Explanation (Use Additional Sheets of Attachments, if required)

The Department has reviewed BDR 34-1071 (AB445) and determined there will be a fiscal impact. Section 2 of the bill requires the State Library, Archives and Public Records Administrator to develop a model policy on the access of patrons to library materials of a public library. No additional staff will be necessary to complete this task. However, we estimate it will take 75 hours of additional work split between three (3) current staff to consult with public library directors throughout the state and draft the policy.
