AN ACT relating to the protection of children; revising provisions relating to certain categorical grants to fund the adoption assistance program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires each child welfare agency to calculate savings realized from expanded eligibility for children under Title IV-E of the Social Security Act, known as "adoption savings," and reinvest an equal amount in the state's child welfare system. (42 U.S.C. § 673(a)(8)(D)) Existing law requires the Division of Child and Family Services of the Department of Health and Human Services to provide a categorical grant to each agency which provides child welfare services in a county whose population is 100,000 or more (currently Clark and Washoe Counties) for each fiscal year for its adoption assistance program. Existing law requires the Division to base the amount of such a categorical grant on the estimated cost of the projected growth in the adoption assistance program. (NRS 432B.219) This bill requires the Division to additionally base the amount of such a categorical grant on the adoption savings calculated for the immediately preceding fiscal year pursuant to federal law.

Under existing law, any money remaining from such a categorical grant that has not been used or committed for expenditure by the agency by the end of the fiscal year reverts to the State General Fund in most cases. However, existing law provides that the portion of such money remaining at the end of a fiscal year that is identified as adoption savings does not revert until the end of the immediately following fiscal year. Existing law authorizes the agency which provides child welfare services that received the categorical grant to use that money for any costs

of providing child welfare services without restriction during that fiscal year. (NRS 432B.219) This bill authorizes an agency which provides child welfare services to continue to use such money for any such costs in a manner consistent with federal law for an additional fiscal year before the money reverts to the State General Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.219 is hereby amended to read as follows:
