reimbursement from the provider for any reasonable and necessary costs incurred by the holder to repair, replace or perform maintenance on the goods.]~~
