Senate called to order at 12:40 p.m.

President Anthony presiding.

Roll called.

All present except Senator Cannizzaro, who was excused.

Prayer by the Chaplain, Pastor Gavin Jarvis.

Proverbs 16:3, 9:

Commit to the Lord whatever you do,
and He will establish your plans.In their hearts humans plan their course,
but the Lord establishes their steps.

Lord God, I stand and pray for our Nevada Senators and their staff. They have been hard at work ahead of today's deadlines for all their committees. Now, they are clearing these hurdles and entering the final stretches of this legislative session. I believe that through Your will, You have appointed them in their jobs, and You have given them wisdom and guidance, and have been with them through this work.

Now, I pray for everything they have put together and are continuing to work on, because we know as humans that the best made plans and bills are not guaranteed success despite our most valiant effort. You instruct us on a way forward to commit these plans to You so that You would establish them and cause the work of these Senators to flourish. We commit these plans to You, Sovereign God, that You would establish their hard work and grant them success in all their labor, because as they flourish, so will everyone in our State. Through Your guidance, they are planning the course of Nevada. Please establish their steps. Bless their work, and whenever they rest, give them peace and joy in their labor.

In Jesus' Name, I pray for them.

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

SECOND READING AND AMENDMENT

Senate Bill No. 339.

Bill read second time.

The following amendment was proposed by the Committee on Finance:

Amendment No. 550.

SUMMARY—~~[Authorizes the reimbursement of teachers for certain out of pocket expenses.]~~ Makes an appropriation to the Department of Education for the provision of grants to organizations to provide certain

supplies and materials to teachers and specialized instructional support personnel. (BDR [34-85]) S-85)

AN ACT ~~[relating to education; creating the Teachers' School Supplies Assistance Account; providing for an annual allocation from the Account to each school district and charter school for distribution to teachers for the purchase of certain school supplies;]~~ making an appropriation ~~[+]~~ to the Department of Education for the creation of a grant program to allow certain teachers and specialized instructional support personnel to obtain certain supplies or materials for classrooms or school operations; and providing other matters properly relating thereto.

~~[Legislative Counsel's Digest:]~~

~~— Before July 1, 2021, existing law established the Teachers' School Supplies Assistance Account in the State General Fund and authorized the money in the Account to be used to reimburse a teacher for out of pocket expenses incurred for necessary school supplies for pupils he or she instructs or to purchase such supplies directly in certain other ways. (former NRS 387.1252, 387.1255, 387.1257) The Account was abolished on July 1, 2021, which had the effect of eliminating the program that allowed for a teacher to be reimbursed for out of pocket expenses incurred for such supplies. (Section 80 of Senate Bill No. 543, chapter 624, Statutes of Nevada 2019, at page 4253) This bill recreates the Account and authorizes similar uses of the money in the Account.~~

~~— Section 3 of this bill creates the Teachers' School Supplies Assistance Account in the State General Fund. Section 4 of this bill requires the Department of Education to determine the amount of money available in the Account and to annually apportion the money available in the Account among the school districts and charter schools in this State, based on the number of teachers employed by each school district or charter school, as applicable, at \$500 per teacher per year.~~

~~— Section 4 also requires the board of trustees of each school district and the governing body of each charter school to establish a special revenue fund and deposit the money it receives from the Account in that fund. Section 4 further requires the money in the special revenue fund to be: (1) disbursed to teachers through various methods for the direct purchase of certain school supplies; or (2) used to reimburse teachers for out of pocket expenses incurred in connection with directly purchasing such supplies. Under section 4, a teacher who has used the entirety of his or her \$500 allotted disbursement is authorized to request an additional disbursement or reimbursement if there is money remaining in the special revenue fund because one or more teachers did not use the entire disbursement or reimbursement. Section 4 also requires the board of trustees of each school district or the governing body of a charter school, as applicable, to transfer any balance remaining in the special revenue fund that has not been committed for expenditure to the Account at the end of each fiscal year.~~

~~— Section 5 of this bill requires the board of trustees of each school district and the governing body of each charter school to determine the manner in which~~

~~to distribute the money received from the Account to the teachers, including whether the teachers will be authorized to use a credit card, debit card or purchasing card connected to the fund, or if they will be required to submit claims for reimbursement. Section 5 also requires a teacher who receives any money from the fund to repay to the fund, by the last day of the fiscal year, any amount of money that: (1) was not used; (2) was used to purchase something other than school supplies for the pupils the teacher instructs; or (3) exceeds the maximum amount authorized for each teacher in any fiscal year in section 4. Section 5 further requires the board of trustees of each school district and the governing body of each charter school to adopt a policy that establishes the manner in which disbursements or reimbursements from the fund will be accounted for.~~

~~Section 6 of this bill makes an appropriation from the State General Fund to the Teachers' School Supplies Assistance Account.~~

The combined total amount of a disbursement or reimbursement established pursuant to subsection 1 and an additional disbursement or reimbursement requested pursuant to this subsection for each teacher must not exceed \$1,000 per fiscal year.~~

Sec. 6. 1. There is hereby appropriated from the State General Fund to the ~~[Teachers' School Supplies Assistance Account created by section 3 of this act]~~ Department of Education the sum of \$10,000,000 ~~[—]~~ for the Other State Education Programs budget account for the purpose of creating a grant program to allow teachers and specialized instructional support personnel to obtain necessary supplies and materials for their classrooms or school operations, respectively.

2. Sec. 7. This act becomes effective on July 1, 2023.

Senator Dondero Loop moved the adoption of the amendment.

Remarks by Senator Dondero Loop.

Amendment No. 550 to Senate Bill No. 339 repeals the provisions of the bill and instead replaces them with language to create a grant program within the Department of Education to allow teachers and specialized instructional support personnel to obtain necessary supplies and materials for their classrooms or school operations respectively. Senate Amendment No. 550 allows the Department of Education to enter into an agreement with one or more organizations to administer a program to expend this grant funding.

Additionally, Senate Amendment No. 550 limits an organization that receives grant money from not expending more than \$500 per individual teacher or specialized instructional support

personnel unless money from a source other than the grant program money is available, which would allow the organization to expend money in excess of \$500.

Lastly, Senate Amendment No. 550 defines specialized instructional support personnel and requires any remaining balance from the General Fund appropriation to revert to the General Fund at the end of Fiscal Year 2025.

Amendment No. 548.

SUMMARY—Revises provisions governing the access of offenders to telecommunications devices. (BDR 16-261)

AN ACT relating to corrections; requiring the warden or manager of an institution or facility to make certain determinations concerning use of telecommunications devices by offenders; requiring the Director of the Department of Corrections to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for certain purposes; revising the definition of a telecommunications device to include certain tablets; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

With certain exceptions, existing law prohibits an offender from having access to a telecommunications device. Existing law authorizes an offender to use a telecommunications device to conduct certain visits and correspondence. Existing law also authorizes certain offenders to use telecommunications devices: (1) pursuant to an agreement with the Department of Corrections; or (2) in accordance with any regulations governing the use of such devices adopted by the Department of Corrections. Finally, existing law defines the term "telecommunications device" to include a telephone, a cellular telephone, a personal digital assistant, a transmitting radio or a computer with certain capabilities. (NRS 209.417)

This bill removes statutory provisions authorizing offenders to have access to a telecommunications device and instead: (1) requires the warden or manager of an institution or facility to determine which telecommunications devices, if any, are authorized for use by an offender; and (2) requires the Director of the Department to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for certain purposes. This bill requires such regulations to authorize an offender to possess, have in his or her custody or control and use an authorized telecommunications device for the purpose of: (1) conducting certain visits and correspondence; (2) appearing in court; (3) receiving medical care; (4) applying for or enrolling in a benefit from a governmental program; (5) performing legal research; (6) obtaining a diploma, degree, certificate or similar credential; ~~and~~ (7) taking a vocational assessment ~~[-]~~ ; and (8) communicating with an attorney. This bill authorizes the Director of the Department, with the approval of the Board, to adopt regulations authorizing an offender to possess, have in his or her custody or control and use an authorized telecommunications device for any purpose other than these specified purposes. The bill requires such regulations to: (1) prescribe requirements for determining whether a telecommunications device will be authorized for use by an offender; (2) prescribe the criteria for eligibility for an offender to use an authorized telecommunications device; (3) set forth the circumstances under which an offender is authorized to use such a device to access the Internet; and (4) prescribe standards for the use of such a device by an offender. Finally, this bill revises the definition of "telecommunications device" to include a tablet with certain capabilities.

SUMMARY—Revises provisions relating to the operation of certain motor vehicles on certain portions of a highway. (BDR 43-257)

AN ACT relating to vehicles; authorizing certain vehicles to drive on the paved shoulder of a highway under certain circumstances; revising provisions governing the acts required of a driver of a vehicle upon the immediate approach of certain emergency or official vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

SUMMARY—Revises provisions governing the education of pupils who are children of military personnel. (BDR 34-524)

AN ACT relating to education; revising provisions relating to the enrollment of pupils in charter schools; requiring school districts, charter schools and university schools for profoundly gifted pupils to take certain measures to accommodate a pupil who plans to transfer to the school district or school or leave the school district or school because of the documented pending military transfer of a parent or guardian; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a charter school to give preference in enrollment to certain children before enrolling children who are otherwise eligible for enrollment. (NRS 388A.456) Section 1 of this bill authorizes a charter school to give the same preference to a child who has a parent or legal guardian who is a member of the military.

The Interstate Compact on Educational Opportunity for Military Children requires member states, including Nevada, to take certain measures to facilitate the enrollment and continued education of pupils who are children of military families and who transfer into this State. (NRS 388F.010) Existing law also requires the superintendent of a school district or his or her designee to make reasonable efforts to accommodate a pupil who transfers to a public school in the district due to the military transfer of the parent or legal guardian of the pupil. (NRS 388F.070) ~~This~~ Section 1.5 of this bill additionally requires the governing body of a charter school or university school for profoundly gifted pupils to make such reasonable efforts. ~~This bill~~ Section 1.5 requires those reasonable efforts to include authorizing such a pupil to enroll in the school and participate in any application or lottery process necessary to be eligible for such enrollment: (1) at the same time as pupils who reside in the school district or near the charter school or university school, as applicable; and (2) in the same manner as pupils who reside in the school district or near the charter school or university school, as applicable, or remotely using electronic means, regardless of whether such means are generally authorized for other pupils. ~~This bill~~ Section 1.5 authorizes such a pupil to: (1) use the address of a military installation to which a parent or legal guardian of the pupil has a documented pending military transfer as the address of the pupil for all purposes relating to enrollment until the pupil notifies the public school of the actual address at which the pupil will reside in the appropriate attendance area; and (2) specify an additional address solely for the purpose of receiving

correspondence. ~~[This bill]~~ Section 1.5 also requires the superintendent of a school district or the superintendent's designee or the governing body of a charter school or university school for profoundly gifted pupils to make reasonable efforts to accommodate a pupil who plans to leave the school during the school year because of the documented pending military transfer of the parent or legal guardian of the pupil. ~~[This bill]~~ Section 1.5 requires those efforts to include: (1) authorizing and assisting the pupil to complete the requirements for the current school year through a program of distance education, if such a program is available; and (2) cooperating with any school or school district to which the pupil plans to transfer. ~~[This bill]~~ Section 1.5 requires a pupil who enrolls in a public school, charter school or university school for profoundly gifted pupils for all or part of a school year pursuant to the provisions of this bill to provide proof of residency before the beginning of the next school year if the pupil plans to enroll in the school for the next school year.
