

THE ONE HUNDRED-TWENTIETH DAY

CARSON CITY (Monday), June 5, 2023

Senate called to order at 10:20 a.m.

President Anthony presiding.

Roll called.

All present.

Prayer by Senator Scott Hammond.

Our kind and gracious heavenly Father, we, a few of Thy servants, are gathered this morning in this on the last day of this 82nd Session of the Legislature. As we reflect upon the last 119 days, we pray this last day for a few things. Father, we know there are a few ways we can approach this day and, in truth, approach our lives. That is, either we can bring with us a spirit of contention, or we can seek after the spirit which would guide us to be what, in the Scriptures, is described as a peacemaker: someone who seeks after an enlightened state in which we can all find common ground.

I pray for that this morning as we interact with each other throughout this day, that the strife and civil unrest that occurs often throughout our lives, in this nation and throughout the world, be pushed aside as we try to find the ability to be charitable to one another and that charity lead to the ability to be truly peacemakers as we interact with one another. To be true disciples, we need to find that way in which we can peacefully interact and find a way to talk nicely in front of and behind other people's backs, sometimes, about somebody's good qualities and their endeavoring to do right for others.

We may not have all the answers, but if we talk to others, we might be able to find those. I pray this day that this will come to us, that our first thought will be one of true happiness with one another. Father, we pray that we will be able to listen with our hearts to the people who stand opposite of our position on things. Help us to find that inner peace with what we are doing and who we are around.

This prayer this morning, in the Name of Jesus Christ,

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

1. OFFICERS AND EMPLOYEES

DUTIES OF OFFICERS

Rule No. 1. President.

The President shall take the chair and call the Senate to order precisely at the hour appointed for meeting, and if a quorum is present shall cause the Journal of the preceding day to be read. The President shall preserve order and decorum, and in case of any disturbance or disorderly conduct within the Senate Chamber, shall order the Sergeant at Arms to suppress it, and may order the arrest of any person creating any disturbance within the Senate Chamber. The President may speak to points of order in preference to members, rising from the President's seat for that purpose, and shall decide questions of order without debate, subject to an appeal to the Senate by two members, on which appeal no member may speak more than once without leave of the Senate. The President shall sign all acts, addresses and joint resolutions, and all writs, warrants and subpoenas issued by order of the Senate; all of which must be attested by the Secretary. A member who is serving as the presiding officer has all the power and shall discharge all the duties of the President until the absence or inability which resulted in the member serving as the presiding officer has ended.

2. When the President pro Tempore or another member is serving as the presiding officer, the President pro Tempore or other member may vote on any question for which he or she is otherwise qualified to vote as a member. If the Senate is equally divided on the question, the President pro Tempore or other member may not give an additional deciding vote or casting vote pursuant to Senate Standing Rule No. 31 or Section 17 of Article 5 of the Nevada Constitution.

5. *The Standing Rules of the Senate set forth herein shall remain in full force and effect throughout the interim between regular sessions of the Legislature and until new Standing Rules of the Senate are adopted as part of the organization of a newly-constituted Senate at the commencement of a session, unless a conflict exists with a rule adopted by the Senate for a special session occurring between regular sessions.*

The next rule is 10.

II. SESSIONS AND MEETINGS

Rule No. 10. *Time of Meeting.*

1. *Except as otherwise provided in subsection 2, the President shall call the Senate to order each day of sitting at 11:00 o'clock a.m., unless the Senate has adjourned to some other hour.*

2. *In the event an emergency occurs during a regular or special session of the Legislature which requires a meeting of the Senate, the Majority Leader shall call the members back to order before the hour to which the Senate has adjourned.*

Rule No. 11. *Call of Senate—Moved by Three Members.*

A Call of the Senate may be moved by three Senators, and if carried by a majority of all present, the Secretary shall call the roll and note the absentees, after which the names of the absentees shall again be called over. The doors shall then be closed and the Sergeant at Arms directed to take into custody all who may be absent without leave, and all Senators so taken into custody shall be presented at the bar of the Senate for such action as to the Senate may seem proper.

Rule No. 12. *Absence—Leave Required.*

No Senator shall absent himself or herself from the service of the Senate without leave, except in case of accident or sickness, and if any Senator or officer shall so absent himself or herself, the per diem of the Senator shall not be allowed to him or her.

Rule No. 13. *Open Meetings.*

1. *Except as provided in the Constitution of the State of Nevada and in subsection 2, all meetings of the Senate and its committees must be open to the public.*

2. *A Senate committee meeting may be closed to consider the character, alleged misconduct, professional competence, or physical or mental health of a person.*

Rule No. 14. *Convening of Senate between Legislative Sessions.*

1. *The Senate may be convened at any time between sessions of the Legislature upon a petition signed by a majority of the members elected to the Senate to consider and take action on any matter that is solely and exclusively within the constitutional or inherent powers of the Senate, including, without limitation, any matter that may be considered and acted on by the Senate pursuant to its plenary and exclusive constitutional powers under Article 4, Section 6 of the Nevada Constitution or pursuant to its inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management.*

2. *A petition convening the Senate pursuant to this Rule must specify the matter that will be considered or acted on by the Senate, indicate a date for the Senate to convene and be transmitted to the Secretary of the Senate. Upon receipt of one or more substantially similar petitions signed, in the aggregate, by a majority of the members elected to the Senate, the Secretary shall notify all members of the Senate that the Senate will be convened pursuant to this Rule and the date on which the Senate will be convened.*

3. *The Senate hereby finds and declares that:*

(a) *The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (Heller v. Legislature, 120 Nev. 456 (2004); Commission on Ethics v. Hardy, 125 Nev. 285 (2009); Mason's Manual of Legislative Procedure §§ 2-3 & 560-564 (2010) (Mason's Manual))*

(b) Article 4, Section 6 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (In re Chapman, 166 U.S. 661, 668 (1897); Mason's Manual § 2; Luther S. Cushing, Elements of the Law & Practice of Legislative Assemblies § 533 (1856) (Cushing's Legislative Assemblies))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (Cushing's Legislative Assemblies § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (Cushing's Legislative Assemblies § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (Ex parte McCarthy, 29 Cal. 395, 403 (1866))

The next rule is 20.

III. DECORUM AND DEBATE

Rule No. 20. Points of Order.

1. If any Senator, in speaking or otherwise, transgresses the rules of the Senate, the President shall, or any Senator may, call him or her to order. If a Senator is so called to order, he or she shall not proceed without leave of the Senate. If such leave is granted, it must be upon the motion, "That he or she be allowed to proceed in order," and the Senator shall confine himself or herself to the proposal under consideration and avoid personality.

2. Every ruling on points of order made by the President is subject to appeal, and a discussion of a question of order may be allowed only upon the appeal of two Senators. In all cases of appeal, the question must be, "Shall the ruling of the Chair stand as the judgment of the Senate?"

Rule No. 21. Breaches of Decorum.

1. In cases of breaches of decorum or propriety, any Senator, officer or other person is liable to such censure or punishment as the Senate may deem proper.

2. If any Senator is called to order for offensive or indecorous language or conduct, the person calling the Senator to order shall report the offensive or indecorous language or conduct to the presiding officer. No member may be held to answer for any language used on the floor of the Senate if business has intervened before exception to the language was taken.

3. Indecorous conduct or boisterous or unbecoming language is not permitted in the Senate Chamber.

Rule No. 22. Portable Electronic Communication Devices.

1. A person who is within the Senate Chambers shall not engage in a telephone conversation via the use of a portable telephone when the Senate is convened.

2. Before entering the Senate Chambers, any person who possesses a portable electronic communication device that emits an audible alert, such as a ringing or beeping sound, to signal

an incoming message or call, shall turn the audible alert off. A device that contains a nonaudible alert, such as a silent vibration, may be operated in a nonaudible manner within the Senate Chambers.

Rule No. 23. Committee on Ethics; Legislative Ethics.

1. The Committee on Ethics consists of:

(a) Two members of the Senate appointed by the Majority Leader from the majority political party;

(b) One member of the Senate appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Majority Leader and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

✦ Not more than four members of the Committee may be members of the same political party.

2. The Majority Leader shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific proposal.

3. The Majority Leader shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific proposal, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific proposal.

4. A member of the Committee is disqualified to serve during the consideration of a specific proposal if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Majority Leader or the Minority Leader appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. The Committee:

(a) May hear requests brought by Senators for advice on specific questions of potential breaches of ethics and conflicts of interest; and

(b) Shall hear complaints brought by Senators and others on specific questions of alleged breaches of ethics and conflicts of interest, including, without limitation, alleged breaches of the Legislative Code of Ethical Standards in the Joint Standing Rules.

8. All proceedings held by the Committee to consider the character, alleged misconduct, professional competence or physical or mental health of any person on matters of ethics or conflicts of interest and all materials related to those proceedings are confidential, unless the person who is the subject of the proceedings requests a public hearing or discloses the content of the proceedings or materials.

9. An individual may file a complaint which alleges a breach of ethics or a conflict of interest, including, without limitation, an alleged breach of the Legislative Code of Ethical Standards in the Joint Standing Rules. If the alleged breach of ethics or conflict of interest involves the conduct of more than one person, separate complaints must be filed regarding each person. A complaint must be:

(a) Made in writing on a form provided by the Legislative Counsel;

(b) Signed and verified under penalty of perjury by the individual making the allegation; and

(c) Filed with the Legislative Counsel who shall review the complaint and any other relevant information and consult with the Chair of the Committee or, if the Chair is the subject of the

complaint, with the Vice Chair, to evaluate whether the Committee has jurisdiction and whether an investigation is warranted in the matter. If it is determined that the Committee:

(1) Does not have jurisdiction or that an investigation is not warranted in the matter, the Legislative Counsel shall send written notice of the determination to the individual who filed the complaint.

(2) Has jurisdiction and an investigation is warranted in the matter, the Legislative Counsel shall send written notice of the determination and a copy of the complaint to the person who is the subject of the complaint.

10. Each Legislator is subject, at all times, to the Legislative Code of Ethical Standards in the Joint Standing Rules and, in addition, must determine whether he or she has a conflict of interest upon any matter in question before the Legislator. In determining whether the Legislator has such a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

- (a) Acceptance of a gift or loan;
- (b) Private economic interest; or
- (c) Commitment to a member of his or her household or immediate family.

➤ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Senate, as applicable. Such a disclosure must be entered:

(a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.

(b) If the Legislator makes the disclosure on the floor of the Senate, in the Journal.

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the Senate, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

- (a) The conflict impedes his or her independence of judgment; and
- (b) His or her interest is greater than the interests of an entire class of persons similarly situated.

14. The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:

- (a) Prohibit a Legislator from requesting or introducing a legislative measure; or
- (b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. The standards and procedures set forth in this Rule which govern whether and to what extent a Senator has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the Senator has a conflict

of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to Senators with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters, except that this subsection does not exempt any Senators from the Legislative Code of Ethical Standards in the Joint Standing Rules.

17. For purposes of this Rule, "immediate family" means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

The next rule is 30.

IV. QUORUM, VOTING, ELECTIONS

Rule No. 30. Recorded Vote—Three Required to Call For.

1. A recorded vote must be taken upon final passage of a bill or joint resolution, and in any other case when called for by three members. Every Senator within the bar of the Senate shall vote "yea" or "nay" or record himself or herself as "not voting," unless excused by unanimous vote of the Senate. A Senator who records himself or herself as "not voting" must make a full and complete disclosure of a conflict of interest pursuant to Senate Standing Rule No. 23.

2. The votes and names of those absent or recorded as "not voting" and the names of Senators demanding the recorded vote must be entered in the Journal.

Rule No. 31. President to Decide—Tie Vote.

A question is lost by a tie vote, but when the Senate is equally divided on any question except the passage of a bill or joint resolution, the President may give the deciding vote.

Rule No. 32. Manner of Election—Voting.

1. In all cases of election by the Senate, the vote must be taken viva voce. In other cases, if a vote is to be recorded, it may be taken by oral roll-call or by electronic recording.

2. When a recorded vote is taken, no Senator may:

(a) Vote except when at his or her seat;

(b) Explain his or her vote or discuss the question while the voting is in progress; or

(c) Change his or her vote after the result is announced.

3. The announcement of the result of any vote must not be postponed.

The next rule is 40.

V. LEGISLATIVE BODIES

Rule No. 40. Standing and Select Committees.

1. Except as otherwise provided in Senate Standing Rule No. 23, the Majority Leader shall appoint all standing and select committees and shall determine the majority-minority party composition of all standing and select committees. Appointments to committees shall be made by the Majority Leader for the majority party members and by the Minority Leader for the minority party members. The Majority Leader shall designate the Chair and Vice Chair of all standing and select committees.

2. The Majority Leader shall refer prefiled bills and resolutions to committee, subject to ratification by a majority vote of the Senate once the Senate is organized and ready for business.

Any minutes required to be kept pursuant to this subsection must comply with the provisions of subsection 12.

(b) Approved by the chair of a committee, other than the Committee of the Whole, and uses any electronic, digital or other similar technology to enable a member of the Senate from a remote location to attend, participate, vote and take any other action in any proceedings of the committee even though the member is not physically present at a meeting of the committee.

2. Upon request by a member of the Senate:

(a) Except as otherwise provided in this paragraph, the Majority Leader may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the Senate or the Committee of the Whole if the Majority Leader determines that exceptional circumstances warrant such use by the member. If the Majority Leader grants such authorization:

(1) It must be entered in the Journal of the Senate.

(2) A member who uses a remote-technology system to attend or participate in a proceeding of the Senate may not vote on any matter on which a vote is taken in that proceeding unless the member is using the remote-technology system to attend or participate in the proceeding from a location in this State.

(b) The chair of a committee, other than the Committee of the Whole, with the approval of the Majority Leader, may authorize the member to use a remote-technology system to attend, participate, vote and take any other action in any proceedings of the committee if the chair and the Majority Leader determine that exceptional circumstances warrant such use by the member. If the chair grants such authorization, it must be entered in the records of the committee.

3. Except as otherwise provided in subparagraph (2) of paragraph (a) of subsection 2, if a member of the Senate uses a remote-technology system to attend, participate, vote and take any other action in any proceedings pursuant to this Rule, the member shall be deemed to be present and in attendance at the proceedings for all purposes.

4. For the purposes of voting in proceedings of:

(a) The Committee of the Whole, the Secretary of the Senate, or an authorized assistant, shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the Senate, cause the member's vote to be entered into the record for the purposes of the records of the Committee of the Whole.

(b) A committee, other than the Committee of the Whole, the committee secretary shall call the roll of each member who is authorized to use a remote-technology system for the proceedings and, in accordance with the procedures of the committee, cause the member's vote to be entered into the record for the purposes of the records of the committee.

5. Except as otherwise provided in subsection 7 of Senate Standing Rule No. 53, this Rule supersedes, takes precedence and controls over any other rule, provision or principle of law to the extent of any conflict with this Rule.

6. The Senate hereby finds and declares that:

(a) The Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 2-3 & 560-564 (2010) (*Mason's Manual*))

(b) Section 6 of Article 4 of the Nevada Constitution invests each House with plenary and exclusive constitutional powers to determine the rules of its proceedings and to govern, control and regulate its membership and its internal organization, affairs and management, expressly providing that: "Each House shall judge of the qualifications, elections and returns of its own members, choose its own officers (except the President of the Senate), determine the rules of its proceedings and may punish its members for disorderly conduct, and with the concurrence of two thirds of all the members elected, expel a member."

(c) In addition to its plenary and exclusive constitutional powers, each House possesses certain inherent powers of institutional self-protection and self-preservation to govern, control and regulate its membership and its internal organization, affairs and management. (*In re Chapman*, 166 U.S. 661, 668 (1897); *Mason's Manual* § 2; Luther S. Cushing, *Elements of the*

Law & Practice of Legislative Assemblies § 533 (1856) (Cushing's Legislative Assemblies))

(d) The inherent powers of each House are considered "so essential to the authority of a legislative assembly, that it cannot well exist without them; and they are consequently entitled to be regarded as belonging to every such assembly as a necessary incident." (Cushing's Legislative Assemblies § 533)

(e) The inherent powers of each House authorize it to take all necessary and proper institutional actions that are "recognized by the common parliamentary law." (Cushing's Legislative Assemblies § 684)

(f) Thus, it is well established that each House is "vested with all the powers and privileges which are necessary and incidental to a free and unobstructed exercise of its appropriate functions. These powers and privileges are derived not from the Constitution; on the contrary, they arise from the very creation of a legislative body, and are founded upon the principle of self-preservation." (Ex parte McCarthy, 29 Cal. 395, 403 (1866))

(g) Under the Nevada Constitution, there are no constitutional provisions establishing a particular method for determining whether a member of either House is present at legislative proceedings.

(h) The United States Supreme Court has held that when there are no constitutional provisions establishing a particular method for determining whether a member of a legislative house is present at legislative proceedings, "it is therefore within the competency of the house to prescribe any method which shall be reasonably certain to ascertain the fact." (United States v. Ballin, 144 U.S. 1, 6 (1892))

(i) The United States Supreme Court has also held that when a legislative house adopts a rule establishing a reasonable method for determining whether a member is present at legislative proceedings, that rule must be given great deference by the courts because:

Neither do the advantages or disadvantages, the wisdom or folly, of such a rule present any matters for judicial consideration. With the courts the question is only one of power. The constitution empowers each house to determine its rules of proceedings. It may not by its rules ignore constitutional restraints or violate fundamental rights, and there should be a reasonable relation between the mode or method of proceeding established by the rule and the result which is sought to be attained. But within these limitations all matters of method are open to the determination of the house, and it is no impeachment of the rule to say that some other way would be better, more accurate, or even more just. It is no objection to the validity of a rule that a different one has been prescribed and in force for a length of time. The power to make rules is not one which once exercised is exhausted. It is a continuous power, always subject to be exercised by the house, and, within the limitations suggested, absolute and beyond the challenge of any other body or tribunal.

(United States v. Ballin, 144 U.S. 1, 5 (1892))

7. The Senate hereby exercises its constitutional and inherent powers and privileges and adopts this Rule to:

(a) Govern, control and regulate its membership and its internal organization, affairs and management;

(b) Ensure its institutional self-protection and self-preservation; and

(c) Establish a reasonable method for determining whether a member of the Senate is present at legislative proceedings during exceptional circumstances.

The next rule is 140.

RESOLVED, That this resolution becomes effective upon adoption.

Remarks by Senators Hansen, Cannizzaro, President Anthony, Senator Seevers Gansert.

SENATOR HANSEN:
Roll call vote, please.

SENATOR CANNIZZARO:
Before we get there—

PRESIDENT ANTHONY:
Senator Hansen?

SENATOR HANSEN:
Roll call vote, please.

SENATOR CANNIZZARO:
No—Mr. President?

PRESIDENT ANTHONY:
Senator Cannizzaro.

SENATOR CANNIZZARO:
Thank you, Mr. President. Point of order. I think that we need some discussion on the motion.

PRESIDENT ANTHONY:
Does anyone want to make any remarks? Senator Cannizzaro.

SENATOR CANNIZZARO:
Senate Resolution No. 8 helps to change some policies and procedures to allow for the Senate to better coordinate with the Assembly and to conform with some of their rules. This ensures that the Legislature is more accessible to the public. This particular resolution, Senate Resolution No. 8, makes changes to certain Senate rules that bring uniformity between the rules of the Senate and the Assembly.

There is Senate Rule No. 3 to clarify that the Secretary of the Senate has custody of all bills, resolutions, petitions, papers and other documents. Senate Rule No. 14 matches Assembly Rule No. 12 to establish procedures for the Senate to exercise its inherent constitutional power to convene in between sessions to consider and take action on a matter that is just within the sole discretion of the Senate, which would include the affairs and management of the Senate and internal organization. Senate Rule No. 22 is added to match Assembly Rule No. 21 to prohibit persons in the chamber from engaging in ongoing telephone conversations on cell phones when convened, and this rule provides that before entering the Senate Chamber, individuals—members of the chamber must put the phone on silent. This mirrors Assembly Rule No. 21. Senate Rule No. 51 is designed to match Assembly Rule No. 43 to establish procedures for concurrent referrals of bills and resolutions to two committees. Senate Rule No. 94 is amended to match Assembly Rule No. 141 to prohibit the Senate Chamber for being used for any public or private business other than legislative activity except by permission of the Senate. Senate Rule No. 99 is amended to match Assembly Rule No. 96 to prohibit peddling, begging and soliciting within the Senate Chamber and in the lobby, gallery and halls adjacent to the chamber. This will further prohibit certain types of advertisements within the chamber.

SENATOR HANSEN:
That may all be great, but we just got this package—a nice, thick package of rules—what, ten minutes ago? So all the things that the Majority Leader just said may be excellent, but I will absolutely vote "no" simply because as we have been doing with our bills, we have been getting all this stuff at the last minute: amendments that we have not seen; rule changes that we have not seen in the waning hours of the session. This is an absolute embarrassment to the citizens of the State of Nevada, the way we have been doing so much of this stuff where it is last minute where we do not even have the bills printed; we do not have the amendments in time. Now, we are

going to be rushing all these, what, 200 bills or more through today on General File, most of which we have not had the opportunity to vet properly.

So this, I know, is just about Senate Resolution No. 8, but I am going to vote "no" and encourage my colleagues to vote "no" as well. The procedure is out of control and is frankly not right when you are making rules that effect more than 3 million human beings. So I am urging my colleagues to vote "no," and I am calling for a roll call on this one.

SENATOR SEEVERS GANSERT:

A copy of this was distributed to our caucus about three weeks ago, and we had some discussions with staff about this. We have not seen it in the chamber, and I guess I need assurances this is the same document that was passed out to us about three weeks ago that Mr. Bucy went over, and we had some questions for legal counsel as well. I know it has been very chaotic because it seems like everything is getting dropped on us, which some things are just getting dropped here. But this was provided to us, a copy, so we could look at it and examine it earlier, but this is the first time we have seen it on the floor.

SENATOR CANNIZZARO:

To my colleague from Senate District 15's question, yes, this is the exact same document that has been distributed for quite some weeks.

PRESIDENT ANTHONY:

Any other remarks?

Senator Hansen, have you requested a roll call vote?

SENATOR HANSEN:

No. I apparently was in error on that, so I do apologize to my colleagues. However, this is the first time I have seen it. It may be just a rising level of frustration. In the last days of the session, that is just one of dozens of amendments that are being piled on top of us, bills we have not seen and so forth. So I will withdraw my request on behalf of the Minority Leader, but I want to make it clear though that there is obviously a mad rush that is inappropriate considering, I do not know, how many Fridays we took off around this place when we should have been here doing our business. Now, we see this ridiculous last-minute crush, and frankly we are not properly doing this process. So I will withdraw my request for a roll call on behalf of the Minority Leader's request.

SENATOR CANNIZZARO:

I did, in fact, share this with my colleague from Senate District 15 and to my colleague from Senate District 14. This was something that we had intended to do. Unfortunately, there was some intervening events in my own personal life that then rendered this to fall towards a lower list. I apologize that we are doing it today, but I was busy bringing a human into the world.

Resolution adopted.

By Senator Cannizzaro:

Senate Resolution No. 9—Expressing appreciation to the staff of the Senate for their service during the 82nd Session of the Nevada Legislature.

WHEREAS, The Senate of the 82nd Session of the Nevada Legislature elected Brendan Bucy to serve as Secretary of the Senate for the first time; and

WHEREAS, The Secretary of the Senate is responsible for employing all of the staff of the Senate, including the Sergeants at Arms, Front Desk Clerks, Administrative Services Staff, Leadership Officers, Legislative Assistants, Committee Managers, Committee Secretaries and Proofreaders; and

WHEREAS, Many of the dedicated members of the staff of the Senate return to work each legislative session, some of whom have retired from other governmental service, bringing a vast amount of knowledge and experience, while others bring talent and expertise from a myriad of diverse backgrounds; and

WHEREAS, Throughout the legislative session, the Secretary and staff of the Senate

meticulously maintained a thorough and accurate record of all of the proceedings of the Senate and its Committees and diligently ensured that all of the needs of the members of the Senate were met; and

WHEREAS, The talented staff who worked for the Senate during the 82nd Session of the Nevada Legislature carried out their responsibilities with ingenuity, enthusiasm and resourcefulness; and

WHEREAS, The exemplary service of the staff of the Senate, their professional attitudes, selfless commitment to excellence and admirable efficiency enabled the Senate to complete a daunting quantity of work within the rigorous scheduling deadlines of the 120-day legislative session; now, therefore, be it

RESOLVED BY THE SENATE OF THE STATE OF NEVADA, That the members of the Senate do hereby express their sincere appreciation to the Secretary of the Senate and all of the outstanding members of the staff of the Senate and commend their dedication, cooperation, excellent work and willingness to serve the State; and be it further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to each member of the staff of the Senate; and be it further

RESOLVED, That this resolution becomes effective upon adoption.

Senator Cannizzaro moved the adoption of the resolution.

Remarks by Senators Cannizzaro and SeEVERS Gansert.

SENATOR CANNIZZARO:

I wanted to just express, I think, what is a deep appreciation and gratitude towards our phenomenal staff, who have kept us working this entire legislative session, through late nights, early mornings, afternoons, evenings and I think just about every other place in between. From everyone here at the Front Desk to our Sergeant at Arms, our IT staff, who are working diligently to get us back up and running on the screen today, to everyone in this building who works for the Legislative Counsel Bureau, Legal, Research, Fiscal, Administrative do work every single day to make sure that this building can operate and that we can serve the people of Nevada. Frankly, the 21 of us in this chamber and the 42 of our colleagues in the chamber across the way, as lovely as many of them are, we just cannot do this alone. This is not something that happens without all of you. So I just wanted to express our sincere and heartfelt "thank you."

Even though we might not say it in the day-to-day or every hour, even though there may be many of us who have purchased boxes of thank you cards intended to be distributed out and maybe never made it to your desks, we do think of you on a daily basis and I think overwhelmingly have just a lot of appreciation and gratitude for everything. It has been a wonderful session working with everybody, and like always, I am amazed by your ability to do what you all do every single day. So I just wanted to express a "thank you" and would urge all of my colleagues who I know in their hearts feel exactly the same way to say a huge "thank you" to everyone here with us and everyone who is listening to us online. All the staff who keep us going, you really are the heart and soul of this institution, and we could not do the work without you. So thank you.

SENATOR SEEVERS GANSERT:

I completely concur with the Majority Leader; I like to say that every now and then. We are so grateful for everything that you do, and you know, the last weeks are always really difficult, as are deadlines. You make sure this place works, even when we have technical difficulties, and we have things that do not match up and the agendas are not ready. This is to all of you here, but I am also speaking to our Legal staff for making sure we get the amendments done. And to Fiscal staff who work day and night, I mean, we show up in the morning and all the stuff is balanced and ready to go again. I do not know how they do it, if they have some elves somewhere. I asked one of them. I asked Cathy Crockett the other day, "Who is working on the work session documents because you are here doing this, and you are reading information so we can hear the bills?" Literally, they each are typing the work session documents as we are hearing the bills so that things are ready to go because of the speed at which we have to turn things in this building.

So Legal, Research, Fiscal, our Audit division, just everyone does an amazing job. I mentioned yesterday the people who take care of the building. Those who make sure that we are fed, so our Sergeant at Arms, the team here, and you know, those folks taking pictures and making sure that everyone who appears on this floor has a notion of what this means, how powerful it is here and how important this is. So you help us convey how important this place is and the level of decorum that we require, and how we treat each other respectfully, how we work together, how we try to find common ground. So thank you for being the backbone of this place.

Resolution adopted.

By Committee on Legislative Operations and Elections.

Assembly Concurrent Resolution No. 8—Granting administrative leave to legislative employees in recognition of their service to the 82nd Session of the Nevada Legislature.

WHEREAS, The staff of the Nevada Legislature and the Administrative, Audit, Fiscal Analysis, Legal and Research Divisions of the Legislative Counsel Bureau provide services to the Legislature which are vital to an efficient and productive session of the Nevada Legislature; and

WHEREAS, The additional employees hired specifically for the legislative session also provide essential services with dedication, competence and enthusiasm throughout the long days of the session; and

WHEREAS, Extraordinary demands are routinely placed on legislative employees as a result of the time constraints of the 120-day limitation on the length of the legislative session, and the entire legislative staff has demonstrated their amazing work ethic and ability to overcome obstacles, meet deadlines, assist legislators, exhibit patience, flexibility and dedication; and

WHEREAS, Former Assemblyman Bob Price and Former Senator Debbie Smith had a tradition of introducing legislation to allow the Legislature to recognize the hard work and dedication of legislative employees by granting administrative leave following each legislative session; and

WHEREAS, In keeping with that tradition, the members of the 82nd session of the Nevada Legislature do hereby recognize and express their sincere gratitude for the outstanding effort made by the permanent employees of the Legislature and Legislative Counsel Bureau and by all other employees hired temporarily for the legislative session; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That 5 days of administrative leave are hereby granted to each:

1. Permanent employee of the Legislature and Legislative Counsel Bureau who is employed on the last day of session; and

2. Employee of the Legislature and Legislative Counsel Bureau hired temporarily for the legislative session who:

- (a) Is employed by the Legislature or Legislative Counsel Bureau on the last day of this session; and

- (b) If requested to do so by the employee's supervisor, remains in that employment after the last day of this session until all tasks assigned to the employee during the session are completed; and be it further

RESOLVED, That this resolution becomes effective upon adoption.

Senator Cannizzaro moved the adoption of the resolution.

Remarks by Senators Cannizzaro and SeEVERS Gansert.

SENATOR CANNIZZARO:

Assembly Concurrent Resolution No. 8 grants administrative leave—and I believe it is five days—to staff within the Legislative Council Bureau including Administrative, Legal, Research, Fiscal, and I am sure I am forgetting a few other folks—permanent staff within the Legislature—in recognition of the really long hours and service that is given to this institution, to our very facet of government and to this body each and every day. I think that is probably the

least that we can do around here to say "thank you" in a real way that hopefully gives some time for rest, family and friends and the things that make this life and the things that we do in it so much more enjoyable. It is an opportunity to focus on that which keeps us going in the late hours. So I just—again, a huge "thank you" and hopefully a token of appreciation that will be meaningful and will allow for some rejuvenation to help make sure that, you know, it is not all work and no play amongst our lives. So I just want to again say "thank you" and urge my colleagues' support.

SENATOR SEEVERS GANSERT:

I, too, urge support of Assembly Concurrent Resolution No. 8, I think it is. We do not have it up here, but you know, being able to provide some time to our staff is critical. I think everybody, again, has worked so hard, and going back to the appreciation, everybody deserves some time off after this. We are hoping to make sure things go more smoothly today. I hope you all can get your five days in, make the best of it with your family and friends.

Sections 19-25 and 33 of this bill authorize the board of trustees of a school district, the governing body of a public or private school and the administrator of a private school to use a substantiated report of a violation of section 2 for purposes of making certain employment decisions and certain other purposes. (NRS 288.150, 388A.515, 388A.5342, 388C.200, 391.033, 391.104, 391.281, 394.155)

Existing law requires the Superintendent of Public Instruction to grant all licenses for teachers and other educational personnel. (NRS 391.033) Section 23 of this bill requires the Superintendent to suspend the application process for an applicant for licensure against whom a substantiated report of a violation of section 2 is made and take certain other actions related to the report.

Existing law authorizes the State Board of Education to suspend or revoke a license issued by the Superintendent if the licensee is convicted of certain ~~[sex]~~ offenses or a substantiated report of certain prohibited conduct is made against the licensee. (NRS 391.330) Section 26 of this bill: (1) adds a violation of section 2 to the list of ~~[sex]~~ offenses for which the State Board may suspend or revoke a license; and (2) authorizes the State Board to suspend or revoke the license of a person against whom a substantiated report of a violation of section 2 is made. Existing law authorizes the State Board to bill an employee for certain expenses related to a disciplinary hearing if the hearing results from a recommendation to revoke or suspend a license based upon certain convictions described in section 26. (NRS 391.355) Section 26.5 of this bill adds a conviction of a violation of section 2 to the list of hearings for which the State Board may bill an employee.

Existing law authorizes the board of trustees of a school district or the governing body of a public school to suspend, dismiss, demote or refuse to employ a teacher or administrator for immorality. (NRS 391.650, 391.750) Existing law also authorizes the superintendent of a school district to suspend a licensed employee who has been charged but not yet convicted of a crime involving immorality. (NRS 391.760) Sections 27 and 28 of this bill add a violation of section 2 to the list of immoral acts for which such action may be taken. Section 28 also provides that a licensed employee who is convicted of a violation of section 2 forfeits all rights of employment after the date of his or her arrest.

Legislative Counsel's Digest:

Existing law requires a landlord and a tenant to perform certain obligations with respect to a lease of real property. (NRS 118A.240-118A.300) As part of a lease of real property, a landlord may require a tenant to pay a security deposit, defined as a payment, deposit, fee or charge used by the landlord to: (1) remedy a default in the payment of rent by the tenant; (2) repair damage to the premises other than normal wear; and (3) clean the dwelling unit. (NRS 118A.240, 118A.242) Section 5 of this bill defines the term "security deposit" to mean a deposit made in cash or by any other acceptable manner to a landlord for any of the following purposes: (1) remedying any default of the tenant in the payment of periodic rent, including, without limitation, the cost of any fee for the late payment of rent; (2) repairing damage to the premises caused by the tenant other than normal wear; and (3) cleaning the unit. Section 28 of this bill repeals the existing definition of "security deposit."

Existing law requires a landlord to return a security deposit, or any remaining portion thereof, within 30 days after the termination of the tenancy and makes the landlord liable for certain amounts for failing to return the security deposit within this period. (NRS 118A.242) Section 15 of this bill requires a landlord to deliver an itemized, written accounting of the disposition of the security deposit or surety bond, or a combination thereof in certain circumstances; (2) prescribes how delivery of the itemized, written accounting must be effectuated by the landlord; and (3) makes the landlord liable for certain amounts for failing to deliver the itemized, written accounting. Section 15 also provides that in any action relating to an amount claimed of a security deposit for repairing damage to the premises caused by the tenant, the landlord has the burden of proving: (1) that the damage to the premises occurred during the tenancy; and (2) the actual costs of repair.

Existing law defines "normal wear" as deterioration which occurs without negligence, carelessness or abuse of the premises, equipment or chattels by the tenant, a member of the household of the tenant or another person on the

premises with the consent of the tenant. (NRS 118A.110) Section 11 of this bill revises the definition of "normal wear" to mean expected deterioration which occurs during the course of a tenancy from the normal use of the premises by such persons.

Existing law requires written rental agreements to contain certain provisions, including, without limitation, provisions concerning : (1) the amount of rent and the manner and time of its payment ~~[-]~~ ; and (2) fees which are required and the purposes for which they are required. (NRS 118A.200) Existing law authorizes a landlord to charge a reasonable fee for the late payment of rent. (NRS 118A.210) Section 12 of this bill ~~[additionally]~~ requires such rental agreements to include a grace period for the late payment of rent. Section 13 of this bill prohibits a landlord from charging the fee for the late payment of rent until the expiration of the grace period set forth in the rental agreement. Section 4 of this bill defines the term "grace period" for such purposes. Section 12 also ~~[requires certain information relating to fees, fines and costs to be: (1) disclosed in writing to the tenant before he or she enters into a written rental agreement or otherwise begins the tenancy; and (2) printed clearly and conspicuously on the first page of the written rental agreement or clearly and conspicuously disclosed within the addenda to the written rental agreement, if applicable, that must be signed by the landlord or his or her agent and the tenant or his or her agent.]~~ : (1) requires a written rental agreement to include a separate appendix that contains an explanation of each fee that may be charged during the term of the rental agreement and the purpose for which the fee may be charged; and (2) makes it unlawful for a landlord or other person authorized to enter into a rental agreement on his or her behalf to charge a tenant a fee in an amount or for any purpose that is not set forth in the appendix. Finally, section 12 requires a written rental agreement to also include a separate appendix that contains an explanation of the rights of the tenant pursuant to federal and state law and local ordinances.

Existing law places certain prohibitions on rental agreements. (NRS 118A.220) Section 14 of this bill prohibits rental agreements from requiring tenants to pay any fee, fine or cost except those which are: (1) authorized by statute; or (2) actual and reasonable. Sections 12, 19-21 and 24 of this bill make conforming changes relating to the limitations on fees, fines and costs.

Section 7 of this bill authorizes a landlord to charge a fee for the eviction of a tenant. ~~[Additionally, section] Section 6 of this bill [- (1) authorizes] requires a landlord [to charge a single fee to every prospective tenant] who [intends to occupy one dwelling unit; and (2) prohibits a landlord from charging a] collects from a prospective tenant any fee to apply to rent a dwelling unit to refund the fee if the landlord: (1) rents the dwelling unit to ~~[other]~~ a different prospective ~~[tenants who submit applications for occupancy of the same dwelling unit unless the initial application or applications, as applicable, for that dwelling unit have been denied.]~~ tenant;~~

and (2) does not conduct the activity for which the fee was collected. Section 6 further prohibits a landlord from collecting an application fee, a fee to obtain a credit report or a fee to obtain a background check for a minor who is a member of the household of the prospective tenant.

Section 8 of this bill prohibits a landlord from transferring, selling, assigning or reporting to certain agencies any amount owed by the tenant, unless the landlord first delivers to the tenant an itemized, written accounting of all outstanding amounts owed by the tenant. Section 8.5 of this bill requires any action for the enforcement of any provision of a rental agreement to be brought: (1) not later than 2 years after the termination of the tenancy; and (2) as a small claims action, if certain jurisdictional limits apply to the amount owed by the tenant.

Section 9 of this bill provides that if a landlord changes his or her agent, broker or property management company, the landlord or the new agent, broker or company is required to send certain information to the tenant within 10 business days after the change.

Existing law prohibits a landlord from increasing the rent of a tenant unless the tenant is served with advance notice of the increase. (NRS 118A.300) Section 18 of this bill similarly prohibits a landlord from increasing certain fees, fines and costs charged to the tenant unless the tenant is served with advance notice of the increase.

Existing law provides that if a tenant's failure to perform basic obligations can be remedied by cleaning and the tenant fails to comply with a request to remedy such failure in a timely manner, the landlord may enter the dwelling unit, cause the work to be done and bill the tenant. (NRS 118A.440) Section 22 of this bill deletes this provision of existing law.

Existing law requires a tenant to be served with certain notices relating to evictions. Existing law also provides that certain notices may be served by an agent of an attorney who is licensed in this State if: (1) the attorney has been retained by the landlord in certain actions; and (2) the agent is acting at the direction and under the direct supervision of the attorney. (NRS 40.280) In addition to the existing requirements concerning such agents, section 25 of this bill prohibits the agent from being employed as a property manager in this State.

Existing law authorizes a nongovernmental legal or commercial entity to be represented by its director, officer or employee in an action in small claims court. (NRS 73.012) Similarly, section 26 of this bill authorizes a landlord to be represented by his or her agent in a small claims action.

Section 26.5 of this bill provides that the amendatory provisions of this bill do not apply to a tenant of a dwelling unit that is a manufactured home, or on the premises of a manufactured home lot or a manufactured home park.

Finally, section 27 of this bill provides that a rental agreement entered into before the effective date of this bill is binding upon the parties and may be enforced on or after that date, regardless of whether the provisions of the rental agreement conflict with the amendatory provisions of this bill.

4. A tenant may not proceed under this section unless the tenant has given notice as required by subsection 1, except that the tenant may, without giving that notice:

Sec. 21. NRS 118A.380 is hereby amended to read as follows:

If the landlord is required by the rental agreement or this chapter to supply heat, air-conditioning, running water, hot water, electricity, gas, a functioning door lock or another essential item or service and the landlord willfully or negligently fails to do so, causing the premises to become unfit for habitation, the tenant shall give written notice to the landlord specifying the breach. (d) Procure other housing which is comparable during the landlord's noncompliance, and the rent for the original premises fully abates during this period. The tenant may recover the actual and reasonable cost of that other housing which is in excess of the amount of rent which is abated.

2. If the tenant proceeds under this section, the tenant may not proceed under NRS 118A.350 and 118A.360 as to that breach.

3. The rights of the tenant under this section do not arise until the tenant has given written notice as required by subsection 1, except that the tenant may, without having given that notice:

(a) Recover damages as authorized under paragraph (b) of subsection 1 if

the landlord:

(1) Admits to the court that the landlord had knowledge of the lack of such essential items or services; or

(2) Has received written notice of the uninhabitable condition caused by such a lack from a governmental agency authorized to inspect for violations of building, housing or health codes.

(b) Withhold rent under paragraph (c) of subsection 1 if the landlord:

(1) Has received written notice of the condition constituting the breach from a governmental agency authorized to inspect for violations of building, housing or health codes; and

(2) Fails to remedy or attempt in good faith to remedy the breach within the time prescribed in the written notice of that condition from the governmental agency.

4. The rights of the tenant under paragraph (c) of subsection 1 do not arise unless the tenant is current in the payment of rent at the time of giving written notice pursuant to subsection 1.

5. If such a condition was caused by the deliberate or negligent act or omission of the tenant, a member of his or her household or other person on the premises with his or her consent, the tenant has no rights under this section.

Sec. 22. NRS 118A.440 is hereby amended to read as follows:

118A.440 If the tenant's failure to perform basic obligations under this chapter can be remedied by repair ~~to~~ or replacement of a damaged item, ~~for cleaning,~~ and the tenant fails to use his or her best efforts to comply within 14 days after written notice by the landlord specifying the breach and requesting that the tenant remedy it within that period of time or more promptly if conditions require in case of emergency, the landlord may enter the dwelling unit and cause the work to be done in a workmanlike manner and submit the itemized bill for the actual and reasonable cost, or the fair and reasonable value of the work. Sec. 23. (Deleted by amendment.)

Sec. 24. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in

paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➡ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an

essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer,

the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

- (a) The tenant has vacated or been removed from the premises; and
- (b) A copy of those charges has been requested by or provided to the tenant,
➡ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

- (a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and
- (b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

- (a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and
 - (b) Award damages in an amount not greater than \$2,500.
10. In determining the amount of damages, if any, to be awarded under

paragraph (b) of subsection 9, the court shall consider:

- (a) Whether the landlord acted in good faith;
- (b) The course of conduct between the landlord and the tenant; and
- (c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable ~~{charge}~~ fee for late ~~{payments}~~ payment of rent ~~{or dishonored checks,}~~ or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in ~~{NRS 118A.240,}~~ *section 5 of this act*.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

Amendment No. 658.

SUMMARY—Revises provisions relating to pretrial release. (BDR 14-310)

AN ACT relating to criminal procedure; revising provisions relating to pretrial release hearings; authorizing a court to impose additional conditions of release on a person under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law requires a court to hold a pretrial release hearing to determine the custody status of a person within 48 hours after the person has

been taken into custody. However, existing law authorizes a court to continue such a pretrial release hearing if good cause is shown by a party. (NRS 178.4849) Section ~~1.1~~ 1.2 of this bill instead authorizes the court to continue a pretrial release hearing: (1) at the request of either party or the court and for good cause shown; or (2) upon stipulation of the parties. Section ~~1.1~~ 1.2 also : (1) prescribes certain requirements relating to the scheduling of a pretrial release hearing continued by the court ~~1.1~~ : (2) authorizes the prosecuting attorney, the defendant and the defendant's attorney to appear at a pretrial release hearing by any means of remote communication; and (3) authorizes a magistrate who presides over a pretrial release hearing to do so by means of remote communication.

Section 1 of this bill authorizes a district attorney and any attorney employed by a district attorney to prosecute a person in a county other than the county by which the district attorney is employed for the limited purpose of conducting a pretrial release hearing. Section 1 also provides that a public defender and the State Public Defender may, pursuant to an interlocal agreement, authorize the public defender, State Public Defender or any other attorney employed by the public defender or State Public Defender to provide for the representation of a defendant in a pretrial release hearing in any county. Finally, section 1 authorizes: (1) a district attorney, assistant district attorney, deputy district attorney or other attorney employed by a district attorney to receive a stipend for being available on a weekend or holiday to serve as the prosecuting attorney in a pretrial release hearing or for serving as the prosecuting attorney in any such pretrial release hearing conducted on a weekend or holiday; and (2) a public defender, the State Public Defender or any other attorney employed by the public defender or State Public Defender to receive a stipend for being available on a weekend or holiday to represent a defendant in a pretrial release hearing or for representing a defendant in any such pretrial release hearing conducted on a weekend or holiday.

Existing law provides that, with certain exceptions, in criminal cases the jurisdiction of a justice of the peace extends to the limits of the county of the justice of the peace. (NRS 4.370) Section 1.7 of this bill authorizes a justice of the peace, pursuant to an interlocal agreement, to conduct a pretrial release hearing in a municipal court.

Existing law sets forth the powers and duties of municipal courts. (NRS 5.050) Section 1.9 of this bill authorizes a municipal judge, pursuant to an interlocal agreement, to conduct a pretrial release hearing in a justice court.

Existing law provides that a court may only impose bail or a condition of release, or both, on a person if the imposition is the least restrictive means necessary to protect the safety of the community or to ensure the appearance of the person in court. Under existing law, if a person fails to comply with a condition of release imposed by the court, the court may, after providing the person with notice and an opportunity for a hearing: (1) deem such conduct

contempt; (2) increase the amount of bail; or (3) revoke bail and remand the person into custody. (NRS 178.4851) Section 1.5 of this bill authorizes the court to impose on a person who fails to comply with a condition of release such additional conditions of release as the court deems necessary to protect the safety of the community or to ensure the person will appear at the times and places ordered by the court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(a) Be deputized to prosecute a person in a county other than the county by which the attorney is employed for the limited purpose of serving as the prosecuting attorney in a pretrial release hearing required by NRS 178.4849. An assistant district attorney, deputy district attorney or other attorney employed by a district attorney must receive the approval of the district attorney of the county in which the attorney is employed before serving as the prosecuting attorney in a pretrial release hearing in a county other than the county by which the attorney is employed.

(b) Receive a stipend for being available on a weekend or holiday to serve as the prosecuting attorney in a pretrial release hearing required by NRS 178.4849 or for serving as the prosecuting attorney in any such pretrial release hearing conducted on a weekend or holiday.

3. A public defender, the State Public Defender or any other attorney employed by the public defender or State Public Defender may receive a stipend for being available on a weekend or holiday to represent a defendant in a pretrial release hearing required by NRS 178.4849 or for representing a defendant in any such pretrial release hearing conducted on a weekend or holiday.

2. The court may continue a pretrial release hearing ~~{may be continued}~~ :

(a) At the request of either party or the court and for good cause shown.

Such conditions of release may include, without limitation:

(a) Requiring the person to remain in this State or a certain county within this State;

2. A prosecuting attorney may request that a court impose bail or a condition of release, or both, on a person. If the request includes the imposition of bail, the prosecuting attorney must prove by clear and convincing evidence that the imposition of bail is necessary to protect the safety of the community or to ensure that the person will appear at all times and places ordered by the court, with regard to the factors set forth in NRS 178.4853 and 178.498.

3. If a court imposes bail or any condition of release, or both, other than

release on recognizance with no other conditions of release, the court shall make findings of fact for such a determination and state its reasoning on the record, and, if the determination includes the imposition of a condition of release, the findings of fact must include why the condition of release constitutes the least restrictive means necessary to protect the safety of the community or to ensure that the person will appear at the times and places ordered by the court.

4. A person arrested for murder of the first degree may be admitted to bail unless the proof is evident or the presumption great by any competent court or magistrate authorized by law to do so in the exercise of discretion, giving due weight to the evidence and to the nature and circumstances of the offense.

5. The person must sign a document before the person's release stating that:

(a) The person will appear at all times and places as ordered by the court releasing the person and as ordered by any court before which the charge is subsequently heard;

(b) The person will comply with the other conditions which have been imposed by the court and are stated in the document;

(c) If the person fails to appear when so ordered and is taken into custody outside of this State, the person waives all rights relating to extradition proceedings; and

(d) The person understands that any court of competent jurisdiction may revoke the order of release without bail and may order the person into custody or require the person to furnish bail or otherwise ensure the protection of the safety of the community or the person's appearance, if applicable.

6. The document signed pursuant to subsection 5 must be filed with the clerk of the court of competent jurisdiction and becomes effective upon the signature of the person to be released.

7. If a person fails to comply with a condition of release imposed pursuant to this section, the court may, after providing the person with reasonable notice and an opportunity for a hearing:

(a) Deem such conduct a contempt pursuant to NRS 22.010;

(b) *Impose such additional conditions of release as the court deems necessary to protect the safety of the community or to ensure the person will appear at the times and places ordered by the court;*

(c) Increase the amount of bail pursuant to NRS 178.499, if applicable; or

~~[(c)]~~ (d) Revoke bail and remand the person into custody.

8. If a person fails to appear as ordered by the court and a jurisdiction incurs any costs in returning a person to the jurisdiction to stand trial, the person failing to appear is responsible for paying those costs as restitution.

9. An order issued pursuant to this section that imposes a condition on a person must include a provision ordering a law enforcement officer to arrest the person if the law enforcement officer has probable cause to believe that

the person has violated a condition of release.

10. Nothing in this section shall be construed to require a court to receive the request of a prosecuting attorney before imposing a condition of release.

The following Assembly amendment was read:

Amendment No. 697.

SUMMARY—Revises the qualifications for membership on certain town advisory councils and boards. (BDR 21-857)

AN ACT relating to towns; eliminating the requirement that a member of a citizens' advisory council of a town or ~~for~~ certain town advisory ~~board~~ boards be a qualified elector; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in a county having a population of less than 100,000 (currently all counties other than Clark and Washoe Counties) which has not elected to accept the provisions of the Unincorporated Town

Government Law (NRS 269.500-269.625), the board of county commissioners may, under certain circumstances, by ordinance create a citizens' advisory council to act in an advisory and liaison capacity with respect to governing the affairs of an unincorporated town. (NRS 269.011, 269.024, 269.0242) Any such citizens' advisory council must consist of not fewer than three nor more than five members, each of whom must be a resident and qualified elector in the town. (NRS 269.0242) Section 1 of this bill eliminates the requirement that a member of such a citizens' advisory council be a qualified elector. Section 1 further requires that a member of such a citizens' advisory council be: (1) a resident of the town; and (2) a citizen of the United States or lawfully entitled to reside in the United States.

Existing law provides that the Unincorporated Town Government Law applies in a county having a population of 100,000 or more (currently Clark and Washoe Counties) and in any other county in which the board of county commissioners has adopted by ordinance, the Unincorporated Town Government Law. (NRS 269.530) Pursuant to the Unincorporated Town Government Law, the board of county commissioners must provide for a town advisory board in an ordinance which establishes an unincorporated town. Such a town advisory board must consist of three or five qualified electors who are residents of the unincorporated town. (NRS 269.576, 269.577) ~~[Sections]~~ Existing law further authorizes the board of county commissioners of any county, by resolution, to designate one or more town services to be within the power of a town advisory board to manage. (NRS 269.580) If the board of county commissioners has not made such a designation, sections 2 and 3 of this bill eliminate the requirement that a member of such a town advisory board be a qualified elector. Instead, sections 2 and 3 require that a member of such a town advisory board be: (1) a resident of the unincorporated town; and (2) a citizen of the United States or lawfully entitled to reside in the United States.

Section 4 of this bill makes a conforming change to revise the declaration of candidacy that must be filed by a candidate for the ~~office~~ position of a town advisory board ~~if the members of the town advisory board are not required to be qualified electors pursuant to sections 2 and 3 because the board of county commissioners has not designated one or more services to be within the power of the town advisory board to manage.~~

4. If the candidate executes an oath or affirmation under penalty of perjury stating that the candidate is unable to present to the filing officer the proof of residency required by subsection 3 because a street address has not been assigned to the candidate's residence or because the rural or remote location of the candidate's residence makes it impracticable to present the proof of residency required by subsection 3, the candidate shall present to the filing officer:

If the candidate cannot be served at that address, service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

7. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer:

(a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored; and

(b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

Legislative Counsel's Digest:

Existing federal law provides for individual retirement accounts and individual retirement annuities by which persons may save money for retirement under favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust under the direction of a board of trustees with the power to establish a similar program and to encourage private employees to establish such accounts.

Section 19 of this bill creates the Board of Trustees of the Nevada Employee Savings Trust and establishes its membership. Section 20 of this bill establishes certain powers and duties of the Board. In particular, section 20 authorizes and empowers the Board to: (1) design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt regulations, rules and procedures for the establishment and operation of the Program and to take such other actions necessary or desirable to establish and operate the Program.

Section 21 of this bill requires the State Treasurer to provide staff support to the Board within the limits of appropriations and authorizes the State Treasurer to provide administrative support to the Board.

Section 22 of this bill provides that an act or undertaking of the Board does not constitute a debt of the State of Nevada, or any political subdivision

thereof, or a pledge of the full faith and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely from the assets controlled by the Board. Section 22 also prohibits the Board from imposing any obligations on the State or pledging the credit of the State.

Section 23 of this bill establishes certain attributes that the Board must include in the Program, including: (1) that covered employers must automatically enroll all covered employees in the Program or in a similar program offered by a trade association or chamber of commerce, unless a covered employee opts out of the Program or, if applicable, the similar program offered by a trade association or chamber of commerce; (2) that contributions to a covered employee's Individual Retirement Account must be withheld from the employee's compensation at the rate set by the Board unless the employee elects not to contribute or to contribute at a different rate; (3) that a covered employee may withdraw contributions to meet a financial or other emergency; and (4) that the Board must prepare informational materials, disclosure statements, forms and instructions concerning the Program for distribution by covered employers to covered employees.

Section 24 of this bill creates the Nevada Employee Savings Trust Administrative Fund in the State Treasury, specifies the sources of money that must be deposited in the Fund and requires the Board to use money in the Fund solely to pay the administrative costs and expenses of the Board and the Program.

Section 25 of this bill authorizes the Board to borrow money or enter into certain long-term procurement contracts with financial providers until the Board determines that the Program is financially self-sustaining.

Section 26 of this bill creates the Nevada Employee Savings Trust as an instrumentality of the State and requires the Board to appoint a Trustee of the Trust. Section 26 requires that the assets of all Individual Retirement Accounts established by covered employees through the Program be allocated to the Trust and invested, managed and administered for the exclusive purposes of providing benefits to the covered employees and defraying the reasonable expenses of the Board, Program and Trust. Section 26 also establishes certain investment guidelines and practices.

Section 27 of this bill provides that, except to the extent necessary to administer the Program, personal information relating to individual participants in the Program and information relating to individual accounts established or maintained through the Program is confidential and must be maintained as confidential, unless the person who provides the information or is the subject of the information expressly agrees in writing to the disclosure of the information.

Section 28 of this bill provides a grant of immunity from civil liability to covered employers for the consequences of various decisions made by employees or the Board in connection with the Program, including, for example, an employee's decision to participate in or opt out of the Program,

an investment decision made by the participant or the Board or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. Section 28 also provides that a covered employer or other employer must not be deemed to be a fiduciary in relation to the Program.

Section 29 of this bill absolves the State and any employee or officer thereof, the Board and any member of the Board or employee thereof and the Program from any responsibility or civil liability for the actions of certain other persons in connection with the Program, including, for example, a person's failure to comply with provisions of the Internal Revenue Code, the payment of benefits or a loss, failure to realize a gain or other adverse consequence incurred by a person as a result of participating in the Program. Section 29 also provides that the debts, contracts and obligations of the Board, Program or Trust are not the debts, contracts and obligations of the State, and neither the faith and credit nor the taxing power of the State is pledged directly or indirectly to the payment of the debts, contracts and obligations of the Board, Program or Trust.

Section 30 of this bill provides that members of the Board, the Trustee and certain other persons involved in the administration of the Trust are fiduciaries with respect to the participants in the Program.

Section 31 of this bill prohibits members of the Board, its staff and persons who serve as administrators of the Program from engaging in certain financial transactions in connection with the Program.

Section 32 of this bill requires the Board to obtain an annual independent audit of the Board, Program and Trust and to annually submit audited financial reports to the Governor, State Controller and Legislature.

Section 35 of this bill requires, with certain exceptions, the Board to establish the Program and implement its provisions so that covered employees are able to make contributions to an Individual Retirement Account through the Program beginning on July 1, 2025. Section 35 further authorizes the Board to implement the Program in phases but if the Board does so, the first phase must not begin before July 1, 2025.

Section 34.5 of this bill makes an appropriation to the Office of the State Treasurer for costs related to the administration of the Program.

4. The Board shall use the money in the Administrative Fund solely to pay the administrative costs and expenses of the Program and the administrative costs and expenses the Board incurs in the performance of its duties.

(a) Borrow money from the State, any unit of federal, state or local government or any other person, firm, partnership, corporation or entity; or

(b) Enter into long-term procurement contracts with one or more financial providers if the Board determines that the fee structure of a contract allows

2. Money borrowed pursuant to subsection 1 must:

- (a) Be borrowed in the name of the Program and Board only;
- (b) Be repaid solely from the revenues of the Program; and
- (c) Not be repaid unless the money was offered contingent upon the promise of such repayment.

3. The assets of Individual Retirement Accounts established or maintained for covered employees must be allocated to the Trust and may be combined for investment purposes. Trust assets must be managed and administered for the exclusive purposes of providing benefits to covered employees and defraying reasonable expenses of administering and managing the investments, Individual Retirement Accounts, Board, Program and Trust.

The Board may allow covered employees to allocate assets of their Individual Retirement Accounts among such investment funds and, in such case, the Board also may designate an investment fund as a default investment for the Individual Retirement Accounts of covered employees who do not make an investment choice.

6. The Board, in consultation with such third-party professional investment advisers, managers or consultants as it may retain, shall select the underlying investments of each investment fund. Such underlying investments may include, without limitation, shares of mutual funds and exchange-traded funds, publicly traded equity and fixed-income securities and other investments available for investment by the Trust. Trust assets must not be transferred or used by the State for any purposes other than the purposes of the Trust or paying the expenses of operating the Program. Amounts deposited with the Trustee do not constitute property of the State and must not be commingled with state money and the State has no claim to or against, or interest in, the assets of the Trust.

10. The assets of the Trust must at all times be held separate and apart from the assets of the State. The State, Program, Board, any member of the Board or any covered employer shall not guaranty any investment, rate of return, or interest on amounts held in the Trust, an investment fund or any Individual Retirement Account. The State, Program, Board, any member of the Board or any covered employer is not liable for any losses incurred by Trust investments or otherwise by any covered employee or other person as a result of participating in the Program.

11. The provisions of chapter 90 of NRS, the Uniform Securities Act, do not apply to the Trust, any investment fund or any interest held by an Individual Retirement Account in the Trust or such investment fund.

12. The Trust and each investment fund are exempt from all taxation by this State and any political subdivision thereof.

Sec. 27. Except to the extent necessary to administer the Program, personally identifiable information relating to individual participants in the Program, including, without limitation, the name, physical and electronic mail address, telephone number and other personally identifiable information of the participant, and information relating to individual accounts established or maintained through the Program, including, without limitation, the identity or amount of any investment, contribution or earnings attributable to an account, is confidential and must be maintained as confidential, unless the person who provides the information or is the subject of the information expressly agrees in writing to the disclosure of the

2. Each fiduciary shall discharge its duties with respect to the Program solely in the interests of covered employees and with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with those matters would use in the conduct of an enterprise of like character and aims.

A governmental entity that has legal custody or control of a public book or record shall not deny a request made pursuant to subsection 1 to inspect or copy or receive a copy of a public book or record on the basis that the requested public book or record contains information that is confidential if the governmental entity can redact, delete, conceal or separate, including, without limitation, electronically, the confidential information from the information included in the public book or record that is not otherwise confidential.

4. If requested, a governmental entity shall provide a copy of a public record in an electronic format by means of an electronic medium. Nothing in this subsection requires a governmental entity to provide a copy of a public record in an electronic format or by means of an electronic medium if:

(b) Providing the public record in an electronic format or by means of an electronic medium would:

(2) Require the production of information that is confidential and that cannot be redacted, deleted, concealed or separated from information that is not otherwise confidential.

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

For the Fiscal Year 2023-2024 \$669,491

For the Fiscal Year 2024-2025 \$535,074

2. The Office of the State Treasurer shall repay the sums appropriated by subsection 1 as soon as the Office has received sufficient money for the operation of the Program.

3. Any balance of the sums appropriated by subsection 1 remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20,

2024, and September 19, 2025, respectively, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2024, and September 19, 2025, respectively.

Sec. 35. 1. Except as otherwise provided in this section, the Board of Trustees of the Nevada Employee Savings Trust created by section 19 of this act shall establish the Nevada Employee Savings Trust Program pursuant to section 20 of this act and implement its provisions so that covered employees are able to make contributions to an Individual Retirement Account through the Program beginning on July 1, 2025.

2. The Board may implement the Program in phases so that the ability of covered employees to contribute to an Individual Retirement Account through the Program first applies on different dates for different employees based on the number of employees employed by the covered employer. If the Board implements the Program in phases pursuant to this subsection, the first phase must not begin before July 1, 2025.

3. The Board shall not implement the Program if, and to the extent that, it determines that the Program is preempted by the Employee Retirement Income Security Act of 1974, 29 U.S.C. §§ 1001 et seq. If the Board determines that one or more provisions of the Program are preempted by Employee Retirement Income Security Act of 1974, the Board shall implement the remaining provisions of the Program to the extent practicable.

4. The Board shall not implement a provision of the Program that authorizes an arrangement by which an employer facilitates access for an employee to contribute to an Individual Retirement Account by means of payroll deduction if the Board determines that the arrangement is an employee pension benefit plan within the meaning of section 3(2) of the Employee Retirement Income Security Act of 1974, 29 U.S.C. § 1002(2).

Sec. 36. As soon as practicable on or after the effective date of this section, the Governor, Majority Leader of the Senate and Speaker of the Assembly shall appoint the members of the Board of Trustees of the Nevada Employee Savings Trust pursuant to section 19 of this act.

Sec. 37. The provisions of subsection 1 of NRS 218D.380 do not apply to any provision of this act which adds or revises a requirement to submit a report to the Legislature.

Legislative Counsel's Digest:

Existing federal law provides for individual retirement accounts and individual retirement annuities by which persons may save money for retirement under favorable income tax treatment. (26 U.S.C. §§ 408, 408A) This bill establishes the Nevada Employee Savings Trust under the direction of a board of trustees with the power to establish a similar program and to encourage private employees to establish such accounts.

Section 19 of this bill creates the Board of Trustees of the Nevada Employee Savings Trust and establishes its membership. Section 20 of this bill establishes certain powers and duties of the Board. In particular, section 20 authorizes and empowers the Board to: (1) design, establish and operate the Nevada Employee Savings Trust Program; and (2) adopt regulations, rules and procedures for the establishment and operation of the Program and to take such other actions necessary or desirable to establish and operate the Program.

Section 21 of this bill requires the State Treasurer to provide staff support to the Board within the limits of appropriations and authorizes the State Treasurer to provide administrative support to the Board.

Section 22 of this bill provides that an act or undertaking of the Board does not constitute a debt of the State of Nevada, or any political subdivision thereof, or a pledge of the full faith and credit of the State of Nevada, or of any political subdivision thereof, and is payable solely from the assets controlled by the Board. Section 22 also prohibits the Board from imposing any obligations on the State or pledging the credit of the State.

Section 23 of this bill establishes certain attributes that the Board must

include in the Program, including: (1) that covered employers must automatically enroll all covered employees in the Program or in a similar program offered by a trade association or chamber of commerce, unless a covered employee opts out of the Program or, if applicable, the similar program offered by a trade association or chamber of commerce; (2) that contributions to a covered employee's Individual Retirement Account must be withheld from the employee's compensation at the rate set by the Board unless the employee elects not to contribute or to contribute at a different rate; (3) that a covered employee may withdraw contributions to meet a financial or other emergency; and (4) that the Board must prepare informational materials, disclosure statements, forms and instructions concerning the Program for distribution by covered employers to covered employees.

Section 24 of this bill creates the Nevada Employee Savings Trust Administrative Fund in the State Treasury, specifies the sources of money that must be deposited in the Fund and requires the Board to use money in the Fund solely to pay the administrative costs and expenses of the Board and the Program.

Section 25 of this bill authorizes the Board to borrow money or enter into certain long-term procurement contracts with financial providers until the Board determines that the Program is financially self-sustaining.

Section 26 of this bill creates the Nevada Employee Savings Trust as an instrumentality of the State and requires the Board to appoint a Trustee of the Trust. Amendment No. 597.

SUMMARY—Revises provisions relating to energy storage systems. (BDR 58-60)

AN ACT relating to energy; revising a definition relating to certain renewable energy facilities; revising provisions governing the establishment by the Public Utilities Commission of Nevada of biennial targets for the procurement of energy storage systems by certain electric utilities; requiring the Commission to reevaluate the existing biennial targets; eliminating an obsolete provision relating to the establishment of such targets; establishing requirements for the installation of electrochemical energy storage systems; ~~authorizing a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Public Utilities Commission of Nevada to: (1) determine, on or before October 1, 2018, whether it is in the public interest to establish by regulation biennial targets for the procurement of energy storage systems by certain electric utilities; and (2) if the Commission determines that it is in the public interest to establish such targets, adopt regulations establishing biennial targets for the procurement of energy storage systems by certain electric utilities. (NRS 704.795, 704.796) Existing regulations, with certain exceptions, establish progressively larger targets for the procurement of energy storage systems by certain electric utilities, culminating in a requirement that certain electric utilities procure energy storage systems capable of storing not less than 1,000 megawatts of electric power by December 31, 2030. Existing regulations also require the Commission to review the existing biennial energy storage targets when it reviews the resource plan submitted by an electric utility and determine whether the targets should be altered. (Section 10 of LCB File No. R106-19) Section 1.5 of this bill requires that the Commission establish biennial targets that deliver the greatest benefits to the customers of the electric utility in

relation to the costs of the procurement of energy storage systems. Section 6 of this bill repeals the obsolete provision that requires the Commission to determine whether to adopt regulations to establish the biennial targets by October 1, 2018, given that those regulations have been adopted. Section 2 of this bill makes a conforming change relating to the repeal of this obsolete provision.

Section 3 of this bill prohibits a person from installing an electrochemical energy storage system unless the person holds a valid license in the classification required to perform such work and, except under certain limited circumstances, for installations occurring on property other than a residential property after July 1, 2025, ensures that the installation: (1) is performed by or under the direct supervision of a person who holds a certificate demonstrating the successful completion of the Energy Storage and Microgrid Training and Certification program; and (2) conforms to certain standards regarding the installation of signage in connection with such systems. ~~[Section 3 authorizes a person who provides a program of training on the installation of electrochemical energy storage systems to request that the Joint Interim Standing Committee on Growth and Infrastructure review the program. Section 3 requires the Committee to include in its interim report a recommendation to authorize persons certified under such a program to perform or supervise the installation of an electrochemical energy storage system under certain circumstances if the Committee makes certain findings regarding the program.]~~ Section 4 of this bill provides that a violation of the provisions of section 3 is grounds for disciplinary action by the State Contractors' Board.

Section 1 of this bill revises the definition of "facility for the storage of energy from renewable generation."

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

Amendment No. 660.

SUMMARY—Revises provisions regarding real property. (BDR 3-883)

AN ACT relating to property; authorizing tenants subject to certain actions for summary eviction [proceedings] to assert certain affirmative defenses relating to request that the court stay the action until a decision concerning an application for rental assistance is made and establishing procedures relating thereto; requiring a landlord to accept payment of rent from a tenant and rental assistance on behalf of a tenant under certain circumstances; authorizing a justice court to establish a diversion program for certain tenants subject to an action for summary eviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law provides for a summary eviction procedure when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises defaults in the payment of rent. (NRS 40.253) Section 9 of this bill defines the term "designated eviction proceeding" to include certain proceedings relating to the eviction of certain tenants who have defaulted in the payment of rent. Section 9 authorizes a tenant to claim as an affirmative defense to a designated eviction proceeding that: (1) the tenant has a pending application for rental assistance; or (2) the landlord of the tenant refused to participate in the application process for rental assistance or accept rental assistance provided on behalf of the tenant. Section 9 requires the court to stay the proceedings upon the assertion of such an affirmative defense for a period not to exceed 60 days unless the landlord receives an exemption. Section 9 also authorizes the landlord to file a motion to rebut the affirmative defense. If such a motion is filed by a landlord, section 9 authorizes the court to: (1) hold a hearing; or (2) maintain the stay of the proceedings for a period not to exceed 60 days. Section 9 also requires the court to: (1) dismiss the proceedings for eviction upon the granting of the application for rental assistance and receipt of the rental assistance by the landlord under certain circumstances; or (2) deny the eviction if the tenant proves the claim that the landlord refused to participate in the application for rental assistance or accept rental assistance on behalf of the tenant. The court is authorized to award damages if an eviction is denied for such refusal. In determining the amount of damages, if any, to award to the tenant, section 9 requires the court to consider the degree of harm caused to the tenant by the refusal of the landlord to participate in the application process for rental assistance or accept the rental assistance on behalf of the tenant.~~ In general, existing law provides for a summary eviction procedure when a tenant defaults in the payment of rent. (NRS 40.253) Section 9 of this bill authorizes a tenant who has been served with a notice to pay rent or surrender the premises to request that the court stay an action for summary eviction based on a default in the payment of rent until a decision concerning an application for rental assistance is made. Section 9 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. If the court issues such a stay, section 9 authorizes a landlord to file a motion to lift the stay under certain circumstances. If an application for rental assistance is granted in an amount that will allow the tenant in an action that has been stayed to cure the default, section 9 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. If the application for rental assistance is denied or granted in an amount that will not allow the tenant in an action that has been stayed to cure the default, section 9 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. Section 21.2 of this bill makes a conforming change relating to the submission of an affidavit pursuant to section 9.

In general, existing law provides for a summary eviction procedure when a tenant neglects or fails to perform a condition or covenant of a lease or agreement. (NRS 40.254) Section 9.2 of this bill authorizes a tenant who has been served with a notice to surrender the premises to request that the court stay an action for summary eviction based on neglect or failure to perform a condition or covenant of the lease or agreement until a decision concerning an application for rental assistance is made. Section 9.2 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. Among other requirements, section 9.2 requires the tenant to submit proof that: (1) the tenant was in default on the payment when the landlord initiated the action for summary eviction; and (2) the condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. If the court issues such a stay, section 9.2 authorizes a landlord to file a motion to lift the stay under certain circumstances. When any stay issued by the court is lifted, section 9.2 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. If an application for rental assistance is granted in an amount that will allow the tenant to cure the default, section 9.2 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. Section 21.4 makes a conforming change relating to the submission of an affidavit pursuant to section 9.2.

Sections 9.1 and 9.3 of this bill create a similar process that becomes effective if and only if Assembly Bill No. 340 of this session is enacted by the Legislature and approved by the Governor.

Section 9.5 of this bill authorizes a justice court to establish a diversion program to which it may assign an eligible tenant subject to an action for summary eviction. Section 9.5 sets forth factors the court may consider in determining whether a tenant is eligible for assignment to such a diversion program. If the court assigns a tenant to such a diversion program, section 9.5 requires the court to: (1) stay the pending action for summary eviction for not more than 60 days; and (2) if the tenant pays the landlord the rent that is in default or surrenders the premises before the expiration of the stay, dismiss the action.

(a) The application for rental assistance is no longer pending or a determination is made on the pending application for rental assistance; or

(b) The court grants a motion filed pursuant to subsection 5.

5. A landlord may file a motion to lift a stay issued pursuant to subsection 3.

6. The court may grant a motion filed pursuant to subsection 5 if, at a hearing conducted on the motion, the court finds that:

(a) Evidence exists that the landlord faces a realistic threat of the foreclosure of the premises if the landlord is not able to evict the tenant, including, without limitation, evidence that:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

6. A landlord may file a motion to lift a stay issued pursuant to subsection 3.

7. The court may grant a motion filed pursuant to subsection 6 if, at a hearing conducted on the motion, the court finds that:

(a) Evidence exists that the landlord faces a realistic threat of the foreclosure of the premises if the landlord is not able to evict the tenant, including, without limitation, evidence that:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

(c) It is unlikely that:

(1) The application for rental assistance will be granted; or

(2) The tenant will be able to cure the default in the payment of rent, regardless of whether the application for rental assistance is granted.

8. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.

9. If a landlord in bad faith files a motion pursuant to subsection 6, the tenant may, in a separate cause of action, recover from the landlord an amount equal to damages, 1 month's rent or \$1,000, whichever is greater, reasonable attorney's fees and costs of court.

10. If the application for rental assistance is granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent, the landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant.

11. For the purposes of subsection 4, an application for rental assistance is no longer pending if the application is not actively being pursued by the tenant, including, without limitation, by providing in a timely manner any information or documentation requested by the person or entity to whom the application was submitted.

12. As used in this section:

(a) "Pending application for rental assistance" means an application for rental assistance submitted in good faith by a tenant. The term includes, without limitation, an application which is inactive due to any technical difficulty on the part of the tenant in the filing of the application for rental assistance that is outside of the control of the tenant. The term does not include an application for rental assistance that was started by the tenant but is not actively being pursued by the tenant.

(b) "Rental assistance" includes, without limitation, federal, state or local funds provided by a governmental entity and administered for the purpose of paying any amount of delinquent rent. The term does not include rental assistance provided pursuant to the provisions of 42 U.S.C. § 1437f.

Sec. 9.3. 1. A tenant against whom a landlord files an affidavit of complaint for summary eviction pursuant to subsection 3 of section 6.5 of Assembly Bill No. 340 of this session may request that the court stay the pending action for summary eviction until a decision concerning an application for rental assistance is made.

2. To request a stay pursuant to subsection 1, a tenant must:

(a) File the written answer required by subsection 6 of section 6.5 of Assembly Bill No. 340 of this session with the court that has jurisdiction over the matter within the time specified by subsection 6 of section 6.5 of Assembly Bill No. 340 of this session and include in the answer:

(1) A statement that the tenant has a pending application for rental assistance; and

(2) A request that the court stay the pending action for summary eviction; and

(b) Provide proof to the court that:

(1) The tenant:

(I) Was in default on the payment of rent when the landlord filed the affidavit of complaint for summary eviction; and

(II) Submitted the application for rental assistance before the landlord filed the affidavit of complaint for summary eviction; and

(2) The condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. For the purposes of this subparagraph, timely payment of rent is not material to the lease or agreement.

3. If the court determines that a written answer filed pursuant to subsection 6 of section 6.5 of Assembly Bill No. 340 of this session is accompanied by sufficient proof, the court may stay any action for summary eviction initiated by the landlord against the tenant pursuant to section 6.5 of Assembly Bill No. 340 of this session.

4. If the court grants a stay pursuant to subsection 3, the stay must be maintained by the court until such time as:

(a) The application for rental assistance is no longer pending or a determination is made on the pending application for rental assistance; or

(b) The court grants a motion filed pursuant to subsection 6.

5. When a stay issued pursuant to subsection 3 is lifted, the action for summary eviction must proceed in accordance with the requirements prescribed by section 6.5 of Assembly Bill No. 340 of this session.

6. A landlord may file a motion to lift a stay issued pursuant to subsection 3.

7. The court may grant a motion filed pursuant to subsection 6 if, at a hearing conducted on the motion, the court finds that:

(a) Evidence exists that the landlord faces a realistic threat of the foreclosure of the premises if the landlord is not able to evict the tenant, including, without limitation, evidence that:

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

(c) It is unlikely that:

(1) The application for rental assistance will be granted; or

(2) The tenant will be able to cure the default in the payment of rent, regardless of whether the application for rental assistance is granted.

8. If a tenant in bad faith submits an application for rental assistance, the landlord may, in a separate cause of action, recover damages from the tenant.

9. If a landlord in bad faith files a motion pursuant to subsection 6, the tenant may, in a separate cause of action, recover from the landlord an amount equal to damages, 1 month's rent or \$1,000, whichever is greater, reasonable attorney's fees and costs of court.

10. If the application for rental assistance is granted in an amount that, together with any other available funds, will allow the tenant to cure the default in the payment of rent, the landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant.

11. For the purposes of subsection 4, an application for rental assistance

is no longer pending if the application is not actively being pursued by the tenant, including, without limitation, by providing in a timely manner any information or documentation requested by the person or entity to whom the application was submitted.

12. As used in this section:

(a) "Pending application for rental assistance" means an application for rental assistance submitted in good faith by a tenant. The term includes, without limitation, an application which is inactive due to any technical difficulty on the part of the tenant in the filing of the application for rental assistance that is outside of the control of the tenant. The term does not include an application for rental assistance that was started by the tenant but is not actively being pursued by the tenant.

(b) "Rental assistance" includes, without limitation, federal, state or local funds provided by a governmental entity and administered for the purpose of paying any amount of delinquent rent. The term does not include rental assistance provided pursuant to the provisions of 42 U.S.C. § 1437f.

Sec. 9.5. 1. A justice court may establish a diversion program to which it may assign an eligible tenant whose landlord applies by affidavit of complaint for eviction of the tenant pursuant to NRS 40.253.

2. To determine whether a tenant is eligible for a diversion program established pursuant to subsection 1, the court may consider, without limitation, whether the tenant is eligible for any programs that are designed to provide:

- (a) Social services which assist tenants in paying delinquent rent; and
- (b) Wrap-around services.

3. If the court assigns a tenant to a diversion program established pursuant to subsection 1, the court shall:

(a) Stay the pending action for summary eviction for not more than 60 days after the date on which the tenant files an affidavit permitted in subsection 3 of NRS 40.253; and

(b) If the tenant pays to the landlord the amount of rent that is in default or surrenders the premises before the expiration of the stay, dismiss the pending action for summary eviction.

4. As used in this section, "wrap-around services" means services provided to a tenant that assist the tenant in avoiding future summary eviction actions.

Sec. 21.2. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➡ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to ~~contest~~ contest;

(I) Contest the matter by filing, within the time specified in

subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent; or

(II) Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9 of this act;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

☛ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than \$2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

Amendment No. 764.

SUMMARY—Revises provisions regarding real property. (BDR 3-883)

AN ACT relating to property; authorizing tenants subject to certain actions for summary eviction to request that the court stay the action until a decision concerning an application for rental assistance is made and establishing procedures relating thereto; requiring a landlord to accept payment of rent from a tenant and rental assistance on behalf of a tenant under certain circumstances; authorizing a justice court to establish a diversion program for certain tenants subject to an action for summary eviction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In general, existing law provides for a summary eviction procedure when a tenant defaults in the payment of rent. (NRS 40.253) Section 9 of this bill authorizes a tenant who has been served with a notice to pay rent or surrender the premises to request that the court stay an action for summary eviction based on a default in the payment of rent until a decision concerning an application for rental assistance is made. Section 9 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. If the court issues such a stay, section 9 : (1) authorizes a landlord to file a motion to lift the stay under certain circumstances ~~to~~ ; and (2) requires that the stay expire not later than 60 days after it is issued. If an application for rental assistance is granted in an amount that will allow the tenant in an action that has been stayed to cure the default, section 9 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. If the application for rental assistance is denied or granted in an amount that will not allow the tenant in an action that has been stayed to cure the default, section 9 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. Section 21.2 of this bill makes a conforming change relating to the submission of an affidavit pursuant to section 9. Section 9.1 of this bill creates a similar process that becomes effective if and only if Assembly Bill No. 340 of this session is enacted by the Legislature and approved by the Governor.

In general, existing law provides for a summary eviction procedure when a tenant neglects or fails to perform a condition or covenant of a lease or agreement. (NRS 40.254) Section ~~19.2 of this bill authorizes a tenant who has been served with a notice to surrender the premises to request that the court stay an action for summary eviction based on neglect or failure to perform a~~

~~condition or covenant of the lease or agreement until a decision concerning an application for rental assistance is made. Section 9.2 establishes the procedure for a tenant to request such a stay and criteria for the issuance of a stay. Among other requirements, section 9.2 requires the tenant to submit proof that: (1) the tenant was in default on the payment when the landlord initiated the action for summary eviction; and (2) the condition or covenant of the lease or agreement that the tenant allegedly neglected or failed to perform is not material to the lease or agreement. If the court issues such a stay, section 9.2 authorizes a landlord to file a motion to lift the stay under certain circumstances. When any stay issued by the court is lifted, section 9.2 requires the court to proceed with the action for summary eviction in accordance with the requirements prescribed by existing law. If an application for rental assistance is granted in an amount that will allow the tenant to cure the default, section 9.2 requires the landlord to accept payment of rent from the tenant and rental assistance on behalf of the tenant. Section 21.4 makes a conforming change relating to the submission of an affidavit pursuant to section 9.2.~~

~~Sections 9.1 and 9.3}~~ 9.7 of this bill requires a court to dismiss an action for summary eviction based on neglect or failure to perform a condition or covenant of a lease or agreement if the court finds that the affidavit of complaint for summary eviction was filed by the landlord in bad faith or as a pretext for evicting a tenant who is in default in the payment of rent. Section 21.4 of this bill {create} creates a similar {process} requirement that becomes effective if and only if Assembly Bill No. 340 of this session is not enacted by the Legislature and approved by the Governor.

Section 9.5 of this bill authorizes a justice court to establish a diversion program to which it may assign an eligible tenant subject to an action for summary eviction. Section 9.5 sets forth factors the court may consider in determining whether a tenant is eligible for assignment to such a diversion program. If the court assigns a tenant to such a diversion program, section 9.5 requires the court to: (1) stay the pending action for summary eviction for not more than 60 days; and (2) if the tenant pays the landlord the rent that is in default or surrenders the premises before the expiration of the stay, dismiss the action.

(2) A request that the court stay the pending action for summary eviction; and

(b) Provide proof to the court of the date on which the application for rental assistance was submitted.

(1) The property is subject to a lien, including, without limitation, a tax lien or lien for charges relating to utilities; or

(2) The landlord has missed three or more consecutive mortgage payments;

(b) The application for rental assistance was submitted in bad faith; or

(c) It is unlikely that:

(1) The application for rental assistance will be granted; or

(2) The tenant will be able to cure the default in the payment of rent, regardless of whether the application for rental assistance is granted.

(1) The landlord must accept payment of rent from the tenant and rental assistance on behalf of the tenant; and

(2) The court must dismiss the pending action for summary eviction.

(b) Denied, or granted in amount that, together with any other available funds, will not allow the tenant to cure the default in the payment of rent, the court shall:

(2) Hold a hearing in accordance with the requirements prescribed by subsection 7 of Assembly Bill No. 340 of this session.

Sec. 21.2. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 12, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home or recreational vehicle with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent may cause to be served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) Before the close of business on the seventh judicial day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➔ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in subsection 2 of NRS 40.2542. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to ~~contest~~ *contest* :

(I) Contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent; or

(II) Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9 of this act;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or

constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or recreational vehicle are located or to the district court of the county in which the dwelling, apartment, mobile home or recreational vehicle are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to post the order in a conspicuous place on the premises not later than 24 hours after the order is received by the sheriff or constable. The sheriff or constable shall remove the tenant not earlier than 24 hours but not later than 36 hours after the posting of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon

the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

↪ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court on a form provided by the clerk of court to dispute the reasonableness of the actions of a landlord pursuant to subsection 3 of NRS 118A.460. The motion must be filed within 5 days after the tenant has vacated or been removed from the premises. Upon the filing of a motion pursuant to this subsection, the court shall schedule a hearing on the motion. The hearing must be held within 5 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the

sheriff, constable or other process server. At the hearing, the court may:

(a) Order the landlord to allow the retrieval of the tenant's essential personal effects at the date and time and for a period necessary for the retrieval, as determined by the court; and

(b) Award damages in an amount not greater than \$2,500.

10. In determining the amount of damages, if any, to be awarded under paragraph (b) of subsection 9, the court shall consider:

(a) Whether the landlord acted in good faith;

(b) The course of conduct between the landlord and the tenant; and

(c) The degree of harm to the tenant caused by the landlord's conduct.

11. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security deposit. As used in this subsection, "security deposit" has the meaning ascribed to it in NRS 118A.240.

12. Except as otherwise provided in NRS 118A.315, this section does not apply to:

(a) The tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(2) ~~Request that the court stay any action for summary eviction initiated by the landlord against the tenant using the procedure prescribed by section 9.2 of this act; or~~

~~(3)~~ Request that the court stay the execution of the order for removal of the tenant or order providing for nonadmittance of the tenant for a period not exceeding 10 days pursuant to subsection 2 of NRS 70.010, stating the reasons why such a stay is warranted.

2. The affidavit of the landlord or the landlord's agent submitted to the justice court or the district court must state or contain:

(e) A statement that the claim for relief was authorized by law.

3. If the court finds that the affidavit of the landlord or the landlord's agent was submitted in bad faith or as a pretext for evicting a tenant who is in default in the payment of rent, the court must dismiss the proceeding.

The following Assembly amendment was read:

Amendment No. 654.

SUMMARY—Revises provisions relating to health facilities. (BDR 40-51)

AN ACT relating to health care; requiring written approval to close certain hospitals or convert such a hospital into a different type of health facility; requiring certain facilities that provide emergency medical services to provide certain notice to patients; establishing and increasing certain civil penalties; requiring an off-campus location of a hospital that provides emergency medical services or an independent center for emergency medical care to include certain information on a claim for reimbursement or payment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain the written approval of the: (1) Director of the Department of Health and Human Services before making certain capital expenditures for construction of a new health facility under certain circumstances; or (2) the Chief Medical Officer before operating or undertaking any expenditure for the operation of a new medical helicopter within 150 miles from the base of an existing medical helicopter. (NRS 439A.100, 439A.104) Section 2 of this bill similarly requires a person to obtain the written approval of the Director before closing a hospital in a county whose population is 100,000 or more (currently Clark and Washoe Counties) or converting such a hospital into a different type of health facility. Sections 2 and 7-9 of this bill provide that such approval is a condition to: (1) the issuance or renewal of a license for certain health facilities converted from a hospital; and (2) certain amendments to such a license. Sections 5 and 10 of this bill authorize the Department and the Division of Public and Behavioral Health of the Department to impose certain civil penalties and take certain other disciplinary action against a person who closes a hospital in a county whose population is 100,000 or more or converts a hospital in such a county to a different type of health facility without written approval in violation of section 2.

Existing law requires: (1) a hospital to notify the Department of any merger, acquisition or similar transaction involving the hospital; and (2) a physician group practice or a person who owns all or substantially all of a physician group practice to notify the Department of certain similar transactions under certain circumstances. (NRS 439A.126) Section 4 of this bill authorizes the Department to impose an administrative penalty against a

~~hospital, [a physician group practice or person who owns all or substantially all of a physician group practice]~~ that fails to provide timely notice of the information required by existing law. Section 4 also requires the Department to notify the Board of Medical Examiners or the State Board of Osteopathic Medicine, as appropriate, if a physician group practice or a person who owns all or substantially all of a physician group practice fails to provide such timely notice. Upon receiving notice of such failure from the Department, sections 10.7 and 11.5 of this bill require those boards to proceed as if a complaint had been filed. If, after conducting an investigation and a hearing, the Board of Medical Examiners or the State Board of Osteopathic Medicine determines that a physician group practice or a person who owns all or substantially all of a physician group practice has failed to provide timely notice to the Department of a transaction for which notice is required, sections 10.7 and 11.5 authorize the respective board to impose an administrative penalty.

Existing law requires each off-campus location of a hospital to obtain and use on all claims for reimbursement or payment a national provider identifier that is distinct from the national provider identifier used by the main campus and any other off-campus location of the hospital. (NRS 449.1818) Section 10.3 of this bill clarifies that the off-campus location: (1) is required to include the national provider identifier on each claim for reimbursement or payment; and (2) may additionally include on such a claim the national provider identifier for the main campus of the hospital. Section 10.3 also requires an independent center for emergency medical care to include its national provider identifier on all claims for reimbursement or payment.

Among other sanctions, existing law authorizes the Division of Public and Behavioral Health to impose against a hospital that fails to obtain a national provider identifier for an off-campus location that is distinct from the national provider identifier used by the main campus and any other off-campus location of the hospital an administrative penalty of not more than \$5,000 for each day of such failure, together with interest. (NRS 449.163) Section 10.2 of this bill doubles the amount of the administrative penalty that the Division is authorized to impose for such failure.

Existing law provides every patient of a medical facility, including ~~an independent center for emergency medical care or~~ a hospital, with the right to receive certain information about the condition and care of the patient and the cost of such care. (NRS 449A.106) ~~Section~~ If an off-campus location of a hospital provides emergency medical services, section 10.5 of this bill requires ~~[an independent center for emergency medical care]~~ the off-campus location to : (1) post conspicuous notice that the ~~[independent center for emergency care]~~ off-campus location is an emergency medical facility and will charge patients for an emergency room visit ~~[. If an off-campus location of a hospital provides emergency medical services, section 10.5 requires the off-campus location to]~~ ; and (2) provide each patient with ~~[. (1)]~~ certain

notice concerning the rights of the patient upon registration ~~1. and (2)~~
Section 10.5 also requires such an off-campus location to provide each patient with a more detailed notice concerning billing and payment after the patient is found not to have an emergency medical condition or after the emergency medical condition of the patient has been stabilized, as applicable.

Amendment No. 636.

SUMMARY—Revises provisions relating to common-interest communities. (BDR 10-1059)

AN ACT relating to common-interest communities; revising the type of documents that are required to be made available on the Internet website or within the electronic portal that is required to be established and maintained

by certain unit-owners' associations; setting forth certain requirements for an Internet website or electronic portal that provides the ability for a unit's owner to make certain payments electronically; revising requirements concerning the provision of certain notices by an association; ~~authorizing an association to purchase a unit in a common interest community at a foreclosure sale;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each association of a common-interest community that contains 150 or more units to establish and maintain a secure Internet website or electronic portal and make available on the website or within the electronic portal any documents relating to the association. Existing law also requires the Internet website or online portal to provide units' owners with the ability to pay assessments electronically. (NRS 116.31069) Section 4 of this bill revises those requirements to: (1) require only certain specified documents concerning the association to be made available on the Internet website or within the electronic portal; and (2) eliminate the requirement that the Internet website or electronic portal provide units' owners the ability to pay assessments electronically. Instead, section 1 of this bill authorizes such an Internet website or electronic portal to provide units' owners with the ability to pay obligations electronically if certain requirements are met, including, without limitation, the requirement that the association maintains certain insurance and that the executive board of the association makes a determination that providing units' owners the ability to make such payments is in the best interest of the association. Section 2 of this bill makes a conforming change to indicate the proper placement of section 1 in the Nevada Revised Statutes.

Existing law requires, in general, any notice required to be given to a units' owner by an association and any communication from or other information provided by the association to be delivered to the mailing or electronic mail address designated by the unit's owner, unless the unit's owner has opted out of receiving electronic communications or has not designated an electronic mail address. (NRS 116.31068) Section 3 of this bill eliminates those requirements for notice with respect to communications from and other information provided by the association and instead requires, with certain exceptions, such notices to be delivered to the electronic mail address that a unit's owner designates. Section 3 sets forth the manner in which an association is required to deliver such notices to a unit's owner who has opted out of receiving electronic notices or who has not designated an electronic mail address at which to receive notices.

~~Existing law provides that a unit owners' association has a lien on a unit in a common interest community for certain assessments and charges imposed on the unit's owner from the time the assessment or charge becomes due and establishes the process for the foreclosure of such liens, including the sale of the unit. (NRS 116.310312, 116.3116 116.31168) Existing law prohibits various persons from purchasing the unit at the foreclosure sale,~~

~~including the person conducting the sale and any person who was involved in the process of foreclosing the association's lien. (NRS 116.31164) Section 5 of this bill authorizes an association to purchase a unit at a sale for the foreclosure of its lien by a credit bid up to the amount of the unpaid assessments and any permitted costs, fees and expenses incident to the enforcement of the lien.]~~

SUMMARY—Revises provisions relating to crimes. (BDR ~~{15-133}~~ 16-133)

AN ACT relating to crimes; ~~[revising provisions governing crimes relating to facilitating sex trafficking];~~ requiring the preparation and submission of a comprehensive biennial report concerning human trafficking in this State; revising certain requirements for compensation from the Fund for the Compensation of Victims of Crime; revising provisions governing the Contingency Account for Victims of Human Trafficking; renaming the Account; making an appropriation; ~~[providing penalties];~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law provides that a person commits the crime of facilitating sex trafficking if the person: (1) facilitates, arranges, provides or pays for the transportation of a person to or within this State with the intent of inducing that person to engage in unlawful sexual conduct or prostitution or, if that person is a child, certain acts relating to pornography involving minors; (2) sells travel services that facilitate the travel of another person to this State with the knowledge that the other person is traveling to this State for the purpose of engaging in sexual conduct with a victim of sex trafficking, soliciting a child who is a victim of sex trafficking or engaging in certain acts relating to pornography involving minors; or (3) travels to or within this State by any means with the intent of engaging in sexual conduct with a victim of sex trafficking with the knowledge that the victim has been induced to engage in sexual conduct or prostitution or engaging in certain acts relating to pornography involving minors. A person who commits the crime of facilitating sex trafficking is guilty of a category B felony and is subject to certain minimum and maximum terms of imprisonment depending on whether the victim is an adult or child. (NRS 201.301)~~

~~Sections 1-3 of this bill provide that a person who commits the crime of facilitating sex trafficking is subject to the same penalties that apply under existing law for committing the crime against a child if the person commits the crime against a peace officer who is posing as a child or a person who is assisting in an investigation on behalf of a peace officer by posing as a child. Sections 3.5 and 7 of this bill make conforming changes to provisions of existing law that contain references to the crime of facilitating sex trafficking of a child to reflect the changes made in sections 1-3.~~

Existing law requires the payment of compensation from the Fund for the Compensation of Victims of Crime to certain victims of criminal acts and requires an application for such compensation from the Fund to be filed not later than 24 months after the injury or death for which compensation is claimed. (NRS 217.100, 217.180, 217.260) Section 5 of this bill creates an exception to this time limit by authorizing a person who is a victim of sex trafficking or facilitating sex trafficking to file an application for compensation from the Fund not later than 60 months after the injury or death for which compensation is claimed.

Existing law creates the Contingency Account for Victims of Human Trafficking in the State General Fund and requires the Director of the Department of Health and Human Services to administer the Contingency Account. (NRS 217.530) Existing law requires a recipient of an allocation of money from the Contingency Account to use the money only for establishing or providing programs or services to victims of human trafficking. (NRS 217.540) Section 6.2 of this bill renames the Contingency Account for Victims of Human Trafficking as the Account for Victims of Human Trafficking. Section 6.5 of this bill specifies that a recipient of an allocation of money from the ~~Contingency~~ Account may use the money for

establishing pilot programs for alternatives to law enforcement response to victims of human trafficking. Section 7.5 of this bill makes an appropriation to the ~~[Contingency] Account, [for Victims of Human Trafficking created by NRS 217.530.]~~ Sections 6.1, 6.2 and 8.5 of this bill make conforming changes relating to the renaming of the Account.

Existing law establishes the Center for the Analysis of Crime Statistics within the Department of Criminal Justice at the University of Nevada, Las Vegas. (NRS 396.792) Section 4 of this bill requires certain entities and agencies to submit certain information biennially to the Center and requires the Center to prepare and submit a comprehensive biennial report on human trafficking in this State. Section 6 of this bill makes a conforming change to indicate the proper placement of section 4 in the Nevada Revised Statutes.

~~—7. If the court discharges the person and dismisses the proceedings against the person, a nonpublic record of the discharge and dismissal must be transmitted to and retained by the Division of Parole and Probation of the Department of Public Safety solely for the use of the courts in determining whether, in later proceedings, the person qualifies under this section for participation in a program of treatment for persons who solicit prostitution. The person may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge the proceedings in response to an inquiry made of the person for any purpose. Discharge and dismissal under this subsection may occur only once with respect to any person. A professional licensing board may consider a proceeding under this subsection in determining suitability for a license or liability to discipline for misconduct. Such a board is entitled for those purposes to a truthful answer from the applicant or licensee concerning any such proceeding with respect to the applicant or licensee.~~

~~8. Except as limited by subsection 9, if a person is discharged and the proceedings against the person are dismissed pursuant to subsection 7, the court shall, without a hearing, order sealed all documents, papers and exhibits in that person's record, minute book entries and entries on dockets, and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order. The court shall cause a copy of the order to be sent to each agency or officer named in the order. Each such agency or officer shall notify the court in writing of its compliance with the order.~~

~~9. A professional licensing board is entitled, for the purpose of determining suitability for a license or liability to discipline for misconduct, to inspect and to copy from a record sealed pursuant to this section.] (Deleted by amendment.)~~

Re: Senate Bill 20 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 20 ("SB 20"), which is titled as follows:

AN ACT relating to counties; revising provisions relating to the process for filling a vacancy in the office of county commissioner; and providing other matters properly relating thereto.

SB 20 is a general overreach intended to upset the established balance between Nevada's county commissions and the Executive Branch's appointment authority. SB 20 is presumably intended to provide a county commission with the power to effectively select its own representative to complete the term of a departing member. SB 20 ignores decades of well-established law requiring the Governor—as the primary appointing authority empowered by the Constitution—to select and appoint a suitable candidate from the same political party as the outgoing member.

Current law, as written, provides sufficient checks and balances to deter malfeasance from the Executive Branch during the process of filling vacancies on county commissions.

In short, SB 20 does little more than encroach on the discretion and authority of the Executive Branch. As such, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor of Nevada

The question was put: "Shall the bill pass, notwithstanding the objections of the Governor?"

Re: Senate Bill 133 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 133 ("SB 133"), which is titled as follows:

AN ACT relating to elections; prohibiting a person from creating or serving in a false slate of presidential electors or conspiring to create or serve in a false slate of presidential electors; prohibiting the State or a local government from appointing to public office or employing a person convicted of such an offense; providing penalties; and providing other matters properly relating thereto.

I believe ensuring the sanctity and security of our elections is paramount to maintaining public confidence in both our electoral processes and in elected officials. There should be strict punishments for those seeking to undermine that confidence, including those engaged in schemes to present slates of false electors.

That said, it is difficult to fathom how the penalty for being engaged in such a scheme should be harsher—in terms of time-served and by requiring a permanent relinquishment of certain unrelated employment rights—than the penalty for high-level fentanyl traffickers, certain domestic violence perpetrators, and even some of the most extreme and violent actors on January 6.

Because SB 133 does nothing to ensure the security of our elections and merely provides disproportionately harsh penalties for an, admittedly, terrible crime, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO

Re: Senate Bill 148 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 148 ("SB 148"), which is titled as follows:

AN ACT relating to education; prohibiting a local school precinct from employing or otherwise procuring the services of certain personnel for a school; revising provisions relating to the selection of certain personnel by the principal of a local school precinct; providing that the superintendent of a large school district is responsible for making certain personnel decisions; authorizing certain uses of a year-end balance by a local school precinct under certain circumstances; and providing other matters properly relating thereto.

SB 148 is presumably intended to increase a school precinct's dependence on collectively bargained staff by eliminating those precincts' ability to contract those services to approved District vendors. It is already a time-consuming process to complete important maintenance tasks in certain school districts. This bill would further increase delays, potentially requiring schools to wait years for basic services to be improved.

Since this bill decreases a school district's ability to efficiently maneuver through maintenance issues, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Re: Senate Bill 169 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 169 ("SB 169"), which is titled as follows:

AN ACT relating to land use planning; requiring certain local governments to include a heat mitigation element in master plans; and providing other matters properly relating thereto.

SB 169 is well-intended insofar as it aims to address the difficulties associated with living in high-heat communities. However, there is no data definitively supporting the proposition that development is causing rising temperatures in either Washoe County or Clark County. In fact, several of the heat-mitigation measures contained in this bill are already being implemented by local governments, meaning this bill will only serve to increase requirements—and related costs—for future development.

In short, since SB 169 creates significantly more red-tape for master-planned projects in two of Nevada's fastest growing counties, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

JOE LOMBARDO

Re: Senate Bill 210 of the 82nd Legislative Session

Dear Majority Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 210 ("SB 210"), which is titled as follows:

AN ACT relating to governmental administration; declaring that the public policy of the State of Nevada includes that persons appointed to certain public bodies by the Governor should reflect the diversity of the State; requiring certain public bodies to submit lists of qualified persons to the Governor to fill vacancies on a board, commission or similar body within 60 days after the vacancy occurs; revising the manner in which the Chair and Vice Chair of the Sunset Subcommittee of the Legislative Commission are selected; modifying reporting requirements by certain licensing boards and other regulatory bodies concerning the criminal histories of certain applicants; and providing other matters properly relating thereto.

SB 210 is well-intentioned in that it aims for all our state's boards and commissions to have a diverse make-up which represents the diversity of the State. It is invaluable to have a diverse blend of backgrounds and viewpoints on these boards and commissions.

However, SB 210's mandate is overly restrictive on the Executive Branch's ability to appoint board and commission members at its discretion. There are long-standing vacancies on many boards and commissions. The Executive Branch should not have any greater limitations in appointing members to those agencies so that those agencies can continue to effectively, and quickly, serve the people of the State of Nevada.

In short, SB 210 is a direct encroachment on the Executive Branch's authority to appoint members to boards and commissions as it sees fit. As such, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO

Re: Senate Bill 251 of the 82nd Legislative Session

Dear Majority Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 251 ("SB 251"), which is titled as follows:

AN ACT relating to school districts; revising provisions governing the authority of a large school district to negotiate certain conditions of employment; revising provisions governing mandatory subjects of collective bargaining relevant to school districts; and providing other matters properly relating thereto.

SB 251 requires that local school precincts—individual schools—hire collectively-bargained for teachers and staff from a large school district if that district experiences a reduction in force or other "surplus" staffing situation. This bill would significantly restrict principals and leaders in local school precincts from hiring the individuals they believe best meet the qualifications and needs of their respective schools. Additionally, SB 251 is far too rigid in its treatment of "surplus" professionals and would require a one-size-fits-all statutory scheme that lacks the flexibility, and related potential for finding party-specific solutions, inherent in the collective-bargaining process.

Since this bill misguidedly restricts a local school precinct from hiring its chosen educational and support staff and does nothing to ensure better learning outcomes in Nevada's classrooms, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Re: Senate Bill 299 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 299 ("SB 299"), which is titled as follows:

AN ACT relating to public works; eliminating certain exemptions from prevailing wage requirements relating to railroad companies or monorails; and providing other matters properly relating thereto.

SB 299 is admirably intended at ensuring certain of those employed on public works projects are paid a sufficient wage for their labor. However, though this bill includes a provision to require such wages on Railroad projects, this provision will be irrelevant to Railroads since Railroad entities are already regulated—and required to pay prevailing wages—by the Federal Railroad Administration. As such, this bill's burden will primarily fall on a few parties seeking to develop new, innovative monorail projects in our State.

Since this bill is aimed at increasing construction related costs and burdens for those seeking to develop infrastructure in Nevada, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO

Re: Senate Bill 302 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 302 ("SB 302"), which is titled as follows:

AN ACT relating to health care; prohibiting health care licensing boards from taking certain action against a provider of health care or certain other persons for providing or assisting in the provision of gender-affirming health care services; prohibiting the Governor from surrendering, or issuing an arrest warrant for, a person who is charged in

another state with a criminal violation related to gender-affirming health care services; prohibiting state agencies, local governments and members of the judiciary from assisting in certain investigations and proceedings initiated in other states related to gender-affirming health care services; requiring certain health care licensing boards to examine the feasibility of reciprocal licensure for health care providers who provide gender-affirming health care services in other states; and providing other matters properly relating thereto.

SB 302 inhibits the Executive Branch's ability to be certain that all gender-affirming care related to minors comports with State law. It also decreases the Executive Branch's authority to ensure the highest public health and child safety standards for Nevadans. As such, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO

Re: Senate Bill 340 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 340 ("SB 340"), which is titled as follows:

AN ACT relating to education; requiring the board of trustees of a school district and the State Public Charter School Authority to submit to the Superintendent of Public Instruction plans for the provision of summer school to certain pupils; requiring the submission to certain entities of certain reports relating to such plans for the provision of summer school; and providing other matters properly relating thereto.

SB 340 is well-intentioned in that it aims to ensure children who need additional schooling in the summer have access to transportation and meals during their schooling. That said, SB 340's requirement that school districts and charter schools submit a plan for summer school 2023, well after those plans have been completed, makes little sense. Moreover, this bill provides no funding to cover or offset the cost-burden of providing transportation and food during these summer sessions. While most school districts have funding available for this summer through

ESSER, SB 340, as written, would impose significant costs on local school districts in 2024.

Since SB 340 merely requires that summer school—and any accompanying transportation or meals—are provided, without providing any mechanism to ensure local school districts have sufficient funds to pay these costs, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Re: Senate Bill 404 of the 82nd Legislative Session

Dear Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 404 ("SB 404"), which is titled as follows:

AN ACT relating to elections; revising provisions relating to the challenge of a person applying to vote; authorizing a county or city clerk to order that the count of returns for early voting begin on or after the first day of early voting; and providing other matters properly relating thereto.

SB 404 is a bad bill. As I have stated, voting is one of our most important and sacred rights as Americans and Nevadans. We need to make it easier to vote while also making it harder to cheat. Though these are likely unintended consequences, SB 404 leads to a few definitive ends: 1) it weakens residency requirements; 2) it restricts a voter's ability to challenge another voter's eligibility; and 3) it promotes a continuing lack of transparency.

First, by allowing numerous forms of non-governmental identification, this bill would potentially allow voters who no longer reside at a previous address to vote without sufficient proof the voter indeed resides at the location provided in their identification. Additionally, by restricting voter eligibility challenges, SB 404 would serve to decrease confidence in elections by limiting the mechanisms by which voters themselves can prevent fraudulent voting. Finally, by continuing to allow early votes to be counted before election day, thereby potentially allowing for certain of those results to be disseminated before election day, we continue to foster

a system which not only allows for manipulation, but may well also influence voter behavior and undermine the validity of the final results.

My bill, SB 405, would have addressed these issues. We would have enhanced election integrity by requiring some form of government identification to vote – this is basic common sense. After all, we already unquestionably require all citizens to carry identification to drive, buy age-restricted items, get a hotel room, board a plane, open a bank account, apply for Medicaid or Social Security, etcetera [*sic*].

Moreover, after the slow-return embarrassment we experienced in our last few elections, SB 405 would have ended universal mail-in ballots and required that all votes be cast by the time polls close on election day. Anyone and everyone who wants or needs a mail-in ballot can and should have the right to request and receive one, but they should not automatically be sent to every voter at an exorbitant cost to the State each election cycle.

That said, it is imperative that all early voting be conducted in a manner that maintains the confidentiality of votes counted until *after* election day. Any potential breach of this standard will only serve to discourage voters from going to the polls to exercise their right to vote.

Finally, SB 405 would have ended ballot harvesting. Though ballot harvesting was a felony prior to the pandemic, now it is considered common practice. My bill would have required that the individuals helping registered voters vote are reported, identified, and limited in the number of ballots they can collect.

These common sense reforms would have increased our election security and, thereby, public confidence in our election process. Since this bill does nothing to address those concerns, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor of Nevada

Re: Senate Bill 429 of the 82nd Legislative Session

Dear Majority Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 429 ("SB 429"), which is titled as follows:

AN ACT relating to economic development; requiring certain new or expanding businesses to provide certain paid family and medical leave to employees in order to qualify for a partial abatement of certain taxes; and providing other matters properly relating thereto.

SB 429 is purportedly an economic development bill and was presented as such. However, the bill inequitably applies a unique precondition to a narrowly tailored group of businesses who are pursuing Nevada performance-based tax abatements (i.e., Governor's Office of Economic Development applicants) and who employ 50 or more persons to also provide paid Family and Medical Leave Act ("FMLA") on-top of Nevada's existing paid leave measures. *See NRS 608.0197*, all Nevada businesses with 50 or more employees are already required to provide employees with paid leave.

SB 429 does not outline caps, does not cover how this would be regulated (given that it's set to last indefinitely), and does not explain or provide guidance regarding procedures applied to this specific set of businesses in the event of a merger, acquisition, or bankruptcy.

Furthermore, SB 429 has been presented as a "tie-in" opportunity to Federal IRS Sect. 45S, an opt-in tax credit program for employers to explore and offer paid FMLA to employees. This federal program expires in December 2025, leaving the State with a requirement that is no longer federally mandated.

With future economic headwinds a mere certainty, whether in this biennium or subsequent ones, this bill works against Nevada's already challenging market position in striving to attract diverse industries through economic development.

Nevada is in constant competition to bring good paying jobs to the State and SB 429 would place Nevada at a severe disadvantage in its work to bring desirable businesses within its borders to provide quality career opportunities to Nevadans and to diversify State tax revenues.

My commitment has been and will continue to be maintaining a streamlined and non-overly regulated State Government structure to ensure Nevada remains open for business.

Adding additional preconditions to abatements that would require abated companies to endure a significant year-over-year increase in payroll expenditures compared to other markets of interest would signal worldwide that Nevada is not open for business. Given market conditions, at this time, it is best that my administration and my office of Economic Development have all the tools that prior administrations have had at their disposal.

In times of economic uncertainty, strictly codified regulatory constrictions which remove options and add various preconditions create a situation where Nevada becomes less competitive without an opportunity to adapt quickly.

Since SB 429 reduces our competitiveness in attracting talented hiring candidates as related to peer-states, I cannot support it.

For these reasons, I veto this bill and return it to you without my signature or approval.

Respectfully submitted,
JOE LOMBARDO
Governor of Nevada

Re: Senate Bill 433 of the 82nd Legislative Session

Dear Majority Leader Cannizzaro:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Senate Bill 433 ("SB 433"), which is titled as follows:

AN ACT relating to prevailing wages; revising provisions governing the payment of prevailing wages; and providing other matters properly relating thereto.

SB 433 delegates a disproportionate amount of authority to the Labor Commissioner. Many of these decisions—specifically, those involving public works projects—are more appropriately decided by the counties and cities who receive the most immediate input into the implementation of such policies. Nevadans, and the counties and cities in the Silver State, deserve to decide how various public works projects will be implemented - specifically those localities' decisions regarding the prevailing wage.

Since the State of Nevada and our cities and counties should be empowered with all necessary authority to control their local wage rates, I cannot support this bill.

For these reasons, I veto this bill and return it to [sic] without my signature or approval.

The following amendment was proposed by the Committee on Finance:

Amendment No. 959.

SUMMARY—Revises provisions relating to homelessness.

(BDR 38-1027)

AN ACT relating to public welfare; revising provisions governing the duties of a reinvestment advisory committee; revising provisions governing contracts entered into by the Department of Health and Human Services for the operation of a Medicaid managed care program; requiring ~~Continuum of Care~~ the Department to establish ~~a fiscal working group; requiring the transmission of a portion of the proceeds of the license fee for certain gaming licensees to the Continuum of Care in this State;~~ the Fiscal Advisory Committee for a Flexible Continuum of Care Plan; making appropriations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Health and Human Services, to the extent that money is available, to: (1) establish a Medicaid managed care program to provide health care services to recipients of Medicaid in all geographic areas of this State; and (2) conduct a statewide procurement process to select health maintenance organizations to provide the health care services. (NRS 422.273) Sections 2 and 3 of this bill require each contract entered into by the Department with a health maintenance organization to provide such services to include a requirement for the health maintenance organization to reinvest a percentage of the annual profits of the health maintenance organization in programs and initiatives to address homelessness and to provide sustainable medication and prescription services, alcohol or drug intervention or rehabilitation services and emergency and supportive housing in the local communities in which the health maintenance organization operates.

Existing law establishes a reinvestment advisory committee in each county of this State whose population is 700,000 or more (currently only Clark County) and prescribes the duties of a reinvestment advisory committee, which includes reviewing, making recommendations and reporting to the Legislature and Director of the Department concerning the reinvestment of funds by a health maintenance organization that provides health care services through managed care to recipients of Medicaid in the communities served by those organizations. (NRS 422.185, 422.205) Section 1 of this bill revises the duties of the reinvestment advisory committee such that the recommendations and reports of the advisory committee are required to concern the reinvestment of funds by managed care organizations to address homelessness and to provide sustainable medication and prescription services, alcohol or drug intervention or rehabilitation services, and emergency and supportive housing, in conformance with the amendatory provisions of sections 2 and 3.

Existing federal law establishes a Continuum of Care Program to provide funding for efforts by nonprofit providers, states, and local governments to quickly rehouse homeless individuals and families. (42 U.S.C. 11381 et seq.; 24 C.F.R. Part 578) Federal law requires representatives from relevant organizations to establish a Continuum of Care for a geographic area to carry

out certain responsibilities and to establish a board to act on behalf of the Continuum. (24 C.F.R. 578.5) ~~Existing law of this State establishes a monthly licensee fee for certain gaming licensees which is based upon the gross revenue of the licensee. (NRS 463.370) Sections 3.3 and 3.7 of this bill require a portion of the proceeds of the gaming licensee fee which is imposed on gross revenue which exceeds \$134,000 per calendar month to be transmitted to the Continuums of Care in this State, in proportion to the population served by each Continuum of Care, to direct the use of such money.~~ Section 3.3 ~~of this bill:~~ (1) ~~establishes requirements for the membership of such a fiscal working group;~~ (2) ~~sets forth the purposes for which the fiscal working group is required to direct the use of the money from the proceeds of the gaming licensee fee;~~ requires the Department to establish the Fiscal Advisory Committee for a Flexible Continuum of Care Plan; (2) authorizes the Department to make grants of money to the Advisory Committee to fund certain services; and (3) requires the ~~fiscal working group~~ Advisory Committee to prepare an annual report. Section 3.3 requires a city whose population is 150,000 or more but less than 500,000 ~~which is in the service area of a Continuum of Care, which includes a city whose population is 500,000 or more~~ to transmit not less than \$2,000,000 to the ~~Continuum of Care~~ Department each fiscal year ~~to be used~~ for allocation to the Advisory Committee to fund programs to address homelessness ~~in the service area of the Continuum of Care in which the city is located.~~ Section 3.3 ~~authorizes a Continuum of Care~~ requires the Department to assist the Advisory Committee to enter into service agreements with federally-qualified health centers.

Sections 7.1-7.9 of this bill make appropriations to the Department for allocation to the Advisory Committee to carry out the provisions of section 3.3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 422.205 is hereby amended to read as follows:

422.205 1. A reinvestment advisory committee shall:

(a) Compile a report concerning:

(1) The uses of funds reinvested by Medicaid managed care organizations in the communities served by those Medicaid managed care organizations, including, without limitation, efforts to address homelessness ~~[, disparities in health care and social determinants of health;]~~ *and to provide sustainable medication and prescription drug services, alcohol or drug intervention or rehabilitation services, and emergency and supportive housing;* and

Sec. 2. NRS 422.273 is hereby amended to read as follows:

422.273 1. For any Medicaid managed care program established in the State of Nevada, the Department shall contract only with a health maintenance organization that has:

6. *Each contract entered into by the Department with a health maintenance organization to provide health care services to recipients of Medicaid in all geographic areas of this State shall include a requirement for the health maintenance organization to reinvest a percentage of the annual profits of the health maintenance organization in programs and initiatives to address homelessness and to provide sustainable medication and prescription drug services, alcohol or drug intervention or rehabilitation services, and emergency and supportive housing in the local communities in which the health maintenance organization operates.*

Remarks by Senator Dondero Loop.

Senate Amendment No. 959 to Senate Bill No. 400, as amended, requires the Department of Health and Human Services (DHHS) to establish the Fiscal Advisory Committee for a flexible continuum of care plan, authorizes the Department to make grants of money to the Advisory Committee to fund certain services and requires the Advisory Committee to prepare the annual report. The amendment additionally provides for appropriations to DHHS to carry out the provisions of the bill.

Amendment adopted.

Bill read third time.

Remarks by Senators Neal and Seevers Gansert.

SENATOR NEAL:

Senate Bill No. 400, as amended, requires a contract under DHHS in order to basically create homelessness programs.

SENATOR SEEVERS GANSERT:

I appreciate that we have the amendment now on this bill. This was the one that we stopped on because we needed to figure out what the final draft looked like. When I look at the last pages of the bill, sections 7.1 and 7.9—and actually quite a few of these sections have substantial money in them. We have been working hard across the State, especially in Southern Nevada, on homelessness with tens of millions, if not hundreds of millions, of dollars going into programs. I recognize this is some more money to do it, but I am concerned at this time about adding some more money into that. I think we need to look at what we have and need to continue to work within some of the programs that we currently have in use.

SENATOR NEAL:

I just wanted to stand up and add a little more context. Senate Bill No. 400 actually continues to layer on top of the Continuum of Care (CoC) that is actually funded through federal dollars, and it creates a flexible CoC, which also includes the rurals and the southern part of the county. The idea is to create this flexible CoC that comes across services in order to get folks off the street, provide them services and wraparound care. That includes the rural consortium, the Reno-Washoe consortium and the southern.

SUMMARY—Makes revisions relating to public health. (BDR 40-748)

AN ACT relating to public health; requiring the adoption of a framework for the electronic transmittal, maintenance and exchange of certain health information; requiring governmental entities, health care providers, insurers and insurance administrators to maintain, transmit and exchange health information electronically; authorizing the imposition of certain discipline against a health care provider, insurer or insurance administrator that fails to comply with that requirement; ~~removing authorization to establish a statewide~~ authorizing the Director of the Department of Health and Human Services to contract with multiple health information ~~exchanges~~ exchanges to perform certain functions; clarifying that certain persons are immune from certain criminal and civil liability for transmitting, accessing, utilizing or disclosing electronic health records in accordance with existing law; establishing and prescribing the duties of ~~the Chief Data Officer of the Nevada Innovation Hub, the Nevada Innovation Hub and~~ the Medicaid Outreach Advisory Committee; ~~authorizing a business to receive a partial abatement of certain taxes under certain conditions;~~ requiring the ~~establishment~~ provision of ~~certain programs to make health~~ certain coverage ~~more accessible to certain persons;~~ under the Children's Health Insurance Program; requiring the Joint Interim Standing Committee on Health and Human Services to conduct certain studies; ~~requiring the Department of Health and Human Services to evaluate certain issues and take certain actions relating to its workforce;~~ making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Health and Human Services to adopt regulations governing health information exchanges and the transmittal, ownership, management, use and confidentiality of electronic health records. (NRS 439.587, 439.589) Section 6 of this bill requires the Director to prescribe by regulation a framework for the electronic maintenance, transmittal and exchange of electronic health records, prescriptions and health-related information. Section 6 requires that framework to establish standards for networks and technologies to be used to maintain, transmit and exchange health information, including standards that require: (1) the ability for patients to access and forward their records; and (2) the interoperability of such networks and technologies. Section 60 of this bill requires the Director to convene an advisory group to advise the Director in the adoption of those standards. With certain exceptions, sections 6, 28, 29, 45 and 63 of this bill require all governmental entities, health care providers, insurers, pharmacy benefit managers and other insurance administrators to maintain, transmit and exchange health information electronically in accordance with those standards and other provisions governing electronic health records, beginning on: (1) July 1, 2024, for

hospitals and large physician group practices; ~~and~~ (2) July 1, 2025, for governmental entities, other large health care providers, ~~practices~~, insurers, pharmacy benefit managers and other insurance administrators. ~~[Section 57 of this bill appropriates money to award grants to certain providers of health care and health care facilities for the purposes of complying with that requirement.]~~; and (3) January 1, 2030, for small physician group practices and other small health care practices. Sections 2 and 6 of this bill provide that a health care provider, insurer, pharmacy benefit manager or other insurance administrator that fails to comply with that requirement is not guilty of a misdemeanor. Instead, section 1 of this bill requires the Department to notify any regulatory body that has issued a license, certificate, registration, permit or similar credential to a health care provider, insurer, pharmacy benefit manager or other insurance administrator if the holder of the credential fails to comply with that requirement. After receiving such notice, sections 9, 17, 45, 47, 50 and 53 of this bill authorize a regulatory body to impose corrective action or an administrative penalty on the health care provider, insurer, pharmacy benefit manager or other insurance administrator. Section 1 requires the Department to notify the relevant regulatory body if a health care provider, insurer, pharmacy benefit manager or other insurance administrator that was previously out of compliance with the requirement to maintain, transmit and exchange health information electronically comes into compliance with that requirement. Section 4 of this bill removes duplicative requirements concerning the adoption of regulations governing electronic health records. ~~[Section 4.5 of this bill removes authorization for the Director to establish a statewide health information exchange, beginning on July 1, 2025.]~~ Sections ~~[2-4, 5, 8, 10-14, 16,]~~ 2-5, 10-16, 44, 46, 48, 51, 52, 55 and 56 of this bill make conforming changes to indicate the proper placement of sections 1, 9, 47 and 50 in the Nevada Revised Statutes.

Existing law authorizes the Director to contract with not more than one health information exchange to be responsible for compiling statewide master indexes of patients, health care providers and payers. (NRS 439.587) Section 4 authorizes the Director to contract with multiple health information exchanges to perform those functions.

Existing law requires that, with certain exceptions, a patient consent before his or her electronic health record is retrieved from a health information exchange. (NRS 439.591) Section 6.5 of this bill requires such consent to be affirmative.

Existing law provides that a health care provider who with reasonable care relies upon an apparently genuine electronic health record accessed from a health information exchange to make a decision concerning the provision of health care to a patient is immune from civil or criminal liability for the decision if: (1) the electronic health record is inaccurate; (2) the inaccuracy was not caused by the health care provider; (3) the inaccuracy resulted in an inappropriate health care decision; and (4) the health care decision was appropriate based upon the information contained in the inaccurate electronic

health record. (NRS 439.593) Section 7 of this bill expands this immunity from liability to also apply to any health care provider who transmits, accesses, utilizes or discloses an apparently genuine electronic health record or provides such an electronic health record to a patient.

Existing law provides that providing information to an electronic health record in accordance with existing law is not an unfair trade practice. (NRS 439.595) Section 8 of this bill additionally provides that transmitting, accessing, utilizing or disclosing an electronic health record in accordance with existing law is not an unfair trade practice.

~~{Sections 22-24 of this bill establish the Nevada Innovation Hub within the Department of Health and Human Services. Section 23 of this bill creates the position of Chief Data Officer to: (1) serve as the executive head of the Hub; (2) advise public health agencies regarding best practices for creating and maintaining data; and (3) coordinate planning concerning data analytics and transparency for the Department. Section 24 of this bill requires the Hub to: (1) obtain information relating to public health from public health agencies and other persons and entities; and (2) establish and maintain a program to collect, analyze, exchange and make available such information. Sections 24 and 27 of this bill provide for the confidentiality of personally identifiable information maintained by the Hub and information maintained by the Hub for which disclosure is prohibited by state or federal law. Section 25 of this bill makes a conforming change to indicate the proper placement of sections 22-24 in the Nevada Revised Statutes.~~

~~Existing law authorizes the Office of Economic Development to approve an abatement or partial abatement of certain property taxes, business taxes and sales and use taxes in certain circumstances. (NRS 274.310-274.330, 360.750-360.754) Section 31 of this bill authorizes a person who intends to locate or expand a business in the health care industry in this State to apply to the Office for a partial abatement of: (1) local sales and use taxes imposed on the purchase of tangible personal property used to provide health care or conduct scientific research; (2) certain property taxes imposed on the business; and (3) the excise tax on wages paid to employees performing services directly related to addressing critical medical and scientific needs, as defined by regulations adopted by the Office. Section 31 requires the Office to grant such an application if: (1) the applicant enters into an agreement authorizing the Office to conduct audits of the applicant and to remain in business in this State for a certain period of time; and (2) the Office finds that the business meets certain requirements relating to wages and benefits for employees and economic activity in this State. Additionally, if the applicant is requesting a partial abatement of certain taxes imposed for the benefit of public schools, section 31 requires the applicant to obtain the approval of a supermajority of the Board of Economic Development. Section 31 requires the Office, when authorizing abatements, to prioritize businesses that will serve certain underserved populations. Sections 35-37 of this bill establish the duration and amount of the abatements. Sections 18-20, 30 and 32-34 of~~

~~this bill make various changes so that a partial abatement granted pursuant to section 31 is treated in the same manner as other similar abatements authorized by law.~~

~~Existing law authorizes a person who maintains or intends to locate a business in this State to apply to the Office for an abatement on certain taxes imposed on eligible machinery or equipment used by the business. (NRS 374.357) Section 38 of this bill provides that equipment used for medical treatment is not eligible machinery or equipment for that purpose, thereby authorizing a business to obtain an abatement for certain taxes imposed on such equipment pursuant to sections 31 and 35-37.]~~

With certain exceptions, existing federal and state law prohibits a person or governmental entity from providing a public benefit to an alien who is not legally present in the United States, except where a state law affirmatively provides for such eligibility. (8 U.S.C. § 1621; NRS 422.065, 422A.085) Section 39 of this bill requires the Director to provide coverage under Medicaid for persons who qualify for the federal Deferred Action for Childhood Arrivals Program and meet all requirements to be eligible for Medicaid, except for the requirements governing immigration status. Section 39 also requires the Director to establish programs apply to the Federal Government for authority to provide coverage under the Children's Health Insurance Program for [- (1) persons under 27 years of age who are not eligible for Medicaid because of their immigration status; and (2)] prenatal, labor and delivery [and postpartum] care for [mothers] persons who are not eligible for Medicaid because of their immigration status. Section 57 of this bill makes an appropriation for the purpose of providing such coverage. Section [43 of this bill removes the requirement that a person who is not a citizen or national of the United States must be a qualified alien under federal law to receive Medicaid.] 39 requires the Department to submit a biennial report to the Legislature concerning the implementation and impacts of such coverage. Section 26 of this bill makes a conforming change to indicate the proper placement of section 39 in the Nevada Revised Statutes.

Under existing law, the Division of Welfare and Supportive Services of the Department administers provisions concerning applications for Medicaid and the Children's Health Insurance Program. (NRS 422A.3351, 422A.336) Section 41 of this bill creates the Medicaid Outreach Advisory Committee within the Division. Section 42 of this bill requires the Advisory Committee to: (1) advise the Department, the Division of Health Care Financing and Policy of the Department and the Division of Welfare and Supportive Services concerning outreach to, and maximizing enrollment in Medicaid and the Children's Health Insurance Program of, members of marginalized or underserved communities; and (2) ~~annually~~ post a report of the activities of the Advisory Committee on the Internet ~~[-]~~ on or before July 1 of each even-numbered year.

~~[Existing law establishes the Silver State Health Insurance Exchange to~~

~~facilitate the purchase of subsidized health plans by certain small employers and natural persons who are citizens of the United States or otherwise lawfully present in the United States. (Chapter 695I of NRS) Section 54.3 of this bill requires Executive Director of the Exchange, in collaboration with the Director of the Department of Health and Human Services, to apply for a federal waiver to authorize any natural person to purchase a qualified health plan on the Exchange, regardless of his or her immigration status, if the natural person otherwise qualifies to purchase such a plan on the Exchange. Section 54.6 of this bill makes a conforming change to indicate that the waiver authorizes natural persons who are not lawfully present in the United States to purchase such qualified health plans.]~~

Section 58 of this bill requires the Joint Interim Standing Committee on Health and Human Services to study, during the 2023-2024 interim, the feasibility of including in the State Plan for Medicaid coverage of digital health products and the procedures for and costs of providing such coverage. Section 58.5 of this bill requires the Joint Interim Standing Committee to study, during the 2023-2024 interim: (1) the feasibility of and necessary steps for creating a natural persons index for this State; ~~and~~ (2) procedures governing data registries and ways to streamline the collection of data and reduce the burden of reporting requirements applicable to providers of health care. ~~[. Section 59 of this bill requires the Department of Health and Human Services, during the 2023-2024 interim, to: (1) evaluate the workforce of the Department to determine whether adding, eliminating or revising the salary for any position within the Department would increase the effectiveness or efficiency of the operations of the Department; and (2) take any action recommended by the evaluation which does not require legislation unless the Director determines that the action is not feasible or advisable. Section 59 also requires the Department to submit to the Legislature a report concerning the evaluation and actions resulting from the evaluation.];~~ (3) the feasibility of including in the State Plan for Medicaid enhanced rates of reimbursement for providers of health care in medically underserved areas and rural areas; (4) methods for increasing the amount of biotechnological and medical research conducted in this State; and (5) the feasibility of including in the State Plan for Medicaid a program to provide services through managed care to recipients of Medicaid who are aged, blind or disabled.

2. If a school district offers group insurance to its officers and employees pursuant to this section, members of the board of trustees of the school district must not be excluded from participating in the group insurance. If the amount of the deductions from compensation required to pay for the group insurance exceeds the compensation to which a trustee is entitled, the difference must be paid by the trustee.

Amendment No. 968.

SUMMARY—Revises provisions relating to electronic health records. (BDR 40-381)

AN ACT relating to health care; requiring the adoption of a framework for the electronic transmittal, maintenance and exchange of certain health information; requiring governmental entities, health care facilities and providers, insurers and insurance administrators to maintain, transmit and exchange health information electronically; authorizing the imposition of certain discipline against a health care provider, insurer or insurance administrator that fails to comply with that requirement; authorizing the Director of the Department of Health and Human Services to contract with multiple health information exchanges to perform certain functions; ~~prohibiting the transmittal of health information to a health information exchange without the affirmative consent of the patient;~~ expanding immunity from certain liability for health care providers who use a health information exchange; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Health and Human Services to adopt regulations governing health information exchanges and the transmittal, ownership, management, use and confidentiality of electronic health records. (NRS 439.587, 439.589) Section 1.08 of this bill requires the Director to prescribe by regulation a framework for the electronic maintenance, transmittal and exchange of electronic health records, prescriptions and health-related information. Section 1.08 requires that framework to establish standards for networks and technologies to be used to maintain, transmit and exchange health information, including standards that require: (1) the ability for patients to access and forward their records; and (2) the interoperability of such networks and technologies. Section 2.7 of this bill requires the Director to convene an advisory group to advise the Director

in the adoption of those standards.

With certain exceptions, sections 1.08, 1.94, 1.96, 2 and 2.8 of this bill require governmental entities, health care providers, insurers, pharmacy benefit managers and other insurance administrators to maintain, transmit and exchange health information electronically in accordance with those standards and other provisions governing electronic health records, beginning on: (1) July 1, 2024, for hospitals and large physician group practices; (2) July 1, 2025, for governmental entities, other large health care practices, insurers, pharmacy benefit managers and other insurance administrators; and (3) January 1, 2030, for small physician group practices and other small health care practices. Sections 1.02 and 1.08 of this bill provide that a health care provider, insurer, pharmacy benefit manager or other insurance administrator that fails to comply with that requirement is not guilty of a misdemeanor. Instead, section 1 of this bill requires the Department to notify any regulatory body that has issued a license, certificate, registration, permit or similar credential to a health care provider, insurer, pharmacy benefit manager or other insurance administrator if the holder of the credential fails to comply with that requirement. After receiving such notice, sections 1.3, 1.92, 2, 2.2 and 2.35 of this bill authorize a regulatory body to impose corrective action or an administrative penalty on the health care provider, insurer, pharmacy benefit manager or other insurance administrator. Section 1 of this bill requires the Department to notify the relevant regulatory body if a health care provider, insurer, pharmacy benefit manager or other insurance administrator that was previously out of compliance with the requirement to maintain, transmit and exchange health information electronically comes into compliance with that requirement. Section 1.06 of this bill removes duplicative requirements concerning the adoption of regulations governing electronic health records. Sections 1.02-1.07, 1.4-1.9, 1.98, 2.05, 2.15, 2.25, 2.3, 2.4 and 2.45 of this bill make conforming changes to indicate the proper placement of sections 1, 1.3, 2.1 and 2.2 in the Nevada Revised Statutes.

Existing law authorizes the Director of the Department of Health and Human Services to contract with not more than one health information exchange to be responsible for compiling statewide master indexes of patients, health care providers and payers. (NRS 439.587) Section 1.06 of this bill authorizes the Director to contract with multiple health information exchanges to perform those functions. Section 1.06 also removes a requirement that the Director encourage the use of health information exchanges.

Existing law requires that, with certain exceptions, a patient consent before his or her electronic health record is retrieved from a health information exchange. (NRS 439.591) Section 1.09 of this bill ~~[(1)]~~ clarifies that such consent must be affirmative ~~, [(1)] and (2) requires that a patient also provide such consent before his or her electronic health record is transmitted to a health information exchange.]~~

Existing law provides that a health care provider who with reasonable care relies upon an apparently genuine electronic health record accessed from a health information exchange to make a decision concerning the provision of health care to a patient is immune from civil or criminal liability for the decision if: (1) the electronic health record is inaccurate; (2) the inaccuracy was not caused by the health care provider; (3) the inaccuracy resulted in an inappropriate health care decision; and (4) the health care decision was appropriate based upon the information contained in the inaccurate electronic health record. (NRS 439.593) Section 1.1 of this bill expands this immunity from liability to also apply to any health care provider who transmits, accesses, utilizes, discloses, relies upon or provides to the patient any apparently genuine electronic health record in accordance with applicable law and regulations. Section 2.5 of this bill makes an appropriation to the Department to award grants to certain small facilities and providers of health care who work in small business settings to assist in compliance with the requirements of section 1.08.

Legislative Counsel's Digest:

Existing law creates the crime of organized retail theft, which is defined as committing, either alone or with any other person or persons, a series of thefts of retail merchandise against one or more merchants, either on the premises of a merchant or through the use of an Internet or network site, with the intent to: (1) return the merchandise to the merchant for value; or (2) resell, trade or barter the merchandise for value in any manner. (NRS 205.08345) Section 1 of this bill authorizes the Attorney General to investigate and prosecute the crime of organized retail theft and any other crime committed in the course of committing organized retail theft.

Existing law also prohibits a person from selling, displaying or advertising,

or possessing with the intent to sell, goods that have an unauthorized or counterfeit label or trademark. (NRS 205.210) Section 2 of this bill authorizes the Attorney General to investigate and prosecute such a crime and any other crime that is committed in the course of committing such a crime.

Additionally, existing law provides that it is a crime for a person, in the course of an enterprise or occupation, knowingly and with the intent to defraud, to engage in an act, practice or course of business or employ a device, scheme or artifice which operates or would operate as a fraud or deceit upon a person by means of a false representation or omission of a material fact that: (1) the person knows to be false or omitted; (2) the person intends another to rely on; and (3) results in a loss to any person who relied on the false representation or omission, in at least two transactions that have the same or similar pattern, intents, results, accomplices, victims or methods of commission, or are otherwise interrelated by distinguishing characteristics and are not isolated incidents within 4 years and in which the aggregate loss or intended loss is more than \$1,200. (NRS 205.377) Section 3 of this bill authorizes the Attorney General to investigate and prosecute such a crime and any other crime committed in the course of committing such a crime.

Section 3.5 of this bill makes an appropriation to the Office of the Attorney General to be used for personnel, operating, travel and information technology expenses relating to the prosecution of retail crime.

Legislative Counsel's Digest:

Existing law makes it a crime to abuse, neglect, isolate, abandon or exploit an older person or a vulnerable person. (NRS 200.5099) Section 3 of this bill defines the term "adult maltreatment" to refer to such crimes. Sections 4-7 of this bill define certain other terms. Section 8 of this bill creates the Vulnerable Adult Fatality Review Committee within the Department of Health and Human Services and prescribes the membership of the Committee. Section 8 also prescribes certain rules governing the operation of the Committee. Section 8 immunizes the members, employees, agents and consultants of the Committee from civil liability for acts performed in good faith and within the scope of duties of the Committee. Section 8 authorizes the Director of the Department to: (1) apply for and accept gifts, grants and donations to support the activities of the Committee; and (2) adopt regulations governing the activities of the Committee.

Section 9 of this bill requires the Committee to review each death in this State that is known or suspected to have been caused by or be related to adult maltreatment and is referred to the Committee by certain governmental entities or relatives of the decedent. Section 9 additionally authorizes the Committee to review any other death that the Committee reasonably believes may have been caused by or related to adult maltreatment. Section 10 of this bill prescribes other duties of the Committee relating to the investigation and prevention of adult maltreatment. Section 10 requires the Committee to: (1) biennially publish on an Internet website maintained by the Department a report that consists of data concerning adult maltreatment in this State; and (2) annually submit to the Legislature a separate report containing certain information and recommendations about adult maltreatment. Section 10 requires a representative of the Committee or the Aging and Disability Services Division of the Department to biennially present such information and recommendations at a meeting of the Legislative Committee on Senior Citizens, Veterans and Adults With Special Needs. Section 11 of this bill authorizes the Committee to take certain measures necessary to perform its duties, including consulting with experts and other interested persons and entering into contracts. Section 12 of this bill entitles the Committee to

access certain records it determines necessary to perform its duties and authorizes the Committee to petition the district court for a subpoena to compel the production of such records. Section 12 also provides that information acquired by and records of the Committee are confidential and not subject to subpoena, discovery or introduction into evidence in any civil or criminal proceeding. Sections 12 and 14 of this bill provide that such records are not public records. Sections 12 and 15 of this bill provide that meetings of the Committee are closed to the public.

Existing law creates in the Office of the Attorney General the Unit for the Investigation and Prosecution of Crimes Against Older Persons or Vulnerable Persons. (NRS 228.265) Existing law authorizes the Unit to investigate and prosecute deaths resulting from adult maltreatment. (NRS 228.270) Section 10 ~~[requires the Committee to refer a case of suspected adult maltreatment to the Unit for investigation and prosecution where appropriate.]~~ authorizes the Attorney General to review any cases referred to the Committee to determine the need for further investigation. Section 12 authorizes the Committee to meet and share information with the Unit and certain entities that investigate domestic violence. ~~[Section 13 of this bill requires the Unit to compile a report of the outcome of and findings regarding each case referred by the Committee to the Unit.]~~

5. An officer, employee or agent of a governmental entity who has legal custody or control of a public record:

(a) Shall not refuse to provide a copy of that public record in the medium that is requested because the officer, employee or agent has already prepared or would prefer to provide the copy in a different medium.

(b) Except as otherwise provided in NRS 239.030, shall, upon request, prepare the copy of the public record and shall not require the person who has requested the copy to prepare the copy himself or herself.

Remarks by Senator Seevers Gansert.

Assembly Bill No. 150, as amended, revises residency requirements for students who are members or descendants of an Indian tribe or nation and meet certain requirements to be eligible for a waiver of registration fees, laboratory fees and other mandatory fees assessed by the Board of Regents at the University of Nevada. The bill, as amended, requires a waiver to equal the full amount of registration fees, laboratory fees and any other mandatory fees assessed against the student for that semester. It makes conforming changes to reflect the prohibition against the Board of Regents assessing tuition charges on students who have been granted a waiver.

Having worked with the University of Nevada, Reno, one of our several institutions, the number of individuals who are descendants of Indian tribes or nations are very few. Any way we can help them financially to attend higher education is extremely important. I urge your support.

Assembly Bill No. 156.

Bill read third time.

Remarks by Senator Stone.

Assembly Bill No. 156 sets forth various provisions regarding the treatment of substance-use disorders among other items. The bill requires certain health care providers to counsel and provide information to a patient diagnosed with opioid-use disorder concerning evidence-based treatments, including medication-assisted treatment. Upon request, a provider must offer to prescribe each treatment or refer a patient to an authorized provider. Further, the State Board of Pharmacy must establish a protocol allowing a registered pharmacist to access a patient for an opioid-use disorder and to prescribe and dispense a drug for medication-assisted treatment. Health insurers must cover certain drugs and reimburse a pharmacist's services as established by the protocol at a rate equal to or similar to those provided by other health care practitioners.

The bill also allows the Division of Public and Behavioral Health of the Department of Health and Human Services to accept certain funds to bulk-purchase opioid antagonists and requires providers who treat alcohol or other substance-use disorders to prioritize treatment of certain patients if the treatment is in whole or in part publicly funded. It requires the Department of Corrections and certain local jurisdictions that maintain a jail or detention facility to study during the 2023–2024 interim issues related to medication-assisted treatment for incarcerated individuals with an opioid-use disorder, clarifies that a pharmacist or pharmacy may provide certain services regarding assessing a patient, authorizes a pharmacist who registers with the Board to prescribe a drug for medication-assisted treatment, and requires Medicaid to reimburse certain services at a rate equal to that provided to a physician, physician's assistant or advanced practice nurse, regardless of whether the services are directly reimbursed through managed care organizations.

Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 976.

Legislative Counsel's Digest:

Existing law establishes various legislative interim committees that are created or authorized to conduct studies or investigations or perform other legislative business during the interim between legislative sessions, and existing law provides for the appointment or designation of chairs and vice chairs of such interim committees. (Chapter 218E of NRS, NRS 232B.210-232B.250) Existing law also contains provisions that apply exclusively to such interim committees without applying to any session committees. (NRS 218E.105-218E.140)

~~[Under the term limit provisions of the Nevada Constitution, Legislators are subject to limitations on the number of years that they may serve in each House of the Legislature. (Nev. Const. Art. 4, §§ 3, 4) Section 2 of this bill amends the statutory provisions that apply to interim committees in order to provide, with certain exceptions, that if a Legislator is serving the final term in his or her current House under the term limit provisions, the Legislator is not eligible for the position of chair or vice chair of an interim committee during the legislative interim period that: (1) begins immediately after~~

~~adjournment sine die of the last regular session in which the Legislator is eligible to serve in his or her current House; and (2) ends at the expiration of the Legislator's current term of office in that House. However, section 2 contains an exception for the position of Chair or Vice Chair of the Legislative Commission. Sections 3, 7, 8, 11-14 and 49 of this bill make conforming changes.]~~

Under existing common-law principles of parliamentary law, the chair of a committee serves as the presiding officer of the committee and may take, direct or require any necessary and reasonable actions to carry out the committee's management, government, budget, meetings and proceedings, subject to the laws and rules governing the committee. In addition, if a vacancy occurs in the position of chair, or if the chair is prohibited or disqualified from participating or acting on a particular matter for any reason or is absent, disabled or otherwise unavailable or unable to carry out the position for any reason, the vice chair of the committee serves as the acting chair, with all the powers, privileges and immunities of the position of chair, until the vacancy is filled or the chair is eligible, available or able to carry out the position again, as applicable. (*Mason's Manual of Legislative Procedure* §§ 575-579, 608-611 (2020); Luther S. Cushing, *Elements of the Law & Practice of Legislative Assemblies* §§ 287, 308, 313, 314, 1910 (1856); *Hicks v. Long Branch Comm'n*, 55 A. 250, 250-51 (N.J. 1903)) To assist interim committees in conducting their legislative business consistently with existing common-law principles of parliamentary law, sections 4-6 of this bill codify those existing common-law principles into the statutory provisions that apply to interim committees. (*Welfare Div. v. Maynard*, 84 Nev. 525, 529 (1968) ("A statutory enactment can be simply a legislative pronouncement of already existing law."); *State Gaming Comm'n v. Southwest Sec.*, 108 Nev. 379, 383-84 (1992))

Existing law: (1) establishes Joint Interim Standing Committees of the Legislature that may evaluate and review issues within the jurisdiction of the corresponding standing committees from the preceding regular session of the Legislature, exercise certain investigative powers and, under certain circumstances, conduct studies directed by the Legislature or the Legislative Commission; (2) provides for the appointment of regular members and ~~alternative~~ alternate members to each Joint Interim Standing Committee; and (3) requires the Legislative Commission to select a Chair and a Vice Chair for each Joint Interim Standing Committee. (NRS 218E.320, 218E.330)

Sections 8-10 of this bill clarify and revise various requirements governing the Joint Interim Standing Committees. Section 8 of this bill renames the Joint Interim Standing Committee on Natural Resources as the Joint Interim Standing Committee on Natural Resources and Public Lands. Sections 1, 15-17, 43 and 47.5 of this bill make conforming changes. Section 8 additionally requires the appointing authorities to appoint the committee members for each Joint Interim Standing Committee, along with the

Chairs and Vice Chairs, not later than August 31 following the adjournment of each regular session. Section 8 also clarifies the length of the terms that the committee members and the Chairs and Vice Chairs serve while qualified.

Section 9 of this bill authorizes the Joint Interim Standing Committees to begin holding their meetings on September 1 after the adjournment of each regular session, instead of November 1 under existing law. Section 9 provides that if a regular member cannot attend a meeting of the Committee, an alternate member must ~~[, to the extent practicable,]~~ be of the same political party as the regular member, and section 9 clarifies that, when acting in place of a regular member, an alternate member has all the powers, privileges and immunities of a regular member.

Existing law requires that any recommended legislation proposed by a Joint Interim Standing Committee must be approved by a majority of the members of the Senate and a majority of the members of the Assembly serving on the Committee. (NRS 218E.325) Section 9 changes this requirement by providing that any recommended legislation proposed by a Committee must be approved by a vote in favor of such legislation by at least five members of the eight-member Committee, regardless of their House.

Existing law requires the Joint Interim Standing Committee on Legislative Operations and Elections to evaluate and review issues relating to governmental purchasing. (NRS 218E.330) Section 10 of this bill transfers such duties to the Joint Interim Standing Committee on Government Affairs. Section 44 of this bill makes a conforming change to require that the biennial report on recommendations for legislation relating to government purchasing be submitted to the Joint Interim Standing Committee on Government Affairs.

Existing law creates the Subcommittee on Public Lands of the Joint Interim Standing Committee on Natural Resources and prescribes the Subcommittee's powers and duties. (NRS 218E.500-218E.525, NRS 321.7355) Sections 15-17, 43 and 51 of this bill eliminate the Subcommittee and transfer its powers and duties to the renamed Joint Interim Standing Committee on Natural Resources ~~[,]~~ and Public Lands. Section 16 of this bill requires the renamed Joint Interim Standing Committee on Natural Resources and Public Lands to hold at least three meetings during each legislative interim where the primary physical location of the meeting is located in a different county for each such meeting other than Clark County, Washoe County or Carson City. However, section 16 does not prohibit the use of authorized remote-technology systems for each such meeting, including when necessary to connect the primary physical location of the meeting to additional physical locations for the meeting in Clark County, Washoe County or Carson City.

Existing law creates: (1) the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System; and (2) the Legislative Committee on Senior Citizens,

Veterans and Adults With Special Needs. (NRS 218E.550-218E.570, 218E.745-218E.760) Sections 18 and 19 of this bill revise the membership, organization and operations of each Legislative Committee.

Existing law creates the Sunset Subcommittee of the Legislative Commission. (NRS 232B.210-232B.250) Sections 33-40 of this bill: (1) rename the Sunset Subcommittee as the Sunset Committee of the Legislature; and (2) revise the membership, organization and operations of the Sunset Committee.

Existing law authorizes Joint Interim Standing Committees and other interim committees to request the drafting of a certain number of legislative measures for each regular session. (NRS 218D.160) Section 1 of this bill revises the number of such requests that may be made by ~~it: (1) the Joint Interim Standing Committee on Health and Human Services; (2) the Joint Interim Standing Committee on the Judiciary; (3) the Joint Interim Standing Committee on Natural Resources; and (4) the~~ Sunset Committee of the Legislature.

Existing law requires the Joint Interim Standing Committee on Health and Human Services to review certain regulations that are proposed or adopted by certain licensing boards and that are related to health care. (NRS 439B.225) Section 51 of this bill repeals the requirement that the Joint Interim Standing Committee on Health and Human Services review such regulations. Sections 41 and 42 of this bill make conforming changes to eliminate the requirement that such regulations be submitted to the Joint Interim Standing Committee on Health and Human Services.

Existing law requires a teacher who wishes to serve on the Nevada State Teacher Recruitment and Retention Advisory Task Force to submit an application to the Joint Interim Standing Committee on Education on or before January 15 of an even-numbered year. (NRS 391.494) Section 46 of this bill moves the due date of the application from January 15 of an even-numbered year to December 1 of an odd-numbered year.

Existing law requires various reports, documents and other information to be compiled by state or local governmental agencies and then reported to certain legislative committees or staff. (NRS 193.309, 209.192, 209.461, 209.4818, 332.215, 388.887, 449.242) Sections 29-32, 44, 45 and 47 of this bill revise those reporting requirements.

Under existing law, the Nevada Lobbying Disclosure and Regulation Act (Lobbying Act) prohibits, with certain exceptions, Legislators, legislative officers and legislative staff members from knowingly or willfully soliciting or accepting any gift from a lobbyist, whether or not the Legislature is in a regular or special session. (NRS 218H.060, 218H.090, 218H.930) Under existing exceptions to the gift prohibitions, if Legislators or members of their households receive anything of value from a lobbyist to undertake or attend any educational or informational meetings, events or trips, such meetings, events or trips are excluded from the term "gift" under the Lobbying Act, but the Legislators are required to report the educational or informational

meetings, events or trips on their financial disclosure statements under the Nevada Financial Disclosure Act (Financial Disclosure Act). (NRS 218H.045, 218H.060, 281.5583, 281.571)

Sections 20-27 of this bill create exceptions for legislative committee investigative meetings, events or trips. Section 22 of this bill defines a "legislative committee investigative meeting, event or trip" to include any meetings, events or trips that the chair of a legislative committee authorizes as official meetings, events or trips of the committee in order for the members of the committee and legislative staff members to investigate or otherwise receive any education or information on matters that are pertinent to the committee's legislative business or possible future legislative action. Based on the exceptions in sections 24 and 26 of this bill, such legislative committee investigative meetings, events or trips are not required to be reported on financial disclosure statements under the Financial Disclosure Act. (NRS 281.5583, 281.5585)

Sections 24 and 26 also make the existing exceptions for educational or informational meetings, events or trips applicable to: (1) legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly; and (2) legislative staff members but only if such staff members have the approval of their chief administrative supervisors to undertake or attend the educational or informational meetings, events or trips. Because the Financial Disclosure Act applies to legislative officers, such as the Secretary of the Senate and the Chief Clerk of the Assembly, and to certain senior staff members of the Legislative Counsel Bureau, such as the Director and the chiefs of the divisions, they are required to report the educational or informational meetings, events or trips on financial disclosure statements. By contrast, if rank-and-file legislative staff members have the approval of their chief administrative supervisors to undertake or attend any educational or informational meetings, events or trips, they are not required to report the educational or informational meetings, events or trips on financial disclosure statements, unless they qualify as a public officer or candidate or a member of a public officer's or candidate's household for the purposes of the Financial Disclosure Act. (NRS 281.005, 281.558, 281.5583, 281.5587)

Section 15 of Assembly Bill No. 243 First Reprint is hereby amended as follows:

Sec. 15. NRS 218E.500 is hereby amended to read as follows:

218E.500 The Legislature finds and declares that:

1. Policies and issues relating to public lands and state sovereignty as impaired by federal ownership of land are matters of continuing concern to this State.

2. This concern necessarily includes an awareness that all federal statutes, policies and regulations which affect the management of public lands are likely to have extensive effects within the State and must not be ignored or automatically dismissed as beyond the reach of the state's policymakers.

3. Experience with federal regulations relating to public lands has demonstrated that the State of Nevada and its citizens are subjected to

regulations which sometimes are unreasonable, arbitrary, beyond the intent of the Congress or the scope of the authority of the agency adopting them and that as a result these regulations should be subjected to legislative review and comment, and judicially tested where appropriate, to protect the rights and interests of the State and its citizens.

4. Other western states where public lands comprise a large proportion of the total area have shown an interest in matters relating to public lands and those states, along with Nevada, have been actively participating in cooperative efforts to acquire, evaluate and share information and promote greater understanding of the issues. Since Nevada can both contribute to and benefit from such interstate activities, it is appropriate that ~~{a subcommittee on matters relating to public lands}~~ the Joint Interim Standing Committee on Natural Resources and Public Lands be assigned primary responsibility for participating in them.

↪ except that this subsection does not prohibit any additional physical locations for such a meeting from being located in Clark County, Washoe County or Carson City and connected to the primary physical location for the meeting through the use of any authorized remote-technology system or otherwise prohibit the use of any authorized remote-technology system for such a meeting. As used in this subsection, "authorized remote-technology system" has the meaning ascribed to it in NRS 218A.806.

2. In addition to any other powers or duties, the Committee may:

(a) Review and comment on any administrative policy, rule or regulation of the:

(1) Secretary of the Interior which pertains to policy concerning or management of public lands under the control of the Federal Government; and

(2) Secretary of Agriculture which pertains to policy concerning or management of national forests;

(b) Conduct investigations and hold hearings in connection with its review, including, but not limited to, investigating the effect on the State, its citizens, political subdivisions, businesses and industries of those policies, rules, regulations and related laws, and exercise any of the investigative powers set forth in NRS 218E.105 to 218E.140, inclusive ; ~~f, and section 2 of this act;~~

(g) Enter into a contract for consulting services for land planning and any other related activities, including, but not limited to:

(1) Advising the ~~{Subcommittee}~~ *Committee* and the State Land Use Planning Agency concerning the revision of the plans pursuant to NRS 321.7355;

(i) Review and comment on any other matter relating to the preservation, conservation, use, management or disposal of public lands deemed appropriate by the Chair of the ~~{Subcommittee}~~ *Committee* or by a majority of the members of the ~~{Subcommittee}~~ *Committee*.

~~2.~~ 3. Any reference in this section to federal policies, rules, regulations and related federal laws includes those which are proposed as well as those which are enacted or adopted.

Amendment adopted.

Bill read third time.

Remarks by Senators Ohrenschall and Hansen.

SENATOR OHRENSCHALL:

Assembly Bill No. 243 makes changes to the interim structure of the Legislature, including creating this new Joint Interim Standing Committee on Natural Resources and Public Lands, deleting subjects in the original bill regarding termed-out Legislators and much of what I mentioned in the amendment explanation. It is a very good bill; I urge its support.

SENATOR HANSEN:

I oppose Assembly Bill No. 243. There is a major concern in my mind. We are required by the Nevada Constitution, Article 4, Section 2, to do our legislative business in 120 days. What we have been doing this session is creating, instead of interim, temporary or ad hoc committees, we are now adding full-blown standing committees to basically be meeting year-round. I have asked the Legislative Counsel Bureau to give me an opinion, and they have not gotten back to me yet. I think we are actually violating the Nevada Constitution by basically creating a fulltime Nevada Legislature.

I know there are folks in this audience who want that, but if we actually want to do that, fine and dandy; we need to have that go before the people of the State of Nevada and amend the Nevada Constitution. In the meantime, we are expected to do our business within 120 days, and if we want to have temporary committees—such as the Interim Finance Committee, Legislative Commission, Public Lands—they are supposed to be just that: interim, temporary committees. Now, we are making these fulltime, standing committees year-round.

I do not think that is what the people at the moment want. If we do want to push that, fine and dandy, put it on the ballot, and let them vote on it. In the meantime, we should not be violating the Constitution of the State of Nevada. We need to get our legislative business done in 120 days. The amendment, by the way, does make it better, but I still think it is a mistake to start doing these kinds of committees year-round. I urge a "no" vote on Assembly Bill No. 243.

SENATOR OHRENSCHALL:

To briefly respond to my colleague from Sparks, I believe we have had a lot of great legislation this session that came out of the interim standing committees. The work they did I think was tremendous and certainly this follows a model that other states with part-time legislatures follow. I believe it keeps us a part-time legislature, but keeps Legislators close to the community and be able to work in those subject areas and come up with great legislation like much of what we have seen this session. I urge support.

Assembly Bill No. 245, as amended, requires the board of trustees of each school district and governing body of each charter school or university school for profoundly gifted pupils to enter into a memorandum of understanding with an organization that assists victims of power-based violence and requires certain pupils be referred to such organization; creates the Committee on Responses to Power-Based Violence in Schools; requires school districts and public schools to make available certain information; replaces the term "sexual misconduct" with "power-based violence"; revises provisions governing certain programming related to power-based violence which institutions in the Nevada System of Higher Education may be required to provide to students and employees; and renames the Task Force on Sexual Misconduct at Institutions of Higher Education as the Task Force on Power-based Violence at Institutions of Higher Education.

SENATOR SEEVERS GANSERT:

I urge support of Assembly Bill No. 245. Part of what this creates are memorandums of understanding between universities, schools and organizations that help victims of sexual violence like sexual assault. Sometimes they do not want to come forward because they do not have any support. We want to make sure they have the support they need.

I know there is a new term in this, and it is an umbrella term that is new to this body. But I think it is comprehensive and will help make sure those who have issues or sexual violence against them will have the support they need.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 35.

The following Assembly amendment was read:

Amendment No. 734.

SUMMARY—Revises provisions relating to controlled substances. (BDR 40-423)

AN ACT relating to controlled substances; establishing the crimes of ~~[mid-level] trafficking~~ and high-level trafficking in any mixture which contains illicitly manufactured [fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of] fentanyl; ~~establishing the crime of intentional misrepresentation of a fentanyl product; requiring each state and local law enforcement agency and the Nevada Sentencing Commission to submit certain reports to the Joint Interim Standing Committee on the Judiciary~~; requiring, to the extent that money is available, the establishment of certain programs to provide certain offenders or prisoners who have a substance use disorder with medication-assisted treatment; requiring the Joint Interim Standing Committee on the Judiciary to conduct an interim study concerning certain matters relating to forensic laboratories; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or

intentionally in actual or constructive possession of a schedule I controlled substance, other than marijuana, a schedule II controlled substance or certain other controlled substances is guilty of: (1) low-level trafficking if the quantity of the controlled substance is 100 grams or more but less than 400 grams; and (2) high-level trafficking if the quantity of the controlled substance is 400 grams or more. A person who commits the crime of: (1) low-level trafficking is guilty of a category B felony and subject to certain prescribed penalties; and (2) high-level trafficking is guilty of a category A felony and subject to certain prescribed penalties. (NRS 453.3385)

Existing regulations of the State Board of Pharmacy include fentanyl in the list of controlled substances in schedule II and various derivatives of fentanyl in the list of controlled substances in schedule I. (NAC 453.510, as amended by LCB File No. R023-21, NAC 453.520) ~~[Section 8 of this bill excludes illicitly manufactured fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of fentanyl from the controlled substances for which the provisions governing the crimes of low level trafficking and high level trafficking apply.]~~ Section ~~[1]~~ 1.5 of this bill ~~[instead]~~ establishes the crimes of ~~[mid-level]~~ trafficking and high-level trafficking in any mixture which contains illicitly manufactured [fentanyl, any derivative of fentanyl and any mixture which contains fentanyl or any derivative of] fentanyl. Under section ~~[1,]~~ 1.5, a person who knowingly or intentionally sells, manufactures, delivers or brings into this State or is knowingly or intentionally in actual or constructive possession of any mixture which contains illicitly manufactured [fentanyl, any derivative of] fentanyl or any mixture which contains fentanyl or any derivative of] fentanyl is guilty of: (1) ~~[mid-level]~~ trafficking if the quantity involved is ~~[14]~~ 28 grams or more but less than ~~[28]~~ 42 grams; and (2) high-level trafficking if the quantity involved is ~~[28]~~ 42 grams or more ~~[,]~~ but less than 100 grams. Under section ~~[1,]~~ 1.5, a person who commits the crime of ~~[1, (1) mid-level]~~ trafficking or high-level trafficking is guilty of a category B felony and subject to certain prescribed penalties . . . [; and (2) high-level trafficking is guilty of a category A.]

Section 1.7 of this bill establishes the crime of intentional misrepresentation of a fentanyl product. Under section 1.7, a person who sells to another person a mixture containing fentanyl and another controlled substance is guilty of intentional misrepresentation of a fentanyl product if the person: (1) knows that the mixture contains fentanyl; and (2) intentionally fails to inform the purchaser that the mixture contains fentanyl. Section 1.7 provides that such a person is guilty of a category B felony and subject to certain prescribed penalties.

Sections 1.9, 2, 5 and 6 of this bill provide that a person found guilty of [mid-level] intentional misrepresentation of a fentanyl product or trafficking or high-level trafficking in any mixture which contains illicitly manufactured [fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of] fentanyl is subject to the greater penalty for that crime if

the acts constituting the crime could subject the person to a lesser punishment under another statute.

Sections 3, 4, 7, 9-12 and 13 of this bill add references to section ~~[4]~~ 1.5 so that the crimes of ~~[mid-level] trafficking~~ and high-level trafficking in any mixture which contains illicitly manufactured fentanyl, any derivative of fentanyl or any mixture which contains fentanyl or any derivative of fentanyl are treated the same as the crimes of low-level and high-level trafficking involving schedule I controlled substances, other than marijuana, and schedule II controlled substances for certain purposes. Section 12 adds a reference to section 1.7 so that the crime of intentional misrepresentation of a fentanyl product is treated the same as the crime of selling other controlled substances for certain purposes.

Existing law prohibits, with certain exceptions, a court from suspending the sentence of a person convicted of trafficking in a controlled substance. (NRS 453.3405) Section 9 extends this prohibition to a person found guilty of trafficking or high-level trafficking in any mixture which contains illicitly manufactured fentanyl. Section 9 provides an exemption from this prohibition if the person convicted establishes, by a preponderance of the evidence, that he or she did not know that the mixture at issue contained illicitly manufactured fentanyl.

Existing law provides that a person who, in good faith, seeks medical assistance for a person who is experiencing a drug or alcohol overdose or other medical emergency or who seeks such assistance for himself or herself, or who is the subject of a good faith request for such assistance may not be arrested, charged, prosecuted or convicted, or have his or her property subjected to forfeiture, or be otherwise penalized for violating certain provisions of existing law governing controlled substances if the evidence to support the penalty was obtained as a result of the person seeking medical assistance. (NRS 453C.150) Section 10 of this bill includes trafficking and high-level trafficking in a mixture that contains illicitly manufactured fentanyl among the offenses for which a person may not be penalized under such circumstances.

Existing law requires the Director of the Department of Corrections to establish one or more programs of treatment for offenders with substance use or co-occurring disorders who have been sentenced to imprisonment in the state prison. (NRS 209.4236, 209.425) Existing law additionally provides that the treatment of a prisoner in a local jail or detention facility who has a substance use disorder may include medication-assisted treatment. (NRS 211.140) Section 12.3 of this bill requires the Director, to the extent that money is available, to establish a program to provide for the treatment of offenders with a substance use disorder using medication-assisted treatment. Section 12.3 requires: (1) the program to provide each eligible offender who participates in the program with appropriate medication-assisted treatment for the period in which the offender is incarcerated; and (2) each offender who the Director has determined has a substance use disorder for which a

medication-assisted treatment exists and who meets any reasonable conditions imposed by the Director to be deemed eligible to participate in the program and offered the opportunity to participate. Section 12.3 prohibits the Director from denying an offender the ability to participate in the program or terminating his or her participation in the program for certain reasons. Finally, section 12.3 provides that an offender who participates in the program is not subject to discipline on the basis that the results of a screening test administered to the offender indicated the presence of a controlled substance. Section 12.7 of this bill requires, to the extent that money is available, a sheriff, chief of police or town marshal who is responsible for a county, city or town jail or detention facility to establish a program similar to that set forth in section 12.3 to provide for the treatment of prisoners with a substance use disorder using medication-assisted treatment.

Section 1.8 of this bill requires each state and local law enforcement agency and the Nevada Sentencing Commission to submit to the Joint Interim Standing Committee on the Judiciary on or before March 1 and October 1 of each even-numbered year a report containing certain information regarding: (1) persons who have been charged with trafficking or high-level trafficking in any mixture that contains illicitly manufactured fentanyl or intentional misrepresentation of a fentanyl product; (2) programs for the treatment of persons incarcerated in the state prison or a county, city or town jail or detention facility; and (3) drug overdoses that resulted in the death of certain persons which were due to fentanyl or a controlled substance analog for fentanyl.

Section 14 of this bill requires the Joint Interim Standing Committee on the Judiciary to conduct a study during the 2023-2024 interim concerning the possible upgrading of forensic laboratories in this State to enable such laboratories to perform quantitative testing involving controlled substances.

Amendment No. 977.

SUMMARY—Revises provisions governing collective bargaining.
(BDR 23-1050)

AN ACT relating to public employees; revising certain provisions relating to the negotiation, mediation and arbitration of collective bargaining agreements with the Executive Department of the State Government; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes certain groups of employees in the classified service of the Executive Department of the State Government to engage in collective bargaining with the Executive Department concerning wages, hours and other terms and conditions of employment for such employees. (NRS 288.400-288.630) In general, a collective bargaining agreement for such a group of employees must begin on July 1 of an odd-numbered year and must end on June 30 of the next odd-numbered year. (NRS 288.550)

Existing law requires the Governor to designate a representative to conduct

negotiations concerning collective bargaining agreements on behalf of the Executive Department and requires negotiations between the representative of the Executive Department and the exclusive representative of a bargaining unit to begin within 60 days after one party notifies the other party of the desire to negotiate or November 1 of each even-numbered year, whichever is earlier. (NRS 288.565) Section 1 of this bill requires such negotiations to begin on or before October 1, rather than November 1, of each even-numbered year.

Existing law authorizes either the representative of the Executive Department or the exclusive representative of a bargaining unit to request a mediator if the parties do not reach a collective bargaining agreement within 120 days after beginning negotiations or February 1 of an odd-numbered year, whichever is earlier, unless the parties agree on a later date. (NRS 288.570) Section 1 requires the representative of the Executive Department and the exclusive representative of a bargaining unit, before engaging in collective bargaining, to: (1) select a mediator and an arbitrator for the purposes of potential mediation and arbitration; and (2) to the extent possible, determine and reserve with the mediator and arbitrator selected by the parties the calendar days when such mediation and arbitration would occur should the parties not reach a collective bargaining agreement.

If the representative of the Executive Department and the exclusive representative of a bargaining unit do not reach a collective bargaining agreement through mediation within 21 days after the appointment of a mediator, mediation is required to cease and the parties are required to begin arbitration proceedings on or before March 1 unless the parties agree on a later date. The arbitrator is then required to render a decision on or before March 15 unless the parties agree on a later date. (NRS 288.575) If the parties do not reach a collective bargaining agreement through mediation, section 3 of this bill requires mediation to cease and the parties to begin arbitration proceedings within 10 days, rather than 21 days, after the appointment of a mediator. Section 3: (1) requires arbitration proceedings to begin on or before February 15, rather than March 1; and (2) requires the arbitrator to render a decision on or before March 5, rather than March 15. Section 3.5 of this bill makes an appropriation to the Division of Human Resource Management of the Department of Administration for costs relating to the prescheduling of arbitrations and mediations.

Amendment No. 964 to Assembly Bill No. 452, as amended, makes General Fund appropriations of \$525,000 over the biennium for the cost to contract services for the Office of the Ombudsperson for Offenders.

Amendment adopted.

Bill read third time.

Remarks by Senators Dondero Loop and Stone.

SENATOR DONDERO LOOP:

Assembly Bill No. 452, as amended, requires the Director of the Department of Corrections (DOC) to adopt regulations establishing and governing a program for the visitation of offenders and establishes the Office of the Ombudsperson for Offenders. This also makes General Fund appropriations of \$525,000 over the biennium for the cost to contract services for the Office of the Ombudsperson for Offenders.

SENATOR STONE:

I oppose Assembly Bill No. 452. During the committee hearing, the issue of cancelled family visits was discussed fully with the DOC Director James Dzurenda, and we discovered that roughly 90 percent of the cancellations were not arbitrary and capricious, as some of the opponents would like to think, but rather, the reasons why most of the visitations were cancelled were due to last-minute lack of staffing.

Here are the facts. There are 1,500 positions in the state DOC. We presently have 400 vacancies, and it is growing, stretching thin the ability to properly oversee our prison population. Hiring an expensive ombudsperson will not solve this problem of lack of staffing. The Director should be the one responsible to ensure the staffing levels are appropriate and ensuring that he has the right staff to oversee the visitation issues being addressed by this bill.

The Director has also confirmed why we have a lack of staffing at the DOC. That is because our prison guards are grossly underpaid. Until this Legislature wraps their arms around this complicated issue and has a plan to bring our prison guards to some form of parity, visitation and other problems we have been experiencing recently in our prison system will continue to plague our detention system here in the State.

Let us save this money that will be spent on a useless position, and instead let us use these funds as a downpayment on bringing parity to our hero prison guards here in Nevada. Then, Director Dzurenda will be able to solve this problem and many others facing the Nevada Department of Rehabilitation and Corrections. For these reasons, I oppose Assembly Bill No. 452.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 322.

The following Assembly amendment was read:

Amendment No. 659.

SUMMARY—Revises provisions relating to reckless driving.
(BDR 43-934)

AN ACT relating to crimes; revising the penalties for engaging in reckless driving under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law makes it unlawful for a person to drive a vehicle in willful or wanton disregard of the safety of persons or property. Existing law provides that certain unlawful acts, such as driving a vehicle in willful or wanton disregard of the safety of persons or property, constitute reckless driving. (NRS 484B.653) Under existing law, if a driver commits reckless driving and proximately causes substantial bodily harm to or the death of another person, the driver: (1) is guilty of a category B felony; (2) shall be punished by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years; and (3) may be subject to certain additional penalties if the violation is committed in a pedestrian safety zone or a temporary traffic control zone. (NRS 484B.130, 484B.135, 484B.653)

Section 3 of this bill revises the penalty for committing such a violation under certain circumstances. Specifically, section 3 increases the maximum term of imprisonment for the commission of such a violation from 6 years to 10 years, if the violation: (1) involves operating a vehicle at a rate of speed that is 50 miles per hour or more over the posted speed limit; or (2) is committed in a pedestrian safety zone, school zone or school crossing zone. Amendment No. 661.

SUMMARY—Revises provisions relating to public safety. (BDR 15-289)

AN ACT relating to public safety; requiring a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe; requiring each law enforcement agency to adopt certain policies and procedures governing the performance by peace officers of works protected by copyright in certain circumstances; revising provisions governing the establishment of a program for the imprinting of a symbol indicating a medical condition on a driver's license or identification card; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a peace officer from placing a person who is in the custody of the peace officer in any position which compresses his or her airway or restricts his or her ability to breathe. Existing law also requires a peace officer to monitor any person who is in the custody of the peace officer for any signs of distress and to take any actions necessary to place such a person in a recovery position if he or she appears to be in distress or indicates that he or she cannot breathe. (NRS 193.305) Section 1 of this bill requires a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe by an emergency medical attendant, physician, physician assistant or registered nurse as soon as practicable.

Section 2 of this bill requires each law enforcement agency to adopt written policies and procedures governing the performance of copyrighted works by peace officers employed by the law enforcement agency while on

duty, including policies prohibiting a peace officer from performing, or causing the performance of, a copyrighted work for the purpose of preventing or interfering with the dissemination or sharing of a recording of the peace officer performing his or her official duties, with certain exceptions. Section 2 prohibits retaliation or punitive action against a peace officer who discloses information concerning the performance of a copyrighted work in violation of such policies and procedures.

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol or other indicator of a medical condition on a driver's license or identification card. (NRS 483.3485, 483.863) Sections 4 and 6 of this bill authorize the Department to adopt regulations establishing a program for the imprinting of a symbol, and not any other indicator, of a medical condition on a driver's license and identification card, respectively. If the Department establishes such a program, sections 4 and 6 additionally require: (1) the Department to adopt a single symbol to represent all applicable medical conditions; (2) the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card if the person is on anticoagulants or has certain specified medical conditions; (3) the Department to maintain a record of the medical condition for which the symbol indicating a medical condition was imprinted on the driver's license or identification card of a person; and (4) the Department to maintain certain information about the program on its Internet website. If the Department establishes such a program, sections 4 and 6 also: (1) authorize the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card to indicate other medical conditions not specified in statute as the Department deems appropriate; and (2) require the Department to provide a means for members of the public to suggest additional medical conditions.

__Sections 3 and 5 of this bill make conforming changes in existing provisions relating to the issuance or renewal of a driver's license or identification card for consistency with the revisions made to the program pursuant to sections 4 and 6. Section 7 of this bill requires the Department to include certain information regarding the program on the notifications for renewal of registration issued by the Department for a 12-month period.

SUMMARY—Revises provisions relating to public safety. (BDR 15-289)

AN ACT relating to public safety; requiring a peace officer to ensure that medical aid is rendered to a person who indicates that he or she cannot breathe; requiring each law enforcement agency to adopt certain policies and procedures governing the performance by peace officers of works protected by copyright in certain circumstances; revising provisions governing the establishment of a program for the imprinting of a symbol indicating a medical condition on a driver's license or identification card; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a peace officer from placing a person who is in the custody of the peace officer in any position which compresses his or her airway or restricts his or her ability to breathe. Existing law also requires a peace officer to monitor any person who is in the custody of the peace officer for any signs of distress and to take any actions necessary to place such a person in a recovery position if he or she appears to be in distress or indicates that he or she cannot breathe. (NRS 193.305) Section 1 of this bill requires a peace officer to ensure that medical aid is rendered to a person who indicates

that he or she cannot breathe by an emergency medical attendant, physician, physician assistant or registered nurse as soon as practicable.

Section 2 of this bill requires each law enforcement agency to adopt written policies and procedures governing the performance of copyrighted works by peace officers employed by the law enforcement agency while on duty, including policies prohibiting a peace officer from performing, or causing the performance of, a copyrighted work for the purpose of preventing or interfering with the dissemination or sharing of a recording of the peace officer performing his or her official duties, with certain exceptions. Section 2 prohibits retaliation or punitive action against a peace officer who discloses information concerning the performance of a copyrighted work in violation of such policies and procedures.

Existing law authorizes the Department of Motor Vehicles to adopt regulations establishing a program for the imprinting of a symbol or other indicator of a medical condition on a driver's license or identification card. (NRS 483.3485, 483.863) Sections 4 and 6 of this bill authorize the Department to adopt regulations establishing a program for the imprinting of a symbol, and not any other indicator, of a medical condition on a driver's license and identification card, respectively. If the Department establishes such a program, sections 4 and 6 additionally require: (1) the Department to adopt a single symbol to represent all applicable medical conditions; (2) the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card if the person is on anticoagulants or has certain specified medical conditions; (3) the Department to maintain a record of the medical condition for which the symbol indicating a medical condition was imprinted on the driver's license or identification card of a person; and (4) the Department to maintain certain information about the program on its Internet website. If the Department establishes such a program, sections 4 and 6 also: (1) authorize the regulations adopted by the Department to provide that a person is eligible to have the symbol indicating a medical condition imprinted on his or her driver's license or identification card to indicate other medical conditions not specified in statute as the Department deems appropriate; and (2) require the Department to provide a means for members of the public to suggest additional medical conditions.

Sections 3 and 5 of this bill make conforming changes in existing provisions relating to the issuance or renewal of a driver's license or identification card for consistency with the revisions made to the program pursuant to sections 4 and 6. Section 7 of this bill requires the Department to include certain information regarding the program on the notifications for renewal of registration issued by the Department for a 12-month period. Amendment No. 593.

SUMMARY—Establishes certain provisions relating to the award of grants of federal money by a state agency for the development of broadband services and infrastructure. (BDR 18-1035)

AN ACT relating to broadband; establishing certain requirements for a state agency that awards grants of federal money for the development of broadband services and infrastructure; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Office of Science, Innovation and Technology in the Office of the Governor and requires: (1) the Director of the Office to establish and administer a program of infrastructure grants for the development or improvement of broadband services for persons with low income and persons in rural areas of this State; and (2) the Office to establish and administer a program to encourage the deployment of broadband infrastructure in underserved communities in this State. (NRS 223.600, 223.610, 223.670) Section 2 of this bill sets forth a legislative declaration regarding the importance of using a well-trained workforce and providing jobs to residents of this State in expending federal money to increase the development of broadband services and infrastructure in this State.

Section 3 of this bill requires each state agency that awards grants of federal money for the development of broadband services and infrastructure to: (1) evaluate and assign a score to each grant application received by the state agency based on the factors and relative weights assigned to each factor that the state agency specified in the request for grant applications; and (2) assign a relative weight of 30 percent to a grant application if the applicant submits a signed certification with his or her application. Section 3 provides that the applicant must certify that if the applicant or a provider of broadband services will perform some or all of the work or will subcontract some or all of the work to a licensed contractor, the applicant, provider or contractor: (1) meets certain safety and training requirements and provides job opportunities with high-quality wages for residents of this State and members of underrepresented communities; or (2) is a signatory to a collective bargaining agreement that covers the direct employees of the applicant who will perform any work financed in whole or in part by the grant money.

Section 3 also provides that if an applicant ~~provides a certification that the~~

~~applicant] or provider [meets certain safety and training requirements and provides job opportunities with high-quality wages for residents of this State and members of underrepresented communities,]~~ is a signatory to a collective bargaining agreement, certain provisions of law requiring the payment of prevailing wages on public works do not apply. Section 3.5 of this bill makes a conforming change to provide an exception to the requirements to pay prevailing wages on public works.

Section 3 further requires each state agency to include as a condition of any grant award that: (1) the certification provided by the applicant is binding upon the applicant that is awarded the grant money; and (2) if a licensed contractor performs any work, certain provisions of law governing public works apply to the work performed by the subcontractor. Lastly, section 3 authorizes the Director of the Office to adopt regulations to carry out the provisions of section 3.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 232 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. *The Legislature finds and declares that:*

1. *The State of Nevada is poised to see a once in a generation wave of federal money resulting from the passage of the Infrastructure Investment and Jobs Act, Public Law 117-58, and the American Rescue Plan Act of 2021, Public Law 117-2, which will help to close the digital divide and increase the development of broadband services and infrastructure across the State;*

3. *Work performed by an unqualified contractor with a poorly trained workforce endangers the public and is not in the best interest of the citizens of this State; and*

4. *Proper stewardship of public money will require that the State of Nevada implement appropriate measures to ensure that any grants of federal money awarded by this State for the development of broadband services and infrastructure prioritize issuing grants to applicants that will ensure the work is performed safely and by a well-trained workforce and that the applicant provides quality jobs to Nevada workers.*

Sec. 3. 1. *In awarding any grant of federal money for the development of broadband services and infrastructure in accordance with federal law, each state agency shall:*

(a) *Evaluate and assign a score to each application received by the state agency based on the factors and relative weights assigned to each factor that the state agency specified in the request for grant applications; and*

(b) *When ranking the proposals, assign a relative weight of 30 percent to an application if the applicant submits a signed certification attesting that*

the applicant meets the requirements of paragraph (a) or (b) of subsection 2.

2. An applicant for a grant of federal money for the development of broadband services and infrastructure shall submit to a state agency with the application for the grant a signed statement certifying that:

(a) If the applicant:

(1) Will perform some or all of the work that is financed in whole or in part with the grant money or if such work will be performed by a provider of broadband services, the applicant or provider, as applicable, meets the requirements set forth in paragraph (b) or (c); and

(2) Will subcontract some or all of the work that is financed in whole or in part with the grant money, the subcontractor meets the requirements set forth in paragraph (b) or (c);

(b) The applicant, provider of broadband services or contractor, as applicable:

(1) Has a robust training program with training requirements that are tied to titles, uniform wage scales and skill codes recognized in the industry;

(2) Requires safety training, including, without limitation, any safety training requirements of the Occupational Safety and Health Administration of the United States Department of Labor, and operates a safety program that requires drug testing;

(5) Primarily employs a qualified local work force consisting of residents of this State or conducts a program to promote the hiring of residents of this State; ~~and~~

~~— (6) Has a documented record of complying with all applicable labor and employment laws in the 5-year period immediately preceding the date the grant application is filed or has a documented record of mitigating any violations of the applicable labor and employment laws and has taken measures to ensure future compliance with such laws;—~~ or

(c) The applicant, provider of broadband services or contractor licensed pursuant to chapter 624 of NRS that will perform some or all of the work is a signatory to a collective bargaining agreement that covers all non-supervisory employees directly employed by the applicant, provider or contractor, as applicable, who will perform any work financed in whole or in part with the grant money.

3. Except as otherwise provided in subsection 5, the provisions of NRS 338.020 to 338.090, inclusive, do not apply to work performed by an applicant or provider of broadband services that is a public work if the applicant or provider, as applicable, is a signatory to a collective bargaining

agreement.

4. Any certification submitted by an applicant for a grant pursuant to subsection 2 must be made available on the Internet website of the state agency which awarded the grant.

5. In addition to the requirements of subsections 1 and 2 and except as otherwise provided in federal law, each state agency shall require as a condition of any grant of federal money for the development of broadband services and infrastructure in accordance with federal law that is awarded by the state agency that:

(a) Any certification provided by the applicant pursuant to subsection 2 is binding upon the applicant who is awarded the grant money; and

(b) If a contractor licensed pursuant to chapter 624 of NRS performs any work financed in whole or in part with the grant money, the provisions of NRS 338.020 to 338.090, inclusive, shall apply.

6. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular grant because of the provisions of this section, the provisions of this section do not apply insofar as their application would preclude or reduce federal assistance for that work.

7. The Director of the Office of Science, Innovation and Technology established pursuant to NRS 223.600 may adopt regulations to carry out the provisions of this section.

8. As used in this section, "state agency" means every public agency, bureau, board, commission, department, division, officer or employee of the Executive Department of the State Government.

2. Apprentices recorded under the provisions of chapter 610 of NRS.

3. Any contract for a public work whose estimated cost is less than \$100,000. A unit of the project must not be separated from the total project, even if that unit is to be completed at a later time, in order to lower the estimated cost of the project below \$100,000.

4. Any work performed for the development of broadband services and infrastructure using grant money awarded pursuant to section 3 of this act by the recipient of the grant money or a provider of broadband services if the recipient or provider, as applicable, is a signatory to a collective bargaining agreement, unless the work is performed by a contractor who is licensed pursuant to chapter 624 of NRS.

Sec. 4. 1. This section becomes effective upon passage and approval.

2. Sections 1 to 3.5, inclusive, of this act become effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

To effect the State of Nevada's share of increases in salaries of 2 percent commencing on April 1, 2023, and ending on June 30, 2023, for employees of the Tahoe Regional Planning Agency, there is hereby appropriated from the State General Fund to the State Board of Examiners the sum of not more than \$13,013. The amounts transferred must not be used to increase an employee's base salary unless the State of California provides the required 2 for 1 matching funds. If such matching funds are not provided by the State of California, any amounts provided to the Tahoe Regional Planning Agency by the State of Nevada must be used as a one-time salary bonus.~~

~~2. The State Board of Examiners, upon the recommendation of the Director of the Office of Finance in the Office of the Governor, may allocate and disburse to the Tahoe Regional Planning Agency out of the money appropriated by this section such sums of money as may from time to time be required, which, when added to the money otherwise appropriated or available, equal the amount of money required to meet and pay the State of Nevada's share of the salaries of the employees of the Tahoe Regional Planning Agency under the adjusted pay plan to become effective on April 1, 2023. The sums appropriated by this section may not be allocated and disbursed to address a deficiency between the appropriated money as fixed by the 81st Session of the Nevada Legislature and the requirements for salaries resulting from any circumstance other than an increase in salaries described in this section.] (Deleted by amendment.)~~

~~Sec. 11. [Any remaining balance of an appropriation made by section 6, 7, 9 or 10 of this act must not be committed for expenditure after June 30, 2023, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 15, 2023, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the fund from which it was appropriated on or before September 15, 2023.] (Deleted by amendment.)~~

Legislative Counsel's Digest:

~~— [Existing law generally authorizes a court to defer judgment against a criminal defendant to a specified future date and set forth specific terms and conditions for the defendant and, if the court finds that the defendant has completed all such conditions, the court is required to discharge the defendant and dismiss the proceedings. However, a judgment cannot be deferred if the defendant has been convicted of a violent or sexual offense or certain offenses committed against a child. (NRS 176.211) Section 1 of this bill also prohibits a judgment from being deferred if the defendant has been convicted of abuse or exploitation of an older person or a vulnerable person. Sections 2, 4 and 6 of this bill similarly disqualify a defendant who has committed abuse or exploitation of an older person or a vulnerable person or abuse, neglect or endangerment of a child from being eligible for assignment to certain specialty court programs.~~

~~— Existing law provides that if a defendant who committed a first or second offense of possession of certain controlled substances had his or her judgment deferred and was placed in a specialty court program but then violated a term or condition during the deferral period, the court is authorized to allow the defendant to continue participating in the program or terminate the participation of the defendant in the program. If the court terminates the participation of the defendant in the program, the court is required to allow the defendant to withdraw his or her plea. (NRS 176.211) Section 1 removes such provisions.~~

~~— Existing law authorizes a court to assign certain defendants to participate in certain specialty court programs as a condition of probation. Upon a defendant's completion of the terms and conditions of probation, the court is required to discharge the defendant and dismiss the proceedings or set aside the judgment of conviction unless the defendant has previously been convicted of a felony or failed to complete a specialty court program, in which case the court has the discretion as to whether to discharge the defendant and dismiss the proceedings or set aside the judgment of conviction. (NRS 176A.240, 176A.260, 176A.290) Sections 2, 4 and 7 of this bill remove the provisions requiring a court to discharge a defendant and instead make the court's discharge of a defendant discretionary unless the~~

~~defendant has previously been convicted of a felony or failed to complete a specialty court program.~~

~~Existing law generally requires a court to order sealed all documents relating to the case of a defendant who is discharged from probation or whose case is dismissed after participating in certain specialty court programs. (NRS 176A.245, 176A.265, 176A.295) Sections 3, 5 and 8 of this bill revise such provisions by requiring a court to order sealed all documents relating to the case of such a defendant only after the case is dismissed.~~

~~Existing law provides that a person who has been accepted into a program for the treatment of problem gambling and is placed by the court under the supervision of a qualified mental health professional is required to have his or her sentencing deferred and, unless the person has a record of two or more felony convictions for two or more separate incidents, have his or her conviction set aside if the qualified mental health professional certifies to the court that the person satisfactorily completed the program and the court approves the certification and determines that the person satisfied the conditions upon the election of treatment. (NRS 458A.220, 458A.240) Section 51 of this bill instead provides that the deferral of the sentencing and the setting aside of the conviction of such a person is discretionary for the court. Existing law provides that the determination of and civil commitment for problem gambling shall not be deemed a criminal conviction. (NRS 458A.250) Section 52 of this bill removes such provisions and instead provides that the setting aside of the conviction of a person under section 51 shall not be deemed a criminal conviction.~~

~~Existing law requires the Division of Parole and Probation of the Department of Public Safety (hereinafter "Division") to adopt a written system of graduated sanctions for use by parole and probation officers when responding to a technical violation of the conditions of probation or parole. (NRS 176A.510, 213.15101) Sections 9 and 37 of this bill, respectively, provide that as part of the system of graduated sanctions, the Division is authorized, in response to a technical violation of probation or parole, to: (1) impose confinement in a jail or detention facility for a period of not more than 10 days, not to exceed 30 days in the aggregate; or (2) place the person under a system of active electronic monitoring for a period of not more than 60 days using an electronic device approved by the Division. Sections 9 and 37 also require a system of graduated sanctions to include guidance on the use of such confinement in a jail or detention facility and electronic monitoring. Sections 9 and 37 additionally revise the definition of "technical violation" to exclude certain violations of probation, suspension of sentence or parole by a sex offender and termination from a program which provides residential treatment, a program indicated in a parole release plan or a specialty court program, as applicable.~~

~~Existing law authorizes a court to take certain actions if a probationer commits certain violations of the conditions of probation. (NRS 176A.630) Section 10 of this bill instead authorizes a court to take such actions for any~~

~~violation of the conditions of probation by a probationer. Existing law provides that a parolee whose parole is revoked for certain reasons: (1) forfeits all credits for good behavior; and (2) is required to serve the part of the unexpired maximum term or maximum aggregate term of his or her original sentence as determined by the State Board of Parole Commissioners (hereinafter "Board"). (NRS 213.1519) Section 38 of this bill provides that such consequences apply to a parolee whose parole is revoked for any reason. Existing law also authorizes a court or the Board, as applicable, to take certain actions if a probationer or parolee commits one or more technical violations of the conditions of probation or parole, including: (1) temporarily revoking the probation, suspension of sentence or parole supervision and imposing a term of imprisonment of not more than 30 days for the first temporary revocation, 90 days for the second temporary revocation or 180 days for the third temporary revocation; or (2) fully revoking the probation, suspension of sentence or parole supervision and imposing imprisonment for the remainder of the sentence for a fourth or subsequent revocation. (NRS 176A.630, 213.1519) Sections 10 and 38 remove such provisions.]~~

Existing law requires the Division of Parole and Probation of the Department of Public Safety to petition the court to recommend the early discharge of a person from probation if the person satisfies certain requirements, including not having been convicted of a violent or sexual offense or abuse, neglect or endangerment of a child. (NRS 176A.840) Section 11 of this bill adds certain offenses involving a ~~[dangerous weapon or]~~ firearm ~~[, residential burglary]~~ and invasion of the home to such disqualifying offenses for purposes of the early discharge of a person from probation.

~~[Existing law generally requires a court to hold a pretrial release hearing within 48 hours after a person has been taken into custody. (NRS 178.4849) Section 12 of this bill increases such a period to 72 hours. Section 12 also: (1) prohibits a pretrial release hearing from being held on any day declared to be a legal holiday; (2) requires the court to apply a rebuttable presumption that financial conditions must be imposed on a person who has been arrested for certain offenses to ensure the appearance of the person at trial; and (3) authorizes a person to be held without bail if the prosecuting attorney demonstrates by clear and convincing evidence that the person is a flight risk or danger to the community and no conditions will ensure the appearance of the person at trial.]~~

Existing law establishes the definition of and the penalties for the crime of battery. (NRS 200.481) Section 14 of this bill revises the definition of the term "strangulation" as it relates to the crime of battery.

Existing law prohibits the ownership or possession of firearms by certain persons. (NRS 202.360) Section 15 of this bill additionally prohibits a person from using or carrying a firearm during and in relation to, or possessing a firearm in furtherance of, the commission of certain drug offenses and

provides that a person who violates any such provision is guilty of a category B felony. ~~{Section 15 also provides that for the purposes of prosecuting a violation of the prohibition against the ownership, possession, use or carrying of firearms by certain persons, each firearm owned, possessed, used or carried by, or under the custody or control of, a person constitutes a separate violation.}~~

~~Existing law establishes the crimes of residential burglary, burglary of a business, burglary of a motor vehicle and burglary of a structure and provides that one of the elements of such crimes is that the person unlawfully enters or unlawfully remains in the dwelling, business structure, motor vehicle or other structure, as applicable. (NRS 205.060) Section 16 of this bill removes the requirement that a person's entry be unlawful and also removes the requirement that a person unlawfully remains in the dwelling, business structure, motor vehicle or other structure, as applicable. Section 16 also increases the penalties for burglary of a motor vehicle, burglary of a structure and burglary of a business.~~

~~Existing law provides that a person who commits theft is guilty of: (1) a misdemeanor if the value of the property or services involved in the theft is less than \$1,200; and (2) a category D felony if the value of the property or services involved in the theft is \$1,200 or more but less than \$5,000. (NRS 205.0835) Section 17 of this bill reduces the felony theft threshold to \$750. Sections 18 35, 53 and 55 57 of this bill make conforming changes to various offenses concerning theft or deceptive trade practices that use monetary thresholds by similarly reducing the felony threshold to \$750.~~

~~Existing law establishes provisions concerning habitual criminals and provides that a person who is convicted of a felony and has previously been convicted of a felony: (1) five times is guilty of a category B felony; or (2) seven times is guilty of a category A felony. (NRS 207.010) Section 36 of this bill reduces the number of previous felony convictions for purposes of a person being considered a habitual criminal from five to two for a category B felony and from seven to three for a category A felony. Section 36 also removes provisions exempting certain drug convictions for the purpose of determining the number of previous felony convictions of a person.~~

~~Existing law generally provides that a person who is convicted of the possession of flunitrazepam or gamma hydroxybutyrate, or any substance for which either such substance is an immediate precursor, is guilty of a category B felony and must be punished by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years. (NRS 453.336) Section 45 of this bill provides that a person who is convicted of the possession of a mixture containing fentanyl, carfentanil and a benzimidazole opioid, or any analog thereof, is also guilty of a category B felony and must be punished in the same manner.~~

~~Existing law prohibits a court from granting probation to or suspending the sentence of certain persons convicted of possessing flunitrazepam or gamma hydroxybutyrate, or any substance for which flunitrazepam or~~

~~gamma hydroxybutyrate is an immediate precursor, for the purpose of sale. (NRS 453.237) Section 46 of this bill includes fentanyl in such provisions.~~

~~Existing law prohibits any person from knowingly or intentionally selling, manufacturing, delivering, bringing into this State or being in actual or constructive possession of flunitrazepam or gamma hydroxybutyrate, any substance for which flunitrazepam or gamma hydroxybutyrate is an immediate precursor, any controlled substance listed in schedule I or II other than marijuana or any mixture which contains any such controlled substances. A person who commits such an offense is guilty of: (1) low level trafficking if the quantity involved is 100 grams or more but less than 400 grams and must be punished for a category B felony by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 20 years and by a fine of not more than \$100,000; and (2) high level trafficking if the quantity involved is 400 grams or more and must be punished for a category A felony. (NRS 453.2385) Section 48 of this bill removes schedule II controlled substances from such provisions and also provides that: (1) low level trafficking involves a quantity of 4 grams or more but less than 14 grams; (2) mid level trafficking involves a quantity of 14 grams or more but less than 28 grams; and (3) high level trafficking involves a quantity of 28 grams or more. Section 48 also revises the penalties for low level trafficking and provides that a person who commits such an offense must be punished by imprisonment for a minimum term of not less than 1 year and a maximum term of not more than 6 years and by a fine of not more than \$50,000. Section 48 additionally establishes the penalties for mid level trafficking by applying the current penalties for low level trafficking to such an offense.~~

~~Section 40 of this bill generally provides that any person who knowingly or intentionally sells, manufactures, delivers or brings into this State or who is knowingly or intentionally in actual or constructive possession of any controlled substance which is listed in schedule II or any mixture which contains any such controlled substance must be punished: (1) for a category C felony if the quantity involved is 28 grams or more but less than 200 grams; (2) for a category B felony if the quantity involved is 200 grams or more but less than 400 grams; and (3) for a category A felony if the quantity involved is 400 grams or more. Sections 13, 15, 39, 41-47, 49 and 50 of this bill make conforming changes by including a reference to section 40 in the provisions of existing law that are currently applicable to schedule II substances to ensure that such provisions remain applicable to schedule II substances given the removal of those substances from the provisions of section 48.~~

~~Existing law provides that a person who drives under the influence of alcohol or a prohibited substance and causes the death of or substantial bodily harm to another person is guilty of a category B felony and must be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 20 years.~~

~~(NRS 484C.430) Section 54 of this bill increases the minimum and maximum terms of imprisonment for a person who causes the death of another person to not less than 5 years and not more than 25 years.]~~

Existing law generally provides that a person who, under circumstances not amounting to a burglary, willfully goes or remains upon any land or in any building after having been warned by the owner or occupant thereof not to trespass is guilty of a misdemeanor. (NRS 207.200) Section 36.5 of this bill requires that such a warning by an owner or occupant must have been given during the previous 24 months.

Section 57.5 of this bill makes an appropriation from the State General Fund to the Department of Public Safety for the purpose of purchasing two machines that are capable of testing for fentanyl and its derivatives and measuring the concentration thereof in mixtures.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 176.211 is hereby amended to read as follows:~~

~~176.211 1. Except as otherwise provided in this subsection, upon a plea of guilty, guilty but mentally ill or nolo contendere, but before a judgment of guilt, the court may, without entering a judgment of guilt and with the consent of the defendant, defer judgment on the case to a specified future date and set forth specific terms and conditions for the defendant. The duration of the deferral period must not exceed the applicable period set forth in subsection 1 of NRS 176A.500 or the extension of the period pursuant to subsection 2 of NRS 176A.500. The court may not defer judgment pursuant to this subsection if the defendant has entered into a plea agreement with a prosecuting attorney unless the plea agreement allows the deferral.~~

~~176A.240 1. Except as otherwise provided in subparagraph (1) of paragraph (a) of subsection 3 of NRS 176.211, if a defendant who suffers from a substance use disorder or any co-occurring disorder tenders a plea of guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, any offense for which the suspension of sentence or the granting of probation is not prohibited by statute, the court may:~~

~~(a) Without entering a judgment of conviction and with the consent of the defendant, suspend or defer further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.230 if the court determines that the defendant is eligible for participation in such a program; or~~

~~(b) Enter a judgment of conviction and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.230 if the court determines that the defendant is eligible for participation in such a program.~~

~~2. Except as otherwise provided in subsection 4, a defendant is eligible for participation in a program established pursuant to NRS 176A.230 if the defendant is diagnosed as having a substance use disorder or any co-occurring disorder:~~

~~(a) After an in-person clinical assessment by:~~

~~(1) A counselor who is licensed or certified to make such a diagnosis; or~~

~~(2) A duly licensed physician qualified by the Board of Medical Examiners to make such a diagnosis; or~~

~~(b) Notwithstanding the provisions of paragraph (c) of subsection 2 of NRS 193.130, the court may order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison.~~

~~6. Except as otherwise provided in subsection 8, upon fulfillment of the terms and conditions, the court [~~

~~7. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of the defendant for any purpose.~~

~~8. If the defendant was charged with a violation of NRS 200.485, 484C.110 or 484C.120, upon fulfillment of the terms and conditions, the district court, justice court or municipal court, as applicable, may conditionally dismiss the charges or set aside the judgment of conviction, as applicable. If a court conditionally dismisses the charges or sets aside the judgment of conviction, the court shall notify the defendant that any conditionally dismissed charge or judgment of conviction that is set aside is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail in a future case, but is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose. Conditional dismissal or having a judgment of conviction set aside restores the defendant, in the contemplation of the law, to the status occupied before the arrest, complaint, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, complaint, indictment, information or trial in response to an inquiry made of the defendant for any purpose.] (Deleted by amendment.)~~

The justice court, municipal court or district court, as applicable, shall order those records sealed without a hearing unless the Division petitions the court, for good cause shown, not to seal the records and requests a hearing thereon.~~

~~3. If the court orders sealed the record of a defendant [who is discharged from probation,] whose case is dismissed, whose charges were conditionally dismissed or whose judgment of conviction was set aside pursuant to NRS 176A.240, the court shall send a copy of the order to each agency or officer named in the order. Senator Dondero Loop moved the adoption of the amendment.

Remarks by Senator Dondero Loop.

Amendment No. 989 to Senate Bill No. 341 amends Senate Bill No. 341 by making General Fund appropriations to various additional community organizations and entities for purposes relating to health education, employment and other community services. Additionally, Amendment No. 989 revises provisions relating to the titles and maximum salaries of the unclassified personnel of the Public Utilities Commission of Nevada as included in Assembly Bill No. 522 of this session.

Amendment adopted.

Bill read third time.

Remarks by Senators Dondero Loop and Seevers Gansert.

SENATOR DONDERO LOOP:

Senate Bill No. 341, as amended, makes General Fund appropriations to the Food Bank of Northern Nevada and the Three Square Food Bank for the purpose of purchasing food for persons who are served by such organizations as well as makes General Fund appropriations to other community-based organizations and entities for purposes relating to health education, employment and other community services. Additionally, Senate Bill No. 341, as amended, revises the titles and maximum salaries for certain unclassified positions of the Public Utilities Commission of Nevada as included in section 1 of Assembly Bill No. 522 of this legislative session.

SENATOR SEEVERS GANSERT:

I oppose Senate Bill No. 341. This bill was dropped late last night, and we recognize that there are many good organizations we want to support in this bill. We also realize we have to be able to balance the budget. We have to weigh providing money for certain organizations versus providing more support for charter schools, for graduate medical education and things like that.

On a personal note, I am a cosponsor, and I encourage my colleagues to support and vote "yes" on Assembly Bill No. 140.

YEAS—19.

NAYS—Hansen, Titus—2.

Assembly Bill No. 140 having received a constitutional majority, Mr. President declared it passed.

Bill ordered transmitted to the Assembly.

Assembly Bill No. 147.

Bill read third time.

Remarks by Senators Spearman and Stone.

SENATOR SPEARMAN:

Assembly Bill No. 147 makes various changes relating to dentistry. Among other items, the measure sets forth certain requirements of teledentistry such as requiring dental practitioners to provide teledentistry services to patients located in Nevada, to be licensed in Nevada, to complete certain training, and adhere to applicable laws, regulations and standards of care to the same extent as providing services in person.

SENATOR STONE:

I commend the author for allowing teledentistry that can provide patient access to a lot of people for dental examinations and consultations that can be professionally accommodated. This will certainly help in our rural areas.

We see these rapid advances in technology. How many of you remember Blockbuster Video? Well, they were at one time one of the biggest entertainment retail companies in the United States, but streaming technology put them out to pasture with advanced technology. The new products were cheaper, higher quality and more convenient to access online.

When we are talking about braces, I have firsthand knowledge about wearing them as I wore braces from the time that I was 8 years old until I was 16 years old, you know, the silver ones with the red wax to make sure you were not getting mouth sores. I had numerous cavities after the braces were removed because the cleaning of the teeth is hard with conventional braces that obstruct teeth enamel for many years. Getting dates at 15 years old was not too easy either with those braces. They are also clear today, as you know, with these appliances, which is an advantage.

And so what we have seen are some new teeth straightening technologies and companies that have made it easy for patients to economically remedy some cosmetic issues with their teeth. These mouth pieces are custom-made for each patient that are adjusted to effectuate moving the teeth back in line, which has been successfully used by over 1 million people. They must be prescribed by a dentist, and every dentist that prescribes them has to be licensed in the State of Nevada.

These companies use either telehealth for a dentist to examine a patient's mouth to see if they are candidates for such devices, or they can choose to be seen by one of their affiliated dentists in person or a dentist/orthodontist not affiliated with these companies. We have companies like the SmileDirectClub that does not require an in-person visit to a dentist or orthodontist anywhere in the country but does appropriately require, at a minimum, an introductory examination via telehealth, which is the whole purpose I thought of this bill.

The dentist/orthodontist affiliated with these companies examines the mouth, gums and teeth

for diseases and refers patients to a dentist if these prophylactic procedures need to be done before they start ordering these appliances. Invisalign is also another company that provides this revolutionary, noninvasive teeth-straightening technology. If one lives in Nevada and does not want to have a telehealth appointment, they can schedule an appointment with an affiliated or nonaffiliated dentist/orthodontist that is available in Nevada for a personal visit. In Southern Nevada, there are 12 providers of Invisalign, 9 of which are orthodontists, 3 are dentists. In Northern Nevada, there are 4 orthodontists that are contracted. So if the patient does not feel comfortable with a telehealth appointment, they can go pay the fee and have a dentist examine them personally. But one does not have to use a dentist affiliated with Invisalign. One can use their own dentist who is licensed to write a prescription for the product if he or she deems appropriate.

So the problem I have with this bill is the recent amendment—that was just put on it—that would require that a candidate for such devices must have an in-person examination before such a prescription can be made. Not one state requires this that I could find, and I verified it is not the requirement of the SmileDirectClub. Seeing a dentist or orthodontist in person raises costs for patients. A lot of patients get these mouth appliances because they are trying to save money. They cannot afford conventional braces and taking time off work to go to appointments. They get these mouth plates, they have them delivered, and they gradually move their teeth.

Has there been any health issues related to using these products? No, there has not been one lawsuit that has been filed in Nevada. There has been no health care issues by having these telehealth appointments. Dental telehealth is a good thing. We should be embracing it—no pun intended—and not restrict the marketability of these new dental appliances to only those who must see a dentist in person for an evaluation at additional cost. They are trying to save money. So why not let the patient make that decision instead of the State of Nevada? The amendment attached today restricts the trade of this new technology by requiring an in-person visit where a bill like this can authorize teledentistry, which can be appropriately utilized. For this reason, I remain opposed to this bill and request that either the amendment be rescinded by some type of an amendment today, or we vote "no" and let the patient make the choice whether they want to see a doctor/dentist in person or if they want to do it through telehealth, which is the theme and purpose of this bill. I urge a "no" vote.

Amendment No. 983.

SUMMARY—Revises provisions relating to elections. (BDR 24-836)

AN ACT relating to elections; establishing requirements relating to the purchase of ballots and return envelopes used in elections in this State; revising requirements for the form of all envelopes and return envelopes for mail ballots; revising certain requirements relating to electioneering; revising provisions relating to recounts and contests of presidential elections; revising provisions relating to risk-limiting audits; revising provisions relating to tampering or interfering with certain election equipment or computer programs; revising the definition of uniformed-service voter; delaying the

effective date of certain provisions relating to automatic voter registration; making an appropriation to the Office of the Secretary of State to enter into a contract or contracts for the purchase of ballots and return envelopes; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Secretary of State to prescribe: (1) the form of all mail ballots; and (2) the placement and listing of all offices, candidates and measures upon which voting is statewide, which must be uniform throughout the State. (NRS 293.250) Sections 1.5 and 4 of this bill require the form of all envelopes in which mail ballots are sent to voters and all return envelopes for mail ballots to, with certain exceptions, be uniform throughout the State. Sections 1.5 and 4 also require the Secretary of State to prescribe a method for distinguishing the return envelopes of each county or city, as applicable.

Section ~~44~~ 1.1 of this bill authorizes the Secretary of State to enter into one or more contracts for the purchase of all ballots and return envelopes used in any statewide and local election held in this State. Section ~~44~~ 1.1 provides that if such a contract or contracts requires the vendor to distribute mail ballots on behalf of a county or city clerk, the contract or contracts must require the vendor to deposit the mail ballots for mailing at a location within this State. Section 5.3 of this bill makes an appropriation to the Office of the Secretary of State to enter into such a contract or contracts.

Section ~~44~~ 1.1 further authorizes each board of county commissioners and governing body of an incorporated city to elect to use the ballots and return envelopes purchased by the Secretary of State for all statewide and local elections held in a given year by notifying the Secretary of State in writing not less than 8 months before the date of a presidential preference primary election in a presidential election year or primary election in any other election year. Section 5.5 of this bill provides that a board of county commissioners or governing body of an incorporated city that elects to use the ballots purchased by the Secretary of State for all elections held in 2024 must notify the Secretary of State 6 months before the date of the presidential preference primary election in 2024.

Existing law requires a county clerk and city clerk to keep continuously posted certain signs and notices which indicate that electioneering is prohibited between the boundary marked by the sign and the entrance to a polling place. (NRS 293.361, 293.740, 293C.361) Sections 2, 3 and 5 of this bill require the county clerk and city clerk to ensure that any signs and notices posted are: (1) at least 17 inches by 11 inches in size; (2) placed on a window or door of the polling place or freestanding; and (3) visible to a person approaching the boundary marked by the sign.

Existing law defines "electioneering" to include buying, selling, wearing or displaying any badge, button or other insignia which is designed or tends to aid or promote the success or defeat of any political party or a candidate or ballot question to be voted upon at an election. (NRS 293.740) Section 3 revises this definition to provide instead that "electioneering" includes

buying, selling, wearing or displaying any badge, button or other insignia which expressly refers to any political party or a candidate or ballot question to be voted upon at that election.

Existing law requires each county clerk to conduct a risk-limiting audit of the results of an election prior to the certification of the results of the election. (NS 293.394) Section 2.5 of this bill removes the requirement to conduct such an audit prior to the certification of the results.

Existing law provides a penalty for a person who tampers or interferes or attempts to tamper or interfere with any computer program used to count ballots. (NRS 293.755) Section 3.5 of this bill instead prohibits a person from tampering or interfering or attempting to tamper or interfere with any computer program used to conduct an election.

Existing law authorizes uniformed-service voters and certain other voters to vote in an election using a system of approved electronic transmission, a federal postcard application or the federal write-in absentee ballot. (Chapter 293D of NRS) Section 5.1 of this bill revises the definition of "uniformed-service voter" to include a member of the active or reserve component of the Space Force of the United States who is on active duty.

Beginning on January 1, 2024, existing law expands the agencies which provide automatic voter registration services and establishes certain requirements for an automatic voter registration agency to transmit certain voter registration information to the Secretary of State and county clerks. (Chapter 555, Statutes of Nevada 2021, at page 3849) Section 5.2 of this bill delays the effective date of these provisions until January 1, 2025.

Existing federal law requires a certificate of ascertainment of appointment of presidential electors to be issued and transmitted to the Archivist of the United States not later than 6 days before the time fixed for the meeting of the electors, which is the first Tuesday after the second Wednesday in December. (3 U.S.C. §§ 5, 7) Existing state law authorizes a candidate defeated at any election to demand and receive a recount within 3 working days after the canvass of the vote. For purposes of demanding a recount in a general election, "canvass" means: (1) the canvass by the Supreme Court of the returns for a candidate for a statewide office; or (2) the canvass of the board of county commissioners of the returns for any other candidate. (NRS 293.403) The canvass by: (1) a board of county commissioners must be completed on or before the 10th day following the election; and (2) the Supreme Court is the 4th Tuesday of November after each general election. (NRS 293.387, 293.395) Each recount must be commenced within 5 days after demand, and completed within 5 days after it begins. (NRS 293.405) Existing state law further authorizes, with certain exceptions, a candidate or registered voter to contest an election by filing a statement of contest not later than 5 days after a recount is completed, and not later than 14 days after the election if no recount is demanded. (NRS 293.407, 293.413) If an election contest is filed, the court is required to set the matter for hearing not less than 5 days and not more than 10 days after the filing of the statement of

contest. (NRS 293.413)

Section 1.3 of this bill establishes a different timeline for filing a recount or an election contest that applies only to the election of presidential electors. Specifically, section 1.3 provides that a candidate for the office of presidential elector may demand and receive a recount if, on or before the 13th day following the election, the candidate files the written demand to and deposits the estimated costs of the recount with the Secretary of State. Any such recount must be: (1) commenced within 1 day after the demand is filed; and (2) completed within 5 days after the recount begins. Section 1.3 further authorizes a candidate or any registered voter to contest the election of a candidate to the office of presidential elector not more than 2 working days after the canvass of the returns by the Supreme Court. Such an election contest must be: (1) scheduled for a judicial hearing not more than 5 days after the filing of the statement of contest; and (2) decided before the deadline to issue and submit the certificate of ascertainment pursuant to federal law.

Pursuant to section 1.3, for purposes of the 2024 General Election, which will be held on November 5, 2024, the deadline: (1) to demand a recount for the office of presidential elector is November 18, 2024; (2) to begin a recount for the office of presidential elector is November 19, 2024; (3) to complete a recount for the office of presidential elector is November 24, 2024; (4) to contest the election for the office of presidential elector is December 2, 2024; and (5) for the court to set any such contest for hearing is December 7, 2024. Further, the deadline under federal law to issue and transmit the certificate of ascertainment is December 11, 2024, so, pursuant to section 1.3, the court must determine the result of any election contest of the office of presidential elector before December 11, 2024.

Sections 2.6-2.85 and 3.7 of this bill make conforming changes to reflect the changes in section 1.3 to the schedule for filing a demand for a recount or an election contest for the office of presidential elector.

Amendment No. 983 to Assembly Bill No. 192 adds various provisions about elections into this bill.

Amendment adopted.

Bill read third time.

Remarks by Senator Seevers Gansert.

Assembly Bill No. 192, as amended, requires the Secretary of State to enter into a statewide contract for the purchase of all ballots and return envelopes to be used in certain elections, which must be uniform throughout the State. The Secretary of State shall prescribe a method

distinguishing the return envelopes of each county and city and be prominently displayed on the outside of the return envelope. The measure requires each county and city to use those ballots and return envelopes.

This is an opt-in; we were able to amend the bill, so it is an opt-in. Not all counties have to participate in this. There are a couple appropriations, about \$12 million. There were some other amendments requested by the Secretary of State as a clean-up bill. I urge your support because we did make this an opt-in for the printing of ballots. The reason some of the rural counties were interested in that is because they could not get printers to work on the small quantity that they need, and this will give them better pricing.

SENATOR NEAL:

Assembly Bill No. 286 allows persons that are in county or city jail to register to vote.

SENATOR SCHEIBLE:

I just want to say that I am happy to rise in support of Assembly Bill No. 286 because actually the majority of the language in the bill is language that I wrote. Now, if I was carrying the bill myself—which I was—I would have done things a little bit differently—which I did—but we cannot let the perfect be the enemy of the good, so we should all vote for Assembly Bill No. 286.

Legislative Counsel's Digest:

Existing law requires a midwife to perform certain duties relating to reporting births and deaths and testing newborn babies for certain diseases. (NRS 440.100, 440.740, 442.008-442.110, 442.600-442.680) Sections 2-32 of this bill provide for: (1) the licensure of licensed certified professional midwives by the Division of Public and Behavioral Health of the Department of Health and Human Services; and (2) the regulation of licensed certified professional midwives by the Division and the Board of Licensed Certified Professional Midwives created by section 17 of this bill. Sections 2-14, 45, 69 and 74 of this bill define certain terms related to the practice of certified professional midwifery. Section 15 of this bill: (1) exempts certain providers of health care from requirements governing the licensure and regulation of licensed certified professional midwives; and (2) provides that sections 2-32 do not abridge, limit or otherwise affect the right of a person to deliver a baby in the manner and location that the person desires. Sections 36, 38, 39 and 42-44 of this bill similarly exempt licensed certified professional midwives and certified professional midwife student midwives from provisions governing certain other providers of health care. Licensed certified professional midwives and certified professional midwife student midwives would also be exempt from provisions governing allopathic

physicians. (NRS 630.047)

Section 16 of this bill authorizes the Division to accept gifts, grants and donations to pay the costs of performing its duties under the provisions of this bill.

Section 17 creates the Board of Licensed Certified Professional Midwives. Sections 34, 55 and 58-62 of this bill make various changes to ensure that the Board is treated similarly to other boards that regulate health-related professions. Section 34 also provides that a person may obtain a license as a licensed certified professional midwife through reciprocity if the person has been in practice for at least 1 year immediately preceding the date on which the person submits an application. Section 18 of this bill prescribes certain requirements concerning the operations and duties of the Board. Section 19 of this bill requires the Board to adopt regulations governing the practice of certified professional midwifery, including: (1) requirements governing the issuance and renewal of a license as a licensed certified professional midwife, including a requirement that an applicant to renew a license must have completed continuing education in cultural humility or the elimination of racism or bias; (2) requirements governing the investigation of misconduct and discipline; (3) requirements governing the management of a client who is at a moderate or high risk of an adverse outcome; and (4) requirements governing certain other aspects of the practice of certified professional midwifery. Section 76.5 of this bill provides that continuing education in cultural humility or the elimination of racism or bias completed by a licensed certified professional midwife satisfies a requirement that an agent or employee of certain health care facilities receive training in cultural competency.

Section 20 of this bill prescribes the requirements for the issuance of a license as a licensed certified professional midwife. Section 103 of this bill revises the requirements for the issuance of a license as a licensed certified professional midwife on January 1, 2026, to authorize the Division to exempt certain applicants from certain education requirements to address shortages in the number of midwives practicing in rural or underserved areas in the State or barriers for applicants from marginalized identities. Section 21 of this bill: (1) authorizes a licensed certified professional midwife to utilize a certified professional midwife birth assistant to perform certain simple, routine medical tasks; and (2) prescribes the required training for a certified professional midwife birth assistant.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) Sections 22 and 29 of this bill enact such procedures as applicable to an applicant for a license as a licensed certified professional midwife in order to comply with federal law. Sections 104 and 110 of this bill remove a requirement that an application for a license as a licensed certified professional midwife include the social security number of the applicant on the date that those federal requirements are repealed, while

leaving in place the other requirements of sections 22 and 29 until 2 years after that date. Section 33 of this bill makes a conforming change to account for applicants for licensure who do not have a social security number.

Section 23 of this bill prescribes the authorized activities of a certified professional midwife student midwife and requirements governing the supervision of a certified professional midwife student midwife by a preceptor. Section 24 of this bill requires any midwife who provides services in this State to provide to a client a Community Birth Disclosure that contains certain information. Section 24 additionally requires the Board to create the Community Birth Disclosure in collaboration with all types of midwives practicing in this State. Section 24 further requires a licensed certified professional midwife to obtain informed written consent from each client before providing services.

Existing law authorizes only certain practitioners who are licensed in this State and registered with the State Board of Pharmacy to prescribe drugs and devices. (NRS 639.235, 639.23505) Sections 25, 40, 41 and 78 of this bill authorize a licensed certified professional midwife to: (1) order, possess and administer certain drugs, devices, chemicals and solutions; and (2) order certain devices and vaccines for a client. Sections 26, 40 and 78 of this bill authorize a licensed certified professional midwife to apply to the Division for a special endorsement for his or her license to: (1) order, dispense and implant contraceptive devices; or (2) possess, administer, prescribe and dispense certain dangerous drugs. Sections 21, 23 and 79 of this bill authorize a certified professional midwife birth assistant or certified professional midwife student midwife to administer certain drugs, devices, chemicals and solutions under the direct supervision of a licensed certified professional midwife or in certain emergency situations. Section 23 additionally authorizes a certified professional midwife student midwife to administer or implant a contraceptive device under the supervision of a preceptor who holds the appropriate special endorsement.

Section 27 of this bill imposes specific requirements concerning the management of a client who is at a moderate or high risk of an adverse outcome, and section 19 requires the Board of Licensed Certified Professional Midwives to adopt additional regulations governing the management of such a client. Section 19.5 of this bill authorizes the Board to establish an advisory committee to advise the Board concerning the adoption of those regulations. Section 27 also exempts: (1) a licensed certified professional midwife from liability resulting from the informed refusal to consent of such a client to consultation, co-management with or referral to another provider of health care or transfer to a medical facility or the inability of the licensed certified professional midwife to arrange for such consultation or carry out such co-management, referral or transfer; and (2) other providers of health care from liability for the actions or omissions of a licensed certified professional midwife.

Section 28 of this bill requires a licensed certified professional midwife to

report to the Division certain information concerning his or her practice upon the renewal of his or her license.

Section 30 of this bill: (1) requires the Division to maintain certain records of proceedings relating to licensing, disciplinary actions and investigations; and (2) declares certain records to be confidential and certain other records to be public. Section 57 of this bill makes a conforming change to clarify that such confidential records of the Division are not public records. Section 31 of this bill prohibits a person who does not hold a license as a licensed certified professional midwife from representing that he or she is licensed to engage in the practice of certified professional midwifery. Section 31 also prohibits a person whose license to perform midwifery in another jurisdiction of the United States has been suspended or revoked from performing midwifery or holding himself or herself out as a midwife in this State until the license in the other district, state or territory is restored. Section 31 authorizes a person to represent that he or she is licensed to engage in the practice of certified professional midwifery if the person is licensed in another district, state or territory of the United States and the person discloses that license to the public. Section 31 also prohibits a certified professional midwife student midwife from: (1) engaging in midwifery in circumstances other than those authorized by this bill; or (2) representing that he or she is qualified to engage in the practice of certified professional midwifery without supervision. Section 31 authorizes the Division to order a person to cease and desist from performing midwifery or holding himself or herself out as a midwife if: (1) his or her license as a licensed certified professional midwife has been suspended or revoked; (2) he or she is the subject of pending disciplinary action; or (3) he or she has voluntarily relinquished his or her license under certain circumstances. Section 31 additionally authorizes the Division to, when it has reason to believe or has received complaints that a person has repeatedly violated the provisions of section 31, certify the facts to the Attorney General, or other appropriate law enforcement officer, who may, in his or her discretion, cause appropriate proceedings to be brought. Section 32 authorizes the Division or the Attorney General to seek an injunction against any person violating any provision of sections 2-32.

Existing law defines the term "provider of health care" as a person who practices any of certain professions related to the provision of health care. (NRS 629.031) Existing law imposes certain requirements upon providers of health care, including requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.071, 629.076, 629.078) Section 35 of this bill includes licensed certified professional midwives in the definition of "provider of health care," thereby subjecting licensed certified professional midwives to the same requirements. Section 76 of this bill makes a conforming change to clarify that licensed certified professional midwives are providers of health care. Section 37 of this bill requires a licensed certified professional midwife to report misconduct by a person licensed or certified by the State Board of Nursing to

the Executive Director of the Board.

Sections 48 and 49 of this bill provide that a licensed certified professional midwife is not liable for civil damages resulting from providing emergency care or gratuitous care to an indigent person under certain circumstances. Section 70 of this bill requires a licensed certified professional midwife who attends a birth that occurs outside a hospital which is not also attended by a physician or advanced practice registered nurse to prepare a birth certificate. Section 71 of this bill provides for the imposition of a fine upon a person who furnishes false information to a licensed certified professional midwife for the purpose of making incorrect certification of births or deaths.

Existing law provides that, in any civil action concerning any unwelcome or nonconsensual sexual conduct, there is a rebuttable presumption that the sexual conduct was unwelcome or nonconsensual if the alleged perpetrator was a person in a position of authority over the alleged victim. (NRS 41.138) Section 47 of this bill provides that a licensed certified professional midwife, certified professional midwife student midwife or certified professional midwife birth assistant is a person of authority for that purpose.

Sections 46, 50-54, 63, 64, 66-76 and 80-102 of this bill make revisions to treat licensed certified professional midwives similarly to other providers of health care in certain respects. Section 65 of this bill requires Medicaid to cover the services of a licensed certified professional midwife and to provide reimbursement for such services at rates comparable to other providers of health care who provide similar services. Section 56 of this bill makes a conforming change to indicate the proper placement of section 65 in the Nevada Revised Statutes.

Section 77 of this bill authorizes a licensed certified professional midwife to serve as the director of a freestanding birthing center.

Existing law requires a primary care provider, including a midwife, to take certain actions to facilitate the detection of harmful mutations in the BRCA gene in patients who are adult women. (NRS 457.301) Section 81 of this bill provides that this requirement applies to licensed certified professional midwives, but not to other midwives.

(a) An applicant may petition the Division to reduce the fees imposed pursuant to this section or section 26 of this act. An applicant may qualify for such a reduction if the applicant demonstrates, to the satisfaction of the Division, that the fees imposed pursuant to this section or section 26 of this act are an economic hardship on the applicant.

(b) The Division allocates a portion of the fees imposed and collected pursuant to this section or section 26 of this act to programs that promote applicants from marginalized identities through increasing the numbers of such applicants and reducing barriers that such applicants face.

5. As used in this section, "marginalized identity" means an identity or expression that causes or has historically caused a person of such identity or expression to be disproportionately discriminated against, harassed or otherwise negatively treated or affected as a result of the identity or expression.

Amendment No. 973.

SUMMARY—Establishes provisions governing capital projects of school districts. (BDR 34-1202)

AN ACT relating to capital projects; requiring the board of county commissioners of certain counties to levy a property tax for capital projects of school districts; authorizing the board of county commissioners of certain counties to levy a property tax for capital projects of school districts for which a grant is available from the Fund to Assist Rural School Districts in Financing Capital Improvements; exempting that property tax from certain partial abatements ~~for~~ during the first fiscal year in which the tax is imposed; exempting both property taxes from the statutory limitation on the total ad valorem tax levy; creating the Fund to Assist Rural School Districts in Financing Capital Improvements; requiring the board of county commissioners of certain counties to establish an oversight panel for school district capital improvement projects; making appropriations to the Fund; making an appropriation to the Elko County School District for the construction of a school on the Duck Valley Indian Reservation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a fund for capital projects. (NRS 387.328) Existing law also creates the Fund to Assist School Districts in Financing Capital Improvements from which a grant of money may be obtained if certain emergency conditions exist within the school district. (NRS 387.333, 387.3335)

Section 2 of this bill requires the board of county commissioners of a county whose population is 52,500 or more and less than 57,500 (currently Elko County), to levy a tax at a rate of not less than 1 cent and not more than 25 cents on each \$100 of assessed valuation of taxable property within the county. Section 2 requires any money collected from such a tax to be deposited in the county treasury for credit to the fund for capital projects to be held and expended in the same manner as other money deposited in that fund. Section 6 of this bill authorizes the school district of a county where such a tax is imposed to pledge the proceeds of the tax, and the portion of the governmental services tax whose allocation to the school district is based on the amount of the property tax levy attributable to its debt service, to the payment of any bonds or other obligations the school district issued for capital projects. Section 8 of this bill provides that, if the board of county commissioners of a county which is required to levy such a tax does not adopt an ordinance levying the tax on or before June 30, 2024, the tax is levied at a rate of 25 cents on each \$100 of assessed valuation of taxable property within the county.

Section 4 of this bill creates the Fund to Assist Rural School Districts in Financing Capital Improvements and requires the money in the Fund to be used to make grants to school districts in counties whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) for certain capital projects.

Section 3 of this bill authorizes the board of county commissioners of a county whose population is less than 100,000, other than a board which is required to levy a tax pursuant to section 2, to levy a tax on all taxable property in the county for a capital project for which a grant may be obtained from the Fund. Section 3 requires the board of county commissioners to determine the amount of money required for the capital project, excluding any amount that the board anticipates will be covered by a grant from the Fund, and fix a rate of taxation which will raise that amount. Section 3 requires the revenue from the tax to be expended for: (1) a capital project for which a grant was made from the Fund; or (2) if the amount collected for a fiscal year exceeds the amount of the grant for that year, in the same manner as other money in the fund for capital projects established by the school district. Section 5.5 of this bill requires the board of county commissioners of a county which levies a tax pursuant to section 2 or 3 to establish an oversight panel for school district capital improvement projects.

Section 5 of this bill requires the board of trustees of a school district in a county which levies a tax pursuant to section 3 and authorizes the board of trustees of a school district in a county which levies a tax pursuant to

section 2 during a fiscal year to apply to the Director of the Office of Finance in the Office of the Governor for a grant of money from the Fund. Section 5 requires the Director of the Office of Finance to make a grant of money from the Fund in an amount which is equal to: (1) the total amount of tax assessed pursuant to section 3 by the county for the capital project during the immediately preceding fiscal year; or (2) the amount of the proceeds of the tax imposed pursuant to section 2 for the immediately preceding fiscal year which the board of trustees of the school district has certified will be dedicated to the capital project.

Existing law, in general, limits the total amount of property taxes which may be imposed to \$3.64 on each \$100 of assessed valuation. (NRS 361.453) Sections 2 and 3 exempt the rates for the property taxes in those sections from this limitation. Section 7 of this bill makes a conforming change to indicate these exemptions from the limitation.

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, certain single-family residences and certain residential rental dwellings. (NRS 361.4722, 361.4723, 361.4724) With certain exceptions, existing law exempts new or increased property taxes from those partial abatements if a legislative act that became effective after April 6, 2005, imposed a duty on a taxing entity to levy the tax or increase the rate of the tax. (NRS 361.4726) Section 7.5 of this bill exempts ~~(the)~~ any new property tax ~~(authorized to be)~~ levied ~~(by section)~~ pursuant to section 2 or 3 from those partial tax abatements ~~(if)~~ for the first fiscal year in which such a tax is imposed, but provides that such a tax is not exempt from those partial tax abatements for any fiscal year after the first fiscal year in which the tax is imposed.

Section 9 of this bill makes appropriations from the State General Fund to the Fund for grants to school districts in counties whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), including grants for capital projects for schools located on qualified tribal land. Section 10 of this bill makes an appropriation to the Elko County School District for the construction of a school on the Duck Valley Indian Reservation.

2. Any money collected pursuant to this section must be deposited in the county treasury for credit to the fund for capital projects established pursuant to NRS 387.328, to be expended:

(a) For a capital project of a school district for which a grant to the school district was made from the Fund to Assist Rural School Districts in Financing Capital Improvements pursuant to section 5 of this act; or

3. That portion of the governmental services tax whose allocation to the school district pursuant to NRS 482.181 is based on the amount of the property tax levy attributable to its debt service must be deposited in the county treasury to the credit of the fund established under subsection 1 or the school district's debt service fund.

4. No money in the fund for capital projects at the end of the fiscal year may revert to the county school district fund, nor may the money be a surplus for any other purpose than those specified in subsection 1.

5. The proceeds of the taxes deposited in the fund for capital projects pursuant to NRS 244.3354, 268.0962, 375.070, 377C.110 and 387.3288 *and section 2 of this act* and, in a county whose population is 100,000 or more but less than 700,000, the portion of the governmental services tax whose allocation to the school district pursuant to NRS 482.181 is based on the amount of the property tax levy attributable to its debt service may be pledged to the payment of the principal and interest on bonds or other obligations issued for one or more of the purposes set forth in NRS 387.335. The proceeds of such taxes so pledged may be treated as pledged revenues for the purposes of subsection 3 of NRS 350.020, and the board of trustees of a school district may issue bonds for those purposes in accordance with the provisions of chapter 350 of NRS.

Sec. 7. NRS 361.453 is hereby amended to read as follows:

361.453 1. Except as otherwise provided in this section and NRS 354.705, 354.723, 387.3288 and 450.760, *and sections 2 and 3 of this act*, the total ad valorem tax levy for all public purposes must not exceed \$3.64 on each \$100 of assessed valuation, or a lesser or greater amount fixed by the State Board of Examiners if the State Board of Examiners is directed by law to fix a lesser or greater amount for that fiscal year.

2. Any levy imposed by the Legislature for the repayment of bonded

indebtedness or the operating expenses of the State of Nevada and any levy imposed by the board of county commissioners pursuant to NRS 387.195 that is in excess of 50 cents on each \$100 of assessed valuation of taxable property within the county must not be included in calculating the limitation set forth in subsection 1 on the total ad valorem tax levied within the boundaries of the county, city or unincorporated town, if, in a county whose population is less than 45,000, or in a city or unincorporated town located within that county:

(a) The combined tax rate certified by the Nevada Tax Commission was at least \$3.50 on each \$100 of assessed valuation on June 25, 1998;

(b) The governing body of that county, city or unincorporated town proposes to its registered voters an additional levy ad valorem above the total ad valorem tax levy for all public purposes set forth in subsection 1;

(c) The proposal specifies the amount of money to be derived, the purpose for which it is to be expended and the duration of the levy; and

(d) The proposal is approved by a majority of the voters voting on the question at a general election or a special election called for that purpose.

3. The duration of the additional levy ad valorem levied pursuant to subsection 2 must not exceed 5 years. The governing body of the county, city or unincorporated town may discontinue the levy before it expires and may not thereafter reimpose it in whole or in part without following the procedure required for its original imposition set forth in subsection 2.

4. A special election may be held pursuant to subsection 2 only if the governing body of the county, city or unincorporated town determines, by a unanimous vote, that an emergency exists. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud or a gross abuse of discretion. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this subsection, "emergency" means any unexpected occurrence or combination of occurrences which requires immediate action by the governing body of the county, city or unincorporated town to prevent or mitigate a substantial financial loss to the county, city or unincorporated town or to enable the governing body to provide an essential service to the residents of the county, city or unincorporated town.

Sec. 7.5. NRS 361.4726 is hereby amended to read as follows:

361.4726 1. Except as otherwise provided by specific statute, if any legislative act which becomes effective after April 6, 2005, imposes a duty on a taxing entity to levy a new ad valorem tax or to increase the rate of an existing ad valorem tax, the amount of the new tax or increase in the rate of the existing tax is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.

2. The amount of any tax imposed pursuant to NRS 354.705 and 387.3288 ~~and section 3 of this act~~ is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.

3. The amount of any tax imposed pursuant to section 2 or 3 of this act is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724 during the first fiscal year that the tax is imposed and is not exempt from each such partial abatement during any fiscal year thereafter.

4. For the purposes of this section, "taxing entity" does not include the State.

Sec. 8. If the board of county commissioners of a county whose population is 52,500 or more and less than 57,500, has not adopted an ordinance levying the tax pursuant to section 2 of this act on or before June 30, 2024, a tax shall be levied pursuant to section 2 of this act at a rate of 25 cents on each \$100 of assessed valuation of taxable property within the county. The tax shall be collected and administered in the same manner as though the board of county commissioners had adopted an ordinance levying the tax pursuant to section 2 of this act at that rate.

Sec. 9. 1. There is hereby appropriated from the State General Fund to the Fund to Assist Rural School Districts in Financing Capital Improvements created by section 4 of this act the sum of \$25,000,000, for grants to school districts, and the sum of \$25,000,000, for grants to school districts for capital projects for schools located on qualified tribal land.

2. As used in this section, "qualified tribal land" means any real property:

(a) For which legal title is vested in, or held in trust for the benefit of, an Indian tribe or an individual Native American, and which is subject to restrictions against alienation pursuant to federal law; and

(b) Over which an Indian tribe exercises governmental power.

Sec. 10. 1. There is hereby appropriated from the State General Fund to the Elko County School District the sum of \$64,500,000 for the construction of a school on the Duck Valley Indian Reservation to replace the Owyhee Combined School.

2. All money appropriated by subsection 1 must be used only for the purposes specified in subsection 1 and no portion of the money may be set aside, distributed or otherwise committed or used for any other purpose, including, without limitation, any costs related to other buildings or facilities.

3. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2028, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 15, 2028, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 15, 2028.

Sec. 11. Notwithstanding the provisions of NRS 218D.430 and 218D.435, a committee may vote on this act before the expiration of the period prescribed for the return of a fiscal note in NRS 218D.475. This

section applies retroactively from and after May 21, 2023.

Sec. 12. This act becomes effective on July 1, 2023.

Senator Dondero Loop moved the adoption of the amendment.

Remarks by Senator Dondero Loop.

Amendment No. 973 to Assembly Bill No. 519, as amended, provides that for the first fiscal year in which the property taxes included in the bill are imposed, the partial tax abatements provided pursuant to NRS 361.4722, NRS 361.4723 and NRS 361.4724 do not apply but that those partial abatements will apply in all future fiscal years.

Amendment adopted.

Bill read third time.

Remarks by Senators Dondero Loop and Hansen.

SENATOR DONDERO LOOP:

Assembly Bill No. 519, as amended, requires the board of county commissioners of a county whose population is 52,500 or more and less than 57,500, currently Elko County, to levy a tax at a rate of not less than \$.01 and not more than \$.25 on each \$100 of assessed valuation of taxable property within the county for school district capital projects. The bill, as amended, also requires that if the board of county commissioners of a county which is required to levy such a tax does not adopt an ordinance levying the tax on or before June 30, 2024, the tax is levied at a rate of \$.25 on each \$100 of assessed valuation of taxable property within the county.

Assembly Bill No. 519, as amended, also creates the Account to Assist Rural School Districts in Financing Capital Improvements to make capital project grants to school districts in counties whose population is less than 100,000; authorizes the board of county commissioners of a county whose population is less than 100,000, other than a county whose population is 52,500 or more and less than 57,500 to levy a tax; requires the board of county commissioners to determine the amount of money required for a capital project excluding any amount that the board anticipates will be covered by a grant from the fund and fix a rate of taxation which will raise that amount; requires the board of trustees of a school district in a county with a population less than 100,000 which levies a tax to apply for a grant of money from the fund; requires a grant of money from the fund in an amount which is equal to the total amount of tax assessed by the county for the capital project during the immediately preceding fiscal year or the amount of the proceeds of the tax imposed for the immediately preceding fiscal year which the board of trustees of the school district has certified will be dedicated to the capital project; requires the board of county commissioners of a county that levies the tax to establish an oversight panel for school district capital improvement projects.

Assembly Bill No. 519, as amended, provides that for the fiscal year in which the property taxes [included in the bill are imposed,] the partial tax abatements do not apply, but those partial abatements will apply in all future fiscal years.

The bill, as amended, also provides General Fund appropriations of \$25 million to the fund for grants to school districts and \$25 million for grants for capital projects. The bill, as amended, also provides a General Fund appropriation of \$64.5 million to the Elko County School District for the construction of a school on the Duck Valley Indian Reservation.

SENATOR HANSEN:

I support Assembly Bill No. 519. This is a very bipartisan effort. I just wanted to thank everybody from both parties, the Governor's Office and Elko County. This is the Owyhee school bill we have been talking about since the beginning, and it all came together with this bill. I just want to thank the Chair of Finance and especially the Chair of Ways and Means for the excellent job they did in putting this thing together. So I urge my colleagues to vote for it. Elko County has already done a reallocation of the monies we are talking about. This is a huge win-win-win for everyone involved. So a great big thank you. This was truly a bipartisan effort and greatly appreciated.

Assembly Bill No. 523 is a budget implementation bill and revises various provisions for the State Education Fund and the Pupil-Centered Funding Plan. It includes revising the sources of revenue for the State Education Fund to include Department of Agriculture fine revenue related to the application of pesticides and revising NRS 387.1212 so various items currently deposited in the fund are included in this section of statute. It authorizes temporary advances from the Education Stabilization Account to the State Education Fund if needed for cash flow as payments are made from the Pupil-Centered Funding Plan. The bill also authorizes temporary advances from the State General Fund to the State Education Fund if needed for cash flow as payments are made from the Pupil-Centered Funding Plan and funding the Education Stabilization Account will not provide adequate funding. It revises provisions relating to the calculation of inflation for the Pupil-Centered Funding Plan to reflect a three-year average for the Consumer Price Index is used when calculating inflation, rather than a single year, and increases the Education Stabilization Account funding cap from 15 percent to 20 percent and allowing the Interim Finance Committee to utilize funding in the account for any decreases in non-General Fund revenue in the State Education Fund.

Assembly Bill No. 524 provides a legislative declaration relating to the affordability, availability and reliability of the supply of electricity in Nevada. The bill requires the integrated resource plan of an electric utility to include certain scenarios and information and authorizes an electric utility to submit an integrated resource plan more frequently than once every three years. The bill also requires the Public Utilities Commission of Nevada to adopt regulations governing the manner and circumstances in which an electric utility may file an amendment to its integrated resource plan. Further, the bill requires an electric utility to schedule a consumer session before filing an integrated resource plan or an amendment to such a plan.

Assembly Bill No. 525, as amended, makes General Fund appropriations totaling \$58,020,000 to be used during the 2023-2025 biennium for various purposes relating to health, education, employment and other community services and provides other matters relating, but not limited to, \$750,000 to the Interim Finance Committee for allocation to the International Gaming Institute of the University of Nevada, Las Vegas—go Rebs—also, \$1.2 million to the United Way of Northern Nevada and the United Way of Southern Nevada. Those are some examples. It is a good bill.

SENATOR STONE:

This is an appropriation bill to fund some very worthy organizations and causes, but it has a lot of pork in it. We need to fund what is essential in our budget, including philanthropic items in this bill, but not the expensive pork also in this bill. A top priority for Republicans and our Governor is to provide for opportunity scholarships for our low-income students that are stuck in a poor-performing school and allow them to use the scholarships to better their education and maybe attend a safer school. You see, I do not see this as a partisan issue. Does not every kid deserve to go to a school that can better educate them when their existing schools are failing them?

If this is one of those, "If our Republican Governor wants this vital program to be funded, we as Democrats must oppose it to not give the Governor a victory, even if it is at the expense of our children," it is certainly not a money issue, my friends. Yet, we have money to give \$15 million to the Culinary Academy for capital improvements. This is a union ask that could be better used to help our kids in lousy schools that are filling them. Why cannot the Culinary Union fund it themselves with their union contributions? Our kids' education is more important to me.

Five-and-a-half million dollars for a new art museum in Southern Nevada. Is this really a necessity? Our kids' education is more important to me. Seven-hundred-and-fifty thousand dollars for allocation to the International Gaming Institute of the University of Nevada, Las Vegas, to expand diversity in the gaming industry. How about attracting anyone interested in working in gaming based on their true qualifications and save this money? Our kids' education is more important to me. Two-hundred-and fifty-thousand dollars to fund the Legal Aid Center of Southern Nevada to continue to help pay for some of their lobbyists that I have seen here to come and advocate stripping away property rights of landlords in the name of "tenant protections." Our kids are important to me. Five-hundred-thousand dollars to the United Labor Agency of Nevada assisting those advocating in the labor movement. Our kids' education is more important to me than powerful labor groups.

While there may be other causes worthy of funding, like food pantries, funding for childhood cancers and autism programs, this bill is funding too much with a lot of pork. I have identified over \$22 million in pork that can be better spent offering opportunity scholarships to our low-income families begging for a better education for their kids.

While I support many of the philanthropic causes being funded in this bill, I cannot support \$22 million in pork for special-interest groups included in this "Christmas tree" bill. These organizations should not be funded with tax-payer dollars, and for those reasons, I recommend a strong "no" vote.

SENATOR HANSEN:

I also urge a strong "no" vote. One thing I wanted to point out was this bill, Assembly Bill No. 525, was originally an acceptable bill in the Assembly. The Assembly Amendment—which I have in my hand—Assembly Amendment No. 940 was literally given to them for the first time about three minutes before they had to vote on this bill. So to the embarrassment of some members of my party, they ended up voting for one of the most egregious pork-type bills that we have seen this session. So I just wanted to explain why some members of the other House voted the way they did and why, once again, these kind of last-minute rush deals are a huge mistake

and are an embarrassment, and they are not the way a legislative body should properly function. So I urge a strong "no" vote on Assembly Bill No. 525.

Section 1 requires the Office of Finance to: (1) in accordance with the requirements for work program revisions in existing law, transfer, or request the transfer of, as applicable, the certified money from the budget accounts in which the money is being held to the COVID-19 Relief Programs budget account; and (2) cause to be carried out the processing of payments of the certified money from the COVID-19 Relief Programs budget account to registered nonprofit organizations in amounts, with certain exceptions, equal to the percentages of the certified money specified for those registered nonprofit organizations in section 3 of this bill. Section 2 of this bill sets forth the requirements for such registration. Section 3 specifies the nonprofit organizations that are eligible to register and the percentages of the certified money, with certain exceptions, for which those nonprofit organizations are eligible if they are registered. Section 4 of this bill makes an appropriation of \$250,000 to the Office of the State Treasurer for the costs of consulting services to assist the Office with registering eligible nonprofit organizations pursuant to section 2.

WHEREAS, Nonprofit organizations nevertheless rose to the challenges

presented by the pandemic and found innovative ways to continue to provide their services to the local communities in Nevada; and

WHEREAS, Redirecting unused money that was provided by the Federal Government to ameliorate the effects of the COVID-19 pandemic will assist nonprofit organizations to recover from the COVID-19 pandemic and flourish in the future; now therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. On or after July 15, 2024, but before August 1, 2024, the Governor shall submit a written report to the Interim Finance Committee and the State Treasurer that:

(a) Itemizes the money that was authorized for expenditure from the COVID-19 Relief Programs budget account in section 1 of chapter 434, Statutes of Nevada 2021, at page 2765, including any portion of that money that was reauthorized subsequently by the Nevada Legislature; and

(b) Certifies a cumulative total of the portion of that money that is projected by the Office of Finance in the Office of the Governor not to be expended for its approved purpose by December 31, 2026.

2. On or before August 30, 2024, the Office of Finance shall:

(a) Process any work programs to authorize the transfer of the money certified in paragraph (b) of subsection 1 from the budget accounts in which that money is held to the COVID-19 Relief Programs budget account and that do not require the approval of the Interim Finance Committee pursuant to NRS 353.220 and process the transfer of the money.

(b) Submit to the Secretary of the Interim Finance Committee any work programs that authorize the transfer of the money certified in paragraph (b) of subsection 1 from the budget accounts in which that money is held to the COVID-19 Relief Programs budget account and that require the approval of the Interim Finance Committee pursuant to NRS 353.220, process the transfer of the money and process any work program necessary to authorize the payments required in subsection 3 from the COVID-19 Relief Programs budget account.

3. Except as otherwise provided in this subsection, on or before December 31, 2024, the Office of Finance shall cause to be carried out the processing of payments from the COVID-19 Relief Programs budget account to each registered nonprofit organization listed in the report submitted by the State Treasurer to the Office of Finance pursuant to section 2 of this act in an amount equal to the percentage of the amount of money certified in paragraph (b) of subsection 1 that is specified for that nonprofit organization in section 3 of this act. The Office of Finance shall not withhold any portion of such a payment. If an eligible nonprofit organization specified in section 3 of this act is not listed as a registered nonprofit organization in the report submitted by the State Treasurer to the Office of Finance pursuant to section 2 of this act, the Office of Finance shall reallocate the percentage share of the money certified pursuant to paragraph (b) of subsection 1 that

would have otherwise been allocated to the eligible nonprofit organization pro rata among the registered nonprofit organizations within the same category or subcategory set forth in section 3 of this act, as applicable. If none of the eligible nonprofit organizations in a category or subcategory listed in section 3 of this act are registered pursuant to section 2 of this act, the Office of Finance shall reallocate the percentage share of the money certified pursuant to paragraph (b) of subsection 1 that would have otherwise been allocated to that category or subcategory pro rata among the other categories or subcategories, as applicable.

Sec. 2. 1. On or before June 30, 2024, an eligible nonprofit organization listed in section 3 of this act may apply to the State Treasurer, on a form prescribed by the State Treasurer, for registration to receive a payment of the percentage set forth in section 3 of this act for that nonprofit organization of the money certified pursuant to paragraph (b) of subsection 1 of section 1 of this act. The State Treasurer shall not approve an application for registration unless the eligible nonprofit organization demonstrates that the proposed use of the money is an approved use under the Final Rule of the United States Department of the Treasury, 31 C.F.R. Part 35, RIN 1505-AC77.

2. The State Treasurer may revoke a registration approved pursuant to subsection 1 if the State Treasurer becomes aware of circumstances that the State Treasurer reasonably believes will impair the ability of the registered nonprofit organization to carry out the use of the certified money proposed to be distributed to the registered nonprofit organization.

3. On or after July 15, 2024, but before August 1, 2024, the State Treasurer shall submit to the Office of Finance in the Office of the Governor a report listing the eligible nonprofit organizations that are registered pursuant to subsection 1.

Sec. 3. The following nonprofit organizations are eligible to apply for registration pursuant to section 2 of this act to receive a payment of the percentage set forth in this section for that nonprofit organization of the money certified pursuant to paragraph (b) of subsection 1 of section 1 of this act, except as otherwise provided in subsection 3 of section 1 of this act:
