City/County: **Lyon County**
Approved by: Josh Foli, Comptroller
Comment: Our existing marriage license software has indicated that it doesn't have the ability to comply with this requirement. We would need to either implement a new software or have our existing software modify. If our software vendor is willing to make the change, the price is estimated to be approximately $5,000. If we have to implement new software, it would be substantially more expensive.
