**Legislative Counsel’s Digest:**

1 Existing law requires a local board of health in a county whose population is 100,000 or  
2 more (currently Clark and Washoe Counties) or a city in a county whose population is  
3 100,000 or more to adopt regulations governing sidewalk vendors of food. (NRS 446.861)  
4 **Sections 3 and 5** of this bill define certain terms relating to sidewalk vendors.  
5 **Section 7** of this bill requires a local board of health to: (1) develop and update certain  
6 guidance documents explaining the requirements of existing regulations adopted by the local  
7 board of health governing sidewalk vendors and compact food cart vendors; and (2) make  
8 certain documents available on the Internet website of the local board of health in more than  
9 one language.

10 **Section 6** of this bill limits the applicability of **sections 6-11.5** of this bill to a local board  
11 of health in a county whose population is 100,000 or more or a city in a county whose  
12 population is 100,000 or more.

13 **Section 13** of this bill requires a local board of health to adopt regulations governing  
14 sidewalk vendors of food, including requirements relating to: (1) the plans for the design of a  
15 nonstationary conveyance and the use of modular conveyances by a sidewalk vendor; (2) the  
16 use of certain sinks by a sidewalk vendor; and (3) the storage of a conveyance in a private  
17 home.

18 **Section 9.5** requires a person who wishes to operate as a compact food cart vendor to  
19 register with the local board of health and pay ~~the~~ **the** fee established by regulation of the local  
20 board of health ~~the~~ **, if such a fee has been established.** **Section 2.5** of this bill defines  
21 “compact food cart vendor” to mean a person who sells certain food items from a  
22 nonstationary conveyance. **Section 9.5** also requires a compact food cart vendor to comply  
23 with certain ordinances and regulations adopted by the governing body of a county, city or  
24 unincorporated town that regulates sidewalk vendors. **Section 9.5** prohibits a compact food  
25 cart vendor from operating at a special event unless the compact food cart vendor complies  
26 with certain requirements. **Section 9.5** further: (1) provides that a registration as a compact  
27 food cart vendor is valid for a period of 1 year; (2) sets forth a process for the renewal of such  
28 registration; and (3) requires the payment of a renewal fee established by regulation of the  
29 local board of health ~~the~~ **, if such a fee has been established.**

30 **Section 10** authorizes a compact food cart vendor to sell certain food items, which must  
31 be purchased prepackaged or prepared in a commercial grade kitchen or on the conveyance.

32 **Section 11.5** provides, with certain exceptions, that the provisions of existing law and  
33 **sections 2-11.5** of this bill do not prohibit a local zoning board, planning commission or  
34 governing body of a county, city or unincorporated town from adopting certain ordinances and  
35 regulations that: (1) prescribe the locations where sidewalk vendors and compact food cart  
36 vendors are allowed to operate; (2) authorize the seizure of food items, a conveyance, any  
37 cooking apparatus or other products; and (3) authorize the destruction of certain food items.  
38 **Sections 11.5, 14.3 and 14.7** of this bill further prohibit, with certain exceptions, such  
39 governmental entities from limiting the types of food items a sidewalk vendor or compact  
40 food cart vendor may sell if such food items comply with the regulations of a local board of  
41 health or are authorized by **section 10**.

42 **Section 9** requires a local board of health to: (1) prepare, maintain and make publicly  
43 available on the Internet website of the local board of health a list of food items that have been  
44 approved by the local board of health and a model menu of preapproved food items that may  
45 be sold by a sidewalk vendor; and (2) establish a process to preapprove certain food items sold  
46 from a conveyance.

47 Existing law defines the term “food establishment” for the purposes of existing law  
48 relating to food establishments and sets forth certain exceptions from the definition. (NRS  
49 446.020) **Section 12** of this bill exempts from the definition of “food establishment”: (1) any  
50 establishment in which only whole produce or commercially prepackaged food which is not a  
51 potentially hazardous food is sold or offered or displayed for sale; and (2) a compact food cart  
52 vendor. As a result of this change, such an establishment and a compact food cart vendor are  
53 not subject to the existing requirements governing food establishments.

54 **Section 2** applies the definitions in **sections 2.5, 3 and 5** to the provisions of existing law  
55 relating to food establishments.
