AN ACT relating to motorcycles; revising certain requirements for licensure as an instructor for the Program for the Education of Motorcycle Riders; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires the Director of the Department of Public Safety to
2 establish the Program for the Education of Motorcycle Riders. (NRS 486.372)
3 Under the Program, the Director is required to approve courses of instruction
4 related to the safe operation of motorcycles that are provided to certain eligible
5 persons by certain public or private organizations. (NRS 486.372, 486.373,
6 486.374) Existing law requires the courses to be taught by licensed instructors and
7 establishes requirements for a person to become licensed as an instructor for the
8 Program. Specifically, existing law requires such a person to: (1) be at least 21
9 years old; (2) hold a motorcycle driver's license or a motorcycle endorsement to a
10 driver's license issued by the Department; and (3) be certified as an instructor of
11 motorcycle riders by a nationally recognized public or private organization which is
12 approved by the Director. (NRS 486.375) This bill expands the eligibility
13 requirements for a person to be licensed as an instructor for the Program by: (1)
14 lowering the age requirement from 21 to 18 years old; and (2) expanding the
15 jurisdictions from which a qualifying motorcycle driver's license or motorcycle
16 endorsement to a driver's license may be issued to include any state or territory of
17 the United States, or the District of Columbia.
