COMMITTEE INTRODUCTION REQUIRED

Legislative Counsel's Digest:

Existing law requires each county of this State, and authorizes each city of this State, to establish a local organization for emergency management. A local organization for emergency management is responsible for performing functions of emergency management within the territorial limits of the political subdivision within which it is organized and, if required, outside of those territorial limits. (NRS 414.090) **Section 4** of this bill requires the Office of Emergency Management within the Office of the Governor to provide grants of money in equal amounts to each county and each incorporated city in a county whose population is 100,000 or more (currently Clark and Washoe Counties) that has a local organization for emergency management: (1) to support and enhance core emergency management functions; and (2) for emergency alert and warning systems. **Section 4** also requires each county and incorporated city that receives a grant to: (1) conduct a risk assessment of certain threats and hazards identified by the county or incorporated city; and (2) determine the priorities of the county or incorporated city with respect to core emergency management functions based on the risk assessment.

Section 3 of this bill creates the Account for Emergency Management Infrastructure which is administered by the Office. **Section 3** requires the funds in the Account to be used: (1) by the Office for core emergency management functions; (2) to provide grants of money as required by **section 4**; or (3) for any other purpose authorized by the Legislature. **Section 2** of this bill defines "core emergency management functions" for the purposes of **sections 2-4**.

Section 10 of this bill appropriates $1,000,000 to the Account for the Office to provide grants of money for emergency alert and warning systems. **Section 11** of this bill appropriates $6,000,000

to the Account for the Office to provide grants of money for the support or enhancement of core emergency management functions.

Existing law authorizes certain persons to obtain a court order to require a county assessor, a county recorder, the Secretary of State or a city or county clerk to maintain the personal information of the person contained in the records of the county assessor, county recorder, Secretary of State or city or county clerk in a confidential manner. The person seeking the court order is required to submit to the court a sworn affidavit that, among other things, sets forth sufficient justification for the request for confidentiality. (NRS 247.530, 250.130, 293.906) The persons authorized to obtain such court orders include, among others, justices, judges, certain court personnel, peace officers or retired peace officers, county or city clerks or registrars of voters who perform tasks related to elections, public officers, prosecutors, public defenders, certain employees who perform tasks related to child welfare services or child protective services, county managers and certain employees who perform tasks related to code enforcement. Existing law also authorizes the spouse, domestic partner or minor child of any such person who was killed in the performance of his or her duties to obtain such court orders. (NRS 247.540, 250.140, 293.908) **Sections 5-7** of this bill additionally authorize employees of a state or local organization for emergency management to obtain such court orders.

Existing law authorizes certain persons to request that the Department of Motor Vehicles display an alternate address on the person's driver's license, commercial driver's license or identification card. (NRS 481.091) **Section 8** of this bill additionally authorizes an employee of a state or local organization for emergency management to make such requests.

Under existing law, certain state and local agencies are authorized to obtain permits from the Department of Public Safety to own and operate emergency vehicles in the performance of their duties. (NRS 484A.480) **Section 9** of this bill authorizes the issuance of such a permit for a vehicle owned and operated by a state or local organization for emergency management.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 414 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***As used in sections 2, 3 and 4 of this act, "core emergency management function" includes, without limitation:***

1. Planning for emergency management;

2. Emergency management operations and coordination;

3. The acquisition and maintenance of emergency management equipment;

4. The training and professional development of persons who provide emergency management services;

5. The performance of exercises and evaluations in preparation for an emergency or disaster;

6. The development and distribution of information, alerts and warnings related to an emergency or disaster;

7. The continuity of government and emergency management operations during an emergency or disaster;

8. The mitigation and reduction of risks related to an emergency or disaster; and

9. Response and recovery efforts in response to an emergency or disaster, including, without limitation, the implementation of protective measures, removal of debris and provision of recovery housing.

Sec. 3. *1. The Account for Emergency Management Infrastructure is hereby created in the State General Fund. The Office shall administer the Account.*

2. The money in the Account must be invested as other state accounts are invested. All interest earned on the deposit or investment of money in the Account, after deducting any applicable charges, must be credited to the Account. Claims against the Account must be paid as other claims against the State are paid.

3. The money in the Account must be used:

(a) By the Office for core emergency management functions in this State;

(b) To provide grants of money in accordance with the provisions of section 4 of this act; and

(c) For any other purpose authorized by the Legislature.

4. Any money remaining in the Account at the end of a fiscal year does not revert to the State General Fund, and the balance in the Account must be carried forward to the next fiscal year.

Sec. 4. *1. Within the limits of legislative appropriations and other available money, the Office shall:*

(a) Provide grants of money to each county and each incorporated city in a county whose population is 100,000 or more that has established a local organization for emergency management:

(1) To support or enhance core emergency management functions in the county or incorporated city, as applicable; and

(2) For emergency alert and warning systems.

(b) Distribute the grants in equal amounts for each purpose specified in subparagraphs (1) and (2) of paragraph (a) to each county and incorporated city that the Office determines qualifies for a grant.

2. A county or incorporated city that receives a grant of money from the Account for Emergency Management Infrastructure pursuant to subsection 1 shall:

(a) Identify threats and hazards to the emergency management activities of the county or incorporated city, as applicable, and conduct a risk assessment based on such threats and hazards; and

(b) Determine the priorities for core emergency management functions of the county or incorporated city, as applicable, based on the results of the risk assessment conducted pursuant to paragraph (a).

3. As a condition of a grant provided pursuant to subsection 1, the Office may require the county or incorporated city to submit a report to the Office detailing the expenditure of the grant of money by the county or incorporated city, as applicable.

4. A county or incorporated city that does not expend the grant of money provided pursuant to subsection 1 may:

(a) Request that the remaining money from the grant revert to the Account for Emergency Management Infrastructure; or

(b) Transfer the remaining money from the grant to an interest-bearing account maintained by the county or incorporated city, as applicable, for the purpose of providing core emergency management functions.

Sec. 5. NRS 247.540 is hereby amended to read as follows:

~~[(n)]~~ ***(o)*** "Social worker" means any person licensed under chapter 641B of NRS.

Sec. 9. NRS 484A.480 is hereby amended to read as follows:

484A.480 1. Except as otherwise provided in NRS 484A.490, authorized emergency vehicles are vehicles publicly owned and operated in the performance of the duty of:

(a) A police or fire department.

(b) A sheriff's office.

(c) The Department of Public Safety, for vehicles that are:

(1) Operated in the performance of the duty of the Capitol Police Division, the Investigation Division, the Nevada Highway Patrol Division, the State Fire Marshal Division, the Training Division and the Office of the Director of the Department of Public Safety; or

(2) Designated an authorized emergency vehicle by the Director of the Department of Public Safety.

(d) The Office of the Attorney General.

(e) The Division of Forestry of the State Department of Conservation and Natural Resources in responding to a fire.

(f) The Section for the Control of Emissions From Vehicles and the Enforcement of Matters Related to the Use of Special Fuel in the Department of Motor Vehicles.

(g) A public ambulance agency.

(h) A public lifeguard or lifesaving agency.

(i) The office of a coroner or medical examiner.

(j) A state or local organization for emergency management.

2. A vehicle publicly maintained in whole or in part by the State, or by a city or county, and privately owned and operated by a regularly salaried member of a police department, sheriff's office or traffic law enforcement department, is an authorized emergency vehicle if:

(a) The vehicle has a permit, pursuant to NRS 484A.490, from the Department of Public Safety;

(b) The person operates the vehicle in responding to emergency calls or fire alarms, or at the request of the Nevada Highway Patrol or in the pursuit of actual or suspected violators of the law; and

(c) The State, county or city does not furnish a publicly owned vehicle for the purposes stated in paragraph (b).

3. Every authorized emergency vehicle must be equipped with at least one flashing red warning lamp visible from the front and a siren for use as provided in chapters 484A to 484E, inclusive, of NRS, which lamp and siren must be in compliance with standards approved by the Department of Public Safety. In addition, an authorized emergency vehicle may display revolving, flashing or steady red or blue warning lights to the front, sides or rear of the vehicle.

4. An authorized emergency vehicle may be equipped with a system or device that causes the upper-beam headlamps of the vehicle to continue to flash alternately while the system or device is activated. The driver of a vehicle that is so equipped may use the system or device when responding

to an emergency call or fire alarm, while escorting a funeral procession, or when in pursuit of an actual or suspected violator of the law. As used in this subsection, "upper-beam headlamp" means a headlamp or that part of a headlamp which projects a distribution of light or composite beam meeting the requirements of subsection 1 of NRS 484D.210.

5. Except as otherwise provided in subsection 4, a person shall not operate a motor vehicle with any system or device that causes the headlamps of the vehicle to continue to flash alternately or simultaneously while the system or device is activated. This subsection does not prohibit the operation of a motorcycle equipped with any system or device that modulates the intensity of light produced by the headlamp of the motorcycle, if the system or device is used only during daylight hours and conforms to the requirements of 49 C.F.R. § 571.108.

6. A person shall not operate a vehicle with any lamp or device displaying a red light visible from directly in front of the center of the vehicle except an authorized emergency vehicle, a school bus, an official vehicle of a regulatory agency or a vehicle operated pursuant to NRS 408.437.

7. A person shall not operate a vehicle with any lamp or device displaying a blue light, except a motorcycle pursuant to NRS 486.261, an authorized emergency vehicle or a vehicle operated pursuant to NRS 408.437.

8. As used in this section, "local organization for emergency management" has the meaning ascribed to it in NRS 414.036.

Sec. 10. There is hereby appropriated from the State General Fund to the Account for Emergency Management Infrastructure created by section 3 of this act for the Office of Emergency Management within the Office of the Governor to provide grants of money for emergency alert

and warning systems in accordance with the requirements of section 4 of this act the following sums:

For the Fiscal Year 2027-2028.....$500,000

For the Fiscal Year 2028-2029.....$500,000

Sec. 11. 1. There is hereby appropriated from the State General Fund to the Account for Emergency Management Infrastructure created by section 3 of this act for the Office of Emergency Management within the Office of the Governor to provide grants of money to support or enhance core emergency management functions in accordance with the requirements of section 4 of this act the following sums:

For the Fiscal Year 2027-2028.....$3,000,000

For the Fiscal Year 2028-2029.....$3,000,000

2. The Office of Emergency Management shall use the money appropriated by section 1 to provide equal grants of money to each county and incorporated city that the Office of Emergency Management determines is eligible to receive a grant pursuant to section 4 of this act.

3. As used in this section, "core emergency management functions" has the meaning ascribed to it in section 2 of this act.

Sec. 12. This act becomes effective upon passage and approval.
